SCIENCE HONOR SOCIETY PREPARES FOR CHALLENGE

Members of the Rahway High School chapter of the Science National Honor Society held a demo event recently to prepare for Science Challenges they will be performing during lunch periods during the week of April 7th. They have prepared scientific demonstrations to answer these questions:

Who will make the best nail design? Who will make the biggest bubble? How do you make ice cream in a plastic bag? What poprocks blow up the largest balloon?

The week is designed both for fun and to help others learn about science also. Winners among the student body will receive a prize.

The nail design demonstration is based on water marbling. Nail polish is dropped in water. Since it is a non-polar substance, it will separate from the water, a polar compound. Since nail polish has a lower density, it will float on the water. Participants will use toothpicks to marble the floating polish. Their fingers will be taped, exposing only the nail, which is then inserted in the water with the polish floating over the nail. Then the tape is removed as the nail polish dries.

This is a new chapter of the Science National Honor Society. Members also plan to engage in community service

later this spring by participating in the Rahway River cleanup. The club advisors, Ms. Janet Tuohy, a chemistry teacher and Ms. Reba Ducore, a biology teacher have been excited by their students' enthusiasm.

(above, l-r) Rahway High School's new Science National Honor Society members, Yuleisy Ortey, Rollund Mansing, Josue Martinez, and Sherley Rios have created a Nail Marbling event to teach and entertain other student body members during Science Challenge Week held in the school cafeteria, beginning April 7.

RAHWAY DAY IS ON THE WAY

On Saturday May 3rd, the Rahway Chamber of Commerce will host Its 3rd annual Rahway Day. The celebration will take place from 10 a.m. to 2 p.m., rain or shine, at the Rahway Public Library, 2 City Hall Plaza.

The purpose of Rahway Day is to showcase our Public Library and all that this community has to offer to residents and businesses, while welcoming new comers to our town. The Chamber of Commerce would like to encourage people to "Think Rahway First", which is the overall theme of the event. There will be activities for all ages.

The Friends of the Rahway Public Library, will once again host their "Race Around Rahway" scavenger hunt, to take place starting at the Public Library and continuing around the downtown area.

Admission to Rahway Day is free and open to the public.

If you would like to get the word of your business out to our residents, consider purchasing table space or sponsoring the event. Information can be found at www.rahwaychamberofcommerce.com, or you can email rahwayday@rahwaychamberofcommerce.com and a packet will be emailed to you. For sponsorship inquiries contact Johnson PR & Events at 732-713-1167.

ROBOTICS TEAM WINS TWO TROPHIES, MAKES IT TO SEMI-FINALS

Robo-Tribe Team 1228, the robotics team from Rahway High School participates in the FIRST competitions each spring. FIRST, an acronym for “For Inspiration and Recognition of Science and Technology,” is a national program that promotes youth interest in science and technology. Dean Kamen, entrepreneur and inventor of the Segway human transporter and insulin-pump technology, founded the program in 1989.

Recently, the Rahway High School competed twice, first at Mount Olive High School and then at Clifton High School. At Mount Olive, Team 1228 won its second Excellence in Engineering award in a row. This award, sponsored by Delphi celebrates an elegant and advantageous machine feature. The team that wins this award must be able to describe as well as demonstrate the chosen machine feature.

Although they had plenty of pressure and juice in their battery, this team discovered that they could not follow the straight and narrow path to score. Although their machine would start to head in the correct direction, it would soon begin to wander. So, team members came up a a simple solution, by measuring the distance each side of their machine moved. They knew that they were dealing with more than a simple arcade game following a dotted line.

In addition, they placed second at the FIRST

Robotics Competition (FRC) Mid-Atlantic Robotics (MAR) District Qualifier Competition at Clifton High School. The event took place on March 15 and 16. Team 1228 was ranked second out of 31 teams with a record of 10-2-0. They were able to make 2 balls in autonomous and for the first time in 11 years, made it past quarter-finals into the semi-finals. They also won the Innovation in Control Award for their 3D printed parts sponsored by Rockwell Automation. This award celebrates a team’s innovative control system and application of control components.

