RESIDENT DONATES TIME TO BARNABAS HEALTH HOSPICE

North Plainfield resident Virginia Wentworth knows firsthand the value of hospice – not only to the individual receiving care, but also to those acting as caregivers. That's why she became a volunteer with Barnabas Health Hospice and Palliative Care Center in West Orange.

"I was so appreciative of the excellent care for my husband – and for me – from Barnabas Health Hospice during the last year of his life. I wanted to 'give back,' particularly as volunteers had done for us," says Virginia, adding that although neither she nor her husband needed to use the volunteer service very often, she felt reassurance knowing people were available to step in and help. "My husband loved to tell stories about his time in the U.S. Navy, so it was comforting to know that even if I couldn't be there to sit with him, he still had companionship."

"I know from experience that being the caregiver for someone who is terminally ill can be a lonely situation. It's helpful to have support – from the nurses and volunteers and also the fact that you can call 24-hours-a-day, seven-days-a-week, even in the middle of the night, and someone will be there to talk you through something or send assistance," says Virginia, who visited her first patient after Christmas and now spends time with four patients who live in nursing homes.

Often, people ask Virginia how she handles the difficulties that may be associated with working with terminally ill patients. "I get a lot of satisfaction in helping someone who has no one else to help them at a time in their life when they need it most. It's nice to walk into the room of a patient who may look distant or withdrawn and to see them smile and show some kind of recognition," says Virginia. "Most of the people I visit do not have family, so I step in to fill that role."

Virginia is no stranger to public service – she previously served as a social worker for what is now Child Protection and Permanency, formerly the Division of Youth and Family Services. She spent the majority of her career in education teaching all grades, 1-12, and ending her career as a high school vice principal. She earned an undergraduate degree in sociology and psychology from Douglass Residential College of Rutgers University in New Brunswick, NJ. Virginia holds a teaching certificate from Kean University, and earned a master's degree in counseling from New Jersey City University.

In addition to volunteering, Virginia finds the time to

pursue other hobbies. A sewing enthusiast, Virginia turned her passion for sewing and needlework into a home-based business called Sewing for the Family. She also teaches sewing classes at the Adult School of the Chatham, Madison and Florham Park, and serves as secretary of both the New Jersey Chapter of the Association of Sewing and Design Professionals, and the New Jersey Chapter of the American Sewing Guild. She also enjoys spending time with her four children and six grandchildren.

SOMERSET HILLS SCHOOL CELEBRATES OPENING OF NEW SCHOOL IN NORTH PLAINFIELD

On Wednesday, April 9, 2014, Somerset Hills School officially cut the ribbon on their new school facility in North Plainfield.

Previously located on a sprawling campus in Warren, Somerset Hills was looking for a modern, up-to-date instructional space in a traditional school setting, said Ryan Kimmins, the executive director of the Somerset Hills School.

"Making this move was one of the best decisions we could have made and will ensure Somerset Hills continues to provide an excellent education to future generations of students," Kimmins said. "Everyone at the school is excited about the opportunity to participate in everything the wonderful community of North Plainfield has to offer."

The school is located on Westervelt Avenue in a building that previously housed the McCauley School, which was originally built in 1930 as the St. Joseph School by the parish of St. Joseph. The current owners, the Sisters of Mercy, recently completed extensive renovations to bring the facility up to modern standards.

"All of our students have successfully made the transition and are thrilled to attend school in a traditional school building," said Principal Maria Torres.

Mayor Michael Giordano said he is glad such a highly regarded school has decided to call North Plainfield home.

"I want to welcome Somerset Hills to our community," Giordano said. "The school building has been part of North Plainfield's history since 1930 and I'm happy that it is continuing to function as a school in our community."

Somerset Hills is a day school for out-of-district placed students ages 6 - 21. Classifications include behavioral / social / emotional disabilities, ADHD/ADD, Aspergers / Autistic Spectrum, Specific Learning Differences and Dyslexia.

Somerset Hills provides an emotionally supportive environment in which students can learn at their own pace, according to their individual strengths and needs. The students are provided with the strategies needed for learning the necessary skills in all academic areas.

Academic areas are aligned with the Core Content Standards. The therapeutic academic environment encourages each student to become an active participant in the education process, fostering healthy coping and pro-social skills, increased self-esteem, and motivation toward academic and social success.

Sciatica, Stenosis and Herniated Discs May Be to Blame for Pain and Numbness in Legs

What are patients saying?

"I have had neck pain and arm pain for seven years from several herniated discs in my spine. I have tried other chiropractic and physical therapy treatments with little success. I have completed the DRX treatment four weeks ago and I am symptom free. Thanks to Performance Rehab I have gotten my life back."

