NORTH PLAINFIELD CELEBRATES 'NATIONAL NIGHT OUT'

On August 7, North Plainfield held its annual National Night Out and Public Safety Vehicle Expo. The North Plainfield PBA donated the funds for a barbeque for everyone who attended. Local police and fire vehicles were

on display, along with some special guest vehicles – like a massive armored truck from the Somerset County SWAT team! It was an enjoyable night for everyone who attended, and also a promotion of public safety in the community.

ROTARY CLUB WELCOMES HONORARY MEMBER

Submitted by Michael Townley

The Rotary Club of Plainfield-North Plainfield honored one of North Plainfield's teachers at their annual dinner meeting in June.

Alexandra Pereira, Spanish teacher at the Middle School and adviser to the Interact Club, was named an Honorary Member for her service to Interact and to the Rotary Club.

"The Interact Club is the premier club for students at North Plainfield High School and Middle School," said Dr. Marilyn Birnbaum, Rotary club president and superintendent of schools. "Alex has guided the club to new levels of participation in community service and service to our Rotary club. We presented her with the Certificate of Membership and a Rotary pin as our way of expressing our appreciation for Alex and for all that she has done."

The Interact Club has co-sponsored two blood drives each year with the American Red Cross, bringing students, faculty and residents together to help others. The Club also collects food for the needy, participates in Clean Ocean's Beach Sweep at Sandy Hook each year, and works concessions at Rutgers basketball games to help the Rotary Club raise money for scholarships.

"We appreciate the students' hard work at our Rutgers fundraisers every year," said Dr. Birnbaum. "We would not be able to raise the money that we do without their help. Alex Pereira has been instrumental in getting fourteen to fifteen Interact Club members to each of the games that we work."

The Rotary Club meets every Wednesday at 12:15 PM at Giovanna's Restaurant in Plainfield. Anyone interested in serving the community is welcome to attend a luncheon meeting as guest of the Club to learn more about their service opportunities.

More information is available from the Club's website at www.RotaryPNP.org or by phone at 908-822-1441.

NORTH PLAINFIELD WELCOMES FOREIGN STUDENTS

By Marie Burke

In July, North Plainfield welcomed twelve international students to town. The teens, who arrived on July 9th and stayed for three weeks, came to us from Italy, Spain, France, and Belgium. Families from North Plainfield and surrounding towns played host by providing

them with room and board and a warm American welcome!

The students were sponsored by Academic Adventures in America, a non-profit agency headquartered in Summit. Our students were part of a larger group of fifty who were hosted

by families in Summit, Short Hills and Milburn.

The teens had a demanding schedule which included four days of touring various points of interest in New York City. They spent a long weekend in Philadelphia, Baltimore's Inner Harbor and Washington, D.C., where they visited the White House and many national monuments. Saint Joseph's Parish House kindly allowed us to use their conference room for six mornings of instruction in conversational English and American culture.

As part of their experience in North Plainfield, Gerard Stephenson, principal of NPHS, took the students on a tour of the classrooms and the gym. The French students noted that their schools did not have lockers and were very impressed that the cheerleaders were practicing during the summer months. The students also received a tour of the Police Department and Fire Department. When at the firehouse, they especially enjoyed the demonstration of the 75 foot hook and ladder and the fireman who climbed it.

All the families involved found the experience to be a rewarding adventure. Some have hosted in the past and enjoyed it so much that they were happy to make it a yearly experience. Sandi Helck, who hosted three students, reflected that she probably got as much out of the visit as she hopes the students did.

The whole experience was a positive one, with friendships growing among children of various nations and their American host families. Many invitations were extended to host families to continue these new relationships by visiting the students in Europe.

(above) Marie Burke (left) served as teacher and Sandi Helck (right) coordinated activities for the students who came to North Plainfield from France, Italy, Belgium, and Spain.

POLICE CORNER

Submitted by William Parenti Police Chief

North Plainfield Police Chief William Parenti is happy to report that the borough's National Night Out and Public Safety Expo, held on August 7th, was a complete success. Several vehicles from the police fleet were on display as were fire trucks from the North Plainfield Fire Department. Safeguard Document Shredding of Manalapan, New Jersey also donated the use of a document shredding truck for the event; it allowed borough residents to safely destroy financial records. An estimated 400 people attended and were able to meet members of the police and fire departments while the North Plainfield Policeman's Benevolent Association donated the funding for a barbeque.

The STEP (Summer Teen Evening Program) concluded its 13th successful season with a barbeque/picnic at Green Acres Park on August 16. The program provides a safe place for borough teens to congregate, hang out and talk or participate in pick-up basketball games. Approximately 45 teens attended each session.

Chief Parenti also advises all motorists that the Police Department will be participating in a national campaign known as Drive Sober or Get Pulled Over. This is a national program to augment patrols targeting intoxicated drivers during Labor Day weekend. On a related note the Chief reminds all borough residents school opens on September 5th. Motorists should drive with extra care as students become reacquainted with designated walking routes to the borough's schools. Parents are reminded to see that children adhere to the district's recommended walking routes.

A MESSAGE FROM THE FIRE CHIEF

Submitted by William F. Eaton, Fire Chief

With the summer months cruising along, I just wanted to take this opportunity to remind our community that September 11th will be quickly upon us. On that day, the Police and Fire Department will collectively participate in a silent procession down Somerset Street, which terminates at the corner of Somerset St. and Lincoln Place.

This is in remembrance of the all those who lost their lives that day, eleven years ago. A moment of silence will be observed at 8:46 a.m. in front of the North Plainfield Fire Dept. memorial bell, which is the exact time that day when the first hijacked plane crashed into the World Trade Center. All members of the community are welcome to please come out.
