## EVERYONE WAS A WINNER AT LIBRARY TRICKY TRAY

Hundreds of officers and friends from across the state turned out for the fifth annual Kenilworth P.B.A. # 135 Motorcycle Run held on Saturday, September 20th. The proceeds will benefit the Valerie Fund in memoriam of 2 year old August "Guzzy" Villanti of Kenilworth who became an un-official member of the Kenilworth PD.

The annual fundraiser raises money for police causes and Kenilworth families who the officers come in contact with during the year.

The first run benefited the "Children's Miracle Network". Hurricane Ivan passed through that morning and the officers still managed to raise \$250.00 with about 18 bikes showing up.

The second run benefited the McElroy Family, a family in town whose wife/mother died suddenly and unexpectedly.

The third run benefited the family of Kenilworth resident "Big Joe" Beviano. Joe passed away unexpectedly in his sleep, leaving his wife and son behind. A 509 college fund was set up for little Joe, who was one at the time.

The fourth run was held for the Concerns of Police Survivors and the New Jersey PBA who raised money for a 77-year-old widow of a Rahway police officer who had to repay a civil judgement to the man she believed killed her husband.

Kenilworth Patrolman Michael Devlin is very proud to see that the run has grown. Said officer Devlin, "All I ever wanted was this event to help out locals in need and we get better and better every year!"

The Kenilworth officers decided on the beneficiary of this year's run when they heard of August, whom they nicknamed "Guzzy" in late April when they met his grandmother Elizabeth "Liz" McCormick who worked in the Kenilworth Diner. Liz and her husband Richard had been raising their grandson almost since birth. At the time Guzzly came into the officer's lives he was in and out of chemotherapy outpatient treatment and had endured numerous surgeries.

His grandmother brought him for a visit to the police station, where he was given a police hat. He didn't take it off referring to it as his "lucky hat". The officers were impressed with his energy "We all kind of adopted him" said patrolman Michael Devlin. When he passed away Captain Scott Philips made phone calls countywide to make sure he had a full police send off including motorcycles and a police procession which led from his funeral mass to his final

resting place in the Hollywood Memorial Park.

Guzzly was diagnosed at birth with Neuroblastoma which is a form of brain cancer that occurs in infants and young children. He succumbed to the disease in July at the age of 2 years and 2 months. His grandmother asked that the proceeds from the Motorcycle Run benefit the Valerie Fund in his name.

The Valerie Fund's mission is to provide support for the comprehensive health care of children with cancer and blood disorders. To learn more about the Valerie Fund please visit [www.thevaleriefund.org](http://www.thevaleriefund.org)

"He was the most lively, energetic little boy you've ever met," said patrolman Michael Devlin. Guzzly was buried with his "blankie," a Barney doll and Sgt. Mark David's "lucky hat". He still lives on in the hearts of the Kenilworth Police Department.

## MEMO FROM THE MAYOR

KCoC • Page 2 • Oct 08

I want to thank all those residents who attended our September 11th ceremonies. The event was well attended and serves to keep the memories of those who died on September 11, 2001 always in our memories. Thanks to Chief Dowd who planned the ceremonies.

The annual Halloween parade will be held on Saturday, October 25, 2008. The parade will leave the Recreation Center at 10 AM and will continue down the Boulevard to Harding School.

Within the next week I will be meeting with the Architectural firm chosen by council to hammer out an agreement. Once that agreement is in place, the firm will begin meeting with the police and the employees at Borough Hall to determine the Borough's needs for the new Public Safety Building and the renovations to Borough Hall. Only after those meetings have taken place will a preliminary proposal for the new building and the renovations at Borough Hall be provided.

Any proposal considered by council will be presented to the public before any final decision is made. Additionally, decisions on the relocation of the recreation center programs will be made well in advance of any disruption at that location so that the programs will continue without interruption.

I hope everyone enjoys the beginning of the fall weather. Please remember that Halloween is on Friday, October 31, 2008 and take extra care when driving.

# Joe Knows Your Home

Home Improvement Tips from Joe Percario. Do You Know Joe?

## CHECK YOUR ROOF BEFORE WINTER ARRIVES

These are all signs of an aged or improperly installed roof, which causes drainage, higher energy bills, and will also lessen the market value of your home.

