CHESS CLUB TIES FOR FIRST IN WORLD TEAM TOURNAMENT

The Kenilworth Chess Club Niners tied for 1st among U1900 teams at the World Amateur Team Championship, duplicating their 2013 result.

Since 2007 the tournament has grown in size and is now the biggest amateur team tournament in the world, about 1,300 players and almost 300 four-player teams participate. The tournament was recognized by the World Chess Federation (FIDE) as a world championship.

The average of all four players is used to determine the team average. Aside from the overall open winner, prizes are awarded for each 100 rating level from under 1000 to U2100. All teams must enter with an average rating of under 2200.

Each team plays six times over a three day period. The Kenilworth team lost just 4 games out of the 24 they played in the tournament held in Parsippany, NJ over the President's Day weekend. They did not suffer a single defeat in the last 3 rounds.

Life Master Mark Kernighan led the way on board one by drawing GM Larry Kauffman in the opening round and winning his last 5 games. Third board Greg Tomkovich and alternate Dan Komunicky also turned-in plus scores. Second board John Moldovan struggled in rounds 3 and 5 but nicked FM Allan Savage for a draw on Saturday afternoon and finished at 50%. Fourth board Geoff McAuliffe also finished with an even score.

In the Open category the team lead by Kenilworth Chess Club member Steve Stoyko which included club member Scott Massey tied for fourth place overall.

Established in 1972, the Kenilworth Chess Club is a fun and active club with both beginner and master chess players. The Club meets every Thursday night beginning at 8:00 p.m. in the Recreation building at 575 Kenilworth Boulevard in Kenilworth, NJ. Enter through the rear door. All are welcome, membership is not required to play and chess lessons are available.

WHITE CASTLE SPONSORED BOY SCOUT CHESS TOURN WAS BIG HIT

The Munsee District of the Boy Scouts of America hosted their first Chess Tournament open to all registered Boy Scouts, Venturers and Explorers. The tournament was generously sponsored by White Castle and was held on February 22, 2014 in the Cranford Community Center.

This was the first tournament since the Boy Scouts of America introduced the Chess merit badge. Thirty-one players participated. Representing Kenilworth's troop #83 was David Villafranca.

Each player played four games. Nichas Riggins of Cranford took first place. Second Place was Thomas Brockman from Millstone and Third Place was James Sweeney of Cranford.

MESSAGE FROM MAYOR KATHI FIAMINGO

Effective March 3, 2014, business hours at Borough Hall changed to 8:30 a.m. to 4:30 p.m. The Clerk's office, Construction Department, Finance Department and Health Department are all on the same schedule.

The annual Easter Egg Hunt will take place on March 23rd at 11:00 a.m. at the Harding School fields, with a rain date of March 24th. After the hunt the Recreation Department will have a number of fun events, including a sack race and face painting. Please check the Recreation Department face book page to get further information about the other activities which will be scheduled.

We will continue the Easter food drive this year. Please help fill the food bank for those in need. Canned goods and non-perishable food items will be collected at the Easter Egg Hunt, so please bring a food item when you bring your child to collect their eggs, or simply drop off your donation. If you would like to drop your donation off in advance, you may do so by bringing it to the Clerk's office during business hours or the Recreation building when it is open. Anything you can do to help is greatly appreciated.

The annual Little League parade will be held on April 5, 2014. As always, the parade will step off out of St. Theresa's parking lot and will march down North 23rd Street to the Boulevard and 14th Street to the Little League Field. Opening ceremonies will take place at the field.

On March 15, 2014, the Union County St. Patrick's Day Parade will march in Union Township. As you read in last month's paper, Kenilworth's own Bobby Jeans has been given the honor of being named the Grand Marshal of the Parade. It is a well deserved recognition for a man who has spent a lifetime of service to our country and our community.

This year's Relay for Life fundraiser for the American Cancer Society will be held on May 31, 2014 at 7:00 p.m. through June 1, 2014 at 7:00 a.m. If you would like to register a team, or just learn more about the Relay please visit www.relayforlife.org and click on the Kenilworth event. There are many fundraising events leading up to the Relay which are fun and exciting. If you would like to donate, please go to the website.

Even if you don't form a team for Relay, I highly recommend that you visit the high school during the Relay, if even for a short while. Relay is both moving and fun. You will not be sorry if you even just stop in and see what is going on during the event. You will see many people, young and old, raising money for cancer research and celebrating the lives of cancer survivors. It is inspiring to see so many people coming together for one cause.

Like you all I am looking forward to spring and hope it arrives soon. Between the snow and the cold, I am all wintered out. Here's to a beautiful spring!

