FOOD PANTRY ASSISTS KENILWORTH FAMILIES

Summertime is a difficult season to keep food pantries stocked and St. Theresa's food pantry is dangerously low and needs to be replenished to continue to meet demands.

Across the nation food pantries find that the Holidays, beginning with Thanksgiving, bring the largest quantities to the pantries, but summer months when donations slow down, bring in the most clients. Many of them have children, who might be fed with free school lunches.

Mary Michitsch, president of Social Concerns, the non-profit group that runs the pantry within St. Theresa's Church, feels that due to the downturn in the economy and soaring food prices the need to feed the hungry has been greater than ever. The pantry services mostly Kenilworth residents, but no one is turned away.

No appointment is necessary to make a donation. Non-perishable goods and gift cards to any supermarket can be left in the Crying Room in the Church on Sundays. Monday through Friday donations can be dropped off at the Rectory during business hours 9 am – 5 pm. Supermarket gift cards and checks made payable to St. Theresa's can be mailed to Social Concerns c/o The Church of Saint Theresa, 541 Washington Avenue, Kenilworth, NJ 07033.

If you are in need of food you can contact the Rectory at 908-272-4444, they will arrange for a volunteer to meet you at the pantry.

The identities of people who receive assistance from the pantry are kept confidential. Names and contact information aren't required to receive assistance. Mary Michitsch stresses "when you walk out of here, nobody knows you were here".

Items most needed:

Tuna Fish	Canned Meats	Cereal	Rice
Peanut Butter	Pasta Sauces	Sugar	
Canned soups with meat		Rice

HUNDREDS OF NEIGHBORS TURNED OUT FOR NATIONAL NIGHT OUT BLOCK PARTIES

The Kenilworth Police Department participated in National Night Out on Tuesday, August 5th. According to Police Chief William Dowd, National Night Out is held throughout the country on the first Tuesday in August. He said it is an opportunity for neighbors to get together informally and talk about security related topics with not only their neighbors, but with police officers and members of the Kenilworth governing body also.

Kenilworth residents held six block parties, which was a record turnout for the Borough. The parties were held on Clinton Avenue, Cross Street, N. 16th Street, N. 11th Street, Commonwealth Road and on Via Vitale. Detective Jim Grady, who is the Borough's School Resource Officer, organized the block parties with the residents. Det. Grady stated that getting together is also intended to send a message to the criminal element that crime will not be tolerated in the neighborhoods. Det. Grady was joined by Detective Sergeant Tim Dowd in visiting the block parties, speaking to the people in attendance and handing out crime prevention brochures. Also visiting all the block parties that evening were Police Chief William Dowd, Mayor Kathi Fiamingo and Police Commissioner, Councilman Fred Pugliese. The three visited each party and spoke to the residents about items that affect their quality of life, such as speeding in their neighborhoods, door-to-door solicitors coming to their homes and a variety of other topics. Mayor Fiamingo stated she was pleasantly surprised by the large turnouts for the block parties and she enjoyed going to all the parties and speaking to the residents informally. This was Mayor Fiamingo's first National Night Out as Mayor and she is already looking forward to next years festivities.

MEMO FROM THE MAYOR

I hope everyone is enjoying their summer and staying cool.

On July 6th we were treated to a fabulous fireworks display and Independence Day celebration. The Pride in Kenilworth Committee, chaired by Marie Condo, was responsible for the event and did a terrific job! Special thanks go to Kidz Village, Berkeley Contract Packaging, S. Seltzer Construction, St. Theresa's Church, Elberon Development, Schering Plough and L&J Towing for their generous donations. We also thank the following contributors: Aliperti's Culinary Creations, Elite

Nails, Garden State Endoscopy, RO Cammarota Agency, Frank Papparatto, Blue Blade Steel, Kenilworth Dental Associates, Taormina Ristorante, Vitale Family Trust, Stephanie & John Nail Salon, Kenilworth Dry Cleaners, Dr. Klugman, Kenilworth Diner, Michigan Pub and Kenilworth Garden Center.

Garden State Fireworks outdid themselves this year and gave the Boro a great fireworks display! Thanks also to the Board of Education for again providing the location and the Kenilworth Fire Department and Police Departments for their assistance.

In the coming weeks there are a number of special events. The Library is hosting another performance of the Bard on the Boulevard on August 14th at the High School Football Field. An all female cast will be performing Julius Caesar. The performance begins at 7:30 p.m. Everyone should bring their own chairs and be prepared for a unique experience.

The Fire Department Annual Carnival will open on August 18th and will continue until August 23rd. This is the Department's primary fundraising event and everyone is asked to stop by for some food and fun and to thank the Fire Department for all that they do to protect the Borough. The kids always enjoy this week, with pay one price for the rides on Tuesday, Thursday and Saturday. I hope to see you there!!

Mayor Kathi Fiamingo

Joe Knows Your Home

Home Improvement Tips from Joe Percario. Do You Know Joe?

