## LINDEN INDUSTRIAL ASSOCIATION A CONSTANT IN THE COMMUNITY SINCE 1935

The Linden Industrial Association (LIA) held its 77th annual meeting at III Amici Ristorante on April 24th, 2012. Guest speakers included Richard J. Gerbounka, Mayor City of Linden and Tracye McDaniel. McDaniel is the newly appointed President and Chief Executive Officer of Choose New Jersey, an independently funded and operated 501©(3) nonprofit organization whose mission is to encourage and nurture economic growth throughout the state, including a focus on making New Jersey's most distressed cities engines for growth and opportunity.

Liz Garcia of Infinium USA L.P. was presented with the 2012 LIA Business and Community Contribution award.

The purpose of the Linden Industrial Association is to promote the mutual interests of industries located or having interests in the City of Linden or contiguous municipalities, to promote mutual cooperation between industry and such municipalities and for such other beneficial purposes as may from time to time be recommended by the Board of Trustees and are permitted under the Internal Revenue Code. The LIA takes a stand on issues in support of its membership and those issues have often aligned with the views of the New Jersey State Chamber of Commerce and the New Jersey Business and Industry Association.

The LIA was incorporated on April 25, 1935. Some of its founding members such as Apex Plating & Polishing, DuPont, Merck & Co., Inc. Public Service Electric & Gas Company and Solar Compounds Corporation remain members today. Others such as A&M Industrial Supply Co., Billick & Sons, Inc., Cogen Technologies Linden Venture LP, Conoco Phillips Bayway Refinery, Epicor, Inc., Flexline/U.S. Brass & Copper Corp., General Magnaplate, Hatch Mott Macdonald (Formerly Killam Associates), Infineum USA L.P., Linden Bulk Transportation Co., Inc., Mercer Coating & Lining Company, Inc., Paramount Metal Fin., Safety-Kleen Systems, Inc., Total Lubricants USA, Inc.

(above) LIA presented an award to Andrea Martone, LIA President, for her service to the Association. Shown are Tracye McDaniel, President and CEO of Choose NJ, James K. Estabrook, Esq., Andrea Martone and Wayne Cromwell.

remain part of the proud history of the Linden Industrial community. The law firm of Lindabury, McCormick, Estabrook & Cooper, P.C. has been a constant of the LIA. One of the founders of the LIA was the founder of the law firm, Joseph S. Lindabury, Esq., a lifelong Linden resident.

The most important aspect of the LIA is the mutual cooperation between the member businesses and the City of Linden. The membership understands that in order for them to obtain the respect of the governing officials, they must be good corporate citizens. They, of course, seek an open and responsible exchange with the City.

Monthly Breakfast Meetings are held at the Hampton Inn, Aviation Plaza, Linden. Networking with other Linden Businesses; Topical Seminars for Members; Annual Dinner with important and influential business and political leaders. # THE DAY TO HONOR OUR VETERANS WHO MADE A SUPREME SACRIFICE

By Ron Stefanowicz,, President Linden Veteran's Council

On Monday, May 28, 2012, Americans across this nation and citizens located around the world will pause throughout the day to observe Memorial Day. Since its first official observation on 5 May, 1868, when it was called Declaration Day, it has been a day of remembrance for those who sacrificed and died in our nation's service. And while it was originally dedicated to honor Civil War soldiers, we know it today as a celebration in memory of all who have fought for our right to freedom.

In 1968 the observation of this day was established to be the last Monday in May. Today it remains a time of observation to honor and to respect those who fought to protect the liberties that our Founding Fathers proclaimed with certainty in the Declaration of Independence and that were thoughtfully and carefully framed in the Constitution of the United States. In his proclamation to set aside this day in 1868, General Logan instructed there to be thoughts to: "...cherish tenderly the memories of our heroic dead who made their breast a barricade between our country and its foes".

To those who died securing peace and freedom, to those who served in conflict to protect our land, and sacrificed their dreams of the day to preserve the hope of our nation keeping America the land of the free for over two centuries we owe our thanks and our honor. It is important to not only recognize their service but to respect their devotion to duty and to ensure that the purpose for which they fought will never be forgotten.

From the soldiers who fought bravely during

the American Revolution to the men and women of today's Armed Forces, America's fighting forces, who have responded bravely to this nation's call to duty. Both on the battlefield and in their assurance of readiness, members of the nation's military remain bound to their duty.

The Linden Veterans Council and its members, the American Legion, Post 102, Veterans of Foreign Wars, Post 1397, Vietnam Veterans, Chapter 779, Marine League, Martin Danoski Post, Catholic War Veterans, Post 497 and Polish Legion of American Veterans, Post 91, invite residents participation in Linden's Memorial Day programs.

If you have a family member or friend who rests in a Linden cemetery you can join the Linden Veterans, Linden High School ROTC, Girl Scouts and other residents to place an American Flag on Veteran graves. Veteran grave site flag placements will take place on Saturday, May 19th. Everyone who would like to participate in flag placement will assemble at American Legion Hall, 112 W. Elizabeth Ave. at 9:15 a.m., and leave for cemeteries at 10:00 a.m. Sharp. Return to American Legion Hall on Elizabeth Ave. 12:00 noon. Refreshments will be served following Veterans Grave Flag Placement service. Over 4,000 flags are placed annually on Linden veterans graves.

Placing memorial wreaths ceremony on City of Linden Veterans Monuments will take place on Monday, May 28th. All Veterans, LHS ROTC and Linden Residents will assemble at American Legion, Post 102, at 112 E. Elizabeth Ave.

Monument visit schedule is as follows:

## LINDEN NAMED TREE CITY USA COMMUNITY

The Arbor Day Foundation has announced that Linden, NJ was named a Tree City USA community for its commitment to urban forestry. It is the 9th year Linden has earned this national honor from the Arbor Day Foundation, the nation's largest nonprofit organization dedicated to planting trees.