Rahway High School is a culturally diverse, comprehensive high school where excellence is expected, achieved, and celebrated in the

classroom, on the field, and in the arts and sciences, and community service is encouraged.

(above, l-r) Ryan Silva and Justin Martin members of Rahway’s Robo-Tribe Team 1228 display the Excellence in Engineering prize the team won in the Mount Olive competition.

RAHWAY HIGH SCHOOL ROBOTICS TEAM TO COMPETE FOR REGION CHAMPIONSHIP

A team of 40 students from Rahway High School and their robot will travel to Lehigh University on April 10 to spend the weekend competing against 50 other teams in the Mid-Atlantic Robotics Region Championship.

Team “RoboTribe” was formed 11 years ago and is a respected competitor in the tri-state region. This year, the team has won the “Excellence in Engineering Award” and the “Innovation in Control Award” at district qualifying events.

Mid-Atlantic Robotics’ competitions closely resemble raucous sporting events – complete with cheering crowds, mascots and banners. Each robot competes in a three-team alliance against a second similar alliance in a game that changes every year. This year’s game is called Aerial Assistsm and involves the robots throwing 25” balls into goals of varying point values over a two-minute, 30-second period.

For more information about Mid-Atlantic Robotics, visit midatlanticrobotics.com.

RAHWAY POSTS STELLAR TRACK PERFORMANCES IN POST SEASON MEETS

Congratulations to the Rahway High Winter Track Team on a series of outstanding achievements in post-season play at the NJSIAA Meet of Champions, the Eastern States Championships, the State Group 2 Championships and the Union County Championships.

Special congratulations to Deshawne Bunion on being chosen as all-area first team in the 400m by the Home News Tribune. The honor is well-deserving as Deshawne solidified himself as one of the top 400m runners in the State of New Jersey. Deshawne was runner-up at the Union County Championships and then went on to win the State Sectional and State Group titles before finishing third at the New Jersey State Meet of Champions. Deshawne closed out a magnificent season finishing third in the emerging elite 400m at the New Balance Indoor National Championships.

Deshawne and his 4x400 relay teammates were named all-area second team. The team of Deshawne, Jordan Scott, Thorne Roberts, and Harlan Clarke won the event at the Union County Relays, Union County Championships, State Sectional Championships and The Group 2 State Championships before finishing sixth at the Meet of Champions and tenth at the New Balance Indoor National Championships.

At the Meet of Champions, the Lady Indians finished 22nd in the 4x400 Relay. The team of Nina-Simone Murriell, Alana Peterson, Assata Edwards and Gabrielle Charles were the first quartet since 2010 to qualify for the Meet of Champions in this event.

At the 80th annual Eastern States Championships, held February 24 at the Armory in New York City, Deshawne Bunion posted a sizzling time winning his heat of the 400m. His time, which is the second fastest in school history and is the third fastest in the state this season, earned him fourth place overall. Harlan Clarke won his heat of the 800m posting a personal best performance and the second fastest time in school history. Less than an hour later Deshawne and Harlan teamed up with Jordan Scott and Thorne Roberts to win the seeded heat of the 4x400 Relay. The Indians blazed the sixth fastest time in school history and the 17th fastest time in the nation this season.

Bianca Bumpas moved up to third in Rahway history in the shot put, while the 4x400 relay of Nina-Simone Murriell, Alana Peterson, Assata Edwards, and Gabrielle Charles ran the third fastest time in school history.

