## KELLY POST AUXILIARY CELEBRATES 80TH ANNIVERSARY

The Ladies Auxiliary of the Michael A. Kelly Post 2433, Veterans of Foreign Wars of Union, is celebrating its 80th year of service and support.

It is a member of the National VFW Ladies Auxiliary which was organized in 1914 to support the work of the National VFW. With goals of helping and honoring American veterans and their families through aid, counsel and cooperative programs, the auxiliary was well positioned to respond to the needs of returning WWI vets. Today it has about 550,000 members nationwide and continues to be a major force in veterans' activities.

The Kelly Ladies organized in September of 1932 under the guidance of Sallie E. Quinlan, with Helen M. Murphy as its first president. Her strong leadership was recognized when in 1939 she became the Department of New Jersey's President and in 1948 the National President. Since the Union auxiliary's founding, 56 ladies have served as president, some with multiple terms. Of those now living, 14 remain active in the organization.

President Nettie Urban said that the ladies continue to carry out the original goals. They take great pride in supporting civic and post programs with excellent attendance and participation. A strong spirit of patriotism permeates all their activities, and service to hospitalized vets is one of the highlights.

In congratulating the Auxiliary, which celebrated the anniversary with

a Birthday Luncheon at the Suburban Golf Club, Post Commander Leo Graf said the work and support of the Auxiliary was vital in the life of the Post. He emphasized that their attendance and participation is second to none.

## WEST NILE VIRUS ADVISORY

In response to a report from the State Public Health Laboratory of a sample of mosquitoes that tested positive for West Nile Virus, Township of Union Mayor Joseph Florio and Board of Health President Jackie Carter, want to assure residents that mosquito control activity in the Township is being monitored on a regular basis by our Health Department staff and the Union County Bureau of Mosquito Control. They added that the County Mosquito Control Program has been advised of all known mosquito-breeding areas in the Township for both larvacide and adult mosquito treatment. Only direct ground spray application will be performed between 7:00 PM and 12:00AM. The material being used is safe and has a maximum target drift span of 150 feet.

The Health Department also is distributing educational materials on the West Nile Virus (WNV) including what individuals can do to reduce the risk of being bitten by a mosquito. The Mayor and Board of Health President also noted that residents could access further information on the WNV Public Health

Advisory by contacting the Health Department WEB site ([www.uniontownship.com](http://www.uniontownship.com)) or by calling 908-851-8507.

To reduce exposure to mosquitos residents need to take the following control measures:

- Eliminate local sources of stagnant or standing water where mosquitoes breed, e.g., clogged rain gutters, neglected backyard swimming pools, old tires, empty buckets, birdbaths, drains, wheelbarrows, flowerpots, etc. and to change their pet's water dish daily.

NOTE: Rain gutters need to be physically inspected to see if debris is being collected that would restrict water flow and create a mosquito-breeding source. Recent news articles reported that all positive cases cited last year revealed mosquito-breeding areas on the properties of the affected parties.

- When outdoors, to wear clothing that covers the skin, such as, shoes, socks, long-sleeved shirts and pants. Also, mosquito repellants should be applied to clothing and exposed skin areas with recommended insect repellent products (follow instructions for age appropriate products!)
- Curb outside activity at dawn, dusk and during the evening and avoid mosquito habitats, including areas with heavy underbrush.
- Repair holes in screens on doors and windows.
- Fill ornamental pools with mosquito-eating fish.
- Drain flat roofs that pool water on a regular basis.
- Fill holes in trees and stumps with suitable material.

## NEW HOPE PET RESCUE IS LOOKING FOR VOLUNTEERS

New Hope Pet Rescue has so many different ways to volunteer, including being a foster family. We have volunteer opportunities for all ages! We have a list of so many ways you can help the rescue including tasks that can be done right at home. Please email [NewHopePetRescue@aol.com](mailto:NewHopePetRescue@aol.com) for more info.

### WHO WE ARE

We are a smaller, rescue group that focuses on animals in local pounds/shelters. These are the animals that need the most help. We rescue dogs from local pounds where they have no room and euthanize them due to space. Most of the animals wind up impounded from no fault of their own. Maybe they grew to be too big, maybe the owners lost their home, or just plain simple they are not wanted anymore. Financial issues are always a reason. But whatever the reason might be, for us they are worth a second chance to find great homes. Our rescue was created through the desire to save more lives right here in our neighborhood. We all have a passion to save animals as well as a commitment to ensure great futures for all the animals we rescue.