- Shingles are rotted, accumulating algae or moss
- Soiled & stained roofs may breed pollutants, vegetation fungus & algae
- Missing, cracked & curling roofs may cause structural damage & leaks
- Roofing decay may be caused by poor attic ventilation
- Blistering & peeling paint may be caused by moisture & humidity
- Ceiling has cracked paint, discoloration, rotting, leaks, or peeling in the wallpaper.
- Excess amount of debris or loose roofing granules causing drainage to be blocked
- High home energy costs may be caused by poor roof insulation

If a roof needs to be replaced it should be done before the winter arrives. Winter weather can cause damage to the rest of the house if ice and snow is allowed to pass through.

If it is inevitable that a roof would need replacing it is better to do it sooner than later. This decision would avoid additional damage and be more cost effective since material costs will be rising.

If you are not sure if you need your roof replaced call a roofing contractor for an

evaluation. Some contractors charge for estimates but you can find others that offer free estimates.

There are many options when choosing a roof. It would be impossible for the average homeowner to know all the technical aspects that go into replacing a roof. At the very least, though, the homeowner should be presented with the pros and cons of each option.

Some contractors offer only a small selection of shingles and may suggest a certain brand, not because it is the best for you home or budget, but because it is most profitable for them. The homeowner should know the many different qualities of shingles before making a selection.

Home owners should have the type of roofing material chosen written on the contract. The shingle packaging should be available and easily checked against the brand that is on the contract.

What You Want your roof to be Constructed of

The following should also be part of every quality roof replacement.

- A leak Barrier
- Roof Decking Protection
- Quality Shingles
- Efficient Attic Ventilation
- Ridge Cap Shingles

ST. THERESA’S BLOCK PARTY

For the last 5 years the parish of St. Theresa’s has been celebrating a big thank you to their parishioners. Three to four hundred people attended this years festivities which took place on Saturday, September 20, 2008. Rich Donovan, who coordinates the parish block party, is the director of the Youth Ministry at St. Theresa's School and Church in Kenilworth.

From hamburgers and hotdogs to moonwalks and live entertainment by a past youth group alumni, Mike Rosania, parishioners enjoyed the day.

Bishop Marconi officiated the 4:00 pm mass and then from 5:00 to 7:30 the street was closed off in front of the school.

Various ministries and some local parishioners donated baked items but the majority of the food is purchased by the parish. Fun was had by all.

# REGISTER NOW FOR 6th ANNUAL AUTISM WALK

This year's 6th Annual North Central New Jersey Walk Now for Autism will be held on October 26, 2008 at Nomahegan Park in Cranford. The event will be kicked off by walk co-chairs Maria Palermo and Jennifer Love.

Last year five thousand walkers raised over \$500,000 at the 5th Annual North Central New Jersey Walk Now for Autism, which took place at Nomahegan Park in Cranford. Peter Bell, Autism Speaks executive vice president of programs and services, kicked off the event, and was followed by walk co-chairs Maria Palermo and Jennifer Love. As teams crossed the balloon arch on the two mile route, participants enjoyed a petting zoo, Abakadoodle crafts, and, for the first time that year, a resource fair.

Please come out and join and support us for a fun filled day that will leave you inspired. You may register yourself online or do it the day of the event. Anyone that raises \$100.00 or more will get a FREE Autism Speaks T-shirt.

Please call Maria Palermo for more information (908) 380-0413.

# IT'S DOG GONE FUN TO READ TO A DOG

Meet Callie, a beautiful and gentle yellow Labrador retriever, who will visit the Kenilworth library between 7:00 and 8:00 pm on November 6 and December 4, and listen as children take turns reading to her. Children may sign up in advance for individual 10-minute private sessions to read to a therapy dog.

Did you know that kids build reading confidence when they read to a therapy dog? Come by and practice your reading skills with

our therapy dog, which loves stories! This highly trained dog just loves what the child is doing. As the child reads aloud, the dog listens, enjoys the story and never corrects the reader.

Animals are ideal reading companions because they create a relaxed, comfortable environment. The child usually pets the dog while reading and before you know it, becomes relaxed and focused on the reading.

(above) At the conclusion of the program, children have an opportunity to visit with Callie.

(above) Brian Lesniewski, age 8 of Kenilworth reads to Callie.

NITSCHKE HOUSE EVENT PLUS OTHER HISTORICAL ACTION

Kenilworth’s historic Oswald J. Nitschke House (c. 1880) at 49 South 21 Street will be open to the general public on Oct. 18 and Oct. 19 during Union County’s annual heritage festival, Four Centuries in a Weekend. Tours of the 19th-century home of Oswald J. Nitschke, who served five terms as Mayor of Kenilworth in the early 1900s, will be given between the hours of 10 a.m. and 5 p.m. on Oct. 18 and from noon to 5 p.m. on Oct. 19. Light refreshments will be served. Admission is free.

