LITERACY VOLUNTEERS IS RECRUITING NEW TUTORS AT LINDEN LIBRARY

Literacy Volunteers of Union County (LV-UC) is a non-profit organization that recruits and trains volunteers to work with adults seeking to improve their reading, writing or English conversation skills. New Tutor Training Workshops provide new volunteers with the skills needed to work with adult learners in Union County. The next workshop for new volunteers is scheduled at the Linden Public Library, 31 East Henry Street in Linden on October 15, 22 and November 5. The sessions begin at 9:30 am and conclude at 2:30 pm. Attendance is required at all three sessions to

become a certified tutor.

Through LV-UC's network of volunteer tutors, adult learners in the program have been able to get better jobs and become more productive members of the community. Although our tutors meet at libraries throughout Union County, the greatest need for tutors is in the towns of Elizabeth and Plainfield.

To become a volunteer tutor you must be 18 years old. You do not need prior teaching experience, and no foreign language is required.

To find out more about how literacy changes lives, visit our website, www.lvaunion.org. If

you are interested in registering for the Linden workshop, click on the link in Upcoming Events.

There is a \$40 non-refundable registration fee. Need based scholarships are available to cover this charge. You may also register by calling Susan at 908-755-7998 or emailing susan@lvaunion.org.

AGGRESSIVE ENFORCEMENT DETAIL

Beginning September 12th, 2011, the Linden Police Department will begin aggressively enforcing motor vehicle violations on Route 1&9, a state mandated Safe Corridor. The Safe Corridor Enforcement Detail is being funded through a grant from the NJ Department of Transportation Highway Safety Fund.

"We will be looking for any and all violations, and there will be zero tolerance" stated Linden Police Traffic Commander Michael Babulski. "We are focused on making the roads safer by cutting down on accidents and injuries, and hopefully aggressive enforcement will help us reach that goal."

The Safe Corridor Enforcement Detail will begin on Monday, September 12, 2011, and will include roving patrols. "Our officers will be focusing on all violations, especially ones that distract drivers," said Babulski. "The technology of today is making it all too easy for drivers to get distracted, so driving while texting and talking on the cell phone is a big concern that we plan on addressing."

IDENTITY THEFT

Christopher Zangla from Garden State Community Bank will be at the Linden Library on Wednesday, October 19th, to offer information on protecting your identity. Please join us between 12-3 p.m. for this timely program which may help keep you from being a victim of identity theft. To sign up for the program, or for more information, please call Dennis Purves at 908-298-3830.

LINDEN POLICE INTRODUCE A NEW CRIME MAP

The Linden Police Department recently partnered with BAIR Analytics Inc. to provide a new public crime mapping website called RAIDS Online (www.raidsonline.com) to make it easier for Linden citizens to keep track of crime in their area.

RAIDS Online maps and analyzes crime data, alerts Linden citizens about crimes in their area, and allows the Linden Police Department to quickly alert the public about crimes as they occur. Citizens can easily move between the map, data grid and analytics to learn about the crime that concerns them the most.

BAIR offers RAIDS Online as a free service to any law enforcement agency who wishes to participate. At present, most agencies spend thousands of dollars annually to provide even the most basic crime map to their community. The Linden Police Department is providing this service to the public at absolutely no cost to the department. "We wanted to do something to help law enforcement in these tough economic times. We consider this a basic service that we provide to the public and our law enforcement friends," says company founder, Sean Bair, a former police officer and crime analyst.

Chief Salvatore Bivona, who introduced the Intelligence-Led Policing concept to the Linden Police Department upon his appointment as Chief states, "Our goal is to provide citizens a way to get information about crime in their community so that they can be better informed. Having an awareness of the true nature and volume of crime in one's community is the first step to its prevention and suppression.

Information sharing and increased positive police-citizen interaction foster Community Policing, which is something we strongly believe in."

HOW IT WORKS

RAIDS Online syncs with Linden Police Department's records system to automatically upload crime information and keep it updated on the map, a big plus for community members.

MAPPING FEATURES

RAIDS Online uses Google Maps to display the location and basic information for crimes in any area of interest to the user. RAIDS Online's vibrant colored maps, icons and symbols work together to deliver easy-to-read crime information at all zoom levels, from a national level down to the citizen's neighborhood.

ANALYTIC FEATURES

LINDEN OFFICERS PROMOTED

On September 28, 2011 three veteran officers of the Linden Police Department were promoted into supervisory and command positions to fill current vacancies. Eugene B. Braun, a 37 year veteran was promoted to captain, Andrew J. Bara, a 19 year veteran was promoted to lieutenant, and William Mack, a 13 year veteran was promoted to sergeant. Each officer will continue to serve in the department's Uniformed Services Division. The promotions, which are effective October 1st, took place at the JTG Center before an audience of family, friends, and colleagues.

