## AMERICA'S OLDEST TEACHER LIVES IN NORTH PLAINFIELD

On Friday, January 10, 2014, The Sundance School celebrated the 100th birthday of teacher Agnes "Granny" Zhelesnik --America's oldest working teacher --with a special student ceremony hosted in her honor.

Agnes Zhelesnik, affectionately referred to as "Granny" by her students and colleagues, is the full-time home economics teacher at The Sundance School (preschool - 5th grade) in town. Born in 1914, Granny joined The Sundance School in 1996 at age 81 following a lifetime as a homemaker, it was her first paying job since the 1930's. Today she works 35 hours each week teaching Home Ec., giving after-school cooking & sewing lessons, and making costumes for school plays. Granny's daughter, also named Agnes, has taught at The Sundance School for 32 years and counting.

Surrounded by her students, family, friends, and faculty, Granny was honored with a proclamation by Mayor Michael Giordano Jr.; a 100th birthday cake presentation and performance by Sundance School alumni and Broadway star Lucas Schultz (A Christmas Story, The Musical); a special student tribute and performance of Granny's favorite production, The Little Mermaid, Jr.; and a special surprise birthday message from President Barack Obama!

For almost 40 years, The Sundance School has provided a unique educational experience for preschoolers through fifth grade. Their mission is to help children grow emotionally, socially, intellectually, physically and creatively. In addition to core curriculum, students have

"STAR" potential, with the opportunity to learn through the arts, and participate in two shows every year. The Sundance Schools follows the traditional academic school year but also offers extended day programs as well as school and summer vacation camps. For more information about The Sundance School, visit [www.thesundanceschool.com](http://www.thesundanceschool.com). The Sundance School is located at 401 Greenbrook Road. ## VICTORIAN HOUSE TOUR NOT STOPPED BY SNOW STORM

On Saturday, December 14th, from 2 to 7 P.M. the Washington Park Historic Association sponsored a "Victorian Christmas House Tour and Art Exhibit". All of the homes were located in the North Plainfield Washington Park Historic District and many still have their original architectural features.

The tour started at The Church of the Holy Cross located at 40 Mercer Ave. The church is an excellent example of Carpenter Gothic Architecture. Local artist had some of their original work on display in the homes.

After the tour, participants were invited to a wine and chocolate tasting, donated by local merchants at Super Buy Rite Liquor store located on Rt. 22 West.

Coordinator, Frank D'Amore Sr said, "We had a great time presenting the tour. We would have liked better weather but that we can't control. We have been presenting these tours for more than 30 years, this is the first time we had foul weather. This prompted us to have an alternate tour date in case of weather conditions for next time."

After more than 10 years of work by Washington Park volunteers, the Washington Park Historic District was listed in the State and National Registers of Historic Places on April 9, 1987. The Washington Park Historic association is dedicated to the preservation, restoration, rehabilitation and protection of our Historic District.

## EXCERPTS STATE OF THE BOROUGH ADDRESS

Mayor Michael Giordano, January 13, 2014, North Plainfield, New Jersey

### 2014 ANNUAL BUDGET

We have much to be thankful for this year, especially the absence of another hurricane! Last year at this time we were still recovering from Super Storm Sandy. We can all take pride in how we came together to help our neighbors in need, and in our professional staff who worked to protect and restore our community. The storm taught us valuable lessons on emergency planning and we are grateful for the many agencies at the Federal, State and County level that have supported us throughout our recovery effort. They have also provided resources and funding to ensure we are even better prepared for the future.

### INFRASTRUCTURE PROJECTS AND COMMUNITY FACILITIES

The past several years have been very active ones in making investments in our community facilities and infrastructure. Historically low borrowing costs and very competitive construction prices have allowed us to make significant capital improvements:

Sewer Improvements, Roadway Improvements, Community Facilities, and Municipal Complex.

### PLANNING INITIATIVES

This year will see the completion of our long awaited new Master Plan. This effort was lead by our Planning Board Chair Tom Fagan. The Master Plan will establish a way forward in the Borough and will encourage future development and redevelopment in a responsible manner. The new Master Plan will encourage initiatives for energy conservation and will identify certain areas of the Borough for further redevelopment initiatives. Once the Master Plan is completed I will be seeking Council's authorization to pursue additional studies in these targeted areas.

### NEW BUSINESS

Despite the economy, we have been fortunate to continue welcoming new businesses to North Plainfield. In addition to the "Grand Opening" of Costco this year, a few of these include: The

Tile Shop, The Brook (Corner of Grove and Greenbrook Road), Marino's Foreign Car Auto Repair (Opened in Raceway on Rte 22), Eddy's Kitchen on Somerset Street, Kasia's Deli (formerly Pat's Deli), 25 Burgers on Somerset Street, Maribel Fabian Hair Salon, and a Women's Accessory Shop on Greenbrook Road across from Vitelli Village.