- Melissa Miller, Phillipsburg, NJ

Who is a candidate for treatment?

There are many types of symptoms that can be relieved including:

- Back/Neck pain
- Leg pain
- Chronic low back pain
- Sciatica
- Stenosis
- Neuropathy
- Herniated/Degenerated discs

"Hi, I am Dr. Spaggiola, clinic director of Performance Rehabilitation & Integrated Medicine, and if you suffer with back or neck pain, I invite you to try non-surgical Spinal Decompression. Did you know that 30 million Americans suffer from back pain every day? This pain affects everything that you do, from work to play and ultimately your quality of life. I am here to tell you that there is hope. You can get rid of your back pain and get your life back. At Performance Rehabilitation & Integrated Medicine, we have helped hundreds of back pain sufferers just like you. We only offer the most advanced non-surgical treatments. We are so confident that we can help eliminate your back pain, we are offering one free visit to see if treatment can help you. There is no obligation and the only thing you have to lose is your pain."

— Ron Spaggiola, DC

Why pain pills are NOT a long-term game plan

People often cover their pain by relying on prescription or even nonprescription pain pills. While this may work in the short term, the side effects can be alarming. How many people do you know are addicted to pain medications? How did the addiction start? The answer to this question is typically the same. Due to an injury, medications were prescribed which gave temporary relief and soon enough, the medication became necessary to function at all. Countless individuals have been innocently entangled with prescription pain pills while initially using them as prescribed.

Can time heal pain?

Yes, in some cases time can heal pain but that is not generally the case. At Performance Rehabilitation & Integrated Medicine we have treated too many people that have needlessly suffered for years with back and neck pain. They have also spent a fortune on everything from buying new mattresses to medications. It doesn't have to be that way. The doctors and staff at Performance Rehabilitation & Integrated Medicine have literally helped thousands of local residents relieve their pain without drugs or surgery.

Surgery should not be taken lightly

Some severe back injuries require surgery but most do not. At Performance Rehabilitation & Integrated Medicine, we believe that surgery should only be considered when all other options have been exhausted. If your back or neck pain is so severe that you are considering surgery we invite you to ask yourself this question: "If there is a long-term solution to back/neck pain that doesn't require surgery, is it worth an hour of my time to find out more?"

The Truth about Surgery

- Costs can exceed \$100,000
- Prescription pain medications will be introduced
- Surgery may not solve your pain problems
- Surgery can lead to even more surgery in the future
- Recovery time can be painful and prolonged
- Surgery cannot be undone if outcomes are not favorable
- Missed time away from work, family, friends
- Quality of life can be reduced

About Performance Rehabilitation & Integrated Medicine

The team of medical providers at Performance Rehabilitation & Integrated Medicine understand what individuals in pain are experiencing. Each has a deep commitment to your health and to you as a person. During your first visit you will receive personalized attention from a seasoned staff of medical doctors, physical therapists and acupuncturists. An analysis of your condition by the medical team in conjunction with a detailed treatment plan will be described in as much detail as possible. There is no pressure to accept treatment as the staff at Performance Rehabilitation & Integrated Medicine strives to create a relaxed environment by educating patients about their options. The ultimate decision maker is the patient.

What makes Performance Rehab's Approach so different?

The medical providers of Performance Rehabilitation & Integrated Medicine have made it their mission to treat patients without surgery or drugs. After years of study, training and trials, they have chosen only the most effective non-surgical options and have brought them together all under one roof.

• **Non-Surgical Spinal Decompression** — Non-surgical spinal decompression is an FDA cleared technology that can relieve disc herniations, sciatica, stenosis and general pain and numbness in the back, neck, legs and feet. Non-surgical spinal decompression does this by using advanced technology to control treatment duration, distraction/angle, intensity, and relaxation of the spine, thus creating a vacuum effect which pulls the disc back into its normal position and brings in a fresh blood supply to promote healing. The treatment is gentle and soothing, with no discomfort to the patient.

• **Specialists in Pain Management** — A medical specialty also known as Physical Medicine and Rehabilitation (PM&R). This methodology gives particular focus to non-surgical spinal treatment, sports injuries and Peripheral Neuropathy.

• **Cold Laser** — A comfortable, non-invasive procedure which is successful in treating chronic conditions without pain or discomfort to patients.

• **Physical Therapy** — A traditional treatment methodology aimed at the treatment and curing of certain ailments common to patients suffering with chronic or severe pain. Its primary aim is to bring back the patient to his/her normal self, free of any pain or suffering.