LINDEN'S NEWEST OFFICERS

On September 7, 2011 three recently laid-off police officers from the Newark Police Department were added to bolster the ranks of the Linden Police Department. The newly-hired officers will be filling vacancies in the Linden department. Because they are already sworn officers, they will be available to hit the streets of Linden in much less time had the department hired personnel from a civil service waiting list, which would have required the new hires to attend a police academy and not be available to serve the residents for close to a year.

EMERGENCY VEHICLE SAFETY AND COURTESY

Submitted by Linden Emergency Medical Services, Andrew T. Caruso, EMT

At Linden EMS, it is our mission to deliver the highest quality of pre-hospital emergency medical care to the residents and visitors of the City of Linden through a unified team effort of caring and highly trained medical professionals. We do this with the highest regard for our own safety and the safety of the community we serve.

In order for us to be as protected as possible, we must rely on everyone to have the same concern and courtesy for others. For example, one of the most dangerous parts of our job, as well as all other emergency service providers, is actually getting to the call for help in a safe and expeditious manner. Unfortunately, motor vehicle collisions remain the most common cause for fatalities among emergency services providers, and are the most preventable.

We rely on other motorists to be attentive to their surroundings at all times; listening for sirens, and watching for emergency lights. Based on the training that all drivers in New Jersey have received in order to possess a valid license to operate a motor vehicle, it is the expectation of emergency vehicle operators that when approaching other vehicles, that they will yield to the right.

This means that if you see a police car, ambulance, fire truck, or any other vehicle sounding its siren with any kind of flashing red, blue, white, or amber lights behind you that you should immediately look for a safe place to move to your right and come to a stop until all emergency vehicles have passed. You should be especially attentive to ensure that the ambulance

or other emergency vehicle that passes is the only one coming.

At times, you may notice several vehicles traveling in the same direction to get to the same call for help, or to get a critically sick or injured patient to the hospital.

Some examples of this would be if you or a loved one were experiencing some type of life-threatening emergency such as a heart attack, stroke, seizure, etc. Often not only will Linden EMS respond in an ambulance with emergency medical technicians, but a mobile intensive care unit (MICU) with paramedics from one of the area hospitals will respond as well.

You might also be surprised to find that depending on the type of emergency, a fire engine and a police car may be at the same address for a medical emergency. In this case, it is important that you give as much space as possible for all of these vehicles and personnel to perform their duties.

Once it is time to leave for the hospital, it is most likely that only the ambulance, or the ambulance and the MICU will actually go to the hospital, leaving the police and fire department units available for other emergencies.

While we understand that you might want to follow directly behind the ambulance to the hospital to be close to your loved one, we ask that you do not. If needed, we will provide you with written directions to the hospital we are transporting to so that you can get there safely. We may be using our lights and siren to go through intersections controlled with traffic

signals, and following closely behind us poses a very large danger to you and other motorists.

It is unlikely that your traveling to the hospital obeying all traffic laws will get you there any more than a few minutes behind the ambulance. In this time, you would most likely be asked to wait for the patient to be moved to the hospital bed and be given a preliminary check by the medical team in the emergency department.

You should also be aware that when you are driving and approaching stationary vehicles, that a similar courtesy is not only expected, but is the law. More specifically, NJ 39:4-92.2, The "Move Over Law" has been enacted.

The law, which can be reviewed at www.moveoverlaw.com, requires motorists to "reduce their speed and change lanes when approaching authorized vehicles that are displaying flashing lights.

Vehicles included in the list are police, fire and medical services as well as highway maintenance, tow trucks and official motorist aid vehicles when they display flashing lights. This includes situations where motorists must move over to give officers conducting traffic stops or tow truck drivers assisting broken-down motorists additional room to maneuver safely on foot near the shoulders of the road. Violators of this important law can be fined up to \$500.

We look forward to serving the community and aiding you in the time of your emergency and hope that while we may not be responding to your home, that you will assist us in arriving safely at all calls for help.

LINWOOD INN KEEPS OLD TRADITIONS WITH NEW TWISTS

The Linwood Inn has been a landmark since it was built in the 1890's. The rustic look and feel of the old hotel hasn't changed nor did the personal friendly service that generations of customers have been accustomed to. It is still family owned and operated and is still inviting to parents and children as well.

