## KENILWORTH RESCUE SQUAD GETS A MAKE-OVER

The Kenilworth rescue Squad announced today that the volunteer service of a team of New York Life representatives from the Parsippany NJ office resulted in a \$6,000 Volunteers for Good grant to the organization. A team of 50 volunteers, consisting of 11 New York Life Volunteers for Good, 19 Kenilworth Fire Fighters and EMT's and 20 Kenilworth family and friends supported the two-day "make-over" event which resulted in a major facelift to the aging EMT building. "Our team is proud to be actively involved with the Kenilworth Rescue Squad," said Kate Matier, Kenilworth EMT as well as NYL volunteer.

Located at the corner of Cross Street and 17th Street, the little brick building the EMT Squad calls home faithfully services Kenilworth's 7,800 residents, responding to almost 1,000 emergency calls annually. The all-volunteer Department is comprised of 45 active members with 8 dedicated EMT's and 15 fire fighters who also pull double-duty as EMT's.

Organizers Lieutenant Jessica Delgado-Days, EMT Kate Matier and Kenilworth Fire Department Battalion Chief John Mauro conducted several meetings to identify the feasible scope of the work. After determining the various projects (new ceiling tiles, fixture lamps, carpet, furniture, paint, etc.) tasks were divided amongst the members and all went to work.

As a charity endeavor, the team enlisted the support of local merchants who would be willing to assist. Battalion Chief John Mauro and volunteer Bill Matier wrote up the general construction materials list and headed to Home

Depot of Union on Rt. 22. There over \$700 worth of ceiling tiles, fixture lamps and lenses, paint, brushes, rollers, and various other sundries were purchased at a 10% discount. Two beautiful convertible couches were provided by Furniture ConnXion of Kenilworth at a significant discount. Of course, new furniture needs a new floor and Hannon Floor Covering Center came to the rescue providing new carpeting at cost. All new window blinds were donated by Stan Wnek of Suncoast Window Treatments in Springfield.

Once all the materials were on-hand it was time for the "big day". On Saturday, May 3, 2014, over 50 volunteers mobilized to the building. During the next 12 hours, the building began its transformation.

Of course, all these volunteers require feeding and again it was local businesses to the "rescue". Lunch was provided by Big Apple Pizza at a 50% discount. Dinner offered burgers and hot dogs off the grill, courtesy of an unknown benefactor.

A beautiful mural depicting the EMT Star of Life on one wall of the meeting room was painted by the skilled hand of artist and EMT Julia Aduato.

"The team of volunteers from New York Life's Parsippany Office has been instrumental in assisting our organization," said Lieutenant Jessica Delgado-Days. "We are grateful to New York Life for supporting our mission." The Volunteers for Good Program recognizes and encourages the group efforts of New York Life's employees, retirees and agents. Qualified teams may apply for a grant for nonprofit organizations where they volunteer.

## MEMO FROM THE MAYOR

The days are getting shorter and cooler and now we are fast approaching my favorite season, autumn. I trust everyone had a thoroughly enjoyable summer. The town hosted some great events this past summer and a few more are scheduled for this fall.

The Health Department has scheduled its annual Health Fair for Saturday, September 27, 2014 from 9:00-12:00. The basic blood test will be free for Kenilworth residents. There will also be free hearing and vision tests. Flu shots will be available for \$20.00, though that cost can be covered by Medicare Part B. The fair will take place at St. Theresa's School.

Kenilworth's annual Street Fair will take place on Sunday, October 26, 2014 from 10:00 A.M. to 4:00 P.M. It will take place at its usual location on the Boulevard.

I look forward to seeing you at both of these events. I would like to finish by wishing all the school kids a successful school year and I hope all the parents enjoy the house being a little quieter for a few hours during the day.

# NATIONAL NIGHT OUT

The Borough of Kenilworth's annual celebration of National Night Out was again a tremendous success. The national program, now in its 30th year, is designed to heighten crime and drug prevention awareness, generate support for local anti-crime efforts and strengthen ties between the police and the community.

A large crowd attended Kenilworth's celebration which was held at Harding Elementary School on the Boulevard. A night filled with family friendly activities saw attendees enjoy an inflatable bounce house and obstacle course, face painting, Italian Ices, popcorn, and other amenities that were provided by the Kenilworth Police Department, the Kenilworth Fire Department & First Aid Squad, Ralph's Famous Italian Ices, and the Atlantic Federal Credit Union. Also on hand were the Union County Bomb Squad and K-9 Unit.