The Kenilworth Historical Society saved the Nitschke House from demolition in 2003 by moving it to its present location and is restoring the historic site for transformation into a living history museum and cultural arts center. The project has been recognized by the State of New Jersey with a 2008 New Jersey Historic Preservation Award.

The Oct. 18-19 guided tour of the Nitschke House will have a historic gardening/culinary theme, featuring an enlightening and entertaining dialogue with historic horticulture expert Patricia Tratebas, who will play a colorful role in the presentation. Visitors will learn about the site’s planned gardens, including a World War I Victory Garden that is being planted as an Eagle Scout project led by Zachary Kozak. They also will have an opportunity to sample an early 20th-century recipe from the recently published Culinary Kenilworth cookbook, which will be available for purchase during the event. The Nitschke House restoration/furnishing plans will be discussed, and artwork by students from David Brearley Middle/High School will be on display. For further information about the event, please call 908-709-0434.

SAVE THE DATES

The Kenilworth Historical Society will host a bus trip to Philadelphia on Saturday, November 8. It will feature a visit to the Philadelphia Museum of Art to enjoy two premiere quilt exhibits, plus a motor coach tour of Philadelphia, including a stop at the Reading Terminal Market for shopping, snacking and browsing.

The bus will depart Kenilworth (St. Theresa’s

School parking lot) at 8 a.m. and return at about 6:15 p.m. Cost of \$78 includes motor coach transportation and tours, museum admission, tax and gratuities.

At the Philadelphia Museum of Art, trip participants will take a docent-led tour of Gee’s Bend The Architecture of the Quilt, a premiere exhibition of nearly 65 quilts that reflect the tradition of quilting and development of key quilt patterns and motifs by artists in Gee’s Bend, Ala., dating from the early 20th century. Another exhibition features more than a dozen notable Southern quilts from the Ella King Torrey Collection, including one commissioned for The Color Purple. A motor coach tour of

Philadelphia, also included in the trip, will encompass Society Hill, a charming 18th-century neighborhood, and other sites, plus a visit to Reading Terminal Market.

The trip is being arranged and escorted by Progressive Travel of Union, N.J. For further information and reservations, call 908-709-0391 or 908-709-0434. As space is limited, it is suggested that reservations be made as soon as possible to ensure availability.

Proceeds will benefit the Kenilworth Historical Society’s project to restore the local 19th- century Oswald J. Nitschke House and transform it into a living history museum and cultural arts center.

# LEAF PICK UP PROGRAM TO BEGIN ON OR ABOUT NOVEMBER 3

The Borough of Kenilworth's Leaf Collection Program will commence operation on or about November 3rd, and will cease on or about December 7th. Leaf removal and disposal is a huge undertaking, the successful completion of which is dependent upon the cooperation of each homeowner.

Starting December 8, 2008 through January 9, 2009, all leaves must be placed in a covered 32 gallon trash receptacle and may be placed at curbside for pick-up. Leaves will not be picked up after January 31, 2009.

Leaves must be raked onto the street, leaving a space between the curb and leaves to allow for drainage.

Residents who do not wish to rake their leaves to the curb may put them in a covered 32 gallon trash receptacle placed at curbside.

Do not rake leaf pile(s) onto or around any handicap-designated areas or fire hydrants.

Do not rake leaf pile(s) onto streets where they will impede traffic or cover any painted street markings, i.e., crosswalks, stop-bars and lettering.

Leaves MUST NOT CONTAIN branches, shrub clippings, or other foreign matter.

DO NOT RAKE LEAVES INTO OR ON TOP OF STORM WATER CATCH BASINS.

In addition, do not bag leaves for street pick-up.

Three working units will be collecting leaves within individual districts in an orderly, pre-determined pattern.

Because adherence to these patterns is the only effective method of assuring a fair and successful operation, it is requested that residents not rake their leaves into the street immediately after the collectors have passed.

As always, all leaves will eventually be collected. Therefore, REPEATED TELEPHONE CALLS TO THE DEPARTMENT OF PUBLIC WORKS WILL NOT GET THE JOB DONE ANY FASTER.

Residents living along the Boulevard and Michigan Avenue should be aware that their curbside leaf removal is done by the Union County Department of Public Works.

Kenilworth Public Works - 276-5073.

## HOW MANY LEAVES CAN YOU NAME?

Mrs. Aronowitz's, 4th grade class at St. Theresa's school in Kenilworth have a lot to smile about. Autumn is the best time to do classification of leaves.

Each child had to identify the great selection of fallen leaves during one of their many hands-on learning science projects.
