## VETERAN'S DAY OBSERVANCE NOVEMBER 11th AT 11am

The public is invited to attend VFW Post 2230 Veteran's Day Ceremony on November 11th at 11 am at Kenilworth Monument Park (Alongside the VFW) 33 South 21st Street. Light refreshments will be served afterwards in the VFW Kennedy Room.

November is the month in which we traditionally give thanks for all of the many blessings that we as Americans have received. Even during these difficult financial times, we continue to be the freest, most prosperous nation on earth.

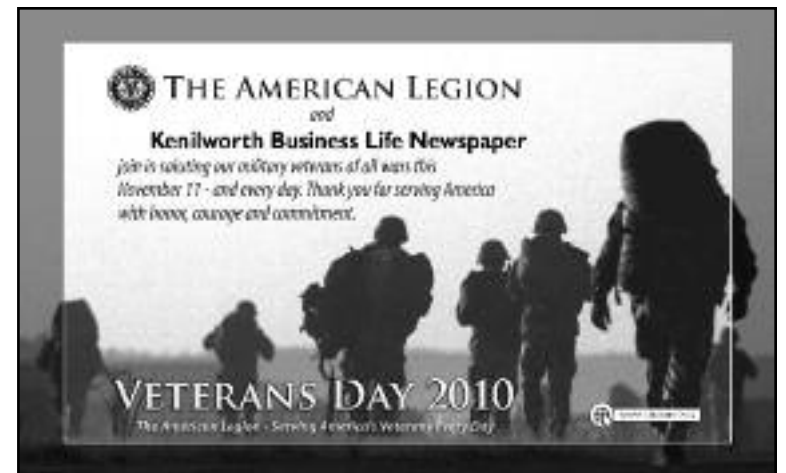

That freedom and prosperity is due, in large part, to the sacrifices made by the members of the Armed Forces of the United States. It is fitting then, that we honor our soldiers on November 11 – Veteran's Day.

In 1954 President Eisenhower signed a bill proclaiming November 11th as Veteran's Day and called upon all Americans to rededicate themselves to the cause of peace. The Veteran's Administration was charged with the responsibility of organizing and overseeing the national observance of Veteran's Day.

Each year on 11/11 at 11 am, the Veteran's Day National Ceremony is held at Arlington National Cemetery. Similarly,

at the Kenilworth Veteran's Center the VFW holds a ceremony commemorating our veterans and their service to our country.

On Veteran's Day please remember to thank all veteran's serving now and in the past for all they have done for us. And if you can, please join the members of VFW Post 2230 at 11 AM at the Veteran's Center, South 21st Street, Kenilworth, NJ.

## MEMO FROM THE MAYOR

November is a month during which we, as Americans, give thanks. It begins with Veteran's Day when we give thanks to all the men and women of the armed services of the United States.

Since 1954 when President Eisenhower signed a bill proclaiming November 11th as Veteran's Day and calling upon all American to rededicate themselves to the cause of peace we have been celebrating the sacrifices and heroism of our veterans.

This Veteran's Day, please take some time out of your day to honor our veterans and attend the ceremonies being held at the Kenilworth Veteran's Center at 11:00 a.m.

In keeping with the Thanksgiving theme, I would like to thank everyone who has volunteered their time and talents to the Borough this year. There are so many wonderful people who spend countless hours in the effort to make this Borough the wonderful community that we enjoy. All of the people who serve on the Planning Board, the Recreation Committee, the Pride in Kenilworth Committee, the Beautification Committee, the Welfare Board, Board of Health and Library Board do so without compensation and all of them contribute much to the Borough. I cannot thank them enough for their service.

Thank you also to our Borough employees. It is due to their excellent service that our community is so well run and protected. Many of them go well beyond the call of service, like Jonathan Lipke who often volunteers his time to help out the Borough and community organizations.

Thanks also to our merchants and business people. Their strength and commitment to the Borough help to make it an attractive place to work and live. Their generosity to the Pride in Kenilworth Committee makes it possible for us to hold our Independence Day celebration and other extras which we would not otherwise be able to provide.

Finally, thank you to all of our residents. Whenever I meet someone and tell them that I am from Kenilworth, the reaction is always the same – "Kenilworth is such a nice town." It is the residents who create the warm and caring community that merits Kenilworth the praise it receives from other communities. Thank you all and have a wonderful Thanksgiving month.

