CLEAN COMMUNITY DAY VOLS APPRECIATED

Letter from the Mayor Michael Giordano, Jr.

I would like to take this opportunity to express my sincere thanks and appreciation to those who participated in Clean Community Day. The North Plainfield Forum and the Borough of North Plainfield cosponsor this event which originated as Paint the Town and Green the Brook by the Forum many years ago to help enhance pride in our community.

The day was a huge success with almost two hundred volunteers coming out to scour the Borough for litter and trash. The list of participants includes members of our Recreation Departments' Baseball and Softball teams, the Soil Sisters (caretakers of the Library), Watchung Avenue Presbyterian Church, Holy Cross Church, North Plainfield Baptist Church, North Plainfield Board of Education employees, Joshua's Closet, Junior Canucks, North Plainfield High School Interact Club, the Plainfield/North Plainfield Rotary, Cub Pack 135, North Plainfield Forum members, as well as many families and individuals who came out to clean and beautify our town. The North Plainfield Girl Scout Community had the largest showing this year with – all sectors of the Borough were represented.

The Mayor and Council along with members of the Special Events Committee held a post-clean up picnic at the Vermeule Community Center immediately following the clean up. Hot dogs and hamburgers were prepared by Councilman Larry LaRonde and Special Events Member, Lisa Del Negro. The Public Works Department helped coordinate the day, thanks to Director Jim Rodino. The Police Department also provided supervision and support. Planning Board Chairman Tom Fagan checked on participants during the day, encouraging them and handing out water, gloves and trash bags. All participants received a Tee-shirt and a certificate of appreciation.

Special thanks go to former Mayor Janice Allen, Forum Chair and Gail Cain, Forum Vice Chair and Administrative Assistant to the Mayor, for organizing, publicizing and leading the event.

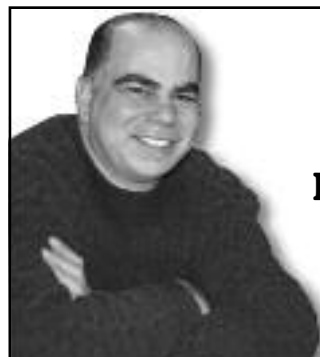

Thank you to all those who helped beautify our town. Your cooperation and desire to make our town better for all demonstrated your community spirit and made the day a great success. We hope to see you all next year, and don't forget to bring your friends.

New FDA Approved Treatment Proven to Relieve Knee Pain

TREATMENT COVERED BY MOST MAJOR HEALTH INSURANCE PLANS – INCLUDING MEDICARE

Did you know that over 100 million Americans suffer from knee and joint pain? In fact, this pain accounts for one fourth of all visits to primary care physicians and half of all anti-inflammatory drug prescriptions. If you suffer from any degree of knee or joint pain Drs. Mejia & Spiaggia of Performance Rehabilitation & Integrated Medicine personally invite you to regain control of your life by scheduling a FREE step one consultation with their staff. Call now. You deserve to live pain free!

Who is a good candidate for this treatment?

- Have you been diagnosed with osteoarthritis?
- Do you wake up with knee, shoulder, or joint pain?
- Does your knee, shoulder, or joint pain keep you from certain activities?
- Have you been told you need a knee replacement?
- Are you active and sometimes suffer from sore knees or joints?
- Do you take medications for knee or joint pain?
- Do you have difficulty going up and down stairs due to knee pain?
- Are you considering surgery to alleviate knee pain?
- Does your knee ever feel like it is "giving way" or unstable?
- Has a recent car accident caused you a knee or joint injury?

If you answered yes to any of these questions, call now to schedule a FREE step one consultation.

Is surgery the answer?

If you have knee pain and are worried, concerned, or afraid of the possibility of surgery, you're not alone. Most likely, you've heard stories about knee surgery and the outcome not being good. You may also know someone who had surgery and their knee was never the same. You don't want the next unnecessary and preventable knee surgery story to be about you, but the pain is not going away and your life is being altered because of it. You may have tried getting information on the Internet about the best course of action for you to take, but there's so much conflicting advice that you're scratching your head about who you can believe and trust. If you are considering surgery, you owe it to yourself to schedule a FREE step one consultation with Performance Rehabilitation & Integrated Medicine first.

What else is available to treat knee pain?

