## KENILWORTH RECREATION KICKS-OFF SPRING SEASON

*Submitted by: Charlie Oliva*

The Kenilworth Recreation Department, directed by Pat Boyle, held its annual spring kick-off parade and celebration on April 20.

The parade route began at Harding School and ended at DiMario Park. The marchers included players on the rec spring sports teams and their coaches, parents and other family members, rec department volunteers, the Kenilworth Soccer Club, and local Girl and Boy Scouts.

Festivities continued at the park with the pledge of allegiance, a heartfelt rendition of our national anthem by Amanda Griffin, and a welcome from Kristin Boyle. Kelly Griffin also provided invaluable assistance and support.

The fun then shifted into high gear with inflatable attractions for the children, food furnished by Mike's Place, music, team photos and a drawing for two tickets to the Yankees vs. Texas Rangers game on June 28.

The Recreation Department has a number of special events planned for this spring and summer; go to its Facebook page for more information.

**Please remember:  
American Cancer Society Relay for Life  
will be held on  
June 1 at 6 p.m. through June 2 at 6 a.m.**

Participants will be walking the track all evening with various "events" and fundraising activities taking place throughout the night. Whether or not you are a part of a team you should feel free to stop by during the night to learn more about Relay and the American Cancer

Society. It is truly a moving event and you can learn a great deal - about the strength of those who have faced cancer and conquered it, or about those who have lost loved ones and are working to see that others do not have to face the pain they experienced over losing their loved one to cancer.

There is plenty of time left to form a team and register for the event, or donate to a team that has already registered. Log on to [www.relayforlife.org](http://www.relayforlife.org) and search for the Kenilworth, NJ event.

Please, also remember to join the Kenilworth VFW in its annual Memorial Day services at the Kenilworth Veteran's Center on S. 21st Street on May 27, 2013 at 11 a.m. The Center honors our deceased veteran's with the traditional ceremony and wreath laying at Monument Park. It is a service that should be attended by every citizen to demonstrate their recognition of the sacrifices that have been made by our veterans for the freedoms we enjoy as Americans.

I encourage parents to show their children the real meaning of Memorial Day by bringing their children to the ceremony and telling them why we celebrate Memorial Day. It is not just the start of the summer season at the Jersey shore; it is a day to reflect, and remember those who have fought and died to protect all that we enjoy as free Americans. Throughout the country on Memorial Day there will be parades and ceremonies, like the one that will be held at the Veteran's Center. It is the least we can do to spend an hour on this Memorial Day to demonstrate our respect and thanks, wherever we happen to be.

# SIGN-A-RAMA KENILWORTH HONORS RETURNING MILITARY PERSONNEL

Submitted by: Charlie Oliva

SIGN-A-RAMA Kenilworth is honoring returning military personnel in Kenilworth and its surrounding communities in Union County. If you have a family member coming home from the service, visit their store at 303 North 14th Street and place your order for a free full-color 6' x 3' welcome home banner.

The first banner was donated to the Dooley family of Cranford for their U.S. Marine son Vince's welcome home party.

It is SIGN-A-RAMA Kenilworth's way of saying "thank you" to those who have

courageously served our country, and put so much on the line to protect our freedom and our way of life.

SIGN-A-RAMA is a collection of more than 850 full-service sign stores located across the globe – a fact that truly makes them "where the world goes for signs." SIGN-A-RAMA Kenilworth was one of the original SAR franchises. After 25 years, they are still supplying their customers with the quality and services that have kept them coming back year-after-year.

# STUDENTS PHOTO-DOCUMENT HURRICANE SANDY'S SHORE DEVASTATION

Submitted by: Mr. David Novak

On Wednesday, February 20th, 2013; David Bearley High School juniors and seniors visited the Jersey Shore to view and photograph the devastation caused by Hurricane Sandy. Mrs. Cynthia Perez's Yearbook and Mrs. Danielle Wilkinson's Photography II classes went on a field trip for the day. They visited the town of Holgate on Long Beach Island, New Jersey. This field trip was to motivate and inspire the David Bearley Middle and High School students to continue to fundraise for the benefit of Hurricane Sandy victims. David Bearley has already raised over \$2000.00 for the Hurricane Sandy victims.

