LINDEN WINS \$1.1 MILLION FOR TRANSIT VILLAGE DEVELOPMENT

The New Jersey Department of Transportation (DOT) has awarded the City of Linden a total of \$1,100,000 in the form of three grants, the largest amount awarded in North Jersey. The grants are specifically for the Transit Village Streetscape Grant (\$600,000), Local Aid Transit Village Grant (\$295,000), and the Municipal Aid Grant (\$205,000).

The City of Linden has been designated as a Transit Village by the DOT. The grants were derived from the program and will be used to revitalize the downtown area around the train station in order to promote the use of public transportation. The redevelopment is also focused on creating a pedestrian-friendly neighborhood.

The goals of the Transit Village Initiative is to bring more housing, business and people in the neighborhoods around transit stations. The scope of the multi-phase plan in Linden includes approximately a half-mile area. Improvements and enhancements to the train station are under way and will be followed by streetscaping. Planning stages for development of properties on Wood Avenue on both sides of the trestle as well as on Linden Avenue are moving forward.

(right) A sign was recently planted, made from bushes, to welcome riders to Linden from the southbound trains rolling over the Wood Avenue trestle. The bushes will symbolically mature and blossom along with the redevelopment of the neighborhood around the train station.

SOEHL STUDENTS VISIT NASDAQ, WALL STREET AND NY TIMES

Soehl Middle School teacher Mr. Jan Macha took students to the Nasdaq, The New York Times, and Wall Street. The students were able to see and evaluate public speaking on a professional level at the NASDAQ opening bell ceremony. At the New York Times they were able to experience and understand the importance of editing and revising by touring the NY Times headquarters, while being guided by NY Times junior editor Maggie Astor. All students greatly enjoyed the trip and were inspired.

(right) Linden students experienced the opening bell of the Nasdaq stock market. LA Lakers' Steve Nash was the day's celebrity on Nasdaq.

LINDEN FIRE DEPARTMENT RECEIVES \$2.4 MILLION FEDERAL GRANT

LINDEN, NJ - Four months after the Linden Fire Department faced layoffs of its firefighters due to budgetary constraints, U.S. Senator Robert Menendez (D-NJ) visited the department's headquarters to announce a federal grant award of \$2,406,684 to save 12 jobs in the department. The funding is awarded through the Federal Emergency Management Agency's (FEMA) Staffing for Adequate Fire and Emergency Response (SAFER) programs.

"Keeping firefighters on the job is critical to protecting the Linden community, and I am very pleased that this federal funding is coming directly to the Linden Fire Department during a difficult budgetary year," said Senator Menendez. "This not only helps the communities they serve, but it also helps maintain safer working conditions for our firefighters, who deserve nothing less than our best efforts to help them work as safely and effectively as possible."

"I'm extremely excited about this SAFER grant that will help us keep 12 firefighters. It couldn't have come at a better time," said Linden Mayor Richard Gerbounka. "Quite

frankly, it's a Godsend. I want to thank Senator Menendez for his aggressiveness in getting this grant for the City of Linden."

"This federal grant is a tremendous help to our department in keeping firefighters on duty to serve the residents of our community," said Linden Fire Chief Joseph Rizzo. "Senator Menendez has always been there to help our fire department, and I thank him for his helping us obtain this funding that means so much in keeping our residents safe."

"The City of Linden's firefighters have struggled to maintain proper staffing," said William Lavin, President of the New Jersey Fireman's Mutual Benevolent Association. "Senator Menendez's efforts here will go a long way, not only to keep Linden firefighters and

residents safe, but also in the surrounding areas and we are eternally grateful for his efforts."

"The firefighters of the Fireman's Mutual Benevolent Association are ready to respond to anything that happens in the communities we serve, and we greatly appreciate it when federal resources help communities like Linden keep firefighters working," said Firefighter Christopher Lukenda, Secretary of the New Jersey Fireman's Mutual Benevolent Association.

The highly competitive SAFER grant program provides funding directly to fire departments and volunteer firefighter organizations in order to help them increase the number of trained "front line" firefighters in their communities.

(above, l-r) Linden Fire Chief Joseph Rizzo welcomes Senator Menendez to Firehouse #1 on South Wood Avenue.

La Danse School of Performing Arts

La Danse School of Performing Arts continues to offer quality education designed to be affordable for all families by offering discounts for multiple classes and multiple family members. La Danse is located in the heart of the Linden business district at 10 N. Wood Avenue; an ideal location to attract local and nearby city students. La Danse has students traveling from as far as North Brunswick and Staten Island due to our

excellent teaching staff. Since La Danse is located near the Linden train station La Danse attracts master teachers from New York City to enhance the qualified staff of instructors, many of whom have been with the studio for 20 – 25 years.