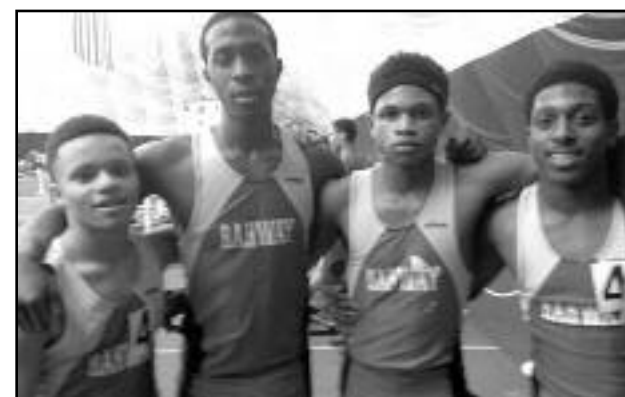

In the Group 2 Championships held Thursday, February 20 at the Bennett Center in Toms River, the Indians finished in second place in the team standings. Junior Captain Deshawne Bunion led the Indians by winning his first individual state group title. Deshawne took home gold in the 400m and then teamed up with Jordan Scott, Thorne Roberts, and Harlan Clarke to win the 4x400 Relay. Harlan Clarke took third place in the 800m running the third fastest time in school history. Kurt Williams also finished second in the 55 Hurdles.

The Lady Indians had a stellar performance in the 4x400 relay. The team of Nina-Simone Murriell, Alana Peterson, Assata Edwards, and

freshman Gabrielle Charles finished fourth.

In the Union County Championships held January 23 at the Armory in Jersey City, the Indians took second place led by outstanding performances by Senior Captain Harlan Clarke and the meet record breaking 4x400 Relay. Harlan brought home the gold medal in the 800 Meter Dash and then teamed up with Jordan Scott, Thorne Roberts And Deshawne Bunion to smash the meet record in the 4x400 Relay by three seconds. Other medal winners for the Indians included: Deshawne Bunion (second, 400m), Jeffrey Reyes (third, 55 hurdles), and Joshua Michel (third, shot put). Thorne Roberts, Tyler West and Nadir Williams-McLaurin also scored for Rahway.

Rahway High School is a culturally diverse, comprehensive high school where excellence is expected, achieved, and celebrated in the classroom, on the field, and in the arts and sciences, and community service is encouraged.

PROM DRESS DONATIONS

Blue and Gold club member Atalie Lopez sponsored a clothing drive at Franklin School in Rahway, in which staff, students and families donated gently used prom and formal dresses. Atalie collected 20 dresses that were donated to The Jumble Store, a non-profit thrift shop that is owned and operated by the Junior League of Elizabeth-Plainfield. The thrift store helps make prom a reality for young women.

(above) Atalie Lopez donating the dresses at The Jumble Store.

KIDS WORKING FOR KIDS: RAHWAY HIGH KEY CLUB RAISE \$600 FOR CHILDREN WITH LEUKEMIA

Recently, officers from the Rahway High School Key Club pressed ahead to overcome obstacles created by the recent storms and raise \$600 in a single week with a Pennies for Patients campaign for children with leukemia under the auspices of the Leukemia & Lymphoma Society. The fund drive was originally scheduled for February 3 through 14, but because of the days from school lost to storms, they raised all the money between February 18 and 25. President Bianca Dominguez, Vice President Shannon Loffa, Secretary Rachel O'Reilly, and Treasurer Madison Sullivan Hennessy and other members of the club baked and put collection boxes in all classrooms, labs, and offices. During lunch and study halls, they distributed and collected boxes and worked in the cafeteria, rewarding those who donated by giving them homemade treats. The students also worked to raise awareness through Kudos, the school broadcast class, by creating a video commercial viewed throughout the school, which can be viewed on the school website.

All this hard work increased the amount collected over prior year's total of \$250 from \$350.

(above, l-r) Rahway High School Child Study Team Secretary and Baker Palma Pizza, Key Club President Shannon Loffa, Secretary Rachel O'Reilly, President Bianca Dominguez, and Club Advisor Edie Rieder with a donation box for the recent Pennies for Patients campaign which raised \$600 for children with Leukemia.

