## COME CELEBRATE POLONIA WITH GENERAL PULASKI MEMORIAL PARADE COMMITTEE OF ST. THERESA PARISH

In the year 1980, second and third generation Polonians from Linden held a meeting to discuss marching in the General Pulaski Memorial Parade on Fifth Avenue. Polish representatives from all the wards of the city were invited to this meeting held at St. Theresa's Church.

The Polish American Democratic club had accrued a balance of \$400 from previous bus rides to NYC for Linden residents to watch the parade. When the new group formed the money was transferred to financially help the group get started. A very successful roast beef dinner was run at the Linden Polish Home and generated another \$1,000.

In 1981 the General Pulaski Memorial Parade Committee of Linden proudly celebrated their first official march down 5th Ave. with our homemade Miss Polonia float on a flatbed truck donated by Tilfy Silvers. Linden's first Marshal Fr. Walter Gorski, Pastor of St. Theresa's Church lead over 500 marchers, the High School Marching Band, CWV Honor Guard, Linden Police cars, and Linden Fire apparatus proudly down 5th Ave. Jersey Polka Richie, a Polish band played on the Miss Polonia float entertaining all the joyous and proud watchers.

Arriving back in Linden after the parade, the group assembled at St. Theresa's for food, libation and Polish dancing. A good time that still prevails.

From that very first year the Linden Contingent was recognized as one of the most vibrant and largest groups marching in the parade. So much esteem and pride prevailed that in 1985 Jacob Krowicki Jr. and in 1989 Michael Slivinski were selected as Grand Marshal of the entire parade. The Linden Contingent has been blessed spiritually and monetarily with their fundraisers to augment the cost of running the parade contingent.

The founding officers were: Michael Slivinski, President; Henry Skubecz, Vice President; Jacob Krowicki Jr., Vice President; Genia Adamski, Recording Secretary and Thomas Brzezicki, Treasurer. An Amendment of Incorporation change was made in October 1996 to the present name General Pulaski Memorial Parade Committee of St. Theresa Linden, Inc.

The officers for 2013 are: Lisa Miskiewicz daSilva, President; Danny Yamakitis, Vice President; Susanne Piatek

(above, l-r) Alexa Leigh Domenico (2012 Junior Miss Polonia); Susanne Piatek Miskiewicz (2012 Linden Grand Marshal); Maria Gabryszewska (2012 Miss Polonia).

Miskiewicz; Secretary; and Beth Ann Bodek, Treasurer.

The group meets on the 2nd Wednesday of each month at 7pm, St. Theresa's Church, Linden, in the Pope John Paul II Hall (underneath the church).

The GPMPC is looking for new members to help keep the traditions and culture alive in our community. First, 2nd, 3rd and now 4th generation Polish Americans want to keep the Polish traditions of our ancestors alive and well as we learn about the Polish culture and traditions currently popular in Poland today.

The committee is also looking to locate veteran members and former members to help guide the new younger members to keep the committee going.

We hope that with God's continued blessings we will continue the work that was started 33 years ago, for the good of our community and Polonia.

## TEAMWORK ISN'T NECESSARILY A TRAIT FOUND ONLY ON THE COURT

The Linden Police Athletic League recently donated books and gifts to Linden's youth attending MasterPEACE Program Christmas Party at the Linden Multi-Purpose Center.

PAL Director Officer Daniel Kuczynski stated "I've said it all along and I truly believe it.

The PAL isn't here just for the kids when they are shooting baskets or swinging bats. We want to let them know that this is an organization that cares about them, regardless of the sport they play. And this is just one of the ways to go about doing that."

## JUNIOR ACHIEVEMENT FEATURES CPA FIRM

Junior Achievement (JA) is a non-profit organization dedicated to improving the lives of children by inspiring and preparing them to succeed in a global economy. JA programs reach over 4 million students per year, in 124 markets in urban, rural and suburban areas in all 50 states across the US. In New Jersey over 41,000 students participated in the JA program last school year.

On Wednesday, December 12, 2012, Linden School 10 students; kindergarten through grade

five had a special visit from trained Junior Achievement volunteers. These volunteers work for Parente Beard & Fazio, Mannuzza, Roche, Tankel, LaPilusa CPA Firm. These employee volunteers provided the students at Highland Avenue, School No. 10 Elementary School an interactive, colorful and information-rich day! These volunteers connect with a class of students to instill confidence and teach about financial literacy, life skills, and the economic value of a diploma.

## STUDY SHOWS RED-LIGHT CAMERAS INCREASED INTERSECTION SAFETY

*Submitted by Linden Police Department*

### Crashes Decreasing at Several Intersections

Red-light safety cameras are not only reducing dangerous T-bone collisions, but are also reducing other types of collisions at several Linden intersections. A recent analysis on vehicular crashes illustrates the effectiveness of red-light safety camera technology. Crash data from the two year period, August 2010 to July 2012, was analyzed and found that all three

intersections studied had notable public safety benefits. Reported crash reductions are listed below:

#### US ROUTE 1 AND SOUTH PARK AVE.

Total crashes reduced by 33%.

- Rear-end: 38%
- Right Angle: no crashes to report
- Sideswipe: 33%
- Front: 100%

#### US ROUTE 1 AND SOUTH STILES ST.

Total crashes reduced by 31%.

