501 West Edgar Road,
Linden, NJ

HOSTED BY EPICOR,
INC. & MERCER
COATING & LINING
COMPANY, INC.

FREE TO ATTEND

CRASHES DECREASE AT INTERSECTIONS RED-LIGHT CAMERAS

Submitted by Sgt. Michael Babulski, Traffic Bureau Commander

From a low of 8 percent to a high of 33 percent, total traffic crashes are on the decline at Linden's five intersections with red-light safety cameras. The overall contribution to public safety is notable, but the gains are greatest at the city's three locations with cameras in place since late 2010, according to Linden Police Department records.

The change in dangerous right-angle crashes, those specifically targeted by photo enforcement cameras, is also most impressive at Linden's established red-light safety camera intersections, where angle crashes are down by one-third at two intersections and remain unchanged at zero at the remaining location. Total right-angle crashes are down 55 percent (nine to four) at all three intersections from the year before cameras to the third year with cameras in operation.

Linden, the fifth city in the New Jersey to install red-light safety cameras, has two generations of active red-light safety cameras. A side-by-side comparison of results from the control intersection and the first generation of intersections with cameras show little difference, until the number of

average crashes per year at those locations is considered. The control intersection averaged 25 crashes a year, while the three intersections with cameras averaged 163 crashes a year. The locations with cameras are more dangerous and are likely having an impact on driver behavior at the control intersection.

In Linden we realize that crash numbers are higher across the state, but we believe that this is due the explosion in distracted driving. The use of mobile phones has exploded in recent years and people, although most support distracted driving laws, still text and use their mobile phones while driving. This leads to delayed reaction time and a general lack of concentration while behind the wheel, Said Sgt. Babulski. He further stated that Linden Police Accident Investigation Unit averaged fifteen (15) call outs per year with a high of twenty four (24) prior to the Red Light Cameras, many where fatal or serious injuries were the result. Since the RLR program call outs have drastically declined. In 2013 my unit was called out six times (6) and none were on the route 1 & 9 corridor.

SPRING BASKETBALL LEAGUE IS CURRENTLY BEING PLANNED

The Recreation branch of the Linden Department of Public Property and Community Services sponsored a free basketball skills and drills clinic for all Linden children, ages 8 to 16, on Sunday mornings at the Linden Multi-purpose Center on John Street. The clinic began in February and ran through March under the guidance of Coach Lance Jackson

from the Linden Recreation Department. Eighty-six children participated.

A spring basketball league is currently being planned. Anyone interested in joining the league should call the Multi-purpose Center at 908-474-8639 (M-F). Please ask for Nancy.

LINDEN POLICE ALERT

Follow Linden Police on Facebook

Linden Residents are urged to take steps necessary to prevent the theft of automobile parts from their vehicles. If your car is parked in a driveway, install motion light sensors on your house. Install wheel locks on your tires to deter theft. Always remember to keep vehicle doors locked and activate your car alarm, if equipped. Do not keep any valuables in your car as that may tempt thieves. Remember, if someone really wants your property, it may be difficult to stop it from happening. Lastly, report any suspicious persons or vehicles in your neighborhood to the police at once. If you see a crime in-progress, call 911..

SPRING FOOD DRIVE

Now that Spring is upon us, please help the Linden Police Department with a Spring Food Drive for the food banks here in Linden. We are asking for your help by donating non-perishable foods for the food banks below:

LINDEN HIGH SCHOOL NJROTC COMPETES IN FITNESS CHALLENGE

The Linden High School NJROTC Physical Fitness team Participated in the New Jersey Youth Physical Fitness Challenge at Rutgers University on March 19, 2014. This was the team's first year attending this challenge. Two teams competed, one representing the boys the other the girls. Although the teams did not place, individual cadets were recognized for their outstanding performances. In the Girls' Division, cadets Odalys Castro, Amanda Martinez and Monica Tarnawski were selected to the All New Jersey Bronze Team. While in the Male Division Patryk Lukaszewicz was also selected to the Bronze team. Ricardo Garcia was selected to the Gold Medal Team and was the 2nd place Male Overall.

The Linden Navy JROTC team competed in the Wards Pond Orienteering Competition on Saturday March 22nd. Six teams set out on different level courses, 1 on the orange, 4 on the yellow, and 1 freshman team on the white.

Orange course team lead by Patryk Lukaszewicz with members Arcesio Medina and

Saamad Mitchell came in 2nd place. On the white course Brendon Birch's team came in 3rd

place. Members included Maria De La Cuadra, Kathleen Eckman and Barbara Machado.