"We all benefit when communities like Linden place a high priority on planting and caring for trees, one of our nation's most beautiful resources," said John Rosenow, chief executive and founder of the Arbor Day Foundation. "Trees shade our homes and add beauty to our neighborhoods, and they also provide many environmental, economic and social benefits. We applaud Linden's elected officials, volunteers and citizens for providing vital care for its urban forest."

The Tree City USA program is sponsored by the Arbor Day Foundation in cooperation with the National Association of State Foresters and the USDA Forest Service. Linden has met the four standards to become a Tree City USA community. Tree City USA communities must have a tree board or department, a tree-care

ordinance, a community forestry program with annual expenditures of at least \$2 per capita and an Arbor Day observance and proclamation.

Communities that earn Tree City USA recognition not only have taken the time to meet the four standards, they know that trees:

- Promote healthier communities by filtering the air we breathe by removing dust and other particles.
- Moderate climate, conserve water and provide vital habitat for wildlife.
- Reduce the heat island effect in urban areas caused by pavement and buildings.
- Reduce energy use and increase property values.

More information about Tree City USA can be found at [www.arborday.org/frecCityUSA](http://www.arborday.org/frecCityUSA).

### ABOUT THE ARBOR DAY FOUNDATION

The Arbor Day Foundation is a nonprofit, environmental and education organization of more than 1 million members, with a mission to inspire people to plant, nurture, and celebrate trees. More information on the Foundation and its programs can be found at [arborday.org](http://arborday.org).

**EMS 2012 CAMP 911 BOOSTER PROGRAM**

H. Marcelo Adinolfi, Executive Director, Linden Emergency Medical Services, Inc.

All of us at Linden Emergency Medical Services are proud to announce our 7th Annual CAMP 911 that we are sponsoring this summer from July 16th to July 20th. CAMP 911 is a week-long comprehensive program in conjunction with the Linden Fire Department, Linden Police Department and other outside public safety agencies offered to Linden students.

The students will experience life as an EMT, Firefighter and Police Officer. They will participate in CPR and First Aid training, tour a smoke filled house, learn fingerprinting techniques and K-9 unit operations. These students will obtain the necessary knowledge of the public safety agencies in their community as well as learn team building skills and the value of community service and volunteerism. This program is being delivered at NO CHARGE to the students or their parents.

Last year, Linden businesses donated over \$6,000 in financial contributions as well as provided in-kind services - such as transportation and lunches. The camp was a great success and attended by sixty five children. They participated in first aid training and skill sessions, police procedures, safety lectures, and fire safety and equipment demonstrations. In addition, they were introduced to emergency service agencies from Union County. We have also made Safety N.E.T. Kids, (a program designed to promote child safety) a part of Camp 911.

We budgeted that this camp will cost \$6,500

(\$100 per student) for training materials, supplies, lunches, tee-shirts, transportation and staff payroll. Therefore, we are asking for corporate sponsors to offset these costs. We would appreciate any assistance you can offer us as we kick off this valuable opportunity for our local youth. If you have any questions please feel free to contact our office at 908-474-8623.

## LINDEN P.A.L.

Director Daniel Kuczynski

The PAL and the Pop Warner institution are different organizations, but the underlying goal is really the same. We exist to benefit the youth of Linden. Regardless of which organization the kids join, it is important for them to know that Linden supports them. Which is why I am happy that we are able to make this donation and show our support for all the efforts the Pop Warner program puts forth.

## TRINITAS TOUTS LATEST IN ROBOTIC SURGERY

Next Generation da Vinci® Si™ Surgical System Fosters Surgical Teamwork at Trinitas.

Trinitas Regional Medical Center has added the da Vinci Si Surgical System to its already enhanced ability to perform less-invasive surgeries. In Trinitas operating rooms since early 2009, the da Vinci system has been used in general surgery as well as gynecological and urological procedures. In 2011, the first robotic bariatric surgery in New Jersey was performed at Trinitas.

This latest version of the da Vinci Surgical System now puts surgeons' hands at dual controls of a state-of-the-art robotic platform, giving them an alternative to both traditional open surgery and conventional laparoscopy surgical procedures. "We believe that the new features of the da Vinci Si System will help us provide the best possible outcomes and is proof of our commitment to provide our community access to the latest advancements in minimally invasive surgery," explained Gary S. Horan, FACHE, President and Chief Executive Officer at Trinitas Regional Medical Center.

Trinitas OB/GYN physician Dr. David Herzog who uses the system for a number of

procedures, including hysterectomies, notes that the movements of the robotic instruments perfectly mimic the surgeon's hand movements. "The robot has allowed us to perform complex surgeries through tiny incisions which, in the past, would have necessitated large, painful incisions," Dr. Herzog explains. "These tiny incisions make the recovery process quick and comfortable. So in the case of a hysterectomy, this enables my patients to return to work usually within one week, as opposed to eight weeks after the classic incision procedure."

The technology is constantly improving, he adds. "And that translates into excitement for the doctors and great care for the patients."

- First Observance – May 30, 1869 (Arlington, Virginia)
- First State Recognition – New York 1873
- Nationally Recognized – After WW I
- Holiday Symbol – Red Poppy
- Forgotten Traditions – Flags and Parades
- Pending Legislation – Bill # S-189 U.S. Senator Inouye (1999) “To Restore the Traditional Day to May 30th”

As stated by the VFW in 2002:

“The National Holiday Act of 1971 undermined the meaning of Memorial Day merely to create a 3-day weekend.”  
(Celebrated the last Monday in May.)

Americans should remember May 30th as a day to honor those who have fallen in service to our country!