HARSH WINTER WEATHER LEAVES LOCAL AUTO DEALER OVERSTOCKED

Hundreds of Cars Marked Down to Clear Inventory

North Plainfield, NJ- Global Auto Mall, a well-known local automotive sales dealer, has more than just snow piling up. The recent rough weather has left them with a huge surplus of brand new cars, trucks, SUVs that need to be sold. A Snow Emergency Sales Event is being held to clear out their inventory to make room for new shipments.

This special event will have hundreds of cars to choose from ranging from brand new models to pre-owned vehicles all priced to move quickly.

The Snow Emergency Sales Event will feature major brands including: Chevrolet, Hyundai, Jeep, Kia, Mitsubishi and a large variety of over 250 pre-owned makes and models.

This big event will be held at:
Global Auto Mall, 1099 Rt 22 West,
North Plainfield, NJ 07060 or Call:
1-866-645-4337 for easy directions.

The Global Auto Mall Sales team is prepared to move as much inventory as possible to manage this overstock and are offering great deals on their entire inventory to Local Residents like

yourself only. Global's General Sales Manager, Rich Locurto, says, "Our prices are already great and with the added specials it won't be hard to find a great price on the vehicle you want."

CREDIT PROBLEMS ARE NEVER A PROBLEM!

Credit problems are never a problem at Global Auto Mall. All are welcome to call in for information or visit during

this event. A Global financing expert is onsite and available to work out a great loan and financing plans for every customer. Their financing office is prepared to work with any customer's budget.

The Snow Emergency Sales Event is scheduled for a limited time only. Once it's over, it's over! Hurry in to Global Auto Mall today and drive home with the vehicle you've always wanted at a price you'll love. For further information please call anytime at 1-866-645-4337, or visit **www.globalautomall.com**.

The Rahway Chamber of Commerce Presents Its Second Annual BUSINESS OF THE YEAR

The Rahway Chamber of Commerce is accepting nominations for the 2013 business of the year.

The criteria for consideration are as follows:

- The business must have been operating for the entire 2013 calendar year.
- The business must have contributed to the enhancement of Rahway, during 2013.
- The business must have a permanent, physical Rahway address.

Please submit your nominations to Tony Ferraro,
either by E Mail: tonyferraro@comcast.net,
or fax: 732-396-3999,
or Mail: K and K Recognition Awards,
1850 Elizabeth Avenue, Suite A,
Rahway, NJ 07065.

Nominations only will be considered if they are signed and dated with a return address.

Deadlines for submissions are April 25, 2014.

Voting will open soon after,
and the Rahway Business of the Year will be awarded at Rahway Day on May 3, 2014.

LIBRARY HISTORY DATES BACK TO CITY'S INCORPORATION – 1858

Submitted by Al Shipley, City historian and Rahway Library Research Consultant

On Saturday evening, March 22, 2014, the Friends of the Rahway Library hosted a gala celebration to commemorate the 10th anniversary in their ultra-modern building, located at 2 City Hall Plaza overlooking the scenic Rahway River. For many of the guests who were socializing in the spacious main floor of the state-of-the-art facility, one might not be aware of how the library's 156 year history is woven through the history of the city.

In 1847, William Squier and five other prominent gentlemen organized a small, private library in the Exchange Building which was on Irving Street adjacent to the railroad tracks. After a few years, the men realized the difficulties in running a library and eventually removed the books and divided them among the subscribers. Mrs. Catherine Squier, William's wife, thought the concept of a permanent library was basically sound and attributed the initial failure to the fact that no women were involved. With a new project in mind, the altruistic Mrs. Squier gathered a group of community spirited women and began a search for books and a location for their proposed library. Susan Woodruff, principal of a girls' "select school" which was located on Oliver Street between Grand Avenue and Union Street, offered this new group of trustees a small room in her school. Thus, with a new home and 144 books, Rahway's first library opened on June 15, 1858.

