## EASTER EGG HUNT AND PARADE WAS EGG-CELLENT!

What a beautiful day for a parade! On Saturday, April 6, 2013, Warren Township Recreation Commission held its 5th annual Easter Egg Hunt and Wagon Bike Parade. The parade jump-started the festivities in the Municipal Complex parking lot at 2pm. The Easter Bunny, escorted by High School Student, Aleezae Nisar, lead dozens of children donned in colorful costumes riding their decorated bicycles, wagons and scooters. There were a total of 45 entrants for the parade competing for prizes in three categories: Funniest, Prettiest, and Most Original. As the participants circled and showed off their creations, volunteers from the Township Committee and Recreation Commission had the tough job of selecting the winners. Finally, the judges rendered their decision in each category. "The Funniest" prize went to Joseph Pontoriero (6) and Francesco Pontoriero (7). "The Prettiest" was awarded to Maria Pontoriero(1) and Angelina Pontoriero(4). Finally, the prize for the "Most Original" went to Aidan Montross(3).

Following the parade, the excitement was starting to build for the Easter Egg Hunt mad dash. There were 108 children who registered for this event. Students from WHRHS, Girl Scouts and parents put out all 2,100 eggs filled with candy, tattoos, stickers, and toys. There were also over 100 special eggs with labels inside naming larger prizes to be claimed.

Donations made by Primrose School, the Learning Center, Warren Blue Ridge Sportmen's Club, Weichert Realtors, Temple Har Shalom School, Echoes-Sentinel Denis Kelly, Wagner Farm Arboretum and Jersey Men's Football Club.

## WARREN STUDENTS DISPLAY PROBLEM SOLVING SKILLS TO BOE

On Monday, April 6, 2013, the Warren Township Board of Education held their regular Board meeting at Central Elementary School. The meeting began with some second and fourth grade students conducting presentations for the

(above, front, l-r) Students presenting the Gaga Pit facts and justification for purchasing this item. Marc Clapcich, Dani LaCanna, Grace Zamora, and Alan Wang, (back, l-r) Ruthie Gu and Samantha Glass

Board and community members to demonstrate student learning.

The second grade students lead by their teacher, Mrs. Psak, gave a presentation on their non-fiction reading about Black Vultures. The students became interested about the Black Vulture when they began to roost on the roof of the school chimney for warmth. These students explained that they used the internet to answer questions that they had developed about the birds. They learned to identify quality sites in order to make sure that their facts were valid. Students learned about the habits of the Black Vultures-their feeding choices, how they take care of their children, that they are clumsy-were just a few of the many facts that they shared.

The fourth grade class created a 21st Century learning project that dealt with researching ways to improve the playground at Central School. The students conducted a student survey to see what types of items student wanted to add to expand the playground. The students then

researched the cost, computed the space requirements and made a recommendation of two items, a Gaga Pit and a portable Miniature Golf game, for consideration by school administration to install. The students will make an additional presentation in May to the PTO to consider funding of these recommendations. Thirteen students were selected to present the finding to the Board of Education. Students were asked to reflect on their project. Many of the students said this project was a fun way to learn about collaboration, teamwork and math concepts such as the cost of items and cost comparison of materials.

The 21st Century Fluencies is an initiative of Warren Township School District that is in its second year. The teachers have participated in professional development programs that have improved their skills in modifying and delivering lessons in the areas of collaboration, technology, critical thinking, and creativity. This initiative has provided students with challenging and exciting learning experiences.

# BOY SCOUT SPAGHETTI DINNER A BIG SUCCESS!

Warren Boy Scouts Troop 228 had their Annual Spaghetti Dinner on March 2nd, 2013. It was held at Our Lady of the Mount Catholic Church in Warren from 5:00 - 8:00 pm. Over 400 spaghetti dinners were served - our most ever! It was a wonderful Troop group effort, with the boys serving the guests, the dads cooking in the kitchen, and the moms helping

with salads, drinks and desserts. Residents of the township of Warren came out to support our event, and it was a very successful fundraiser for our Troop. The money raised will be used to buy new equipment for camping trips, educational materials and to help scouts attend summer troop camp in the Adirondacks or at Winnebago.

# GIRL SCOUTS PAINT MT. HOREB STUDENT'S MURAL

Warren Junior Troop 65197 has been busy working on their Girl Scout Bronze Service Award. The project is to refurbish the "Wall Ball" Wall on the Mt. Horeb Elementary School playground. The troop, which is composed of eleven 5th grade girls from Mt. Horeb School came up with the idea after the wall was vandalized last year. The girls started the project by soliciting input from the Art and Physical Education teachers. Next, they held an art design ideas contest for the Mt. Horeb student body. Many ideas were submitted, but seven design ideas were selected with the help of Art Teacher, Mrs. Sage, to be put to a vote by the student body in order to choose the final design. The

final and favorite design was drawn and submitted by 5th grader, Sofia Lombardo. The girls from Troop 65197 hope to complete the project by early June in time for Field Day.

## SENIOR ART PROGRAM

Using tempera paints, Warrenbrook attendees painted sunsets with silhouette trees and other natural forms. The participants used paint sponges and brushes to complete their painting.

The program was made possible, in part, by funds from the New Jersey State Council on the Arts/Department of State, a Partner Agency of the National Endowment for the Arts, and administered by the Somerset County Cultural & Heritage Commission through the State/County Partnership Local Arts Program.

### LUNCH AND LEARN OPPORTUNITY

Thursday, May 16 - 11:45 pm

Artistic Director of the Discovery Orchestra, George Marriner Maull will walk us through the musical blueprint of "Jupiter, the Bringer of Jollity." Together we will explore the music of Gustav Holst's "The Planets." Holst seemed to consider The Planets a progression of life. Perhaps "Jupiter" represents the "prime" of life, even with the overplayed central melody, which was later arranged to the words of "I vow to thee, my country." The Stravinskyan white-note bustle of the joyous opening bars of Jupiter brings in a feeling of happiness, abundance and even mirth. The high spirits are interrupted by startling brass fanfares in F-sharp major which herald the andante maestoso section, probably one of the most famous aspirational melodies in the world. This song was chosen by Prince William to be played during Princess Diana's funeral because it was one of her favorite hymns from school. The cost is \$5.00 for attendees 60 and above and \$10.00 for attendees under 60. Advance reservations are required by Tuesday, May 14. A menu choice of boneless chicken breast with country gravy or macaroni and cheese with garden peas is required when you make your reservation.