### PUBLIC WORKS

In the aftermath of Super Storm Sandy, our Public Works Director Jim Rodino continues his efforts in securing funding to upgrade many of our systems. We have acquired a generator for the borough garage which will provide fuel for emergency vehicles, and most importantly has provided uninterruptible power supply to our radio station. We are also in the process of securing funding from FEMA for a generator for the Vermeule Community Center. Our flood alarm system has been upgraded to a wireless digitalized system minimizing the possibility of a break in service. Clean-up continues from the debris left behind in our brooks and streams

### SHARED SERVICES AGREEMENTS

In the past year we continued our successful shared services agreement with Watchung and Green Brook for our court operations. Our Municipal Administrators recently met and have recommended continuation of the agreement in its current form.

### COMMUNICATION

This year we made some important advances in communication. In the beginning of the year we re-launched our website - www.northplainfield.org - to make it more user-friendly and comprehensive. We also partnered with the North Plainfield Business Association to produce a new monthly newspaper - The Pride of North Plainfield. We also started a Borough Facebook page this year as another avenue to provide information to our residents.

*Best wishes to all for a happy, healthy and prosperous 2014!*

# New FDA Approved Treatment Proven to Relieve Knee Pain

**TREATMENT COVERED BY MOST MAJOR HEALTH INSURANCE PLANS – INCLUDING MEDICARE**

Did you know that over 100 million Americans suffer from knee and joint pain? In fact, this pain accounts for one fourth of all visits to primary care physicians and half of all anti-inflammatory drug prescriptions. If you suffer from any degree of knee or joint pain Drs. Mejia & Spiaggia of Performance Rehabilitation & Integrated Medicine personally invite you to regain control of your life by scheduling a FREE step one consultation with their staff. Call now. You deserve to live pain free!

## Who is a good candidate for this treatment?

- Have you been diagnosed with osteoarthritis?
- Do you wake up with knee, shoulder, or joint pain?
- Does your knee, shoulder, or joint pain keep you from certain activities?
- Have you been told you need a knee replacement?
- Are you active and sometimes suffer from sore knees or joints?
- Do you take medications for knee or joint pain?
- Do you have difficulty going up and down stairs due to knee pain?
- Are you considering surgery to alleviate knee pain?
- Does your knee ever feel like it is "giving way" or unstable?
- Has a recent car accident caused you a knee or joint injury?

If you answered yes to any of these questions, call now to schedule a FREE step one consultation.

## Is surgery the answer?

If you have knee pain and are worried, concerned, or afraid of the possibility of surgery, you're not alone. Most likely, you've heard stories about knee surgery and the outcome not being good. You may also know someone who had surgery and their knee was never the same. You don't want the next unnecessary and preventable knee surgery story to be about you, but the pain is not going away and your life is being altered because of it. You may have tried getting information on the Internet about the best course of action for you to take, but there's so much conflicting advice that you're scratching your head about who you can believe and trust. If you are considering surgery, you owe it to yourself to schedule a FREE step one consultation with Performance Rehabilitation & Integrated Medicine first.

## What else is available to treat knee pain?

Drs. Mejia & Spiaggia and their staff have taken years to carefully develop a customized treatment program for those suffering with knee and joint pain. This new treatment protocol utilizes the latest high-tech FDA approved solution available combined with cold laser technology, physical therapy, acupuncture and joint mobilization & stimulation. The patient's lifestyle is also taken into consideration as stretches, exercising, and lifestyle skills are taught for a lifelong approach to relieving pain.

## How does this treatment work?

Utilizing dye and a cutting-edge live motion x-ray machine, the doctors and staff are able to pinpoint

problem areas with precision and accuracy. A viscosupplement injection is delivered and the healing process starts. Viscosupplementation has been shown to relieve pain in many patients who have not responded to other non-surgical methods by bonding with naturally occurring joint fluid to create a lubricating and cushioning layer. It also reduces pain, inflammation, and swelling of the joint. Little to no discomfort is noticed and many patients feel the effects within days.

## FREE STEP ONE CONSULTATION

*"We are so confident that you will find healing and relief at our office that we are offering you a **Free step one evaluation and consultation**. We will personally review a full health analysis questionnaire, evaluate your condition and determine how we can help you. There are no strings attached and you have no obligation. Don't live with pain, fear and doubt any longer. Pick up the phone and take control of your life right now. You have nothing to lose but your pain. Time slots fill quickly so call today to secure your free step one consultation."*

— Ron Spiaggia, DC - Clinic Director  
Joseph Mejia, DO, F.A.A.P.M.&R. - Medical Director

## What are patients saying?

*"My life has changed for the the better since treatment. I no longer take medication or have down days where I just cannot get out of bed because of the pain. I've started riding my bike again with my husband and he is more happy because he has his riding partner back."*

— Vicki M.