The library proved to be successful, but the space soon became overcrowded. This time the trustees decided to take a major step and build a new structure. An ideal parcel of property was available on the corner of Irving Street and Seminary Avenue and with donations from citizens, the property was obtained and books purchased. In 1864, the beautiful new library, designed in the Greek Cross architectural style, with a mansard center roof and gabled wings, opened with shelves containing 1,500 books.

The library continued to expand over the next seven decades. A two-story addition was built onto the rear of the original building in 1891 and in 1907 a children's department was added. On January 11, 1941 the city became the official caretaker of the operation establishing the Municipal Free Public Library of Rahway.

As the community continued to grow, so did the library in both use and resources. In 1959 the building was bursting at the seams making it necessary to move the children's department to the basement of the city hall on Campbell Street. Even after this move, the trustees, realizing the building was nearly 100 years old and obviously antiquated, began making plans for a new building. To this end, a library was eventually built on the south-east corner of St. Georges Avenue and Central Avenue and opened on July 18, 1967. The building was a modern, 21,000 square foot structure with shelving for 74,000 volumes.

The demise of the St. Georges Avenue site was not caused by overcrowding or the need for modernization, but rather by the ravages of Tropical Storm Floyd. On Thursday, September 23, 1999, torrents of rain

caused the Rahway River to overflow its banks, completely filling the library basement and covering the first floor with 18 inches of water. It was estimated that damages exceeded \$750,000. To the city's chagrin, not only was the building deemed beyond repair, but it was concluded that the corner site could be susceptible to future flooding and should be discounted as a spot to rebuild.

For the next four-and-a-half years, city officials spent time and energy finding a suitable location, developing the plans, and securing the funds that ultimately produced the present library. The \$15 million, 32,000 square foot, high tech facility is wired for high speed access to service 36 Internet capable computers. The library has over 110,000 books available for patrons to borrow along with countless numbers of CDs and DVDs. Numerous rooms were built into the floor plans to accommodate programs and activities to fill the needs and interests of all age groups. A Rahway History room is located on the second level where young and old can research local, Union County, and New Jersey history.

In the summer of 1863, when plans for the Seminary Avenue library were being prepared, the trustees had one goal in mind – to build a building "that would be a credit to the City of Rahway." The new library, celebrating its tenth year, has proven to be like its predecessor, "a credit to the city."

(above) The Irving Street/Seminary Avenue building (photo c. 1950) was Rahway's library until 1967. Since that time, it was used as the Claude H. Reed Cultural and Recreation Center and currently houses the Arts Guild of New Jersey.

LIBRARY CELEBRATES 10 YEARS

Nearly 100 guests gathered at the Rahway Public Library on Saturday, March 22, to celebrate the 10 years that the library has been at 2 City Hall Plaza. The elegant evening featured live music from the bossa nova combo Framework, delicious light fare, and an open bar. Attendees wore their best, and the library itself was made festive with lights, linen tablecloths, and flowers.

AMAZING FUN IN STORE AT AMAZING RAHWAY RACE

Submitted by Colin Gittens, President of the Friends of the Rahway Public Library.

Colin Gittens

the steps of the Rahway Public Library.

The race is similar to the Amazing Race program seen on television, but instead of sending competitors to other countries for clues and adventures, the race takes place in the center of town, in an area proximately bounded by the library on the south and east, the NJ Transit railroad tracks on the west, and the Union County Performing Arts Center on the north.

Each team is given a sheet of about 10 challenges that could include word or math puzzles, geography-based riddles, or physical challenges. A memorable challenge in last year's race required a team member to place an Oreo on his or her forehead while bending over backwards, and then getting that cookie into his or her mouth...without the use of hands! While that may sound impossible, it is not—and, for the competitors, it was sidesplitting fun!