Drs. Mejia & Spiaggia and their staff have taken years to carefully develop a customized treatment program for those suffering with knee and joint pain. This new treatment protocol utilizes the latest high-tech FDA approved solution available combined with cold laser technology, physical therapy, acupuncture and joint mobilization & stimulation. The patient's lifestyle is also taken into consideration as stretches, exercising, and lifestyle skills are taught for a lifelong approach to relieving pain.

How does this treatment work?

Utilizing dye and a cutting-edge live motion x-ray machine, the doctors and staff are able to pinpoint

problem areas with precision and accuracy. A viscosupplement injection is delivered and the healing process starts.

Viscosupplementation has been shown to relieve pain in many patients who have not responded to other non-surgical methods by bonding with naturally occurring joint fluid to create a lubricating and cushioning layer. It also reduces pain, inflammation, and swelling of the joint. Little to no discomfort is noticed and many patients feel the effects within days.

FREE STEP ONE CONSULTATION

*"We are so confident that you will find healing and relief at our office that we are offering you a **Free step one evaluation and consultation**. We will personally review a full health analysis questionnaire, evaluate your condition and determine how we can help you. There are no strings attached and you have no obligation. Don't live with pain, fear and doubt any longer. Pick up the phone and take control of your life right now. You have nothing to lose but your pain. Time slots fill quickly so call today to secure your free step one consultation."*

— Ron Spiaggia, DC - Clinic Director
Joseph Mejia, DO, F.A.A.P.M. & R. - Medical Director

What are patients saying?

"My life has changed for the better since treatment. I no longer take medication or have down days where I just cannot get out of bed because of the pain. I've started riding my bike again with my husband and he is more happy because he has his riding partner back."

— Vicki M.

LET THE GAMES BEGIN

Submitted By John Ferguson

North Plainfield Middle School partnered with over 20 middle schools in New Jersey to participate in the Special Olympics 2014 USA Games Welcome Letter Project. This summer, New Jersey is hosting the games and welcoming approximately 3,500 athletes from around the nation to compete in sixteen Olympic-type team and individual sports. The athletes will be competing at several venues throughout the state, with the opening ceremony on June 15th at the Prudential Center. Students wrote over 200 personal letters to the athletes, welcoming them to our state and expressing their admiration for their hard work and achievements.

In addition to writing letters, students in Pat Bailey's grade eight reading classes created a 35 foot timeline of the history and development of the Special Olympics. Students spent two weeks doing close reading of background information and then expanded that information with research. The timeline adorns the second floor hallway. For more info on the Special Olympics, you can go to www.2014specialolympics.org.

REV. JEAN HOLMES BECOMES WAPC'S NEW TEMPORARY PASTOR

Rev. Jean A. F. Holmes

Reverend Jean A. F. Holmes will begin serving as temporary pastor of Watchung Avenue Presbyterian Church on May 15, 2014. A graduate of Millikin University in Illinois and Drew Theological School, Jean received her Master of Divinity degree in 1987. She was sponsored for ministry by the Session of Watchung Avenue Presbyterian Church throughout her candidacy and was ordained in the PC (USA) in 1987. Reverend Holmes has served the church as Christian educator, associate pastor, solo pastor and temporary pastor, and she also served the denomination as temporary associate executive presbyter. She has been trained in traditional interim ministry as well as appreciative inquiry. At present, Jean is training to become a spiritual director, companioning people and groups as they seek to deepen their relationship with God in a contemplative and deliberate fashion.

HIGH SCHOOL STUDENTS PARTICIPATE IN OPTIMIST CLUB ORATORICAL

Submitted by Chelsea Howson

The English 9 honors students recently participated in the annual Optimist Club Oratorical Contest. They were required to write, memorize, and perform a speech on the topic of "How My Passions Impact the World." Four students from the class gave their speeches at the Vermeule Center on April 22, 2014. Among the participants were Yanqing Liang, Lauren Ventriglia, Aniyha Gaddis, and Dilinna Enwerekowe.

Second place winner, Lauren Ventriglia, gave a riveting oration on her passion for intervention and prevention of teen mental illnesses. She wrote, "We need to instill the strength so that nothing can disturb an adolescent's peace of mind... We need to be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble. If we spread this word, it will make a difference. It will save lives. And even the littlest difference is a difference none the less." Lauren received a medal and certificate from the Optimist Club.

