## PLAY BALL! OPENING DAY FOR WATCHUNG'S LITTLE LEAGUE

The Watchung Little League celebrated their 2013 Opening Day with a parade around Watchung Lake on Saturday, April 13, 2013. This years' parade included all children participating in the Watchung Little League. Participants also included the Watchung Police Department, Fire Department and Rescue Squad. Everyone gathered at Mobus Field at 10:00 am. Then starting at 10:30AM the parade headed towards Stirling Road, circled Watchung Lake, and ended back on Ost Field. Following the parade was the Opening Day Ceremony at Ost Field to honor special guests Mary Mobus, wife of late Mayor Jerry Mobus, and to celebrate the first pitches opening the season. After the first pitches were thrown out, all members of the community were invited to join in several activities and games throughout the day. As always, there was plenty of food and snacks for all. This proved to be a special time to enjoy a game or two while spending time with friends and family!

Watchung's Little League is managed by volunteers. Gratitude, as well as the ongoing need for volunteers for both the Watchung Little League and the Borough of Watchung was highlighted by several speakers during opening ceremonies.

# WATCHUNG HILLS REGIONAL HIGH SCHOOL MILITARY SEARCH BEGINS...

Watchung Hills Regional High School is in search of graduates who serve or have served in the U.S. Military from 1957 to recent years. A group of local parents, Gail Tafaro of Watchung and Bonnie Plotkin and Ronnie Liebowitz of Warren are spearheading this endeavor.

Watchung Hills Regional High School is dedicating a Wall Plaque to honor those who have served our country. A committee has been formed to acknowledge the servicemen and women from our communities. The committee hopes that local residents can help search for those graduates that have served.

New Jersey residents know the extraordinary service that the National Guard has provided our state in recent months and our military services that have served our country at home and abroad. The men and women in uniform selflessly give their time, energies, and too often their lives so that our freedom is protected. After 55 years, the high school will be honoring our past, current and future generations with a ceremony the week of October 28, 2013 at the high school theatre in

recognition of Veterans' Day. The ceremony will include speakers, WHRHS Band, and a dedication of a wall plaque honoring our military. There will also be a "sign in" dedication book that will provide a record of our graduates who served. This book will be a part of the school archives. We want all our graduates who served to be remembered in this book.

If you know of anyone who is such a graduate or you are such a graduate, please log onto whrhs.org and go to the link: Graduates-Military Recognition and sign-in. If you have any questions, please contact Terry MacConnell at WHRHS. Information will be available through the high school website and papers.

We look forward to hearing from the residents of our communities who can help us in our search. More details will be made available about our dedication ceremony as we get closer to the event. Let's all come together and honor our parents, spouses, brothers, sisters, sons, daughters and friends who have so willingly served our country.

We Provide Our Valuable Customers with the Utmost in Professionalism. Honesty, Courtesy and Reliability are the Hallmarks of Our Business.

#### **LUNCH AND LEARN OPPORTUNITY**

Thursday, May 16 - 11:45 pm

Artistic Director of the Discovery Orchestra, George Marriner Maull will walk us through the musical blueprint of "Jupiter, the Bringer of Jollity." Together we will explore the music of Gustav Holst's "The Planets." Holst seemed to consider The Planets a progression of life. Perhaps "Jupiter" represents the "prime" of life, even with the overplayed central melody, which was later arranged to the words of "I vow to thee, my country." The Stravinskyan white-note bustle of the joyous opening bars of Jupiter brings in a feeling of happiness, abundance and even mirth. The high spirits are interrupted by startling brass fanfares in F-sharp major which herald the andante maestoso section, probably one of the most famous aspirational melodies in the world. This song was chosen by Prince William to be played during Princess Diana's funeral because it was one of her favorite hymns from school.

The cost is \$5.00 for attendees 60 and above and \$10.00 for attendees under 60. Advance reservations are required by Tuesday, May 14. A menu choice of boneless chicken breast with country gravy or macaroni and cheese with garden peas is required when you make your reservation.