*Mayor Kathi Fiamingo*

## SANTA'S EXPRESS IS GETTING READY

The Kenilworth Fire Department and Rescue Squad's annual Santa's Express is coming Dec. 13-17. Last year's KFD Santa's Express was their most successful ever. During early December 2009, the KFD along with the help of Santa and his elves collected and delivered over 550 holiday presents to the children of Kenilworth. The KFD also collected 250 brand new unwrapped toys which were donated to the United States Marine Corp's Toys for Tots Program and needy Union County families. As an added bonus this year Kenilworth Fire

Headquarters, 491 Washington Avenue has been designated an "Official" USMC Toys For Tots drop zone. So even if you are not participating in Santa's Express the KFD will still be collecting new unwrapped toys for needy kids throughout the season.

The dates for dropping off your child's Santa's Express gifts at Fire Headquarters are Saturday and Sunday Dec. 11-12 from 10am-4pm. Gifts will be delivered to the children by Santa riding aboard one of KFD's Fire Engines the week of Dec.13-17 between 6 pm and 9:30 pm. Please remember to bring a small unwrapped toy for the USMC's Toys for Tot's program when you drop off your child's gift. Be sure to check the KFD website [www.kenilworthfire.org](http://www.kenilworthfire.org) or their Facebook page: Kenilworth Fire Rescue for any updates.

## COMMUNITY IS ASKED TO SAVE THE DATE AND SAVE A LIFE

David Brearley High School students Jessica DaCosta, Anthony Madonia, Nicholas Almeida, and Sommer Engler recently attended the Blood Drive Coordinator Orientation Summit run by New York Blood Services at Johnson and Johnson's World Headquarters in New

Brunswick, New Jersey. The students were chaperoned by science teacher Mr. Novak, the school nurse Mrs. Hegna, and school Principal Mr. Luciani. A personal perspective on the need to donate blood was presented to all attendees by Mr. Novak.

This year the four David Brearley students were also asked to make a presentation to all attendees on the best practices and methods of running a successful blood drive. They delivered an informative and technically proficient PowerPoint presentation that included video interviews of several students and administrators that have supported all of their blood drives. These four David Brearley students have run the most successful blood drives in David Brearley history growing the blood drive donations from 65 pints in 2007-2008 to 136 pints in 2008-2009 and then to an amazing 239 pints in the 2009-2010 school year.

This year's David Brearley High School's winter blood drive is scheduled for Thursday - December 16, 2010. The spring blood drive is scheduled for Wednesday - April 13, 2011. From these two 2010-2011 blood drives the Brearley blood drive team is hoping to collect an impressive 300 pints.

If you want to donate blood and help this very worthy cause, please contact Mrs. Hegna at David Brearley High School (908)-931-9696.

# CHARLIE'S "FAMOUS" ITALIAN HOT DOGS VS. JIMMY BUFF'S

On October 6, 2010 Kenilworth's own Charlie's "Famous" Italian Hot Dogs took on the originator and icon of the Italian Hot Dog, Jimmy Buff's. The segment was aired on the Travel Channel's Food Wars.

The two squared off at a neutral location for bragging rights of who makes The Best Italian Hot Dog in New Jersey. Charlie's took the unanimous decision of the judges 3-0, defeating the originator of the Italian Hot Dog Jimmy Buff's.

Jimmy Guarino, now the owner of Charlie's, took over three years ago and turned the struggling business into what is now known for The Best Italian Hot Dog in New Jersey!

As Food Wars challenge winner, Charlie's also won the prestigious Judges Award at the Munch Mobile Hot Dog Showdown sponsored by The Star Ledger and hosted at Monmouth Race Track this past Memorial Day Weekend.

Jimmy's Culinary Resume spans over 30 years of experience from Pizzerias to Italian Restaurants to a Lunch Truck. He found a home at Charlie's three years ago and the rest is history.

Everyone is welcome to visit them at their award-winning establishment at 18 South Michigan Avenue Kenilworth, New Jersey or their new location 2576 Route 22 East Union, New Jersey (Front of Home Depot/ Opposite Applebee's).

Their experienced staff will serve you with the utmost of professionalism and hospitality. They would appreciate everyone to join them for a pleasant culinary experience.

## MAFFEY'S SECURITY GROUP: 100 YEARS WITH THE RIGHT COMBINATION

One hundred years ago Charles Maffey Sr. discovered the "key" to business success – honesty, integrity and personal service.