EMERGENCY RESPONSE SYSTEM

Since December of 1983, the City of Linden has administered the Linden Emergency Response System Program (LERS) for the elderly, physically handicapped, medically disabled and the socially isolated of Linden. To date more than 700 Linden recipients have taken

advantage of the 24-hour monitoring service and we presently serve approximately one hundred-fifty area residents.

The LERS unit is an easy to use wireless transmitter which becomes a 24 hour companion and a direct link to safeguarding one's health and safety. One press of the button is all it takes to notify the central station that an emergency condition exists and within minutes, an ambulance and emergency personnel are at the scene. Besides having the transmitter and emergency help immediately, your medical profile is kept on file and is at the disposal of emergency personnel.

The City of Linden has purchased the emergency units for the subscriber. The subscriber in turn pays \$12.00 a month monitoring fee and charges for the installation of the unit.

The Linden Emergency Response System, administered through the Department of Public Property and Community Services, is an invaluable service available to the residents. If you know a friend, neighbor, or relative in Linden that you are concerned about and that could benefit from having their own LERS unit, please contact the JTG Center.

JACOBSON'S PROVIDES ON-THE-JOB TRAINING OPPORTUNITY FOR LINDEN RESIDENT

When Magdalena "Maggie" Bienkowski, was a mere 20-years-young, she bought her first refrigerator from Jacobson Distributing Company. Thirty-five years later, Maggie was interviewed by Joan Dobson, a supervisor at Jacobson, and was provided with an opportunity to start a new career at the company. "I was shocked that Pat who sold me my first refrigerator was still here. That really excited me because it meant I would be working with a company that truly is loyal to its employees. This is just the right place for me," stated Maggie who is now a data-entry clerk and learning customer service skills, inventory control, and inputting data using a network PC.

Maggie is one of over 52 Union County residents who were placed in on-the-job-training opportunities – an employment placement program administered by the Elizabeth Development Company and sponsored by the City of Elizabeth and Union County Workforce Investment Board.

Jacobson Distributing is a family-owned business specializing in the sales and distribution of major appliances and electronics, to the retail public and wholesalers. As a local business serving the community for over 65 years, the two brothers, Ron, the comptroller, and Allen, the President, have made it a point to provide residents with an opportunity to learn a new trade and a new career.

Maggie, a Linden resident, takes the bus to work and has been working with Jacobson for nearly 5 months. Prior to landing the job, she was unemployed for over 2 ½ years after her

former employer relocated their main office. Maggie, in particular, was searching for work since then and although she would visit the county's one-stop career center regularly, jobs were scarce for those who needed current training in skills requiring the use of a PC or network.

As part of their OJT agreement, Jacobson's will teach Maggie solid customer service and clerical skills as well as data-entry and cashier responsibilities. She is doing so well they've begun to teach her bookkeeping and inventory control.

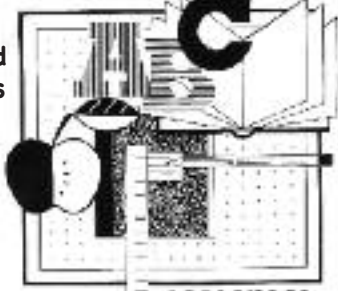

(above, l-r) Allen Jacobson, President, Jacobson Distributing Co., takes a moment to discuss inventory control and tracking with Maggie Bienkowski, OJT Trainee, and Joan Dobson, Supervisor. Photo by Julian Muller

After helping countless local knee pain sufferers discover relief, local Doctor warns... **“If You Or A Loved One Are Scheduled For Knee Surgery Then, Read This Article Before It’s Too Late!”**

There is a safe, non-surgical FDA cleared treatment now available locally that has been proven to effectively reduce and even eliminate knee pain... and the best part is It's Covered By Most Insurance Including Medicare!

Union County, New Jersey- A century ago the average American lived to about 50 years of age. Today we're living to nearly 80 years of age. While that fact alone is astonishing even more so is that today's population remains active well into their 70's and 80's. It is no longer uncommon to hear about a 70 year old playing tennis, or an 80 year old shooting a round of golf with friends. However for the estimated 50 million adults in the United States who have some form of arthritis, the image of an active lifestyle may seem all but a distant memory, until now...

A revolutionary new non-surgical treatment called Viscosupplementation (VS) Therapy is providing hope and relief for many knee pain sufferers. Offered locally by Northeast Spine & Wellness Center, this procedure is minimally invasive, requires no surgery, can provide immediate relief, and has little to no recovery time.

