#### **CITY OF LINDEN OPENS HAWK RISE SANCTUARY**

The City of Linden held a ribbon cutting event on May 30th for its newly constructed ecological sanctuary. The Hawk Rise Sanctuary is on Range Road in Linden and is now open to the public daily from dawn until dusk.

The Hawk Rise Sanctuary is part of a 95 acre city-owned natural resource and wetland complex that has long been recognized by numerous Federal, State and non-governmental organizations as an important environmental feature in the Rahway River and Arthur Kill watersheds.

Since 2006, the City has been working to transform their closed landfill and adjacent property into a wildlife and passive recreational setting –a place for the public to visit and walk trails through the Hawk Rise forest and to enjoy overlooks of the Rahway River. Designed to encourage hiking, bird watching and nature appreciation, Hawk Rise has nearly a mile and a half of elevated walkways and an observation deck to enjoy the panoramic view of the Rahway River. The trails are equipped with interpretive signage to provide visitors with habitat descriptions and information regarding the 123 species of birds and other wildlife that have been encountered in the area.

Hawk Rise also represents an opportunity to reach youths of all ages to infuse an appreciation and commitment to ecological restoration, enhancement and preservation. The City of Linden has worked with the Linden Public Schools to integrate the Sanctuary with the Science curriculum as well as to provide professional development for teachers who will be taking groups of students to Hawk Rise for

(above) Students helped Linden Mayor Richard Gerbounka and council members cut the ribbon at a ribbon cutting ceremony for the Hawk Rise Sanctuary, also in attendance were Wolfgang Skacel, Assistant Commissioner, NJ DEP; Eric Stiles, President NJ Audubon Society; Dr. Rocco Tomazic, Superintendent Linden Public Schools; Bob Fraizer, Linden Councilman & chairman of Linden Landfill Committee and Delores Maslo, Liasion.

ecological studies.

The first two phases of the Sanctuary were constructed with Green Acres grant monies, and assistance from local corporations. Plans are currently being drafted to construct Phase 3 to continue the Sanctuary's offerings.

Under the stewardship of the New Jersey Audubon Society, a full suite of natural history programs for families and adults will be offered beginning in June.

According to Mayor Richard Gerbounka, "Hawk Rise will provide unique open space recreational activities to not only the citizens of Linden but to all of Union County."

At a ceremony held on May 23, 2012 in the Linden Municipal Courtroom, participating youth were inducted into the charter class of Law Explorer Post 629. The post was created for youth between the ages of 14 through 20 who have a desire to explore the various career paths within law and government, to expand their knowledge of the subject, develop their leadership, communication and social skills, and to promote their interaction in the community via community service projects which they will select during their journey.

Arthur Lobdell, District Director of Learning for Life thanked the selflessness and dedication of the many adult volunteers in the community who have made a commitment to guide the explorers through this journey of discovery and assist them in their community service goals.

#### **WALGERT REALTY MENTORS GIRL SCOUT TROOP IN EARNING BADGE**

Real Estate Agents with Cadette Girl Scout Troop 42034 of Linden, to help in their final step towards earning the "Financing My Dream" badge. To earn the badge, the girls prepared and researched important information on their dream job, education requirements, expected salary as well as picking out a dream home from the internet and real estate magazines, any philanthropy...and of course a dream vacation!

With their dream homes in hand, the Broker of Record, Mary "Peggy" Tomko, looked up the details of their dream home. Next, the agents and Girl Scouts discussed whether or not their dream home was a feasible option based on the expected salary of their dream job. The Real Estate Agents taught each Girl Scout about interest rates, down payments, and the importance of credit to get them accustomed to the home loan process. They also learned how to fill out an abbreviated mortgage application and purchase contract.

After the Girl Scouts successfully researched, stated, and created a path to their career goals and demonstrated a proficient understanding of career will allow them to afford, they were reminder of the road they must take to get to awarded the prestigious "Financing My their dream job and home.