Fostering is the most rewarding of all volunteer opportunities. You get to have the love and companionship without a long-time commitment. You can take a dog into your home for a period ranging from one week to a few months. You take care of them and give them the extra time they need until they find a home of their own. Many animals are very adoptable but are in high-kill shelters where they only have 3-7 days to find a home. Most just need more time to find their new family. This is a very good experience for somebody who has the room in their home and in their heart but not sure yet of taking that final step of adopting. It is an unbelievable feeling to know you were the reason they are alive, you were part of their journey to find their forever home. And we provide the food, the vetting, the toys and beds, even crates where necessary, you only provide the love. And all these dogs show so much affection to reward you in so many ways

### YOU CAN ALSO HELP BY:

Bringing animals to the vet - We currently use two different vets. When we rescue dogs they need either updated shots or to be fixed. If you can help, you would pick up and drop off the animal at the vets. This is a task that could help us greatly. If you have some extra time to spare one day, we can make a vet appointment to fit your schedule.

Helping get us "out there" - We are always

trying to spread the animal rescue message. As well as how important fixing your animals is. We are always trying to make a presence and have everyone remember to adopt versus purchase a dog. We need help calling around to get exposure. Whether it is the local newspaper, fliers, anything.

Supply Drive - We collect old blankets, towels, sheets; small, medium & large dog collars, leashes; carriers/crates; dog food; dog

beds; and monetary donations for vet bills (spay/neuter).

Fundraising - We are always looking for people to help with events and even plan them.

Thousands of animals are saved each month by a network of rescuers who work together. But many more are still dying unnecessarily.

Please join us and help make a HUGE difference! For more information, email [NewHopePetRescue@aol.com](mailto:NewHopePetRescue@aol.com).

# IS THE CALDWELL PARSONAGE HAUNTED?

*Come see the evidence for yourself and find out!*

**On Saturday, October 27, 2012,  
at 5 and 6:15 p.m.,  
members of New Jersey Paranormal  
will present the results of the  
paranormal investigation they  
conducted  
on the evening of June 30, 2012,  
at the Parsonage,  
909 Caldwell Avenue, Union.**

To purchase tickets at \$10 each, please call the Union Township Historical Society (UTHS) at 908-687-7977. Leave a message, including your phone number, and your call will be returned promptly. (All proceeds will benefit the Parsonage, which is listed on the National and State Registers of Historic Places.)

During each hour-long session, the New Jersey Paranormal staff will:

- Explain how a paranormal investigation is conducted,
- Demonstrate some of the equipment used during an investigation,
- Show video evidence from the Parsonage investigation and their other investigations,
- Lead a tour through the building, during which visitors will be allowed to take pictures with their own digital cameras or cell phones to potentially capture any orbs,
- Conduct mock evp (electronic voice phenomena) sessions, during which visitors may use their own recording devices or record the sessions on their phones.

By the end of the hour, you'll be able to decide for yourself if the Parsonage is haunted or not.

To find out more about New Jersey Paranormal, please visit the website [www.newjerseyparanormal.com](http://www.newjerseyparanormal.com) or search them on Facebook (New Jersey Paranormal).

For additional information about the Parsonage, the history of Union, or the UTHS, go to [www.unionhistory.org](http://www.unionhistory.org) or [www.uniontwphistoricalsociety.webs.com](http://www.uniontwphistoricalsociety.webs.com)

**On Saturday, October 20 (11a.m. to 5p.m.)  
and Sunday, October 21 (1p.m. to 4p.m.),  
the Caldwell Parsonage will serve as  
one of the historic sites participating  
in Union County's Annual  
Four Centuries in a Weekend.**

Docents will offer on-going tours of the house and barn, including new exhibits in both buildings; reenactors will make presentations on the grounds; and souvenirs and refreshments will be available. Admission is free.

For more information, please call  
Barbara La Mort at 908-687-0048.

**On Sunday, September 30, 2012,  
members of the UTHS  
will hike one-quarter (3 miles)  
of the Victory Trail -  
a colonial history walking tour -  
and will complete the Trail  
on three subsequent Sundays.**

The hikers will approximate the route from Elizabethtown, New Jersey, that was followed by British forces set on attacking George Washington and his men in Morristown, during the American Revolution. The Trail commemorates the success of the local militia and the Continental Army in preventing the Redcoats and Hessians from reaching their goal with such victories as the Battle of Connecticut Farms (now Union) and the Battle of Springfield. (The historic urban trail was reinaugurated on November 12, 2011, by the Patriots' Path Council of the Boy Scouts of America, who completed the entire 12-mile trek in a single day.) Non-members are invited to participate in any or all of the UTHS walks. Please call the headquarters at 908-687-7977 for more information.

## LOCAL SINGER MOVING UP ON THE CHARTS

It's never too late to live your dream as vocal artist Leah Kamiya of Roselle Park is discovering. Leah's recent release of "Because the Night" has been climbing steadily in the last month on the FMQB National AC chart. It entered the chart at #145 and, as of mid-August, it is now #25. FMQB airplay tracking is of great use to artists/labels because: It tracks commercial radio (as opposed to non-commercial/college radio.) It includes small to medium radio stations (an essential pulse of America's radio markets).