If you are experiencing any of the following symptoms in your knee or joints, chances are your pain is due to a condition called osteoarthritis, and you may be a candidate for care:

- **Pain:** Your joints may ache, or the pain may feel burning or sharp. For some people, the pain may come and go. Constant pain or pain while you sleep may be a sign that your arthritis is getting worse.
- **Stiffness:** When you have arthritis, getting up in the morning can be hard. Your joints may feel stiff and creaky for a short time, until you get moving. You may also get stiff from sitting.
- **Muscle weakness:** The muscles around the joint may get weaker. This often happens with knee arthritis.
- **Swelling:** Arthritis can cause swelling in joints, making them feel tender and sore.
- **Deformed joints:** Joints can start to look like they are the wrong shape.
- **Reduced range of motion and loss of use of the joint:** As your arthritis gets worse, you may not be able to fully flex, or extend your joints. Or you may not be able to use them at all.
- **Cracking and creaking:** Your joints may make crunching, creaking sounds.

If you are experiencing any of the above mentioned symptoms, don't worry, there is hope. Many that have undergone VS Therapy report these very symptoms, only to see them reduced or even eliminated after receiving care.

Until recently, the only advice for many suffering from knee and joint pain was to:

- Try exercising
- Try physical therapy
- Try pain pills
- Try muscle relaxants
- Try pain shots
- Try dangerous surgery

If you are tired of trying treatments that don't provide lasting relief, or if you are afraid to try any of these treatments, don't worry. If you have tried any of these treatments and experienced little to no relief, you may still be a candidate for Viscosupplementation Therapy. Call (732) 827-0800 and schedule a no cost screening today! *You have nothing to lose but your pain!*

According to the American Academy of Orthopaedic Surgeons (AAOS), there are about 270,000 knee replacement operations performed each year in the United States; this image depicts the procedure.

How does this therapy work?

Northeast Spine & Wellness Center uses high tech medical equipment and decades of experience to pinpoint problem areas with extreme accuracy. Viscosupplementation is then injected into the knee joint and bonds with naturally occurring joint fluid to create a lubricating and cushioning layer. This reduces pain, inflammation, and swelling of the joint. Most patients compare the treatment to getting a flu shot and report little pain or discomfort.

What is injected into the knee?

Hyaluronic acid (Hyalgan) is a natural substance extracted from rooster combs and purified to mimic the lubricating substance (synovial fluid) that occur naturally in the joint. In patients with osteoarthritis synovial fluid “dries up,” allowing the cartilage of the joint to rub against itself and other surfaces causing pain, inflammation, and in most cases damage to the joint. Think of this treatment like oiling a squeaky door hinge. Once applied, the squeaking stops and the door moves more freely.

When will I feel results?

Most feel an immediate reduction in pain and return to normal activities in weeks.

Considering surgery?

People who suffer from knee pain typically try supplements or pain medications before seeking help from a doctor. When all else fails and the pain is too much, some feel surgery is the only option.

How do I know that this is right for me?

The American Academy of Rheumatology recommend the use of Hyalgan for treatment of osteoarthritis of the knee. At Northeast Spine & Wellness Center we will give you an honest and fair evaluation of your particular knee pain. To accommodate demand, we have opened our schedule to provide “no cost” screenings.

Real Patients, Real Stories, Real Relief!

“My knee feels great. I was a bit skeptical when I first read about the program in the paper but from the moment I walked through the door I knew that this program was going to be different. The entire atmosphere from the attitude of the staff to the office itself put me at ease. I had already had a total knee replacement and wanted to try something rather than go through another painful surgery. After completing the program my initial impression was correct. I can now dance again which I have not done in years, and my lifestyle is on its way back to normal.”

- Elizabeth B.

Surgery is no longer your only option. Hope does exist, and this therapy has helped others like you.

So what are you waiting for? Pick up the phone and call us today to schedule your risk-free, no-obligation, screening at no cost to you. Since adding this medical breakthrough to our practice, the response has been overwhelming. So we've added extra lines to accommodate your calls. If our line is busy, or if you are re-directed to voice mail, please leave a message or call back. Living pain free and getting your life back is well worth the time and effort it might take to get a hold of us so that we can schedule your no-cost screening. So keep calling - help is only a phone call away... (732) 827-0800. While you are trying to reach us, please feel free to visit www.NESpineCenter.com where you can learn more about Viscosupplementation Therapy and how it may be the right solution to your knee pain.

At Optima Physical Medicine & Rehabilitation Centers we only accept patients that are candidates and who we truly believe we can help.