Owner John Nashimka took over the business in 1992. His step-dad Joe Gulino opened Yosh's Linwood Inn in 1971 and operated the popular bar/restaurant with John's mom Barbara, who passed away in 1990. John, with wife Lori, continues to run Linwood much like his parents did but has added upgrades along the way.

John's brother Joe was his partner from 1992 till 1997. He left to work with his wife Deanna. Their company, Gem Limousine World Wide, is now the third largest Limo Company on the East Coast.

One noticeable difference at the Linwood is the 27 L.E.D. T.V.s. all measuring between 42" to 55". The Linwood has been a mecca for sports fans. More important than the hi-tech

entertainment is the upgrade in food.

Linwood has always been known for their fresh clam bar and noshes. It is also a place to sample 19 different choices of Domestic, Imported and Craft Beers. John has added to the traditional menu of meat and potatoes and included specialty dishes. The specials menu is constantly changing so regulars are never bored.

In 2006 The Star Ledger's "Munch Mobile" deemed The Linwood Inn to have the "Best Burger" in New Jersey. John says that since that award the restaurant has become as popular for its pizza as it is for its burgers.

Many patrons of The Linwood who were taken there for the first time by their parents are now taking their children. John would like to invite anyone who hasn't been by to come and start their own family tradition.

SEPTEMBER TO REMEMBER

Once again Linden held a September to Remember Street Festival, on Saturday September 3rd. The Festival included a classic car and motorcycle show; four eating contests – pie, pizza, hot dog & donut; live blues music by the Dave Fields Band and Running Dog Band were presented on the promenade stage; Chuck Leonard DJing was in front of City Hall; dozens of vendors were on hand selling food and offering games; kids' activities included face painting, a bounce house and a rock climbing wall. It was truly a September to remember.

JOMAN AUTO BODY MOVES TO NEW LOCATION

On August 1, 2011, Ricardo Da Cruz moved his Linden business, Joman Auto Body, from 998 West St. Georges Avenue to 1420 East Elizabeth Avenue. The business was started twenty three years ago by Ricardo's father John Da Cruz and his Uncle Manny.

Ricardo took charge of the business in 2008 and has continually made improvements to his service and include high tech equipment. The move substantially increased his garage space. The 6,000 sq. ft. facility gives him more work space and more room for storage. It also allows him to keep cars and trucks in for repair indoors over night, which is much more secure than

shops that leave cars exposed outdoors.

One of the newest upgrades in the shop are tire mounters and balancers which enables mechanics to work on "low profile tires."

The high tech diagnostic equipment is what makes Joman unique. Few repair shops have the computer technology. Owners of Audi, BMW/Mini, Honda/Acura, and Volkswagen would usually have to go to a dealership, Joman has the specific scan tools and software needed to service these vehicles.

The state-of-the-art technology compliments the old world tradition that Ricardo continues to deliver which is the same type of personal service his father and uncle delivered.

POLICE DEPARTMENT SPONSORS FOOD DRIVE

The Linden PBA Local 42 and the Linden Supervisor's Officer's Association is sponsoring a food drive to assist Linden food pantries. The Linden Police Department is accepting non-perishable food including items for upcoming holidays such as bagged or boxed stuffing mixes and canned cranberry sauce, yams, hams, potatoes, etc. Other items always on the list include peanut butter, jelly, baby formula, baby and adult cereal, canned fruit and vegetables, mashed potato mixes, beans, Jell-O, pudding, pasta and sauces, for example.

All food should be in a bag, box or plastic and must be unbreakable. Anyone wishing to donate may drop items off to the Linden Police Department desk. LPD hopes to continue hosting food drives on a yearly basis. "One only has to open the newspaper or listen to the news to be made aware that some of our neighbors and families are having a hard time making ends meet and could use our help so we decided to get involved to try to make a difference. Inviting the community to participate in this project makes our efforts all the more effective and meaningful", said Det. Joseph Birch, president of Linden PBA Local #42.

There currently are 6 Linden-based organizations and/or churches that the Police Department is helping to supply food items.

Anyone knowing any other organization supporting a food pantry that helps Linden residents may call Laura Daniels in the Records Bureau at 908-474-8524 between the hours of 1 and 4 p.m. Thursday or Friday so they may be added to the police department's food drive list.

PAL HOSTS BATTLE OF THE BADGES

The Linden Police Athletic League held its third installment of the Wanda A. Green "Battle of the Badges" flag football game on September 17th. This year was especially meaningful, being that it has been 10 years since the attacks of September 11th, 2001. The PAL remembered those lost, celebrate family, and bring together a

community through an evening full of family-safe entertainment at the PAL's Ed Flanagan Baseball Field on Stiles Street, next to Memorial Park in Linden.

