FALL ATHLETICS NIGHT ACQUAINTS NEW STUDENTS WITH SPORTS PROGRAM, COACHES

Parents and students, including current eighth graders, who hope to play Fall sports at Watchung Hills Regional High School (WHRHS) attended a Fall Athletics Night in May to hear from Athletic Director Chris Van Vliet, and speak to team coaches.

After welcoming remarks and a presentation by Van Vliet about the philosophy, mission and information about key upcoming dates, students and parents went to breakout sessions throughout the school to meet and speak with coaches. There were coaches representing Football, Boys and Girls Cross Country, Field Hockey, Boys and Girls Soccer, Girls Tennis, Girls volleyball, Fall Cheerleading, Gymnastics and Competition Cheer.

"I was very pleased with our fall athletics night," said Van Vliet. "We had a nice turnout, and the feedback I received was all positive. My hope is that our fall athletes are now more informed about our athletic department and the important items that need to be completed before practice begins, as well as the expectations of our coaches in each of our fall programs."

The WHRHS Athletic Department has two athletic trainers, Terry Marcazo and Michelle Armonda. There are 33 head coaches and 92 coaches in all. Van Vliet said the WHRHS athletic philosophy is: "To provide a competitive athletic environment that strives to maximize the development of our student-athletes in the areas of personal growth, positive team experiences, and individual responsibility. The athletic department supports an atmosphere that embraces school spirit, honors tradition, and helps to develop productive members of society.

Academic eligibility is extended to all freshman athletes for teams that compete during their first Fall and Winter season, Van Vliet said. To be academically eligible to compete

during the Spring season, freshman athletes must have completed 15 credits during their first semester at WHRHS. For sophomores, juniors and seniors, students must have completed 30 credits from the previous school year to be eligible to compete during the Fall and Winter Seasons. For the Spring Season, they must have 15 credits at the end of the first semester.

Students interested in participating in fall sports will faced key deadlines for forms and physicals even before the end of school in June, Van Vliet said. First day for all Fall sports is Monday, Aug. 15th, except for Football, which starts Wednesday, Aug. 10. More information can be found on the department web site at www.whrhs.org.

ROBOTICS NATIONALS FOLLOW - UP

The WHRHS Team 41 Robotics Team accumulated numerous medals, banners, plaques and trophies during the season and at the World Championship, held on April 27-30 in St. Louis. The success at the World Championship completed the most successful Team 41 season since 2008. Along the way, the team scored an 8th place finish at Regionals, and a 2nd place and first place at seasonal contests at Mount Olive High School and Montgomery High School, respectively.

This year's Team 41 robot as seen from above, with a boulder on board, which could be flung by catapult at a tower window target to score points. The robot needed to contain its computer brain for remote control, propulsion mechanisms, and other mechanisms, such as the hydraulic piston that gives the catapult power. The bot had to be relatively quick, nimble, durable, with its vital components protected and easily repaired if the rough and tumble of competition caused damages.

ROTARY CLUB AWARDS SCHOLARSHIPS TO HIGH SCHOOL STUDENTS

Two Warren Hills Regional High School students received scholarships from the Adele DeLeeuw Scholarship Fund at a dinner held Wednesday, June 8th, at the Spain Inn in Piscataway. The scholarships are financed by a bequest from Adele DeLeeuw, longtime Plainfield resident, author of 75 books, journalist, and arts activist.

The Plainfield-North Plainfield Rotary Club administers the Adele DeLeeuw Scholarship Fund and is one of five local Rotary clubs that provide scholarships from the fund to students in their communities who pursue a course of study in poetry, art, journalism, writing or engineering. Sixty thousand dollars was distributed this year to twenty-two area students by the Fund, a fund of the Plainfield Foundation. This year's awards bring the Fund's twenty-one-year total distribution to \$1,143,500.

Brenda Okereke was the scholarship recipient from the graduating class of 2016. The Scholarship Fund also provided a continuing scholarship to college student Melody Njoku. This year's Adele DeLeeuw Senior Scholars, college students who were recognized as a scholarship recipient from the Fund for each of their four years in college included Charlotte Brockway. An additional nineteen students from area high schools received scholarships from the Fund.

Applications for the 2017 Adele DeLeeuw Scholarships will be available in January from North Plainfield High School guidance office. For further information, call Johanna Salvemini, Scholarship Administrator, at (908) 755-8098.

WHRHS DANCING WITH THE TEACHERS

An enthusiastic crowd of students, teachers, and parents filled the Performing Arts Center on Wednesday, May 25th, at Watchung Hills Regional High School (WHRHS) to witness and participate in Dancing With the Teachers.

Dancing with the Teachers is one of a year-long series of fundraising and awareness raising events sponsored by student groups in support of Project ALS (Amyotrophic Lateral Sclerosis, also called Lou Gehrig's Disease). Project ALS is the non-profit organization started by the late Jenifer Estess, who died from the disease, and her family to seek out and support leading edge research to find treatment and a cure for ALS.

The Project ALS has special significance to the students and staff of WHRHS because of English Teacher Laura Goodson. Goodson's brother battled ALS, like Jenifer Estess, and it was Goodson who first discovered Project ALS, and encouraged the WHRHS student government to adopt ALS as their year-long community service effort.

"Thank you for all of your support this year," Goodson said. "As you know, this is a cause that is near and dear to my heart."

Ms. Goodson welcomed everyone to Dancing With the Teachers, and thanked the co-sponsors of the event, the Sophomore Grade Level Council and the WHRHS Dance Ensemble. Student Masters of Ceremonies for the night were Suchir Govindarajan and Schuyler Weisberg.

Students from the WHRHS Dance Ensemble, which had just staged its three-night Spring Dance Concert May 12th, 13th, and 14th, to rave reviews, provided the framework for the 14 dance numbers performed at Dancing With the Teachers. A number of teachers and administrators were featured performers in each number, with Dance Ensemble students and their Faculty Advisor, Marisa Joshi, a talented dancer and choreographer in her own right, providing guidance and spirited support for the teachers.

Among the dances were many of the numbers that highlighted the Spring Dance Concert. The Dancing with the Teachers event benefited from having the services of the Performing Arts

Center's technical director Chris Valenti and his crew, according to event organizers. Valenti and his crew bathed the stage in appropriate and professional mood lighting and theatrical spot lighting, just as they had for the Spring Dance Concert.

For the last scheduled dance of the evening, all were invited, including audience members, to come on stage to dance the currently popular funky line dance, "The Cha Cha Slide." Many in the audience filled the stage, caught up in the fun.

The Dancing With the Teachers line-up of dances included several from the Spring Dance Concert, including "Phishy," "Collateral Damage," "Incandescent," "Becoming Human," and "Masala Chai." The rest of the program for Dancing With the Teachers included popular favorites, "The YMCA," "Uptown Funk," "Whip/Nae Nae," and "Thriller."

For more information about Project ALS can go to its Web site, www.projectals.org, and/or can