The founder of a grinding business in 1910 who would soon become a locksmith created a combination that still serves as the keystone of Maffey's Security Group in Elizabeth as the company celebrates its 100th anniversary and four generations of service.

"Honesty and integrity are the hallmark of the Maffey family, combined with treating our customers as partners," said Ed Maffey, who with his brother Andy oversees the business started by their grandfather. "We have an impeccable reputation for quality and integrity which is vital in a field that revolves around security."

Maffey's provides a full menu of locksmith and security services comprising: locks and security devices for homes, businesses and public facilities; safes; automobile locks and keys; and electronic security systems, including

alarm, intercom and access control systems and surveillance solutions.

As the world has changed over 10 decades, Maffey's has maintained pace with technology and customer demands. While in the 1980s Maffey's did little electronics work, today those demands account for 60-70 percent of the company's business.

"The business has changed dramatically in the last 10 to 15 years, especially regarding electronics," Ed Maffey said. "Everything is IP (Internet Protocol) addressable and integrated.

"First customers said, 'I'd like to be able to open that door remotely.' So we installed an electric strike. Then they said, 'I'd like to speak with the visitor first, so we put in an intercom. Then they wanted to see the person so we installed a camera. Now they can remotely see, hear and speak with a person anywhere in the world and remotely open the door right from their desktop."

To remain current with evolving technologies,

Maffey's is committed to continuing education. In addition, the company holds licenses for locksmith and access control/burglary alarm installation and servicing, as required by New Jersey law since 2007.

"It legitimizes the business," Maffey said. "For all those years you could have no credentials and background checks and advertise that you were a locksmith."

Trust, however, has never been a factor for Maffey's. The four-generation company enjoys several multi-generational relationships with customers, such as Trinitas Hospital and the city of Elizabeth, and serves as a reliable partner for such entities as NJ TRANSIT and Port Authority of New York/New Jersey. Maffey's also maintains several national accounts throughout the country.

Maffey's has changed dramatically since Charles Maffey Sr. was sharpening knives and scissors, but in some ways not at all – retaining his commitment to customers of all sizes.

"My late mom, Evelyn, and my 89-years-young dad, Charles Maffey Jr., instilled these values in our minds by example throughout our lives and their careers at Maffey's," Ed Maffey said.

"It means a lot that we've been in business 100 years. Not too many companies can make that statement."

Maffey's Security Group serves all of New Jersey as well as New York and Pennsylvania. They can be reached at 908.351.1172 and visited at [www.maffeys.com](http://www.maffeys.com). License #34BL0000600.

*From the desk of - Dr. Scott Taylor, Assistant Superintendent*

Brearley High School currently offers a wide variety of Advanced Placement (AP) courses to its students. AP provides motivated and academically prepared students with the opportunity to earn college or university credit or advanced placement once enrolled in a college or university, and to stand out in the college admissions process.

Each exam is developed by a committee of college and university faculty and AP teachers. The exams are aligned with the same high standards expected by college faculty at some of the nation's leading liberal arts and research institutions. Research consistently shows that

AP students who score a three or higher on AP Exams (based on a scale from one to five, with five being the highest) typically experience greater academic success in college and higher graduation rates than students who do not participate in AP.

Brearley High School provides opportunities for students to participate in such programs as AP Micro Economics and AP Environmental Science. The district is very proud to announce that five of the 34 students who took the most recent AP exams have earned AP Scholar awards in recognition of their exceptional achievement.

This is an outstanding recognition of our talented students' work considering only about 18 percent of the 1.8 million students worldwide who took the AP Exams performed at a high enough level to have earned an AP Scholar Award.

One Brearley student qualified for the AP Scholar with Honor Award by earning an average grade of at least 3.25 on all AP Exams taken, and grades of three or higher on four or more of these exams. This student is Gabrielle Florek. The other AP Scholars are Andrea Crincoli, Cora-Ann Licwinko, Sean Reilly, and Laura Romanowski.

## “HATS OFF” TO DAVID BREARLEY FOR A JOB WELL DONE!

The middle and high school Student Councils of David Brearley in Kenilworth, NJ sponsored a donation drive for The Heavenly Hats Foundation. This Foundation was started by a student from Green Bay, Wisconsin. In 2001, Anthony D. Leanna started The Heavenly Hats Foundation when he was just 10 years old. He is now age eighteen (18) and to date over 500,000 new hats have been donated free of charge to cancer and other medical patients who lose their hair due to a disease or the treatment of a disease such as cancer. The hats motivate the patients and help them mask their hair loss. The hat is just a small symbol of hope and love, but Anthony's wish is “that it will have the power to brighten the patients' day so that they can look to the future with a smile.”