The race may also require that teams collect certain items, take photographs of particular places (so a camera phone is needed!), or document an encounter with a memorable character. In all, it makes for great family fun (suggested for ages 8 and up)! Although knowledge of Rahway landmarks may be helpful, it is not necessary—anyone can participate.

Teams can include up to four members. Although larger teams may be able to solve clues faster, smaller teams may have an advantage when completing the physical challenges. So choose your team carefully! And

The 4th annual Amazing Rahway Race, a two-hour scavenger hunt centered in downtown Rahway and pitting teams against the clock and each other, is on the mark and set for Saturday, May 3rd, beginning at 11 a.m. on

given that the race is only a few short weeks away, you'll want to begin putting that team together now!

Teams are encouraged to dress alike or in costumes. Prizes will be awarded to the top three teams finishing, and also for the best team costume. Once again, there will be a separate category for Rahway businesses, which can compete for the business division plaque. Last year's business winner, Classic Comics, has had this trophy proudly displayed on their wall since last year, and they are not ready to give it up!

The entry fee is \$8 per team member, and teams can register online at <https://race2014.wufoo.com/forms/amazing-rahway-race-2014-registration/>. Entry forms are also available at the Rahway Library web page (<http://www.rahwaylibrary.org/home/>) or by contacting the race organizer, Eric Miles (eric.miles.399@facebook.com). Simply complete the form and return it with a check payable to "Friends of the Rahway Public Library." Forms can be left at the library reference desk or mailed to: Friends of the Rahway Library, 2 City Hall Plaza, Rahway, NJ 07065. Race-day registration will also be available beginning at 9:30 am.

More information about the race will be provided in the weeks ahead at the race Facebook page facebook.com/rahway.race and at the Friends page facebook.com/pages/Friends-of-Rahway-Public-Library. Be sure to visit (and like!) these pages.

After helping countless local knee pain sufferers discover relief, local Doctor warns... **"If You Or A Loved One Are Scheduled For Knee Surgery Then, Read This Article Before It's Too Late!"**

There is a safe, non-surgical FDA cleared treatment now available locally that has been proven to effectively reduce and even eliminate knee pain... and the best part is It's Covered By Most Insurance Including Medicare!

Union County, New Jersey- A century ago the average American lived to about 50 years of age. Today we're living to nearly 80 years of age. While that fact alone is astonishing even more so is that today's population remains active well into their 70's and 80's. It is no longer uncommon to hear about a 70 year old playing tennis, or an 80 year old shooting a round of golf with friends. However for the estimated 50 million adults in the United States who have some form of arthritis, the image of an active lifestyle may seem all but a distant memory, until now...

A revolutionary new non-surgical treatment called Viscosupplementation (VS) Therapy is providing hope and relief for many knee pain sufferers. Offered locally by Northeast Spine & Wellness Center, this procedure is minimally invasive, requires no surgery, can provide immediate relief, and has little to no recovery time.

If you are experiencing any of the following symptoms in your knee or joints, chances are your pain is due to a condition called osteoarthritis, and you may be a candidate for care:

- **Pain:** Your joints may ache, or the pain may feel burning or sharp. For some people, the pain may come and go. Constant pain or pain while you sleep may be a sign that your arthritis is getting worse.
- **Stiffness:** When you have arthritis, getting up in the morning can be hard. Your joints may feel stiff and creaky for a short time, until you get moving. You may also get stiff from sitting.
- **Muscle weakness:** The muscles around the joint may get weaker. This often happens with knee arthritis.
- **Swelling:** Arthritis can cause swelling in joints, making them feel tender and sore.
- **Deformed joints:** Joints can start to look like they are the wrong shape.
- **Reduced range of motion and loss of use of the joint:** As your arthritis gets worse, you may not be able to fully flex, or extend your joints. Or you may not be able to use them at all.
- **Cracking and creaking:** Your joints may make crunching, creaking sounds.

If you are experiencing any of the above mentioned symptoms, don't worry, there is hope. Many that have undergone VS Therapy report these very symptoms, only to see them reduced or even eliminated after receiving care.