Submitted by: Ron Stefanowicz, President Linden Veteran's Council

Each year in honor of Memorial Day, veterans' organizations conduct flag placement ceremonies on the graves of deceased veterans. This tradition of honoring all deceased veterans originated in 1865 with Civil War veterans and later went on to include all that served their country.

In 1968 the observation of Memorial Day was established to be the last Monday in May. Today it remains a time of observation to honor and to respect those who fought to protect the liberties that our Founding Fathers proclaimed with certainty in the Declaration of Independence and

#### **NUSTAR RANKS NO. 377 ON FORTUNE 500 LIST**

Company Moves Up the List Based on Revenues of \$6.57 billion

NuStar Energy L.P. (NYSE: NS) moved up to No. 377 on the list of the FORTUNE 500, the annual ranking of the largest corporations in the United States. With 2011 revenues of \$6.57 billion, NuStar ranked above many well-known companies and earned the distinction of being one of only five FORTUNE 500 companies based in San Antonio.

NuStar's revenues for fiscal year 2011 rose as a result of increased bunker fuel sales volumes and increased bunker prices; increased crude oil trading volumes and higher crude oil sales prices; and increased revenue resulting from the company's acquisition of the San Antonio refinery.

"Thanks to our employees, we have weathered the economic downturn better than most companies and established a strong foundation from which to grow," said Curt Anastasio, NuStar's President and CEO.

"We are excited to be working on some expansion plans that could be transformative for our company over the next few years. We look forward to working with our employees to bring these projects to fruition, continue increasing our unit holder returns, maintain our healthy balance sheet and investment grade credit rating, and enhance our corporate culture," he said.

The full list of the FORTUNE 500 can be found online at fortune.com/500 and the May 21st issue of the magazine is currently on newsstands.

NuStar has 160 employees in New Jersey, working at its two Linden Terminals, the Paulsboro Refinery, the Paulsboro Terminal and the Refining Division Office in West Deptford.

#### **LINDEN EMERGENCY RESPONSE SYSTEM**

Since December of 1983, the City of Linden has administered the Linden Emergency Response System Program for the elderly, physically handicapped, medically disabled and the socially isolated of Linden. To date more than 325 Linden recipients have taken advantage of the 24 hour monitoring service and we presently serve approximately one hundred-fifty area residents.

The LERS unit is an easy to use wireless transmitter which becomes a 24 hour companion and a direct link to safeguarding one's health and safety. One press of the button is all it takes to notify the central station that an emergency

condition exists and within minutes, an ambulance and emergency personnel are at the scene. Besides having the transmitter and emergency help immediately, your medical profile is kept on file and is at the disposal of emergency personnel.

The City of Linden has purchased the emergency units for the subscriber. The subscriber in turn pays \$12.00 a month monitoring fee and charges for the installation of the unit.

The Linden Emergency Response System, administered through the Department of Public Property and Community Services, is an

invaluable service available to the residents. If you know a friend, neighbor, or relative in Linden that you are concerned about and that could benefit from having their own LERS unit, please contact the John T. Gregorio Recreation Center at (908) 474-8627.

Multi-Purpose Center are 9:00 a.m. - 12:00 p.m. for senior citizens and 7:00 p.m. - 10:00 p.m. for everyone, Monday through Friday. Interested Linden adults requiring further information can call the JTG Recreation Center at 908-474-8627 or the Linden Multi-Purpose Center at 908-474-8639.

#### **WORLD LANGUAGE NATIONAL HONOR SOCIETIES INDUCTION CEREMONY**

The Linden Public Schools recently initiated 65 students into six different world language national honor societies. This annual tradition recognizes our best and most talented students who have not only chosen to continue the study of a language, but also to meet the requirements of each honor society that distinguish those students above all others.

Each of the national honor societies has slightly different requirements for admission, but all share certain core values and expectations for academics and community involvement. This year, Ms. Megan Romero and the Spanish Honor Society were responsible for organizing and hosting the evening's ceremonies.