On Saturday – January 26th, 2013 a luncheon was held at Martell's Tiki Bar in Point Pleasant Beach, NJ to benefit the Restore the Shore (RTS)/Shores United Relief Foundation (SURF). At this luncheon, Mrs. Danielle Wilkinson, David Bearley High School Graphic Arts teacher, presented Ryan Kurek with a \$2000.00 donation check. Ryan Kurek is the co-founder of RTS/SURF. The \$2000.00 was raised by the students of the David Bearley High School Graphic Arts and Business classes. These classes designed a RTS graphic logo and had it printed onto long and short sleeved T-shirts. These classes then sold the T-shirts to friends, family, and peers. The first batch of 100 T-shirts sold out in less than a week. A second batch of 130 T-shirts were then ordered. These t-shirts are still available, while supplies last, and can be ordered at: [RestoreTheShoreShirts@kenilworthschools.com](mailto:RestoreTheShoreShirts@kenilworthschools.com)

Long sleeve T-shirts are \$20.00 each. Short sleeve T-shirts are \$15.00 each. Please specify size. All proceeds will benefit Restore the Shore (RTS)/Shores United Relief Foundation (SURF).

The Bearley students that went on the Jersey Shore trip were very inspired and motivated to help in the fundraising for victims. They were convinced that during the height of the storm the ocean was extremely powerful and destructive.

The evidence is in the hundreds of photographs that were taken of the destruction. David Bearley High School students continue to develop fundraising ideas and merchandize to promote and to benefit the Restore the Shore

(RTS)/Shores United Relief Foundation (SURF). Their next product might be refrigerator magnets or coasters. This is another great example of David Bearley High School students helping unknown people in need.

## THREE HISTORIC FIGURES OF THE AMERICAN REVOLUTIONARY WAR FROM CONNECTICUT FARMS, NEW JERSEY

### Chapter IV: The American Revolutionary War Twenty Thousand British Troops Land on Staten Island, New York

By: Michael Yesenko, Kenilworth Historian

The American Revolutionary War started April 19, 1775, when the British Army attacked Lexington and Concord, Massachusetts. Events moved swiftly for the patriots in Elizabeth (Elizabethtown). Many of the Staten Islanders welcomed the British forces of 20,000 but the majority of the people living in Elizabethtown supported the Revolution.

Continental troops under General William Livingston were stationed in Elizabethtown. General William Livingston was elected to be the first Governor of the State of New Jersey, after independence was declared from England.

Governor William Livingston – William Livingston resided in Connecticut Farms, at today's Liberty Hall in Union, since 1772. William Livingston was also the executive in charge of the New Jersey militia since 1775. Later he signed the Constitution of the United States. He represented New Jersey in the first and second Continental Congress which was our first national government at that time. The Governor had been a prominent opponent to British policy and remained the first governor of the State of New Jersey for the rest of his life. Today's former New Jersey Governor Tom Kean is an ancestor of Governor Livingston. Tom Kean's son, Tom Kean, Jr., is Kenilworth's State Senator. Governor Livingston's brothers Robert and Phillip, who lived in New York, were also pillars of our fledgling country. Robert helped write the Declaration of Independence and administered the Oath of Office to the first U.S. President, George Washington. Phillip signed the Declaration of Independence and helped fund the war effort.

Reverend James Caldwell

Prior to preaching in Connecticut Farms, Reverend James Caldwell was parson of the Elizabethtown Presbyterian Church. He then

accepted the position of Chaplain in the New Jersey Regiment. The Regiment consisted of parishioners from his church. He marched with his men, preached to them, aided them in retreat and blessed them in the name of the Lord. His exploits were noticed by the enemy and soon they called him "The Rebel High Priest". The Reverend, also known as the "Fighting Parson" became a target of the British before the war was over. This also was a dubious honor bestowed on Governor William Livingston.