First place winner, Yanqing Liang, presented a heartfelt, inspirational oration on her passion for music and poetry. She wrote, "I believe that passions can be used to announce to the world who you are. I believe they are permanent markers, more permanent than sharpies, that can be used to write to the world. It will say, I was here! I made my mark on the world! I believe

that my passion of music and poetry, combined with my passion in world problems, like poverty and world hunger, can construct an effective weapon to fight the problems. I believe that with the weapon I create, I can make an impact on the world, forming a ray of inspiration for the future. I believe that despite the fact my impact may not be large, I still make my mark on the world. I believe that every individual has the ability to do so." Yanqing also received a medal and certificate from the Optimist Club of North Plainfield. Yanqing had the opportunity to compete for a \$2,500 scholarship in the regional level contest held in Pennsylvania.

MIDDLE SCHOOL STUDENTS REMEMBER

North Plainfield, a diversified Somerset County district which serves approximately 3,288 pupils from Pre-K through Grade 12, is proud to announce the opening of the 2014 North Plainfield Middle School Holocaust/Genocide Initiative. The project, a culmination of over two decades of teaching the Holocaust to our students, is a multi-faceted exhibit, featuring eighteen hallway sections with over 300 posters, an online webpage with accessible information related to the Holocaust, and actual artifacts from the time period. Last year's version of the exhibit won the prestigious Aaron Flanzbaum 21st Century Democratic Heritage Award by the Anti-Defamation League/New Jersey Regional Office and the New Jersey Association of School Administrators.

There will be an Open House on June 4, 2014 at 7:00pm, where the public is welcome. Staff members will be on hand to provide tours of the exhibit, answer questions and provide information related to the Holocaust. The exhibit will remain up until June 13.

NP TEACHERS APPRECIATED

Since 2008, Superintendent Dr. Marilyn Birnbaum, Assistant Superintendent Dr. Robert Rich, members of the NP Board of Education, the PTO and PTAs of each of the district's six schools, the NP Association of Teachers and Staff and the NP Administrators Association have worked together to honor teachers in the district who not only exemplify excellence in the classroom, but who have made a positive contribution in the field of education.

The selection process begins with letters of nomination submitted by students, colleagues, parents and even former students. A committee that represents the community reviews the letters of nomination and then meets to discuss and vote for one esteemed teacher to represent their respective school as Teacher of the Year.

The distinguished 2014 recipients are: Anthony Della Rosa (NPHS); Shona Wright (NPMS); Colleen Strickland (Somerset School); Nancy Lubreski (West End); Sharon Egan (East End) and Sonya Larado (Stony Brook School).

HS FLAG CEREMONY

Thursday, June 12th at 7:00 AM

There will be flag ceremony in front of the high school. Then from 11:35- 12:20 and from 1:05- 1:50 citizenship ceremonies will take place in the auditorium. The committee will be recognizing and honoring staff members from the North Plainfield community that were born outside of the United States and have taken their oath of citizenship. Additionally, there will be a surprise presentation for our honored guests.

LIBRARY CELEBRATES 49 YEARS OF DEDICATED SERVICE

The North Plainfield Memorial Library will celebrate the retirement of long time staff member, Terry Garatino, on May 22 from 12:00 p.m. to 2:00 p.m. on the main floor of the library. Mrs. Garatino, who started working at the library in 1965, will leave after 49 years of service.

After a friend was offered a full-time position by library board president Mrs. Sherlock, Terry was referred by the friend because of her typing skills. She spoke with the library director at the time, Mrs. Bailes, who offered her the job after an informal meeting. Terry recalls typing many catalog cards and library board minutes.

When Mrs. Gartino started at the library, the building was located in a former house where the library parking lot exists today. She recalls that the grounds where the current building resides was beautiful, with a gazebo and gardens tended by a private gardener hired by the Library Association, which provided funds to the library. The building which exists today was first proposed in 1965 and was finally built in 1970. The staff moved all the materials from the old building to the new one. Once the old building was empty it was torn down to make room for the parking lot.

The library has gone through many changes since Terry started in 1965. She recalls that there were certain materials that high school students were not allowed to borrow, and a collection considered so risqué it was kept in the director's

office and was only released by request. The introduction of new materials such as DVDs, music CDs, and eBooks, have changed the landscape of materials the library makes available to North Plainfield residents, as well as card holders from member communities in Somerset County.

Mrs. Garatino has been a North Plainfield resident since 1956 and has many friends that come to the library to see her. She has touched many lives in a positive way, has made friends at the library, and will truly be missed by her colleagues and patrons alike.