- Rear-end: 26%
- Right Angle: 100%
- Sideswipe: 61%
- Front: 100%

#### ROUTE 27 AND NORTH STILES ST.

Total crashes reduced by 15%

- Rear-end: 9%
- Right Angle: 33%
- Sideswipe: 29%
- Front: no crashes to report

"Every time we can avoid a crash we help save a life or prevent an injury," said Sgt. Michael Babulski, who administers the red light camera system for the Linden Police Department. "The results in this report are meaningful to Linden. We expect next year's results will be even better in our community and in the state, and we hope this program becomes

a permanent addition to the traffic safety network in New Jersey for the sake of all drivers. When the program went on line in August of 2010, I expected that it would take some time to change driving habits and this year's data really proves that. We are reducing crashes and injuries at every intersection, even the ones without red light cameras."

A recent statewide report found right-angle crashes and red-light running citations to be trending downward overall at intersections with photo enforcement devices, two trends the report called "encouraging." The analysis recommended that the program remain under evaluation for its impact on traffic safety.

The report includes results from 24 intersections with cameras in operation for at least one year, and two intersections with cameras in use for two years. At the 24 locations with cameras in use for one year, total right-angle crashes are down 15 percent from the previous year. At the two intersections with cameras in use for two years, right-angle crashes decreased 57 percent after one year with cameras, and 86 percent in the second year. Total citations issued after one year decreased 50% from month one to month 12, but decreased 85 percent from month one to month 24 at the locations with longer-running programs.

## TEACHER & STUDENTS ATTEND THE SO YOU THINK YOU CAN DANCE TOUR

Being New Jersey's Dance Teacher of the Year certainly has its perks and the opportunity to attend the So You Think You Can Dance Tour 2012 at the Prudential Center was one of them for dance teacher Barbara Brady and two of her students. Not only did they have the chance to watch the show but they also had backstage passes and met the cast. Pictured here are Katie Kennedy, Amanda Crawford and Barbara Brady with one of the cast members.

**B**eing first with ground breaking technology is a hallmark of Trinitas Comprehensive Cancer Center, which was the first cancer center in New Jersey to provide patients with the Varian Trilogy radiation therapy system in 2005. Trilogy's ultra-precise robotics accurately tracks and adjusts for tumor movements at the moment of treatment, then targets cancer and neurological lesions with sub-millimeter accuracy. **No other facility in New Jersey has more experience with Varian Trilogy than Trinitas.**

Trinitas was also the first in New Jersey to offer women the new Accublast radiotherapy technology – a highly effective, non-invasive treatment for breast cancer that is more accurate than standard breast radiotherapy. In addition, Trinitas is a leader in radiosurgery – which uses precisely-focused beams of radiation to treat tumors anywhere in the body.

Ground breaking technology, and the expertise to use it - that's the Trinitas Comprehensive Cancer Center.

## LINDEN ARTIST LEAVES LEGACY OF HISTORIC ART

Salvatore DeCesare

Salvatore DeCesare, of Linden, passed away on November 6, 2012. He will be remembered by history and art lovers, for Sal left behind a collection of original art that he created throughout the 88 years he lived.

Salvatore was drafted into WWII as an Army Field Medic. During his time in the war he drew cartoons inspired by his surroundings . . . the war. He asked an Elizabeth librarian to accept delivery of any cartoon drawings he sent home from Europe. She agreed and she collected them and returned them to him upon his return to Elizabeth when the war was over.

During the war Salvatore created an "Invasion Diary", a book of drawings that he produced by illustrating stories of men he cared for who were wounded. They would dictate what they saw, felt and went through and Sal would then put his pen (or chalk) to paper. After his drawing was complete he would ask if what he drew was an accurate depiction of what they saw and went through. After approval from the participant he would have the soldier sign the drawing.

After the war he started assembling model ships and would construct entire battle scenes from the war. The battles would then be mounted and put under glass.

Sal DeCesare's true talent showed though his drawing. He continued to draw scenes of the war from memory, intent on being true to reality, adding to his already impressive collection. The art is a unique depiction of history and the war, full of feeling and emotion.

## STUDENTS PERFORM WITH NJ REGION II CHORUS

Three of our very own Linden High School students will have the honor of performing with the New Jersey Region II Chorus on January 27, 2013. Marta Sliwa, Evan Cordero and Matthew Crawford auditioned with hundreds of other students from the area to secure their spots in this prestigious group. Evan and Matthew were selected to sing with the Mixed Chorus and Marta will be performing with the Women's Chorus. This is the second time Marta and Evan have made Regions and the first time for Matthew.

"Find and keeping good employees" is one of the top concerns expressed by small business owners in a recent survey. One way to keep good employees is to invest in them. The Industry-Business Institute at Union County College offers a series of free classes you can use to encourage and keep good employees and develop their skills at the same time. Your only investment is your employee's time.

Union County College offers these to the employees of local businesses through a unique partnership of the New Jersey Business and Industry Association (NJBIA), the New Jersey Community College Consortium, and the New Jersey Department of Labor and Workforce Development.

Through the grant-funded NJBIA Project, employees can be trained in Elizabeth or Cranford, or on-site at a participating business

facility. Training is available in the following areas: Computer Applications (Windows, Outlook, Excel, Word), Mathematics and Measurement, Communications (verbal, written and customer relations), and English as a Second Language.

Employers with ten or more employees for a single class may take advantage of the mobile computer lab and hold classes on their own premises. Industry or professional organizations can host for member's employees as well.

Registration is required. These classes are popular so sign up fast! For registration forms and procedures, please go to our website at [www.ucc.edu/go/ibi](http://www.ucc.edu/go/ibi) and click on Ongoing Grant Funded Programs. Download forms and follow instructions. Or, call Denise Petrosky at 908-965-2359, Nancy Toomey at 908-527-7207 or email us at [ibi@ucc.edu](mailto:ibi@ucc.edu).