THINK GREEN AND SAVE GREEN

According to the U.S. Environmental Protection Agency the average American household spends \$1,500 annually on energy bills -- a number that may go up a significant percentage this year due to rising costs of fuel. Almost half of that energy goes to heating and cooling your home. Lighting and appliances represent about a quarter and home electronic products like computers, TVs and cell phone chargers take a significant and growing share of what is left. Windows and doors are the most significant source of heat transfer in a home, regardless of climate or season.

In today's economy, it is essential to conserve energy, not only for cost purposes but also for environmental reasons. Energy efficient windows are designed so that heat is kept inside the home in winter and outside the home in summer. This reduces heating and cooling costs and minimizes energy consumption that impacts the environment.

In recent years, windows have undergone a technological revolution. It is now possible to significantly reduce solar heat gain and improve comfort while providing clear views and daylight. For example, installing double-glazed low-solar-gain windows instead of single-pane windows in a typical 2,000 square foot house would reduce the air condition peak load from 600 kw to 400 kw, which reduces the size of the necessary air condition from 5 tons to 3.5 tons. This difference in window performance would save the home owner about 35% in

cooling costs.

With fuel costs rising, there is no better time to think of replacement windows than now. Energy saving home improvements like replacement windows, insulated siding and vented roofs simply pays for themselves in fuel cost savings.

The beautification and increased value of your home are added benefits to the savings. Homeowners are encouraged to act sooner than later.

Material costs have been rising monthly at an unpredictable rate.

There is a significant advantage to getting an estimate on home improvements today.

Call Joe Percario today and ask how he can cut your energy bills and beautify your home with custom-fit, energy efficient windows. As with all Percario workmanship, windows are installed with safety and security in mind.

All estimates are free with no obligation.

TRINITAS HOSPITAL RECOGNIZED FOR IMPLEMENTING QUALITY CARDIAC AND STROKE CARE

The American Heart Association/American Stroke Association are recognizing Trinitas Hospital for its performance in treating cardiac and stroke patients using the association's "Get With The Guidelines" (GWTG) program. Trinitas Hospital joins 518 other hospitals being featured in an advertisement in the July 21st "America's Best Hospitals" issue of US News & World Report.

GWTG is a hospital based quality-improvement program designed to ensure that hospitals consistently care for cardiac and stroke patients following the most up-to-date guidelines and recommendations. The program provides three modules that address coronary artery disease, heart failure and stroke. Currently more than 1,450 hospitals use one or more GWTG modules.

Upon meeting each module's criteria, hospitals are recognized if at least 85 percent of their cardiac or stroke patients are treated and discharged according to the American Heart Association/American Stroke Association's recommendations.

The American Heart Association/American

Stroke Association's advertisement recognizes Trinitas Hospital's commitment and success in performance achievement.

"The American Heart Association is pleased to recognize its top 'Get With The Guidelines' participants," said Gregg C Fonarow, M.D., national chairman, "Get With The Guidelines" steering committee and director, Ahmanson-UCLA Cardiomyopathy Center. "The program makes it easier for hospitals like Trinitas to provide appropriate evidence-based care and ultimately improve the quality of life and help reduce the number of deaths in these heart and stroke patients."

"We are proud that the American Heart Association and American Stroke Association have chosen the 'America's Best Hospitals' issue of US News & World Report to recognize Trinitas for our achievements in their 'Get With The Guidelines' program," said Nancy DiLiegro, PhD, FACHE, Vice President, Clinical Services. "'Get With The Guidelines' gives our professionals the tools and reports they need to effectively treat our coronary heart disease, heart failure and stroke patients."

GOSPEL CHAPEL HOSTED VACATION BIBLE SCHOOL

Sara, Ariana, and Emma Ruth taking a moment to pose during morning check-in

Kenilworth Gospel Chapel hosted their Vacation Bible School on June 23-27th. It was well attended, with over 120 kids coming from Kenilworth, Cranford, Roselle Park, Linden, and Westfield. This year's theme was "The Armor of God". In the Bible, the Christian is instructed to be strong in the Lord and in the power of His might and to put on the whole armor of God. The children were taught that God's armor brings victory because it is far more than just a protective covering; it is the very life of Jesus Christ Himself. For all who believe and follow Jesus, when you put on His armor, His life surrounds you, keeping you safe, close to Himself, and free to be His precious child and

trusted companion. Each day of the week, one or more pieces of the armor were presented; the Belt of Truth, the Breastplate of Righteousness, the Shoes of Peace, the Shield of Faith, the Helmet of Salvation, and the Sword of the Spirit which is God's Word. Many of the kids were able to hold a real sword! Throughout the week, the children learned Bible verses, heard Bible stories, and participated in arts-n-crafts and games. Mom's were invited to stay for a daily Bible study and crafts class. They worked on painting and decorating pieces of furniture...as well as eating the most delicious homemade coffee cake each morning!

Vacation Bible School is over and summer is quickly coming to a close, but there are still lot's of wonderful, wholesome activities offered for children at Kenilworth Gospel Chapel. Sunday school, Jr. High and Senior High youth groups, and Friday night Kid's Club. They're all free and open to any child regardless of where you live or church affiliation. Come see us again or for the first time! Visit us in person or on the web at www.kenilworthgospel.org or call 908.272.6131 for more information.