This year's event included food, musical entertainment, kids' activities, and, of course, the flag-football game between the Linden police and fire departments.

"It is an event that has many levels," PAL Director Officer Daniel Kuczynski said. "It is about coming together as a community and remembering. It is about remembering September 11th and those who were lost like Linden's Wanda Green, who was a courageous flight attendant on Flight 93."

This year's event also marked a remembrance for Shawn Mack, who was tragically taken away after being struck by a vehicle on September 11th of last year.

"Tragedy can come on many scales," Kuczynski added. "It has the power to tear apart, but we are trying to come together to support those in our city. It is important that they realize they aren't alone. The PAL cares. The Linden Police and Fire Departments care. Linden cares."

Supports our neighbors, community and business partners.

KIWANIS CLUB HONORS MARYANN R. DORIN

Maryann R. Dorin

The Kiwanis Club of Linden is proud to honor their member, Maryann R. Dorin, at a special dinner dance on October 27, 2011, at the Forge Restaurant in Woodbridge, NJ. If interested in attending, kindly contact Chester Lobrow at (908) 925-3797 for ticket information.

Maryann represents the very essence of the City of Linden and what it is about. She has lived in and for Linden! Linden is a community that is involved with its people, and Maryann has been a person involved with her community.

Maryann O'Boyle moved from Pennsylvania in 1957 with her family. Her first job was at General Motors, where her father worked as a foreman. Later she worked for RCA International in Clark, NJ until her marriage to George Dorin in 1964, when they took up residence on Fernwood Terrace.

Maryann's activities began with her involvement in the PTA at School #10 where her two daughters, Carolyn and Cathy, attended school. School issues became a primary element to her life and, thus, an activist was born. This activism took her to elected office, when, in 1977, she ran for the Board of Education, got elected, and became the President. She was elected as Vice President to the Union County

School Board Association. She later returned to the Board in 1998 when a vacancy occurred and served until 2006. Maryann was a part of the racial balancing plan, expansion of two schools, and the Linden High School Science & Technology building, as well as a new administration building.

Maryann worked full time as the executive secretary to the President of Haarmann & Reimer, a flavor and fragrance firm owned by Bayer Corporation. For 18 years she was the right hand that helped run a company that grew from a \$30 million firm to a \$300 million firm by the time she retired in 2000.

During this period of time, Maryann served as President of the New Jersey Business & Professional Women's organization; was a member of Linden's Rent Leveling Board, Cultural & Heritage Committee, ConocoPhillips Community Advisory Panel (CAP), and served as secretary to the Environmental Committee. She ran for the office of Union County Freeholder twice and served as President of the 10th Ward Democratic Club.

In 2006 Maryann was selected by the Linden City Council to fill the vacancy for the 10th Ward council seat. Her position there placed her on the Fire Committee and Shade Tree Commission. Her business acumen was an asset to the functions of dealing with the city budget and overseeing changes in personnel.

Maryann was honored as Woman of the Year in 1979 by the Linden Jaycees; she was given Life Membership in NJ PTA by School #10 in 1979; and honored as Woman of the Year in

1980 by Linden Business & Professional Women's Club. Maryann was honored by School #10 again in 1999. In 2008 the Linden Chamber of Commerce honored her as their Citizen of the year, and she was selected by the Mayor in 2009 to be the Citizen to start the Holiday Season for the City of Linden by the lighting of the tree.

She has served as President of the Linden Kiwanis Club, member of the Linden Athletic Hall of Fame Committee, and Chairperson of the George Dorin ROTC Scholarship Committee over the last several years.

Back in 2005 Maryann Dorin, then secretary of our club, supported elementary School #1 with their project to assist Thai tsunami victims. Operation Teddy Bear – moving 3,000 teddy bears halfway around the world.

Maryann is the widow of George Dorin, an Ex-Prisoner of War from the Battle of the Bulge campaign in WWII, mother to Carolyn Dorin-Ballard, a member of the United States Bowling Hall of Fame and Linden Athletic Hall of Fame, Cathy Dorin-Lizzi, also a member of the Linden Athletic Hall of Fame. She is grandmother to Alyssa Ballard and Olivia Lizzi.

Maryann is employed part-time by Villani Bus Company and is an accomplished musician, playing piano, organ, and accordion. In her spare time she can be found handling fundraisers for school and civic endeavors.

Maryann truly represents the very essence of the City of Linden. Her impact in our community will reign forever. Thank you Maryann and congratulations!