CHRIS KOSSOR EAGLE SCOUT PROJECT TO BENEFIT HARDING SCHOOL

Chris Kossor, a life scout with Kenilworth Troup 83, has received approval to begin work on his Eagle Scout project to benefit Harding School and the Community by installing 2 picnic tables, 2 benches and 2 trash cans near the recreation play area. When asked how he chose the project, Kossor said; "I attended and graduated from Harding Elementary School and while I went to school there I always felt like something was missing during recess and after school. I would see people sitting on the ground reading books and playing games. There wasn't anywhere to put your jacket or our lunch box but on the ground. Now that I can do my Eagle Scout Project, I thought it would be a great asset to the recreation area at Harding to put 2 picnic tables and 2 benches for students and friends to use during and after school."

Harding alumni and residents interested in helping Chris raise the funds needed to purchase the tables, benches, trash cans, and building materials necessary to install them can send their donation payable to:

PHILLIP COSTA EARNS SOCCER SCHOLARSHIP

Submitted by: Vincent McGowan, Head Coach Boys Soccer

On behalf of David Brearley High School and in particular, the Boys Soccer Team, I would like to congratulate Phillip Costa for earning and accepting a scholarship to play soccer at The New Jersey Institute of Technology next fall. I would also like to extend that congratulations to his parents, Lourenco and Ferdinanda, for their support of Phillip during this pursuit of his goals- to play Division 1 soccer and to become an engineer. Phillip's hardwork and dedication have paid off handsomely.

There is no one more deserving of this opportunity than Phillip Costa. He has done everything the right way. Each practice he was always the first one on the field and the last one off – every day. He has worked on and honed all aspects of his soccer game and has turned weaknesses into strengths. He has worked hard in the weight room and on the track to make himself a better athlete. In short, he maximized his abilities and became one of the best high school soccer players in the state of NJ.

And on the academic side, Phillip is always studying and reading and working on projects and on his course work. He has successfully taken a very challenging course load at David Brearley. He has demonstrated meticulous study habits and is a natural intellect. I have the utmost confidence that he will excel at NJIT and reach his academic goals. Brearley's loss is without a doubt NJIT's gain.

I also want to take this opportunity to thank Phillip for his years of dedication towards making David Brearley a premier soccer power. Phillip captained his 2013 team to a Group 1

State Championship. On behalf of all of the coaches at Brearley I thank Phillip for all that he has done and wish him the best of luck at the next level. No player is more deserving!

STUDENTS OF THE MONTH: ANGELO MALTESE AND DIEGO CAPCHA

The David Brearley Student of the Month for February is known as the "Voice of Brearley" for his resonant announcing for almost every sport played at Brearley. Angelo Maltese's mellifluous voice graces soccer, boys' and girls' basketball and football games, as well as wrestling matches. With his relentless dedication to his announcing duties, Angelo has impressed many of his teachers with his wealth of school spirit. In the words of one of the faculty, "Angelo is an outstanding student who is definitely worthy of being Student of the Month." Angelo also is a member of the Winter Track squad, as well as a member of the Brearley Varsity Baseball team. Congratulations, Angelo!

LESSON ON HARRIET TUBMAN AND THE UNDERGROUND RAILROAD

Fran Day and Shirley Edwards, members of the Kenilworth Historical Society, spoke to Mrs. Karen DeMaio and her 2nd grade class at St. Theresa School in Kenilworth about Harriet Tubman and the Underground Railroad. Mrs. Day brought in a rag doll from that time period and a hollowed out squash called a drinking gourd. The students learned the song "Follow the Drinking Gourd" which included hidden messages for runaway slaves to follow as they made their way North and to freedom.

KENILWORTH'S SCHOOLS ARE GETTING LOTS OF GOOD ATTENTION

Dr. Scott Taylor, Superintendent, Kenilworth Public Schools (@KenilworthSuper)

If you look at the Department of Education school performance reports (they are available for download on the Kenilworth district website) you will see that Harding and Brearley school students are still not performing to their potential on standardized tests. There are a lot of indicators that measure the quality of a school and standardized tests are but one of those measures.

A school's quality can also be measured by the reputation of its programs. You should know that Kenilworth has become a model for school systems around the state. For instance, Harding School hosted teachers from Middletown Township last week to show off its successful implementation of the GoMath mathematics program. Brearley has been helping the Villa Victoria Academy, a private prep. school in Ewing, develop a scholars' academy like the one Kenilworth created two years ago and which has since become very popular throughout the region. Roselle Park visited Kenilworth administrators to learn more about our school district's "home-grown," state-approved teacher evaluation model. Finally, the Millburn Board of Education spoke with me to learn more about what they know is our effective resident re-registration program.

The Kenilworth School District is attracting the attention of educators from around the state and national media. As I am sure you are aware, Brearley Middle-High School has appeared on

national and local radio and in such publications as The New Republic and The Star Ledger because of its pioneering efforts to combat cyberbullying.

All of our schools' teachers and leaders are

working hard to improve our test scores, but the district will not rely solely on standardized assessment results to measure its success. We are a school district going world class that will only see its reputation grow steadily over time.

CAPTAIN SUPERTOOTH VISITS AT ST.THERESA'S