At this year's recital, director Tina Socci recognized several staff members for their loyalty and fine accomplishments over the years. Christine Evans, who was the first

student to enroll at La Danse 34 years ago, was honored for her dedication to the studio as a student and now the Senior Office Manager. Dawn Cavacas has been on staff for 25 years and has been a major factor in the continuing success of the students and fellow instructors. A dedicated teacher, wife, mother, and friend, "Miss Dawn" has always led by example and loyalty and is truly loved by all her students. Carol Brienza was honored for 20 years of dedication and was saluted by over 40 students who have gone on to graduate, marry and become parents. They came to the studio to rehearse a tribute of songs from the past 20 years and surprised her at the recital. Performing a medley of "Michael Jackson" songs they let her know—"to teach is to touch a life forever."

La Danse is more than just a dance studio – it's a family – it's a home away from home – it's a place to be yourself and follow your dreams. It's a place to remember and be remembered.

For information on how you too can be a part of the La Danse tradition call (908) 862-6887; check us out at LaDanseSchool.com or come visit us for registration on:

LINDEN LIBRARY CHILDREN'S CELEBRATION

The Summer Reading Club at the Linden Library is in full swing. Many children have won lots of prizes. There is still time to register to get a reading log. Then, all you have to do is read, and win prizes!

For children who live in Linden, we have a special music concert to celebrate our awesome readers. Registration is required for the music

concert, but the tickets are free. The concert will be held on Tuesday, August 6th at 2:00 p.m. at the Linden Public Library.

The professional children's performer, Guitar Bob, is our star. This concert is brought to you by the Union County Office of Cultural and Heritage Affairs. In addition to the lively music, the children will receive free refreshments.

LINDEN LIBRARY HOST FINANCIAL PLANNING PROGRAM

Dave Larkin, a Certified Financial Planner™ with Merrill Lynch will present a program, An Education for them; Potential tax savings for you, at the Linden Public Library on Wednesday, August 21st, 2013, at 1:00 p.m. It will take place in the Columbia Bank Room. This seminar explores different ways to save for your child's education. Among topics discussed: recent increases in cost for colleges, ways to better position you and your family for financial aid,

and potential tax benefits of opening and funding a college savings account for your children or grandchildren. David Larkin is a certified financial planner and assists clients in building education, retirement and estate plans. To register for the program, please sign up at the circulation desk or call the library at 908-298-3830. For other questions regarding the program, please contact David S. Larkin, CFP® at 908-789-4379.

THE MYSTERY OF RAIN

Photo by Linden School No. 9

Rain is essential for sustaining life. While most of us this summer are saying, "rain, rain, go away", the ESL students at School # 9 are busy investigating nature's most intriguing phenomena, "RAIN." Under the guidance of ESL teacher, Mrs. Orelie-Armstead and teacher assistant, Eglys Rodriguez, the English Language Learners explore the water cycle and were delighted in watching the "clouds" form, and produce "rain". Simple household objects were used to create this experiment to demonstrate the concepts of condensation and evaporation and how clouds and rain form.

Photo by Linden School No. 9

In an academic year, ESL students are responsible for learning hundreds of science vocabulary terms while at the same time they are learning English. This can be difficult to navigate unless a series of scaffolding strategies are put in place. Under the guidance of ESL teacher, Danie Orelie-Armstead and teacher assistant Eglys Rodriguez, the ESL Summer Enrichment Program at School #9 will not only focus on building students' language skills of reading and writing but also on the development and application of skills in the area of scientific

literacy which includes speaking, listening, presenting, interpreting, reading and writing about science.

Every day, students will explore a science concept. On the first day of summer school, ELLs explore the sun and the clouds. Students investigated and conducted a scientific experiment on how water vapor is formed which condenses into water droplets to form clouds. Students were excited to learn that air temperature and water vapor played a big role in forming clouds.

YOUTH LAW EXPLORERS SUMMER FUN

LIFE in LINDEN • Page 15 • August 2013

School may be over for the 2012-2013 school year, but for the youth Explorers of Law Explorer Post 629 their journey of learning more about the law and experiencing the sights and sounds of their chosen area of interest continues. Taking advantage of the summer vacation, the Youth Explorers visited the Union County Courthouse to talk with judges, clerks and experience real cases on a day-long trip with two of their advisors.

First they were greeted by Ms. Linda Wiggins, Ombudsman, and her staff who took the Explorers and their Advisors to meet with Honorable Judge Alan G. Lesnewich. The Honorable Judge took time out of his day to talk with the Explorers in chambers and answer questions about the court system and his experiences as a Superior Court Judge and formerly as an attorney.

Next, the Explorers were escorted to Special Civil Part where they sat in on a damages hearing and at the conclusion of the case had an opportunity to speak with Honorable Judge John Pisansky about his many years as a Superior Court Judge where he told the Explorers many stories about his years in service. Honorable Judge Pisansky also posed for a picture with the group, which the Post members agreed was "very cool."

Lastly, the youth Explorers of Law Explorer Post 629 were escorted to Criminal Part where they sat in on the testimony of a defendant and closing arguments by Defense Counsel and the Prosecutor in a drug related matter. During the lunch break, Honorable Judge William A. Daniel took time out to address the Explorers and their Advisors to discuss the procedures in criminal cases and how they differ from civil and family part proceedings.

