KENILWORTH CHAMBER OF COMMERCE AWARDS KENILWORTH STUDENTS WITH SCHOLARSHIPS

The Kenilworth Chamber of Commerce recently awarded two Kenilworth, New Jersey high school seniors with a \$1000 scholarship each for their continued education.

Several students submitted applications for the scholarships during the course of the school year and at their last Chamber meeting, the

(above, l-r) Kenilworth Chamber of Commerce Chairman Joe Renna presents scholarship award to Andrea Crincoli with parents Donna and Peter.

members of the Kenilworth Chamber of Commerce awarded the prizes.

Ms. Andrea Crincoli, who will be graduating from David Brearley High School and Mr. Arthur Russo, who will be graduating from Union Catholic High School, accepted their awards in a small ceremony that took place at the Kenilworth Public Library on the afternoon of May 26, 2010.

The ceremony was attended by Joe Renna, Chairman of the Kenilworth Chamber of Commerce, and the families of each student.

Ms. Crincoli will attend Bowling Green State University and Mr. Russo will attend the University of Northern Colorado in the Fall of 2010.

The Kenilworth Chamber has been raising money for these scholarships through its Street Banner Program, and through the Taste of Kenilworth, each fall.

Chamber president Joe Renna noted that the group was very pleased to again be able to offer the scholarships this year.

The Kenilworth Chamber salutes the winners of this year's scholarships!

KENILWORTH INN SHOWS KENILWORTH HOSPITALITY

The University of Vermont Woman's Crew team was traveling from Burlington to Philadelphia to compete in the Dad Vail Regatta, the largest college rowing event in the country. They needed to make a one-night stop over along the way and were stumped on where to find accommodations. The team was paying their own traveling expenses and needed to be as frugal as possible. They found the solution to their challenge at the Kenilworth Inn with the help of the Kenilworth Chamber of Commerce Chairman Joe Renna.