Mrs. Nancy Bechtler and Mrs. Diane Westbrook, advisors for the David Brearley Middle and High School Student Councils,

supervised the collections. The students collected donations from staff and students during their lunches. The school does not allow the wearing of hats during the school day. Hats cannot be worn by students during the school day and this is clearly spelled out in the Student Handbook. The students donated a dollar, were given a wrist band to wear, and were able to wear their favorite hat to school on Friday – October 15, 2010. The overwhelming participation of the Brearley students and staff was proof of the high level of school spirit that is an integral part of the David Brearley educational experience. The participation is also another example of David Brearley students reaching out to help others in the community, the country, and the world. “Hats Off” and “Thanks” to all Brearley students and staff that contributed!

This “Heavenly Hats” donation drive was

very successful. \$185.00 was raised for The Heavenly Hats Foundation. The money will go to cover the huge postage fees to ship the hats all over the country. Thank you to Principal Luciani and Assistant Principal Bubnowski for their support and for allowing the Brearley students the opportunity to show their support of a wonderful cause.

## LIBRARIES OF UNION COUNTY CONSORTIUM NAMES VOLUNTEER OF THE YEAR

Kenilworth resident Barbara Wirkus (left) was recently honored as the Libraries of Union County Consortium (LUCC) 2010 "Volunteer of the Year" for her work as the volunteer curator of "The Gallery on the Boulevard" and for her continued maintenance of the Adeline's Garden at the Kenilworth Public Library.

## METRO RHYTHM CHORUS RETURNS FOR HOLIDAY

Back by popular demand and just in time to get everyone into the holiday spirit, the Metro Rhythm Chorus will perform a program of popular and seasonal a capella tunes at the Kenilworth Public Library at 7:00 PM on Friday, December 3. Chartered in 1999 and based in Cranford, the Metro Rhythm Chorus is a chapter of Sweet Adelines International, Inc. and has won the Greater New York Regional Small Chorus award seven times. The chorus performs frequently at nursing homes, houses of worship, and various civic venues.

This program is free and open to all members of the general public. Because space is limited, registration is required and preference will be given to Kenilworth residents. If space permits, registration will open to residents of other communities on Wednesday, December 1.

## MUSIC OF THE '60S TO BE PERFORMED AT LIBRARY CONCERT

The Kenilworth Public Library will present "Music of the '60s," a musical trip down memory lane by singer/songwriters Susan Cohen and Michael Christian at 7:00 PM on Friday evening, November 19. The focus of the program will be songs that everyone loves and remembers from the '60s but that rarely show up on today's pop, oldies and classic rock stations, songs like I'm Into Something Good, To Sir with Love, Don't Let the Sun Catch You Crying, Walk on By and Ferry Cross the Mersey by such fondly remembered performers as Herman's Hermits, Petula Clark, Gerry and the Pacemakers and The Dave Clark Five. The

performance will also feature trivia tidbits about the songs and artists, making it a real exercise in nostalgia for those who attend.

This performance is free and open to all members of the general public. Because space is limited, registration is required and preference will be given to Kenilworth residents. If space permits, registration will open to residents of communities other than Kenilworth on Wednesday, November 17.

The library doors will open for "Music of the '60s" at 6:45 PM. Entrance into the library will not be permitted before that time so attendees should plan accordingly.

## LUNCH AND LEARN ABOUT MECHANICAL MUSICAL INSTRUMENTS

The Kenilworth Public Library will host a program featuring a speaker from the Morris Museum who will offer a presentation about the museum's Murtoth D. Guinness collection. One of the most significant and extraordinary collections of its kind, the Guinness includes 700 historical mechanical musical instruments and schemata (mechanical figures) as well as more than 5,000 programmed media, ranging from player piano rolls to pinned cylinders. The program will also include a discussion of how the concept of entertainment has changed over

time. It is scheduled to take place in the library's activity room on November 30, from 12:00 noon to 1:00 PM. Attendees are invited to bring a brown bag lunch and the library will provide coffee and dessert.

This program is free and open to all members of the general public. Because space is limited, preregistration is required and preference will be given to Kenilworth residents. If space permits, registration for residents of communities other than Kenilworth will open on Saturday, November 27.

