Northfield Bancorp, Inc. (Nasdaq:NFBK), the holding company for Northfield Bank, was named among the top "Most Trustworthy Companies" in a list compiled for Forbes by Audit Integrity, a Los Angeles-based independent financial analytics firm.

Audit Integrity looks beyond the raw data reported in companies' income statements and balance sheets to more than 100 factors that help it assess the true quality of corporate accounting and management practices.

Using its Accounting & Governance Risk (AGR) rating, Audit Integrity assigns scores based on a company's accounting and management practices to rank companies on trustworthiness.

We are honored to be recognized by Forbes and to be included on the list of most trustworthy companies," stated John Alexander,

## FALL INTO BUSINESS WITH THE LINDEN CHAMBER

After a summer hiatus, the Linden Chamber of Commerce held its first monthly meeting on September 28th at the Linden Public Library. Over two dozen businesses and community leaders attended.

The Linden Chamber of Commerce works to provide support for new and current businesses, advocates site development and promotes a forward thinking and carefully planned business environment in Linden.

Our meetings and seminars are designed for sharing information and experiences. You get the information you need and your job is easier when it is time to make your next business decision.

The Linden Chamber is actively involved in the community. Each fall the Linden Chamber teams up with the Clark Chamber to sponsor an Octoberfest to raise money for the scholarships the chambers give out to graduating seniors at an Annual Awards Dinner. More information on this year's Octoberfest can be found on the back cover of this newspaper.

Representatives from the Linden Government are always in attendance at meetings, which

allows for an open and communicative relationship between business owners and the municipality.

Linden Chamber of Commerce members are automatically members of the Gateway Regional Chamber of Commerce. The Gateway organization facilitates our local chamber along with several other communities. With 1,500 members it is one of the largest business organizations in the state. You are encouraged to get involved at the regional level. The exposure has had proven success for many local businesses.

The Gateway Chamber also maintains a Member Discount Program in which businesses

offer other members savings on produces and services.

Please make an effort to learn about what the Linden Chamber of Commerce is doing and take advantage of the opportunities we offer. Get involved, come to a meeting (you don't have to be a member to attend) or just give us a call if you have any questions.

Meetings take place at 8:30 am, on the fourth Tuesday of every month. Meeting date, time and location always appear in the upper left hand corner of this paper. For more information on joining the chamber and for meeting locations, please contact Helen Durish at the Gateway Chamber office at 908-352-0900.