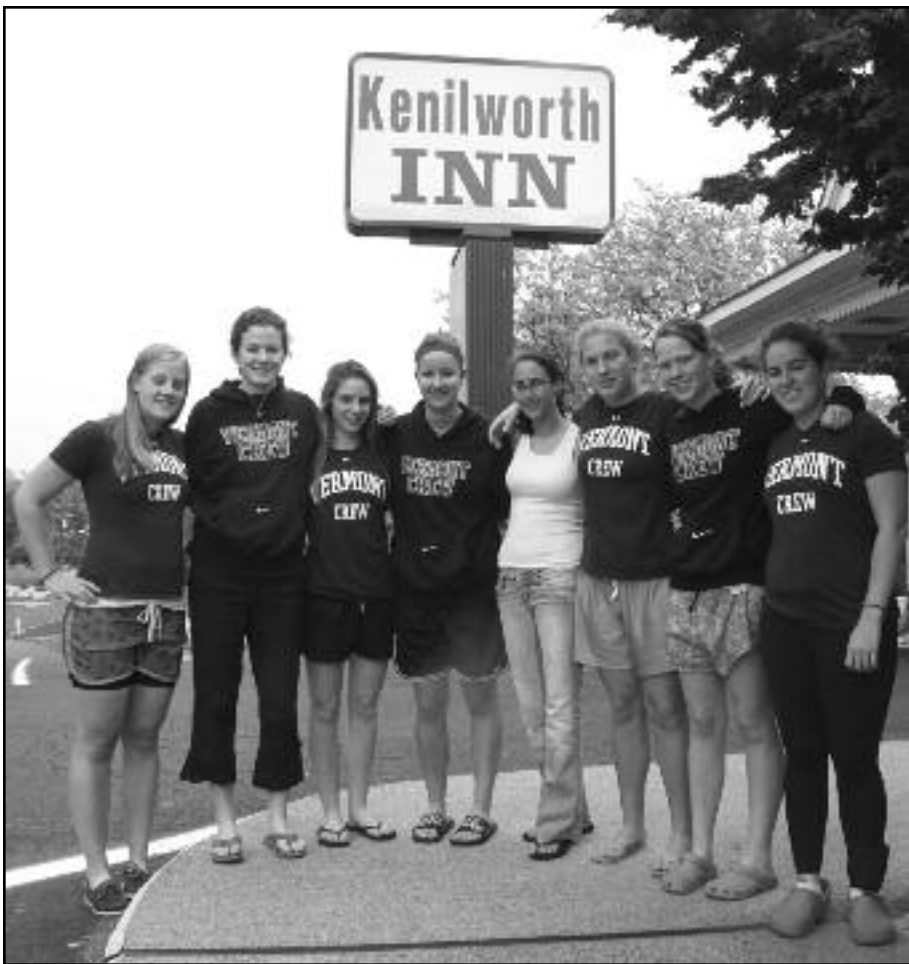

Renna's daughter, Angela who is a freshman, was on the team and offered her home as a crash pad but didn't give much thought to where the eighteen girls might fit.

After pondering the situation Renna thought it would be better to arrange accommodations for the team somewhere with ample room. He called Joe Golden, Director of Sales for the Kenilworth Inn, to get a quote on what it would cost to get rooms for the girls. After hearing of the plight of the team, Golden offered a generous discount that made the balance affordable for Renna, who picked up the tab.

It turned out that only eight girls made the trip. Some, like Angela, stayed behind to study for final exams. The eight enjoyed a fabulous home cooked dinner prepared by Angela's mom Tina along with their comfortable accommodations. Kenilworth Inn Manager Anthony Longano made sure the girls had enough extra blankets, pillows and towels.

An unexpected surprise for the team was a complimentary continental breakfast that comes with the room rental. The girls, most visiting New Jersey for the first time, credit their good night's rest and hardy meals with their success at the competition where they made it to the semi-finals.

The Kenilworth Inn is an active member of the Chamber of Commerce and is consistently supportive of the community service programs in Kenilworth. They were happy to extend that neighborly gesture to the overnight visitors. The student athletes were very appreciative and will, no doubt, share the story of their Kenilworth experience.

MEMO FROM THE MAYOR

KCoC • Page 2 • June 10

their fantastic work.

During the months ahead, you may see a young man transforming the Borough's fire hydrants into works of art. Borough resident, Scott MacGregor, has volunteered to utilize his artistic talents and add a little bit of whimsy to the Boulevard. I am very excited by his enthusiasm and look forward to seeing the results of his imagination.

The Borough will again host the annual Independence Day fireworks celebration at the David Brearley Middle/High School field on July 3rd. As in past years, the cost of the fireworks is completely underwritten by donations from generous Borough businesses. Even in these difficult times the business community contributed so that the fireworks tradition could continue. Thanks go out to: Schering Plough, United Crane, Elberon Development, Kid's Village, L&J Auto Body, Berkeley Packaging, S. Selzer Construction, Kenilworth Dental Associates, Blue Blade Steel, Stephanie Nail Salon, Access Self Storage, Vitale Family Trust, Mastapeter Funeral Home, Aliperti's/Kenilworth Inn, Dr. Klugman, Dr. Kaufman, Kenilworth Diner, Mike and Annie's Frozen Delights and the Michigan Pub.

I hope to see everyone at the fireworks this year.

Mayor Kathi Fiamingo

JEFFREY JAECKEL EARNS EAGLE SCOUT HONORS

On May 16, 2010 Jeffrey Jaeckel, a member of Troop 83 was presented with an Eagle Scout Award at a ceremony held at the Kenilworth Veteran's Center.

Jeff entered scouting as a Wolf Cub and is one of the founding members of Boy Scout Troop 83. He has earned a total of 29 merit badges and camped for more than 100 nights.

For his eagle scout project, Jeff worked with Graceland Memorial Cemetery, finding unmarked graves of veterans, documenting them, and mapping them. A medallion was also placed on each grave in order to make the veteran's graves more recognizable. The second phase of the project consisted of beautifying Veteran's Park at Graceland. Jeff, assisted by other members of Troop 83, his brother, dad and some family friends, landscaped and cleaned 217 plaques marking the graves of veterans. They also worked to raise 10 plaques that had sunk, trimmed trees, replaced tattered flags and

cleaned the monument at the Park.

Jeff is currently a senior at David Brearley. He has been active in the high school band and the Dayton-Brearley swim team. He will be attending William Paterson University where he will be studying criminal justice.