• **Acupuncture** — Through clinical trials, acupuncture has been proven effective in treating various medical conditions including back and neck pain and has been expanded into conventional medicine practices throughout the world.

SUPERINTENDENT BIRNBAUM RECEIVES AWARD FROM ROTARY CLUB

The Rotary Club of Plainfield-North Plainfield presented Dr. Marilyn E. Birnbaum, retiring superintendent of schools in North Plainfield, with its 2014 Service Above Self Award, at the club's 15th Annual Wine Tasting Dinner. The event was held at Giovanna's Restaurant in Plainfield on March 25, 2014.

After receiving the award, Dr. Birnbaum spoke of her love of and her appreciation for Rotary and all that it means to her. "I didn't know what to expect when I first joined Rotary nineteen years ago, but I soon learned what a great group of people I was joining" said Dr. Birnbaum. "We are like a family. "We get together to enjoy each other's company, to work on our projects, to spend an hour or so away from work each week. When our friend and member Bob Young died alone last year, people in the Club just stepped in and did what any family would do for their loved one. It was a very moving and emotional time for all of us."

Over one hundred people purchased tickets for the annual event, and a number of others sent donations to the Club's scholarship fund in honor of Dr. Birnbaum, along with complimentary and congratulatory messages.

A special gift of \$1,000 was donated by VIP Honda to fund the "Dr. Marilyn E. Birnbaum Scholarship" for a graduating senior this year. General Manager Adam Kuczynski gave the scholarship donation in recognition of Dr. Birnbaum's long and successful forty-three year career in education, all of which was dedicated

to the children and families in North Plainfield.

Between ticket sales, Silent Auction items, and donations, the Club raised over \$4,800 for the scholarship program. Rotary International's Polio Plus, a multi-year effort to eradicate polio from the world, received a \$225 check after the dinner, thanks to the contributions stuffed into the Club's "Polio Piggies," two piggy banks that were passed from table to table.

In addition to Dr. Birnbaum's award, the Club presented an honorary membership to Janet Townley. Janet is the wife of the club's secretary/treasurer, Michael Townley, and is actively involved in every club project and activity. Janet also received a Paul Harris Fellow Award from her husband. The Paul Harris Fellow is the highest award that a Club or individual can present in recognition of exemplary "Service Above Self."

The Wine Tasting Dinner was also a fundraiser for the Rotary club's scholarship program. "We award \$6,000 each year to graduating seniors from North Plainfield and from Plainfield high schools," said Ms. Mary Forbes, club president. "The dinner was a great way for people to not only recognize Marilyn's

many achievements, her dedication, and her pending retirement, but to also enjoy a delicious, five course dinner with fine wines accompanying each course."

The five course dinner was provided by Giovanna's, and included hot hors d'oeuvres; appetizers of Penne Pasta Filetto Di Pomodoro, Buratta cheese with prosciutto, roasted red peppers, and tomato; Veal Saltimbocca; Shrimp Francaise; and mini dessert trays.

Wines were provided by Berkeley Wines in Berkeley Heights, and included Gloria Ferrer Sonoma Brut NV, Sant'Agata Barbera d'Asti, Capestrano Passerina form Marche, Fattore le Poggette Rosso "Collito", and Cesani Vincenzo Vernaccia di San Gimignano.

For more information about the Rotary Club of Plainfield-North Plainfield, visit their website at www.RotaryPNP.org. The club meets every Wednesday at 12:15 PM at Giovanna's Restaurant, 1462 South Avenue in Plainfield. Anyone interested in learning more about Rotary and the club is invited to attend a meeting as a guest of the Club.

FIREFIGHTERS JOIN IN CHARITABLE EFFORTS

Submitted by The North Plainfield Fire Department

On March 22, 2014 the North Plainfield firefighters hosted their 11th St. Baldrick's Day head-shaving event. Borough fire headquarters welcomed more than 120 volunteer Shavee's from throughout the state and their supporters on the mild spring day raising over \$100,000 for the St. Baldrick's Foundation; whose mission is to raise funds and awareness and conquer kids cancers. By shaving their heads they stand in solidarity with kids who are bald as a result of their treatment.

Also in attendance as event V.I.P.s was Team Quinn from Martinsville, NJ; a group of elementary and intermediate school kids who joined together to support 5 year old Quinn Knapp who was diagnosed with cancer in August. They sell bracelets to support Quinn's family and raise awareness of kids like him. North Plainfield Firefighters awarded each member a symbolic medal in recognition of their efforts.

Mat Hannon, a 7-year-old cancer survivor was in attendance as a Shavee with the South Plainfield Fire Department Team. Born with

Ewings Sarcoma Matt had a 30% chance of living 5 years. He defeated cancer and is healthy today.