Until recently, the only advice for many suffering from knee and joint pain was to:

- Try exercising
- Try physical therapy
- Try pain pills
- Try muscle relaxants
- Try pain shots
- Try dangerous surgery

If you are tired of trying treatments that don't provide lasting relief, or if you are afraid to try any of these treatments, don't worry. If you have tried any of these treatments and experienced little to no relief, you may still be a candidate for Viscosupplementation Therapy. Call (732) 827-0800 and schedule a no cost screening today! *You have nothing to lose but your pain!*

According to the American Academy of Orthopaedic Surgeons (AAOS), there are about 270,000 knee replacement operations performed each year in the United States; this image depicts the procedure.

How does this therapy work?

Northeast Spine & Wellness Center uses high tech medical equipment and decades of experience to pinpoint problem areas with extreme accuracy. Viscosupplementation is then injected into the knee joint and bonds with naturally occurring joint fluid to create a lubricating and cushioning layer. This reduces pain, inflammation, and swelling of the joint. Most patients compare the treatment to getting a flu shot and report little pain or discomfort.

What is injected into the knee?

Hyaluronic acid (Hyalgan) is a natural substance extracted from rooster combs and purified to mimic the lubricating substance (synovial fluid) that occur naturally in the joint. In patients with osteoarthritis synovial fluid "dries up," allowing the cartilage of the joint to rub against itself and other surfaces causing pain, inflammation, and in most cases damage to the joint. Think of this treatment like oiling a squeaky door hinge. Once applied, the squeaking stops and the door moves more freely.

When will I feel results?

Most feel an immediate reduction in pain and return to normal activities in weeks.

Considering surgery?

People who suffer from knee pain typically try supplements or pain medications before seeking help from a doctor. When all else fails and the pain is too much, some feel surgery is the only option.

How do I know that this is right for me?

The American Academy of Rheumatology recommend the use of Hyalgan for treatment of osteoarthritis of the knee. At Northeast Spine & Wellness Center we will give you an honest and fair evaluation of your particular knee pain. To accommodate demand, we have opened our schedule to provide "no cost" screenings.

Real Patients, Real Stories, Real Relief!

"My knee feels great. I was a bit skeptical when I first read about the program in the paper but from the moment I walked through the door I knew that this program was going to be different. The entire atmosphere from the attitude of the staff to the office itself put me at ease. I had already had a total knee replacement and wanted to try something rather than go through another painful surgery. After completing the program my initial impression was correct. I can now dance again which I have not done in years, and my lifestyle is on its way back to normal."

- Elizabeth B.

Surgery is no longer your only option. Hope does exist, and this therapy has helped others like you.

So what are you waiting for? Pick up the phone and call us today to schedule your risk-free, no-obligation, screening at no cost to you. Since adding this medical breakthrough to our practice, the response has been overwhelming. So we've added extra lines to accommodate your calls. If our line is busy, or if you are re-directed to voice mail, please leave a message or call back. Living pain free and getting your life back is well worth the time and effort it might take to get a hold of us so that we can schedule your no-cost screening. So keep calling - help is only a phone call away... (732) 827-0800. While you are trying to reach us, please feel free to visit www.NESpineCenter.com where you can learn more about Viscosupplementation Therapy and how it may be the right solution to your knee pain.

QUIVER FARM VISITS RAHWAY

(above) Farmer Ed from Quiver Farm and Kaitlyn Lagun from Mrs. Beese's preschool class. Quiver Farm visited the Grover Cleveland preschoolers on April 3, 2014 as a culminating activity for the farm unit of study.

PANSIES & VIOLETS

The State flower of New Jersey, The Common Blue Violet shown with our state bird, The American Goldfinch.