The Rotary Club of Plainfield-North Plainfield presented Student of the Month Certificates of Achievement to four students from North Plainfield High School at a luncheon in their honor on January 8th at Giovanna's Restaurant in Plainfield.

Nancy Bahnasy (September), Christina Forrester (October), Ana Rodriguez (November), and Jawana Wilson (December) were selected by their Interact Club adviser, Alexandra Pereira, in recognition of their years of service to Interact and their academic achievements and extracurricular activities. Each of the recipients has worked diligently with Interact on the club's many activities, including food drives, blood drives, community events for children, helping the Rotary Club with its scholarship fundraisers, and many more.

Each of the four recipients spoke extemporaneously at the meeting, giving an overview of their academic achievements, their

involvement in the Interact Club, and the ways that they have benefited from their education at North Plainfield High School.

Each of the students received a framed certificate that read, in part, "In recognition of your commitment to attain high academic achievement through activities that develop good citizenship at North Plainfield High School." The students were accompanied by Alexandra Pereira, Interact Club adviser and Spanish language teacher at the North Plainfield Middle School.

The Rotary Club meets every Wednesday at 12:15 PM at Giovanna's Restaurant in Plainfield. Anyone interested in serving the community is welcome to attend a luncheon meeting as guest of the Club to learn more about their service opportunities.

More information is available from the Club's website at [www.RotaryPNP.org](http://www.RotaryPNP.org) or by phone at 908-822-1441.

# PRESBYTERIAN WELCOME PROGRAM COMES TO NORTH PLAINFIELD

The Watchung Avenue Presbyterian church will host its second worship and study event offered by the organization Presbyterian Welcome. The program will explore what Scripture says - and what it does not say - concerning LGBTQ persons. It will examine biblical texts that reference the idea that the divine message of love is deep, wide, and inclusive.

The leader of the session will be Reverend John Russell Stanger who is Minister for Advocacy and Education at Presbyterian

Welcome in New York City. John Russel holds a Master of Divinity from Austin Presbyterian Theological Seminary. His mission is "to help reconcile the rift between our sexuality, our gender identity, and our faith". His writings can be found at PluckPresby.com

The program date is February 16th. There will be worship service at 10:00 am, a brunch at 11:00 and the study will begin at 12:00 noon. Everyone is invited, youth and adults. Watchung Avenue Presbyterian Church is located at 170 Watchung Avenue.

## NORTH PLAINFIELD FACULTY AND STAFF PLAY BASKETBALL FUN-RAISER GAME

The North Plainfield Faculty and Staff recently converged on the court to play a great game of basketball at the high school gymnasium.

Spectators were treated to a very competitive game that brought two district-player teams out of the classroom to raise funds for the boys' high school program. Ms. Lagina Womach opened this event with her rendition of the Star Spangled Banner.

"Given the many new state mandates and new evaluation system, this was a wonderful stress-reducer for our staff while being a great fundraiser for the boys' basketball team", said Superintendent Marilyn Birnbaum, coach of the Maroon team.

The Maroon team, with player-coach Reginald Sainte-Rose, principal of Somerset School and Boys' High School head basketball coach, ended the first half of play down 24 - 14. Down by only 10 at the start of the 3rd quarter, the White team kept the pressure on by posting a score of 27 - 19.

The capacity-filled gymnasium of spectators and players were entertained by the Middle School Boys Choir and the North Plainfield High School Cheerleaders. D.J. "Chino" (Raul Noriega) provided continuous music throughout

the night and Kona-Ice provided cool refreshments.

The White team, coached by Assistant Superintendent Bob Rich, continued their strong play in the 4th quarter.

"It was great to see our district staff giving up time to raise money for our basketball program", proclaimed Mr. Rich.

The White team prevailed at the end by posting a final score of 43 - 32. "It was a hard fought game and in the end the Maroon team came up a bit short", said Mr. Sainte-Rose. "But we all had a lot of fun".

Mr. Sainte-Rose added that, "Tonight's event accomplished two goals. First, we raised money for our Boys' Basketball Program and most importantly, we had a chance to come together as a district community to show North Plainfield school district spirit and pride".

North Plainfield Graphics and La Strada Restaurant provided sponsorship of the event, and their continuous commitment to community events is greatly appreciated.