The event was enhanced with a silent auction organized by Woodbridge firefighter Chuck Mangione and his wife; presenting more than 20 donated gifts and services collected from local businesses and sale of custom made t-shirts by the North Plainfield firefighters; both raising more than \$1,300.00 for the St. Baldrick's Foundation.

Donations can still be made online at
stbaldricks.org/events/northplainfieldfire11

Or by check made out to;

The St. Baldrick's Foundation, with "North Plainfield, NJ Fire E24" on the memo line. Drop off at fire headquarters attention Captain Beattie.

The North Plainfield Professional Firefighters IAFF Local 2983 and Fire Officers IAFF Local 2983 are grateful for the opportunity to host the annual event that has quickly become tradition in our community.

BOROUGH OF NORTH PLAINFIELD 2014 CLEAN COMMUNITY DAY

Saturday, May 3rd - 9:00 AM to 1:00 PM

You are invited to take part in our Eighth Annual Clean Community Day sponsored by the North Plainfield Forum and the Borough of North Plainfield. This day will be an opportunity to meet neighbors, make friends and work together to clean several areas in our community in commemoration of Earth Day.

The day will begin with registration at 8:30 AM at the North Plainfield Community Center (614 Greenbrook Road) and then move to the areas to be cleaned. Residents are welcome to organize a crew or come on their own. All civic groups and organizations are encouraged to participate! Children are welcome and encouraged to take part in Clean Community Day, but must be at least 7 years old to participate and accompanied by an adult.

Those helping are asked to wear appropriate work shoes or boots, and gloves. Bring a rake if possible! Other supplies will be provided by the borough. T-shirts will be given to volunteers at registration.

A picnic style lunch will be served to all volunteers on the Community Center Side Lawn at the end of the work day!

For more information, please call the Mayor's Office @ (908) 769-2902

COUNTY RESIDENTS CAN HELP "CURB HUNGER"

You can help "curb hunger" in your community! For the 20th consecutive year, the Somerset County Board of Freeholders, the county Recycling Center, county and municipal public works crews, the Food Bank Network of Somerset County and Curbing Hunger Inc. are conducting the Curbing Hunger food drive throughout Somerset County. Orange plastic bags are distributed to all households in May – look for one tied to the handle of your recycling bucket. Or, you can use any plastic grocery bag – just mark it with the word "Food." Please place canned food donations in the bags and leave them at the curb on your regularly scheduled recycling collection days from June

2-27. This gives every household two opportunities to donate. The food is distributed to the Food Bank Network and to other food pantries in the county.

The "most needed" list includes Parmalat milk, canned meat and fish, "meals-in-a-can" such as pasta, stews and meaty soups, canned tomato sauce, canned fruits, and peanut butter and jelly in plastic jars. Perishables and food in glass containers cannot be accepted.

Anyone wishing to make a monetary donation may send a check payable to Curbing Hunger, Inc. at P.O. Box 202, Basking Ridge, NJ 07920. There also is an online donation option at www.CurbingHunger2014.org

CELEBRATE DÍA WITH BILINGUAL AUTHOR

The North Plainfield Library will be celebrating El día de los niños/El día de los libros (Children's Day/Book Day), commonly known as Día, on April 30, 2014. Día is a nationally recognized initiative and celebration of children, families, and reading.

Join local children's book author, Alidis Vicente, for some salsa music & dancing as you try to figure out who's the culprit of her latest bilingual chapter book, *The Missing Chancleta & Other Top Secret Cases*. Learn more about Alidis as you enjoy a Q&A of what it's like to be a bilingual author. The program, for children ages 8-12, will be on Wednesday, April 30 at 3:30pm in the Library's Program Room. The program is free and

registration begins April 16.

The North Plainfield Library, a branch of the Somerset County Library System, is open Monday-Saturday. Hours of operation are Monday through Thursday from 9:30am to 9pm and Friday and Saturday from 9:30am to 5pm.

Día was founded in 1996 by children's book author Pat Mora, who proposed conceptually linking the existing Children's Day with literacy. The founding partner of Día is REFORMA, the National Association to Promote Literacy and Information Services to Latinos and the spanish-speaking.

Patrons with further questions can call SCLS at (908) 755-7909 or visit the website at <http://www.sclsnj.org>. The Somerset County Library System has branches in Bridgewater, Bound Brook, Hillsborough, Manville, at the Mary Jacobs Library in Rocky Hill, North Plainfield, Peapack & Gladstone, Somerville, Warren Township and Watchung.