After a long and brutal winter, garden centers and stores are once again full of brightly colored pansies. These delightful small spring plants come in a wide range of colors, blends and 'faces' on the same flower. White, yellow, blue, purple, orange and mixed. Choosing your pansies can be a great deal of fun. A pot of pansies by your door is a

wonderful welcome to family, friends and yourself arriving at your home. Pansies also make a wonderful hostess gift.

The very popular 'ohnny Jump Up' has a small yellow and purple flower and reseeds itself successfully in our area.

Pansies are members of the large family named 'VIOLA'. The state flower of New Jersey, the tiny 'Common Blue Violet' can be seen blooming in our local parks and lawns in mid-spring.

For us, pansies are a spring flower which will bloom for three months until the heat of summer forces them to fade away. In warmer climates, pansies can be planted in the autumn and will bloom though the winter and spring, then fade when the summer heat is too much for them. When pansies wilt in early June, I replant the pot with summer annuals. Remember that potted plants do need more watering than flowers planted in the ground. Also match your plants with the amount of sunlight it will receive. In the garden plant violets in ordinary well drained soil, out of direct afternoon sun and keep the soil

Rahway resident gardener "Extraordinaire" James Keane, has been researching and answering garden questions since 1995.

slightly moist.

To keep pansies blooming well, 'DEADHEAD' the spent blooms. Once or twice a week pick off wilted flowers with your fingertips. This prevents the plants using energy to produce seeds and diverts it to create many more flowers. Pansies react great to this process, often blooming twice as many flowers.

Often pansies are sold root bound. This means the roots are overgrown in a tight knot at bottom. When you take the pansy out of the cell pack you will find a white mass of tangled roots. This will prevent the plants from absorbing water and will stunt them. Break the bottom of the root ball with your fingers or a knife before repotting to promote healthy growth. The plants will respond to this process better than you might think.

Happy Gardening, James

Please support our local garden centers. They depend on our seasonal business and sell the largest selections of plants, flowers and vegetables.

SOLD!

Bob,
The house sold for more than we anticipated and closed much sooner than we ever expected. What more can a seller ask for?
Thanking you again,

DANCING YOUR WAY TO BETTER HEALTH

In honor of Dr. Zientek's 30th anniversary of directing Dr's Choice in Rahway, he hosted April in Paris, a unique celebration. The event featured ballroom dancing,

which is fun exercise for all ages and abilities—not to mention, a great way to promote health and wellness.

Physically, dancing is a great body conditioner. It increases stamina and will develop that circulatory "second-heart", strengthen legs and generally tone the body over-all. Mentally, ballroom dancing not only serves as a stress reliever, but can also improve memory, discipline and self-confidence. These benefits tend to transfer to other aspects of a dancer's life. The payoff can be significant!

Mark Zientek, a Rahway native, takes great

pride in serving Rahway and its surrounding communities. He is an active member of both the Rahway YMCA and the Rahway Chamber of Commerce, who endorsed April in Paris.

"The event was a huge success! Not only was I able to share a fun evening with my peers, but everyone in attendance was able to feel the benefits of ballroom dancing first-hand." said Zientek.

April in Paris was held on April 5th at the beautiful Hamilton Performing Arts Center. Dr's Choice, located at 1082 St. Georges Ave. in Rahway has been providing medical,

chiropractic and physical therapy care for 30 years. Call 732-388-4787 for an appointment today and find out how ballroom dancing can improve your health and wellness!

20 YEARS OF SERVICE RECOGNIZED

(above, l-r) Members of the Rahway Environmental Commission accepting a resolution commending the Commission for its 20 years of service to the City and for Commissioner Harry McDowell the last original member of the Rahway Environmental Commission - for his 20 years of continuous service. The Environmental Commission was created March 8, 1993 with the mission to address environmentally important issues and make recommendations to the City in order to improve the quality of life of Rahway residents. In its 20 years Commission accomplishments include creating a sustainability element for the City's Master Plan, coordinating cleanups of the Rahway River, and serving as the Green Team to help Rahway attain silver status in the Sustainable Jersey program.