In the autumn of 1776, Caldwell returned home to move his wife Hannah Sayre Ogden Caldwell and their nine children into the mountains of Turkey (now New Providence). He immediately proceeded to gather information about British activities in central New Jersey and wrote to General George Washington. On December 6, 1776 Washington relayed this

information to the President of Congress and noted that the Reverend was a "staunch friend of the cause". The British scheme to break the Revolution in Elizabeth Town did not work. The patriots of Caldwell's home parish held firm to their beliefs of independence, freedom and self-government. The Reverend moved his family to Connecticut Farms in 1780 after his Elizabeth Church was destroyed.

Hannah Sayre Ogden Caldwell

Hannah Sayre Ogden Caldwell was from two prominent colonial families. The Sayre and Ogden families were N.J. families who were heavily involved in the American Revolutionary War. These two families have roots in today's Kenilworth. Hannah Sayre Ogden Caldwell is pictured in the Official Seal of Union County, N.J. Her role was pivotal in this war against Britain.

# KENILWORTH SCHOLARS' ACADEMY

Dr. Scott Taylor, Assistant Superintendent, Kenilworth Public Schools

It has been a year since its inception, and the Kenilworth Scholars' Academy at Brearley Middle-High School has dramatically altered the way the highest performing students at the school learn. Through a rigorous selection process, 30 young men and women from within the community and throughout Union County were selected in fall 2012 to enroll in a very challenging instructional program that has emphasized the STEM-A (science, technology, engineering, mathematics, and art) careers. These exceptionally bright and hardworking students have participated in seven diverse field experiences, a series of service learning opportunities and are now completing a year of intense honors and college-level classes.

For some Academy students, a visit to East

Harlem's El Museo del Barrio was a once in a lifetime experience. Exposure to such a culturally relevant environment helped heighten their awareness of our global society. Interactions with STEM professionals via New Jersey Institute of Technology's Careers in Engineering Day and the Kean University Leadership Conference generated an excitement and energy our Academy enrollees will parlay into greater post-secondary preparation focus. The year's culminating Academy field experience had participants observing live robotic heart surgery at the Liberty Science Center.

Scholars' Academy students have not gone a whole year immersed only in instructional experiences. All of these young men and women

have been required to complete the ISE (Ingenuity, Stewardship, and Enterprise) requirement. A well-rounded experience assured, students have had to make contributions to their communities by volunteering for good causes and demonstrating efforts toward growing in the areas of art, music, and sports.

David Brearley Middle-High School will be, in November 2013, accepting applications for candidates who wish to enter the program in fall 2014.

More information about the Kenilworth Scholars' Academy can be obtained by visiting the school district's website [www.kenilworthschools.com](http://www.kenilworthschools.com) or by contacting Scott Taylor at 908-276-5936, extension 541.

## GALLERY-ON-THE-BOULEVARD

### EXHIBITS "PLACES"

Photography by Brian Joho

Photography by Kenilworth Resident Brian Joho

The Gallery on-the-Boulevard, located in the Kenilworth Library, will host an exhibit of the photographic images of Kenilworth resident and borough councilman Brian Joho from May 1 through June 28.

Brian C. Joho began taking photographs in the early 1980's when his father purchased an Olympus OM-G SLR film camera for the family. Upon taking the camera out of the box, reading the manual and snapping the first shots, Brian assumed ownership of that camera and his father never did use it, not even once.

In his senior year at Abraham Clark High School in Roselle, Brian was a staff photographer for the school's RamPage newspaper. Self-taught, he continued to hone his skill snapping shots of events, vacations, and general subject matter. Brian has shown his work and entered several competitions. His photos can be found in private collections around the state. His most recent show featured thirty of his photographs at the Warren County Court House. He is currently a member of the Cranford/Millburn Camera Club.