After introductory remarks by Linden High School vice principal, Mrs. Leanora Fleming (a former Spanish teacher herself), one of Linden High School's retiring ESL teachers, Mr. Jonathan Kanter, was recognized for his years of service to the district.

Following this, each of the local chapters of the honor societies, in turn, conducted their ceremonies and initiated new students into their ranks. Each of the national honor societies has its own traditions expected at its ceremonies, and the audience and other students were encouraged to learn more about how these organizations are different from their own.

The first of the chapters was the National Chinese Honor Society. Eight students were admitted for their high academic achievement as a student of Chinese as a second language as well as their leadership, character, and service.

(above, l-r) Mrs. Yan (Jenny) Qin, Brianna Pirro, Baina Emile, Katarzyna Natalia Dziadosz, Kendrick Abraham, Steven Milan, Yanis Ceballos.

The second of the chapters was the French Honor Society, Société Honoraire de Français. Eleven students were inducted by their advisor, Mme. Assumpta Foy. These students have not only achieved outstanding grades in their French course, but they have also organized many community service activities ranging from projects that help beautify the Linden High School campus to organizing coat drives to donate to local shelters.

The German National Honor Society has a long tradition at Linden High School and it is the oldest of all the local chapters. The nine students inducted into the Deutsche Ehrenverbindung, along with previous years' inductees, have demonstrated a commitment to the study of the German language and promoting German culture. Additionally, the students and their advisor, Mrs. Mary Turbett, conduct several community service projects, including one where they visit with Alzheimer patients to perform and complete a crafts project with them.

The Italian National Honor Society, SocietàOnorariaItalica, had the pleasure of introducing eleven new members to the organization. In addition to their excellent academic performance, the students were involved with several community service projects ranging from the local to the international. The "Holiday Mail for Heroes" Program had students, under the guidance of their advisor, Mr. Anthony Fischetti, writing over 100 cards that were delivered to military installations, National Guard and Reserve units, and Veterans medical facilities across the United States.

The Linden Chapter (Delta Phi) of the Russian National Honor Society, Slava, requires that students maintain excellent grades not only in their Russian classroom, but also in all of their other subjects. In addition to this, the students are expected to promote the study of Slavic languages, including Russian, as well as to engage in regular community service. This year eight students participated in the induction ceremony. The students, and their advisor, Mrs. Bozena Szulc, were involved in several different activities. One of its community involvement projects was its "Christmas Toy Drive". The new toys were collected by our members, organized, and donated to a local food bank before Christmas.

The national honor society for Spanish, Sociedad Honoraria Hispánica, inducted seventeen new members. Under its advisor, Ms. Megan Romero, the members have been very active in both Linden High School as well as the community. The students have been involved with local environmental projects and also organizing many multicultural events such as Linden High School's International Food Night, and the students will be participating in a "Relay for Life" on June 2nd.

(above, l-r) Ms. Megan Romero with the officers of the Spanish National Honor Society: Ashley Rota (President), Veronika Toskakova (Vice-President), Ginannella Perfitti (Secretary), and Kevin Yeats (Treasurer)

At the conclusion of the induction ceremonies, Mrs. Alphonsina Paternostro, the Linden Public Schools' Supervisor of World Languages, invited parents, students, and other guests to the cafeteria to participate in one final tradition. Each of the national honor society chapters provides one large cake that has been decorated with the signs and symbols of that honor society. As the guests enjoy their cake, they have the opportunity to see one of the many murals on the cafeteria walls that represent the various language clubs and honor societies while talking about their personal experiences and plans for the future.

Infineum USA L.P. has partnered with Junior information-rich curriculum and led hands-on games and activities designed to better equip the children to enter adulthood with a fundamental understanding of personal finances. These volunteer role models connected with the students by sharing personal stories from their own childhood, educational and employment backgrounds, and key career success skills. Overall, the day was a rewarding experience for students, teachers and volunteers alike.