The Explorers also enjoyed a weekend of camping and canoeing at Swartswood State Park learning about the importance of teamwork. They cooked all the meals from Friday night to Sunday morning as part of their character building activities.

Law Explorer Post 629 continues to meet

during the summer and continues to plan for the summer months as well as for the 2013-2014 school year. Of course, they are planning some fun activities to enjoy the summer and build new friendships within the group. Among their planned activities for the fall are a visit to the Supreme Court of New Jersey and other historical sites in Trenton, New Jersey and to the Supreme Court of the United States in Washington, D.C. as well as other historical sites.

Law Explorer Post 629 thanks Honorable Judge Lesnewich, Honorable Judge Pisansky and Honorable Judge Daniel for taking their time to address the Post and thank Ms. Linda Wiggins, Ombudsman and her staff for their interest in making Post 629's trip to the Courthouse a memorable one. Post 629 and its advisors also thank BSA Troop 72, Westfield, NJ, for use of their canoes and gear.

The Law Post recruits on an ongoing basis year-round and is open to youth in Union County, ages 14-20, who are interested in exploring Law and Government. A junior Law Post is also being created for youth ages 11-13. Law Explorer Post 629 will have an information session for general recruitment on the afternoon/evening of Wednesday, September 11, 2013 at the Linden Free Public Library. All are encouraged to attend and meet some of Post 629's Explorers and Advisors.

Law Explorer Post 629 is chartered by the Law Offices of Lucia E. Perpina, Esq., LLC in Linden, New Jersey. Please contact Lucia E. Perpina, Esq., (908)718-5877 or lperpina@perpinalawfirm.com for more information.

INFINEUM SUPPORTS WOUNDED WARRIORS

On Sunday June 23rd, 20 Infineum employees joined together to partake in the 3rd Annual Knights of Columbus Tank Pull to show their support for the Wounded Warriors Project. The purpose of the organization is to spread awareness about the need to help wounded service members, give injured soldiers the opportunity to aid and assist each other, and provide direct programs and services to meet their needs.

At the event, Team Infineum participated in two competitions: fastest pull and lightest-weight pull. For the fastest pull, the crew was timed on how quickly they could move an 80,000 lb. army tank (along with the trailer it was on) across a whopping 12 feet. This year, the crew completed the pull in 6.10 seconds; a significant improvement from last year. Perhaps this was because each member came better

equipped and prepared than ever before; making sure to bring proper gloves, footwear and even a new strategy. Overall, Team Infineum placed 10th in the event, beating 25 teams in total.

For the lightest-weight pull, the team had two minutes to complete the 12 foot tug. Victors of the heat would be the team whose combined weight ranked lower than the rest of the competition. Lynn Cusack, Natalia Malantchouk and Bryan Boyle participated in this pull, with their total weight scaling out to a mere 518 lbs.

Afterwards, food and refreshments were given to all participants to thank them for their hard work. Overall, the Tank Pull raised \$100,000; proving just how much team work can accomplish. Since this is an event that each member holds true to their hearts, Team Infineum already has plans on competing in next year's Tank Pull.

PHILLIPS 66 GIVES \$10K TO NJ CHAMBER TO EXPAND "LEARNDOEARN" PROGRAM IN LINDEN

Dana Egreczky, President and CEO of the New Jersey Chamber of Commerce Foundation (right)

accepts donation check from Carol Ziegler, Public Affairs Manager for Phillips 66 Bayway Refinery.

The New Jersey Chamber of Commerce Foundation recently announced it has received a \$10,000 contribution from Phillips 66 Bayway Refinery of Linden to support the Foundation's LearnDoEarn program.

The Foundation developed LearnDoEarn as a unique motivational curriculum, including games and activities, to help middle and high school students understand exactly what they need to do to succeed in college and/or work.

Targeting Elizabeth and Linden, the Phillips 66 contribution will allow schools in these districts to receive the LearnDoEarn curriculum at no cost, offer teachers training in its use, and provide opportunities for Phillips 66 employees to directly engage with students.

Two presentations have already been delivered to ninth grade students in Admiral Halsey and Alexander Hamilton High Schools in Elizabeth, with another slated for freshman orientation in Linden as students return to school in September.

"We are especially interested in LearnDoEarn because of the emphasis the program places on preparing students for careers in STEM fields - Science, Technology, Engineering and Math - fields where the jobs are," said David Erfert,

manager, Phillips 66 Bayway Refinery." LearnDoEarn generates increased enrollment in these key high school courses."

Dana Egreczky, president and CEO of the New Jersey Chamber of Commerce Foundation said, "Phillips 66 recognizes how important it is to ensure the next generation of workers is prepared for the challenges ahead, and we are gratified that they recognize LearnDoEarn is an effective way to achieve that goal. We thank Phillips 66 and all of our LearnDoEarn sponsors."