Leah takes this Bruce Springsteen/Patti Smith hit to a whole new creative level with her lilting, acoustic version of this well-known song. Raised on an inspiring dose of Pat Benatar,

Natalie Merchant, Madonna and Shakira, the Japan-born, Jersey-bred singer and performer discovered her calling early, at age 13 to be exact, when she set foot in a Tokyo studio to record tracks for TDK Electronics, where her grandfather was vice president at the time.

Arranged and produced by Joe Kurasz on the Ren Music record label, Leah's version of "Because the Night" was recorded at the New Jersey Center for Media Arts in Linden. Her video can be seen on [www.njcfma.com](http://www.njcfma.com).

Wanting to touch people through music, Leah has worked hard to develop her talents in multiple styles of dance and voice. Only recently has she been able to turn her dreams into reality with this recording and video.

## NORTHERN NEW JERSEY'S MOST INTIMATE COFFEEHOUSE

The SALEM ROADHOUSE CAFÉ proudly presents a multiple performance show on Saturday, October, 13 2012. Doors open 7:00 p.m. The music starts at 7:30 p.m. Admission is \$15.00/\$10.00 students with ID.

Starting things off will be Melinda Davis with her own compositions. Melinda has performed at the Roadhouse several times in the past and has always gained acclaim from the audiences. Her songs are about life, love, and the world, in her own perspective. Her guitar playing is straight forward, melodic, and precise. Together with powerful vocals that blend and at times lead her tunes, Melinda is a treat to hear and see.

New Tricks follows, with a set of rock tunes played with energy and finesse, a dynamic musical performance with some new and different twists to familiar classics. New Tricks has also performed at the Roadhouse many times before to enthusiastic audiences.

Following New Tricks, Mike Zuko And Friends will perform a set of Mikes original rock and pop tunes, with clever, heart-felt lyrics and fascinating musicianship. Mike's band has graced the stage at the Roadhouse every year as well.

Mike Zuko, together with New Tricks and Melinda Davis, have delighted audiences since the Roadhouse began presenting musical shows four years ago in 2008. Their performances have always been solid crowd pleasers.

If this weren't enough, there may be a fourth set of music with Mike and Friends joined by some very special, well-known musical artists, all together on stage playing some new, original

tunes written by each of them, plus some classics, played in a unique style that is unforgettable.

Original Encaustic Art Work by Francesca Azzara will be on display at the Roadhouse Fine Arts Gallery.

Plan now for an evening of great music in Northern New Jersey's Most Intimate Coffeehouse™.

Tickets are on sale online at: <http://www.ticketleap.com/events/?q=salem+roadhouse+cafe>. Look for the "New Tricks/Zuko Show". Follow the links to the ticket purchase section. Advance ticket purchase is strongly recommended.

### About Salem Roadhouse Café

You wouldn't think that a coffeehouse tucked away in a church basement would become the local hotbed of musical talent, but that's just what has happened with the SALEM ROADHOUSE CAFÉ over the past five years. Musicians simply love the place, and when musicians love a place they play their hearts out for the audience. It's a coffeehouse; not a bar. The Roadhouse serves coffee and tea, and a selection of hot and cold snacks and desserts all included in the admission. The audience and the performers are within touching distance of each other — it's a very intimate musical experience, and it brings out the best in the performers. The sound system and professional stage lighting ensure an enjoyable experience.

And there's art. The Roadhouse presents original art work on display and available for purchase in the ROADHOUSE FINE ARTS

GALLERY. Show proceeds always benefit a selection of local charities. The charity this year is the Eastern Union County YWCA's Domestic Violence Program. See the Roadhouse on Union TV Channel 34's "Union After Dark" music series.

# Trinitas Leads the Nation in Creating Educational Environments That Support Nursing Excellence!

**T**rinitas Regional Medical Center is the first healthcare institution in the nation to receive not one but two Center of Excellence designations from the National League for Nursing, the pre-eminent organization in the country for promoting quality nursing standards and initiatives.

The Trinitas School of Nursing is a repeat recipient of the NLN's Center of Excellence designation in the category of "Creating Environments that Enhance Student Learning and Professional Development." This honor was followed just recently by another accolade, Center of Excellence recognition of Trinitas in the category of "Creating Workplace Environments that Promote Academic Progression of Nurses." Trinitas is one of three hospitals in the United States to attain this second honor, which recognizes our significant achievements in providing nursing staff with opportunities for academic advancement, enabling nurses to use their new knowledge to improve patient care and outcomes.

This dual honor means that Trinitas nurses – both those in basic nursing education as well as those established in their careers – can benefit from programs that have been recognized as the best in the field. And that is very good news for our patients!

Proud graduates of the Trinitas School of Nursing, Class of May 2012, join a long line of expertly educated nurses going back to 1891.