STUDENTS RECOUNT VIETNAM WAR FROM VET’S FIRST HAND EXPERIENCES

Mr. Robert Jeans visited David Brearley High School recently to make a presentation to Mrs. Westbrook’s United States History Year Two classes on the Vietnam War.

Bob Jeans is the Commander of the Veterans of Foreign Wars (VFW) Post #2230 – Kenilworth Veterans Center. Mr. Bob Jeans is also a veteran of the Vietnam War and served in active duty from 1968 to 1970. He received numerous awards and medals during his years of service including: Two (2) Bronze Stars, Distinguished Service Medal, Purple Heart Medal, Vietnam Service Medal, Combat Infantry Badge, Two (2) Presidential Unit Citations, and a National Defense Citation.

He brought all of these metals and awards to the presentation. He very proudly displayed and explained all of them to his student, faculty, and administration audience. He also displayed a large map of North and South Vietnam and explained the geographical aspects of the war and several of its major offensives.

He is a true hero, patriot, and also a tireless volunteer. He routinely gives back to his country and his community through his work at the VFW Post #2230 and through his informative presentations and discussions with today’s students. His presentations and discussions enlighten today’s youth about the sacrifices that men and women have made and continue today

to make for their country and for freedom. He discussed some of the horrors of war; the political and historical differences between now and during the “Cold War” years; the differences between American and Vietnamese cultures, beliefs, and civilizations; and the historical significance of the Vietnam War.

The Vietnam War and our country’s involvement had a major impact on American society. At that time, it both united and divided our country on many fronts and view points. It also greatly impacted the presidential campaign and caused Lyndon B. Johnson to not seek or accept another term as president of the United States.

A TRIBUTE TO DEDICATED TEACHERS AT ST. THERESA SCHOOL

A Tribute to dedicated teachers at St. Theresa School in Kenilworth.

Mrs. McCarthy and Mrs. Gorombey have been working and coaching the students throughout the year with speeches and poetry for differnet forensic meets.

On Monday, May 24, 2010, Saint Theresa School in Kenilworth, NJ was one of twelve schools, a total of 156 students, who participated in the Union Catholic 14th Annual Forensic Tournament held at Union Catholic High School in Scotch Plains, NJ.

Saint Theresa's School team consisted of nine students: Michael Batkiw, Stephanie Cabrera, Nasya Hammond-Watson, Sarah Ferreira, and Katelyn McCarthy (all eighth graders); Angela Bui and Joshua Riley (7th graders); Conchetta Aronowitz and Katrina McCarthy (6th grader).

CUPBOARDS NEED TO BE STOCKED AT ST. THERESA’S FOOD PANTRY

Summertime is a difficult season to keep food pantries stocked and St. Theresa’s food pantry is dangerously low and needs to be replenished to continue to meet demands.

Across the nation food pantries find that the Holidays, beginning with Thanksgiving, bring the largest quantities to the pantries, but summer months when donations slowdown, bring in the most clients. Many of them have children, who might be fed with free school lunches.

Mary Michitsch, president of Social Concerns, the non-profit group that runs the pantry within St. Theresa’s Church, feels that due to the downturn in the economy and soaring food prices the need to feed the hungry has been greater than ever. The pantry services mostly Kenilworth residents, but no one is turned away.

No appointment is necessary to make a donation. Non-perishable goods and gift cards to any supermarket can be left in the Crying Room in the Church on Sunday’s.

Monday through Friday donations can be dropped off at the Rectory during business hours 9 am – 5 pm.

Supermarket gift cards and checks made payable to St. Theresa’s can be mailed to

HOW DOES TEMPERATURE AFFECT PARTICLE MOTION?

This article was written by 6th graders Conchetta Aronowitz and Katrina McCarthy

Sixth grade students from St. Theresa's School in Kenilworth, New Jersey, know the answer. With the help of their science teacher, Mr. Moore, they were able to put their knowledge to the test. The students put red dye into hot, cold, and room temperature water. They then observed the movement of the dye in the different temperature waters for two minutes. They came up with the conclusion that particles move faster in warmer waters than in cooler waters. In the hot water the dye moved extremely fast throughout the cup. In the cup with cold water the dye moved slowly, in a way that they could see it gradually move. The dye in the room temperature water moved faster than the cold water, but not as fast as the dye in the hot water. This was an exciting experiment for the students and there will be many more to come.