A special thank you goes out to Janeann Dickerson, Martha Barrett, Mary Castro, Paula Della Fortuna, Laurie Pfundheller, Donna Patton for their assistance in this event, as well as to the families of North Plainfield.

## LIBRARY RECEIVES DÍA FAMILY BOOK CLUB GRANT

The North Plainfield Library, a branch of the Somerset County Library System, received a \$2,000 mini-grant from the Association of Library Services for Children (ALSC) to create a multicultural family book club in celebration of "El día de los niños."

The North Plainfield Memorial Library has created a series of Spanish/English, bi-lingual programs to promote a love of books and reading to children. The Family Book Club will stimulate discussions of family, community, language, culture, and values for children in kindergarten through second grade using the following six books:

- Chrysanthemum/Crisantemo by Kevin Henkes
- Scaredy Squirrel/La Ardilla Miedosa by Mélanie Watt
- Marisol McDonald Doesn't Match/Marisol McDonald No Combina by Monica Brown,
- Hairs/Pelitos by Sandra Cisneros, I Love Saturdays y domingos by Alma Flor Ada
- Gracias/Thanks by Pat Mora.

Each of these books will be provided free to participants while supplies last. The introductory program will take place on Tuesday, February 18 at 6:30 pm in the Library's Program Room. All programs are free and registration is required.

The North Plainfield Library, a branch of the

Somerset County Library System, is open Monday-Saturday. Hours of operation are Monday through Thursday from 9:30am to 9pm and Friday and Saturday from 9:30am to 5pm.

El día de los niños/El día de los libros (Children's Day/Book Day), is a nationally recognized initiative and celebration of children, families, and reading that culminates yearly on April 30. The celebration emphasizes the importance of literacy for children of all backgrounds. Día was founded in 1996 by children's book author Pat Mora, who proposed conceptually linking the existing Children's Day with literacy. The founding partner of Día is REFORMA, the National Association to Promote Literacy and Information Services to Latinos and the spanish-speaking.

The mini-grants are part of ALSC's Everyone Reads @ your library grant, generously funded by the Dollar General Literacy Foundation, leading up to Día's 18th anniversary. For more information, visit <http://dia.ala.org>.

Patrons with further questions can call SCLS at (908) 755-7909 or visit the website at <http://www.sclsnj.org>. The Somerset County Library System has branches in Bridgewater, Bound Brook, Hillsborough, Manville, at the Mary Jacobs Library in Rocky Hill, North Plainfield, Peapack & Gladstone, Somerville, Warren Township and Watchung.

## FIRE DEPARTMENT WILL HOST THEIR 11TH ANNUAL ST. BALDRICK'S DAY EVENT • SAT., MARCH 22, 2014 • 1PM FIRE HEADQUARTERS, 8 LINCOLN PLACE

St. Baldrick's Day is a family-friendly event where volunteer Shavees have their heads shaved as a sign of solidarity with kids whom lose their hair to cancer treatment. They solicit donations in exchange for the sacrifice of the hair; raising funds and awareness for the St. Baldrick's Foundation. It is not uncommon to shave more than 100 Shavees at the North Plainfield event!

The St. Baldrick's Foundation uses the money raised to fund meaningful science aimed squarely at conquering childhood cancer. Events like North Plainfield's generate 100% of the revenue that the St. Baldrick's Foundation uses to fund the clinical trials, fellowships and research grants made annually and consistently.

Last year 82% of the money raised went directly to Childhood cancer research.

The 2013 event in North Plainfield raised over \$117,000 for the St. Baldrick's Foundation and since 2004 North Plainfield has brought more than a half-million dollars to the cause.

Please join us in Fire Headquarters this year and be witness to this amazing event. We will be recognizing Team Quinn; a group of children from Bridgewater, NJ who have rallied around a classmate as he battles cancer and in turn raised awareness of kids cancer challenges and victories.

innovation • diversity • liberty

This year marks New Jersey's 350th anniversary and the North Plainfield library is celebrating by presenting a free program called "Timeline New Jersey" with NJ photographer, author and advocate of state pride, Walter Choroszewski. This lecture will take you on a pictorial history of the Garden State from the primeval dawn of the Highlands through the Ice Age, meeting the first people and early explorers along the way. Choroszewski will follow our state's history through the colonial and revolutionary periods into the present. Come celebrate the events and many firsts that make New Jersey special on Saturday, February 22 starting at 2:00 p.m. at the library, located at 6 Rockview Avenue. You may reach the library by calling 908-755-7909 or visiting the website, [www.sclsnj.org](http://www.sclsnj.org). For more NJ anniversary events visit <http://officialnj350.com/>.