## BOOK GROUP TO CELEBRATE TWAIN ANNIVERSARY YEAR

The year 2010 marks the 175th anniversary of Mark Twain's birth as well as the 100th anniversary of his death. To celebrate this special milestone, the book discussion group of the Kenilworth Public Library will meet at 7:15 PM on Tuesday, November 23 to discuss two works by Twain, Pudd'nhead Wilson and Adventures of Huckleberry Finn.

Pudd'nhead Wilson first appeared as a serialized story in The Century Magazine between 1893 and 1894 before it was published separately as a few months later. Considered an "ironic" novel, Pudd'nhead Wilson tells the story of the fictional Missouri frontier town of Dawson's Landing and of two babies who are switched not too long after birth, one the free born son of a wealthy landowner and the other the son of Roxy, a light skinned freed slave who is caretaker to them both.

Considered by many to be the great American novel, Adventures of Huckleberry Finn was, ironically, first published in England and Canada; the American edition was delayed by a

couple of months because of deliberate vandalism to the printer's plate of one of the accompanying illustrations. Because of the controversies surrounding Twain's treatment of racial themes and his use of vernacular language, Adventures of Huckleberry Finn has the dubious distinction of having been one of the most frequently challenged books in American schools during the 1990s. It is also likely that the merits of this novel will be debated for many, many years to come.

Participation in the book discussion group is free and open to all adult members of the general public. New members are always welcome, including people who reside in communities other than Kenilworth, and no previous experience with a book discussion group is required. Copies of a compilation of Twain's works that includes both Pudd'nhead Wilson and Adventures of Huckleberry Finn will be available for check out at the library's circulation desk. Because space is limited, preregistration is requested.

## HAPPY MOLE DAY!

In order to reinforce learning and demonstrate understanding of the concept of the mole, Mr. Novak's chemistry classes at David Brearley Middle and High School are all invited to participate annually on October 23 from 6:02 a.m. to 6:02 p.m., Mole Day commemorates Avogadro's Number ( $6.02 \times 10^{23}$ ), which is a basic measuring unit in chemistry. This year Mole Day was celebrated on Friday – October 22, 2010 because October 23rd was a Saturday. The mole is the Le Systeme International d'Unites, abbreviated SI, base unit for the amount of a substance. It is similar to the concept of a dozen equaling the quantity 12. A mole equals the quantity  $6.02 \times 10^{23}$ . Mole Day was created as a way to foster interest in chemistry. Schools throughout the United States and around the world celebrate Mole Day with various activities related to chemistry and/or moles. Some students decided to create tee shirts and signs to wear all day.

# OCTOBER 2010 BREARLEY STUDENTS OF THE MONTH

The David Brearley High School Student of the Month is senior Sommer Engler. A frequent Distinguished Scholar on the David Brearley High School Honor Roll, Sommer is also a member of the high school's chapter of the National Honor Society, as well as the winner of numerous Academic Booster Awards for excellence in specific courses. Her extracurricular activities include Forensics, Mastersingers, the Fall Drama, and, her crowning achievement, the lead in the Brearley High School Musical. Congratulations, Sommer!

The David Brearley Middle School Student of the Month is Miss Amy Matias. Amy is described by her teachers as being one of the most positive and upbeat students in the entire

school. On a daily basis, rain or shine, Amy greets everyone with a warm and welcoming hello, smile, and wave. This winning attitude is also reflected in class, where she consistently submits her homework on time and asks questions to clarify tough topics. In addition, both Ms. Blizzard and Mrs. Schau are impressed with not only her mature views on life, but her thoughtful insights into literature. Because of her level of involvement outside of the classroom, you might have a hard time tracking down this student of the month. Amy's extracurricular activities include the middle school play, peer mediation, bruins that care, and cheerleading - just to name a few. Thank you, Amy, for all of your hard work and dedication both inside and outside of the classroom.

## The best-dressed wounds in New Jersey.

*That's the beauty  
of Trinitas.*

**T**he Center for Wound Healing & Hyperbaric Medicine at Trinitas Regional Medical Center is New Jersey's leading wound care center. We have pioneered wound closure technologies such as Hyperbaric Oxygen Therapy and Vacuum-Controlled Assisted Closure. And we were the first in the state to use Apligraf cultured living skin.

We enjoy heal rates that are consistently above 90%. That's why so many area hospitals send their most difficult wounds to us. And why Diversified Clinical Services named us a Center of Distinction.

This is wound care that goes way beyond bandages. And it's available right here, right now. Beautiful.