Photography is Brian's diversion. He is a Vice President at Pershing LLC, responsible for Knowledge Management, Technical Documentation, Product Implementation and User Feedback functions. Twice elected, Brian is serving his sixth year as Councilman for the Borough of Kenilworth and is the Council President for 2013. For the last six years, Councilman Joho has been the Chairman of the Finance and Personnel committees.

The photographs in this show were taken with either a Canon EOS 60D or an Olympus E-500 DSLR camera. A traditionalist, Brian rarely uses post production digital enhancement software to adjust or manipulate his images. All the photos exhibited in the "Places" show are as they were naturally captured by the photographer and his cameras.

All prints were processed via Mpix.com

You can view and purchase additional photos by the artist at his online gallery: [www.briancjoho.zenfolio.com](http://www.briancjoho.zenfolio.com)

Any artists interested in exhibiting their work at Gallery-on-the-Boulevard may contact Barbara Wirkus Curator, 908-276-6656 or [dmbbw33@yahoo.com](mailto:dmbbw33@yahoo.com).

## KENILWORTH FREE PUBLIC LIBRARY

Located at 548 Boulevard. Library website is [www.kenilworthlibrary.org](http://www.kenilworthlibrary.org).

Registration for programs may be done in person at the library or by calling 908 276-2451.

The library's regular schedule of operation: Mon, Tues and Thurs: 10:00 AM to 9:00 PM,

Wed: 10:00 AM to 6:00 PM, Fri: 10:00 AM to 5:00 PM, Sat: 10:00 AM to 2:00 PM.

The Kenilworth Public Library is handicapped accessible.

[facebook.com/kenilworthworth.public.library](https://facebook.com/kenilworthworth.public.library)

The Kenilworth Public Library is pleased to invite the public to attend the tenth annual season of "The Bard on the Boulevard" outdoor Shakespeare festival in partnership with The Hudson Shakespeare Company. In a departure from tradition, the series will open at 7:30 PM on June 27 with a performance of the classic romantic comedy *Cyrano de Bergerac*, by Edmond Roslan, a fictionalized account of the life of Hercule Savinien Cyrano de Bergerac, himself a French dramatist and duelist. Cyrano, graced with an outsized nose, fears he is too ugly to be loved even by an unattractive woman, let alone the beautiful Roxane, a woman for whom he secretly yearns. This story line will sound familiar to those who have seen the 1987 movie *Roxanne*, an updated telling of *Cyrano de Bergerac* that starred Steve Martin and Daryl Hannah.

All performances for "The Bard on the Boulevard" are scheduled to take place on the football field of David Brearley High School, located at 14th Street and the Boulevard. Because seating in the bleachers is not recommended, all those planning to attend are

encouraged to bring lawn chairs or other appropriate outdoor seating. In the event of rain or extreme heat, performances will be moved indoors to the Kenilworth Public Library, 548 Boulevard.

The second performance in the 2013 will be *Henry VIII*, scheduled to take place at 7:30 PM on July 18. The final performance in the series will be *Macbeth* at 7:30 on August 22.

Funding for "The Bard on the Boulevard" has been made possible in part by the New Jersey State Council on the Arts, Department of State, a Partner Agency of the National Endowment for the Arts, through a grant administered by the Union County Office of Cultural & Heritage Affairs. Additional funding has also been provided by a generous donation from the Kenilworth Chamber of Commerce.

## BOOK CLUB TO DISCUSS PEACE LIKE A RIVER

The book group of  
the Kenilworth Public Library  
will meet to discuss  
Leif Enger's novel,  
*Peace Like a River*, at  
7:15 PM on Tuesday, May 28,  
in the library's activity room.

*Peace Like a River*, according to Publishers Weekly is "A stunning debut novel, one that sneaks up on you like a whisper and warms you like a quilt in a North Dakota winter, a novel

about faith, miracles and family that is, ultimately, miraculous."

Participation in the book group is free and open to all members of the general public ages 18 and up, including people who reside in communities other than Kenilworth. Previous experience with a book group is not required and new members are always welcome.

Copies of *Peace Like a River* will be available for checkout at the Kenilworth Library's circulation desk.