DIAMOND GLOVES BOXING NIGHT SET IN LINDEN - OCTOBER 14

Linden Boxing Association President, Alfred A. Volpe, has announced that the "only fight night in Linden this year" will be held on October 14, 2011 when the Linden Boxing Association, in conjunction with the Linden Public Property and Community Services Department presents the 78th Annual New Jersey State Finals of the Diamond Gloves Boxing Tournament.

The full night of championship boxing entertainment is being sponsored by Conoco Phillips Bayway Refinery and will be held at the Linden High School Gymnasium, located at 121 W. St. Georges Ave. The first fight is scheduled

to begin at 8:00pm. Tickets can be purchased at the door for \$10.00 each. Doors open at 7:30pm.

According to Linden Boxing Association Secretary/Treasurer Gary Luciano, "This is the twelfth consecutive year that we are hosting the Diamond Glove Tournament State Finals here in Linden and also the twelfth consecutive year that our friends from the Conoco Phillips Bayway Refinery are sponsoring the event. Without their sponsorship we wouldn't be able to have this successful night of amateur boxing that annually supports a varied amount of programs for our city's youth."

This year, the Linden Boxing Association will

be honoring the Dattilo's, John and Sons, Dennis, Robert and Jeff, the owners of Bayway Lumber Inc. for their exceptional commitment to the sport of boxing and the youth of Linden. The Dattilo's have been intimately involved with Diamond Glove Boxing in Linden since it's inception in the year 2000. During this time, the Linden Boxing Association has donated in excess of \$370,000.00 to Linden Recreation supported youth programs and has sponsored scholarships annually to graduating Linden High School students. Without the support from people like the Dattilo's, this could not have been accomplished.

Expecting to be in attendance at this year's championship bouts are Bobby Czyz, Former World Light Heavyweight and Cruiserweight Champion; Emile Griffith, former World Welterweight, Junior Middleweight and Middleweight Champion; Chuck Wepner, former heavyweight contender, Lou Duva, the Hall of Fame Boxing Trainer and Manager who has handled some of the greatest fighters in the world including 19 World Champions and Tomasz Adamek who will shortly be fighting for the Heavyweight World Championship of the World.

Tickets can also be purchased at the Community Center Building, 605 S. Wood Ave., Linden until October 13th. Don't forget your autograph books. For further information on the Diamond Glove Finals, please call the Linden Department of Public Property and Community Services at 908-474-8600.

NEW HOPE PET RESCUE DEDICATED TO ANIMAL RESCUE

For more information, email NewHopePetRescue@aol.com.

The New Hope Pet Rescue is a newly formed rescue in the Union County area of New Jersey that was created to fill a need for helping to place animals who found themselves abandoned in high kill local shelters either by virtue of arriving as strays or because of being turned in by their former owners. These shelters they find themselves in have a higher kill rate due to lack of space.

These are all great animals very deserving of great homes. Our rescue was created through the desire to save more lives that all our members have. We all have a passion to save animals as well as a commitment to ensure great futures for all our animals we rescue.

HOW YOU CAN HELP:

VOLUNTEERING--

We need volunteers. We have so many different opportunities for pet lovers of all ages to volunteer, including being a foster home. We have a list of so many ways you can help the rescue including tasks that can be done right at home.

FOSTERING --

You can foster a dog or cat for a period of time (anywhere from 1 week to a few months). You take care of them and give them the extra time they need until they find a home of their own. Many animals are very adoptable but are in high-kill shelters where they only have 3 days to find a home. Most just need more time to find their new family. Serving as a foster home for a displaced pet is a very rewarding experience; knowint that YOU were the reason they are still alive, and that you were part of their journey to

find their forever home.

BRINGING ANIMALS TO THE VET--

When we rescue dogs and cats they need either updated shots or to be spayed or neutered. If you can help, you would pick up and drop off the animal at the vets office and get them there safely. This is a task that could help us greatly. If you have some extra time to spare one day we can make a vet appointment to fit your schedule.

BY ADOPTING --

For pets near you, check out: www.petfinder.com or www.adoptapet.com or www.dogsindanger.com Don't buy while others die. You're new best friend is closer than you realize.

HELPING GET US "OUT THERE" --

We are always trying to spread the animal rescue message. As well as how important fixing your animals is. We are always trying to make a presence and have everyone remember to adopt versus purchase a dog. We need help calling around to get exposure. Whether it is the paper, fliers, anything.

FUNDRAISING --

We are always looking for people to help with brainstorming, coordinating/planning and volunteering at fundraising events.

MAKING DONATIONS--

Please make your check payable to "New Hope Pet Rescue". Our mailing address is:

P.O. Box 892