A SWEET TASTE OF SCIENCE

The 8th Grade students at St. Theresa School in Kenilworth had a great way to visualize the bonds formed during a chemical reaction. The students used gumdrops and toothpicks to make models of various molecules.

BEANIE BABIES FOR OUR TROOPS

St. Theresa's Social Concerns is collecting Beanie Babies for our troops. Soldiers in war torn countries find that Beanie Babies are a great source of comfort to children they encounter. Beanie's can be dropped off in the Crying Room in St. Theresa's Church or at the Rectory Monday through Friday during business hours 9 am – 5 pm.

No stuffed toys bigger than a Beanie please! Beanies weigh almost nothing, they fit into a knapsack or a rucksack or a soldier's baggy uniform pants for easy distribution.

KENILWORTH LIBRARY’S “THE BARD ON THE BOULEVARD” TO PRESENT KING LEAR AT DAVID BREARLEY FOOTBALL FIELD

The second presentation of the Kenilworth Public Library’s 2010 season of “The Bard on the Boulevard,” King Lear, will be performed live by members of The Hudson Shakespeare Company at 7:30 PM on Thursday, June 17, under the stars at the David Brearley football field located at the corner of the Boulevard and 14th Street. Those planning to attend should bring their own lawn chairs or other outdoor seating as sitting in the bleachers is not recommended. In the event of rain, the performance will be moved indoors to the Kenilworth Public Library, 548 Boulevard. This performance is free and open to all members of the general public and preregistration is not required.

Long considered one of Shakespeare’s

greatest tragedies, King Lear is a story of an old man ultimately turned mad by his own pride and vanity, casting out his one honest daughter only to find himself later betrayed by her far less honorable sisters. Interwoven into the story are deeds of war, deception, murder, lust and revenge, embellished by the mocking commentary of the court fool.

Additional performances in this year’s “The Bard on the Boulevard” series include the comedy Much Ado About Nothing on July 15 and the romantic comedy The Tempest on August 5.

Sponsors for the 2010 season of “The Bard on the Boulevard” include the Kenilworth Chamber of Commerce (gold) and Mike & Annie’s Frozen Delights (silver). Businesses, organizations or individuals wishing to become

sponsors for “The Bard on the Boulevard” are encouraged to contact Dale Spindel, Library Director, at 908 276-2451.

Funding for this program has also been made possible in part by the New Jersey State Council on the Arts, Department of State, a partner agency of the National Endowment of the Arts, through a grant administered by the Union County Office of Cultural and Heritage Affairs.

The Hudson Shakespeare Company is a Jersey City based organization that has been providing live outdoor performances of Shakespeare’s plays in the greater New York metropolitan area since 1992. More information about this group can be found at their website, www.hudsonshakespeare.org. Information about the Kenilworth Public Library can be found at www.kenilworthlibrary.org.

ON THE WATERFRONT LECTURE AND MOVIE AT KENILWORTH LIBRARY

Back by popular demand, Fordham University professor James T. Fisher will return to the Kenilworth Public Library at 6:00 PM on Tuesday, June 8, for a unique opportunity to

learn more about the classic film On the Waterfront. The movie will be shown in its entirety but with breaks provided at select intervals so that Dr. Fisher, author of On the Irish Waterfront: The Crusader, the Movie and the Soul of the Port of New York, will be able to offer commentary regarding the historical and social background of this landmark film and the people who made it. In order to accommodate the schedules of people who may be arriving for this program straight from work or other commitments, attendees are encouraged to bring

their own brown bag dinner and the library will provide the popcorn.

Because space is limited, preregistration is required and can be done in person at the library or by calling 908 276-2451 during regular library hours. For more information about Dr. Fisher’s book, visit http://www.cornellpress.cornell.edu/cup_detail.taf?ti_id=5391. The Kenilworth Public Library is located at 548 Boulevard and additional information about the library and its programs can be found at www.kenilworthlibrary.org.