Residents were provided with a demonstration by the K9 Unit and were able to get a close look at the Bomb Squads response vehicle. Also a large collection of classic cars were on hand thanks to Dave from OSA Systems in Cranford. Families were able to get a close look at those cars as well as all types of emergency response vehicles from the Borough. It was a night of fun, education, and entertainment for all residents of all ages.

The festivities continued the following evening at the annual Block Party hosted by Dino Cascarano of Commonwealth Ave. Many residents turned out in celebration of National Night and to enjoy food and drink

provided by the residents themselves and Three Guys from Italy Restaurant, owned by Cascarano.

Cascarano, who has been hosting the party for nearly a decade, said "It's a great night to get the community together. It's a nice time to meet with old friends and new ones, and to reaffirm that we are strong community that looks out for one another."

Families enjoyed the evening which was also attended by the Chief of Police, John Zimmerman and Police Commissioner Fred Pugliese, and several detectives and police officers from the department.

# KENILWORTH SCHOOLS OPENING THE YEAR WHILE MAKING STRIDES

Dr. Scott Taylor, Superintendent, Kenilworth Public Schools (@KenilworthSuper)

The Star Ledger's top high school rankings list has been published in its September issue of Inside Jersey and David Brearley has risen on the list of Union County schools. This year, Brearley ranks five schools higher on the list and improved its score by three points.

Kenilworth's high school maintained a distant 25 points from its next lowest county peer (Union Township) and is within three points of its next highest county peer (Roselle Park). The article can be downloaded in its entirety by going to the district's website - [www.kenilworthschools.com](http://www.kenilworthschools.com)

The Harding and Brearley test scores are on the rise, and the progress comes as the 2014-2015 academic year kicked off with teachers and support staff returning on September 2. Other changes as personnel and families return include the addition of two new educational leaders who have already made a tremendous impact on our programs.

Andrew White comes to Kenilworth from the Watchung Borough School District and has assumed the mantle of David Brearley's Assistant Principal. Mr. White hit the ground running and has already helped Principal Brian Luciani prepare for the opening of the school

year with plans for getting to know the middle and high schoolers on very personal levels, preparing the Kenilworth Scholars Academy, and closing out the summer school program.

Susie Budine is the school district's first Director of Pupil Personnel Services and comes to us with over eight years of administrative experience. The Brearley Guidance Department has been expanded and made more effective under the summer leadership of Mrs. Budine. A third guidance counselor has been added to the staff and there are now two secretaries assisting students in the high school's guidance office. All special education and guidance services have been centralized.

Students will be returning to the Kenilworth's schools to updated equipment at both Harding and Brearley, updated curricula and textbooks that fully align to the Common Core State Standards, and a collaboratively developed assessment calendar that will help teachers and the Leadership Team effectively "tell the story of a child" through 2014-2015. I encourage the community to learn more about all of these strides by visiting the new website about which I spoke in my last Kenilworth Life article- [www.kenilworthschools.com](http://www.kenilworthschools.com)

## LOCAL BALLPLAYER CHOSEN TO PLAY IN TEXAS

This Summer 16 year old Paul Casolaro Jr., a Brearly High School junior, was the only baseball player chosen to represent New Jersey to play in the 2014 Sophomore National Championship Premier Baseball Tournament held in Lubbock, Texas from July 30 to August 3, 2014. Paul was chosen to play and represent a club baseball team called the Bayside Yankees located out of Bronx, New York.

Fifty-two baseball teams competed from all over the country including teams from New York, Missouri, Canada, New Mexico, Arkansas, Colorado and Texas.

Paul got to experience playing first base, batting and pitching, for the first time in his young baseball career on college and high school fields in Texas.

During baseball season Paul plays for Gamers Baseball Academy owned and operated by Jon Lewis and Hasani Whitfield which is located in Kenilworth, NJ.

Paul is an outstanding pitcher and first

basemen. He works hard competing year round and trains tirelessly during the off season. In Paul's spare time he enjoys fishing and staying in shape by going to the gym.

Paul's most memorable part of his trip to Lubbock, Texas was when he was chosen to pitch the semi-final game in Texas. He threw over 100 pitches and managed to last 8 innings. Paul did what he was brought down to Texas to do, shut down the Midwest National baseball team from Missouri and win the game for the Bayside Yankees with a score of six to five.

Competing in Lubbock Texas was truly a once in a lifetime opportunity for Paul to play and represent NJ. He was honored and happy to have his whole family out there with him which included his dad Paul, his mom Carmalina, his brother Anthony, and his sister Isabella. They watched every game and cheered him on and gave him the support he needed to succeed in Texas. It was a memorable experience for the whole family.