LINDEN PUBLIC LIBRARY

31 East Henry Street, Linden, N.J. 07036
Phone: 908-298-3830

Library Hours: Mon - Thurs: 9:00 AM - 9:00 PM,
Fri: 9:30 AM - 5:00 PM, Sat: 9:00 AM - 5:00 PM

FREE CHILDREN'S PROGRAM

The Children's Room of the Linden Public Library will be holding a free program for children during the school vacation in April. Our program will feature information, and actual items used by the Native Americans of New Jersey. This program is intended for Linden children who are in first grade and above. Our presenter, John T. Kraft, the Director of Lenape Lifeways, Inc, is an archaeologist/educator who has presented thousands of programs on the Lenape or Delaware Indians of New Jersey. He has helped discover and excavate Lenape villages and artifacts, and has added much new information about their family life, dwellings, diet, spiritual beliefs and technology.

This program is scheduled for Tuesday, April 22 at 1:30 p.m., and will take place on the third floor of the Linden Public Library.

HAITIAN HERITAGE MONTH

The Haitian Flag Day Planning Committee of NJ will host an event on Saturday, May 3rd 1:30- 3:30 pm at the Linden Public Library. This event will educate and promote cultural awareness to the community. Children ages 8 to 11 are encouraged to attend this delightful occasion. This event will commemorate Haiti's independence, during Haitian Heritage Month. Children along with their parents will participate in this event. There will be a reenactment and an activity to follow.

BLOOD DRIVE

The Linden Public Library will host a blood drive on Monday, April 21st, 2014, from 12:30 p.m. - 6:30 p.m. in the Columbia Bank Room. For questions about eligibility, please call: 1-800-NJBLOOD.

FRIENDS OF LIBRARY INDUCT NEW BOARD MEMBERS

The Friends of the Library are determined to strengthen Linden Library through legislative help enrich the educational and cultural lives of advocacy, community awareness and their neighbors. The Friends are volunteers who fundraising.

HARSH WINTER WEATHER LEAVES LOCAL AUTO DEALER OVERSTOCKED

Hundreds of Cars Marked Down to Clear Inventory

North Plainfield, NJ- Global Auto Mall, a well-known local automotive sales dealer, has more than just snow piling up. The recent rough weather has left them with a huge surplus of brand new cars, trucks, SUVs that need to be sold. A Snow Emergency Sales Event is being held to clear out their inventory to make room for new shipments.

This special event will have hundreds of cars to choose from ranging from brand new models to pre-owned vehicles all priced to move quickly.

The Snow Emergency Sales Event will feature major brands including: Chevrolet, Hyundai, Jeep, Kia, Mitsubishi and a large variety of over 250 pre-owned makes and models.

This big event will be held at:
Global Auto Mall, 1099 Rt 22 West,
North Plainfield, NJ 07060 or Call:
1-866-645-4337 for easy directions.

The Global Auto Mall Sales team is prepared to move as much inventory as possible to manage this overstock and are offering great deals on their entire inventory to Local Residents like

yourself only. Global's General Sales Manager, Rich Locurto, says, "Our prices are already great and with the added specials it won't be hard to find a great price on the vehicle you want."

CREDIT PROBLEMS ARE NEVER A PROBLEM!

Credit problems are never a problem at Global Auto Mall. All are welcome to call in for information or visit during

this event. A Global financing expert is onsite and available to work out a great loan and financing plans for every customer. Their financing office is prepared to work with any customer's budget.

The Snow Emergency Sales Event is scheduled for a limited time only. Once it's over, it's over! Hurry in to Global Auto Mall today and drive home with the vehicle you've always wanted at a price you'll love. For further information please call anytime at 1-866-645-4337, or visit www.globalautomall.com.

SCH 8 PIPES & DRUMS

On March 12th, The United New Jersey Fire and Police Pipes and Drums visited School #8 for a demonstration. They played music and had the students sing along to patriotic songs.

SOEHL INTREPID VISIT

The 21st Century Community Learning Center coordinated a Family Class Trip to the Intrepid Sea, Air and Space Museum in New York City on Sunday, March 23, 2014. Over fifty families attended this trip where they had an opportunity to visit numerous exhibits featuring the Aircraft Carrier USS Intrepid, guided tours, Submarine Growler and the Enterprise Space Shuttle. Students and their families also visited the latest exhibit called Masters of Disguise: The World of Camouflage

(above, l-r) Seventh grade participants sitting in an example of an A-6 intruder jet cockpit that can reach 646 miles per hour: Nyshaya Holmes, Leyla Ortiz, Samantha Marquez and Rebecca Monis. Photo by 21st Cent/ Soehl Middle School

ACTS OF KINDNESS KITE

Kindness counts at School #9! Students have been participating in an effort to promote random acts of kindness this year. All students were asked to write something nice they had done for someone on a kite bow to create the "Kindness Kite". K-Kids tied bows that were strung on the kite tails and hung in the main lobby of the school building.
