# CLARK MEMORIAL DAY CELEBRATION

(above) Teachers Kelly Williamson, Bryan Lowe, and Nina Sinicropi present Mayor Sal Bonaccorso with a Veterans Booklet at a recent Clark Council meeting.

(above) Fifth grade students Kevin Dimperio, Kyro Nakhla, Joseph Apisa, David DiFulvio, Jaclyn Franke, Tyler DiPuma, and their teacher Miss Sinicropi proudly displaying their finished product.

After months of interviewing local veterans and current servicemen and women, the students of Miss Sinicropi, Mr. Lowe, and Miss Williamson's classes of Frank K. Hehly and Valley Road schools in Clark have used the created biographies to assemble a publication honoring the nearly 30 local honorees interviewed. The students involved presented their work to Clark's mayor and local councilmen and women at the and were proud to do so. From start to finish, the project was an engaging, interactive and hands on learning experience which also provided students a deeper understanding of what it means to serve.

Teachers Nina Sinicropi, Kelly Williamson, and Bryan Lowe initiated the project, which began with the teachers soliciting and researching the whereabouts of town veterans. Through contacts with the VFW and the American Legion, a total of 29 veterans were contacted, invited into the classroom to be interviewed, and photographed. Each student was assigned a veteran. They then took information gleaned from the interview and created a page and a half biography of their assigned veteran. The students imported two photographs of their veteran into the biography, one that depicted the veteran during their years in service to the nation, and the other a current picture. When all the biographies were completed, they were bound professionally into a book.

At the Clark Town Council meeting held on May 19th, the three teachers got up to the podium and explained their project to the Council. The students then presented Mayor Bonaccorso and the Council with their own copies of the Veteran Biographies. During the Memorial Day Commemoration held on Friday, May 23rd, the fourth and fifth graders presented their interviewed veterans with their own copies of the publication as part of the ceremony.

Mayor Bonaccorso and the Council thanked the students for their efforts, and expressed their appreciation to the students for preserving the primary source information gleaned from the veterans in the published booklets, which would now be put on display in the Clark Library, township and school for the community to enjoy.

## 7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

## SOFTBALL TEAM HOLDS "HOME RUNS FOR NICOLE" FUNDRAISER

Members of the Arthur L. Johnson Softball team, led by Head Coach Michael Mancino, organized and held the 3rd Annual "Home Runs for Nicole" fundraiser. The event was held May 22nd and aids the Nicole Marzano Scholarship Fund that is presented to students at Arthur L. Johnson High School each year. Coach Michael Mancino organized and ran the entire event, and had this to say about the evening: "The Johnson Crusader Softball team was proud and honored to host "Home Runs for Nicole" to benefit the Nicole Marzano Scholarship Fund. All involved were treated to a fun family night and the event was a real tribute to one of ALJ's finest Alumni --- Nicole Marzano."

The fundraiser took the form of a traditional home run contest, in which various teams tried to hit home runs, with the top two teams advancing to the finals. The teams that were involved in the challenge were teams made up of Arthur L. Johnson faculty and administration, the Johnson Softball Alumni team, and this year Crusader Softball team.

More significant than anything was the tremendous showing of unity as a community gathered to remember and pay tribute to Nicole Marzano and her family, in addition to honoring her memory with the Nicole Marzano Scholarship Fund, which will be given out each year to a deserving student.

Gus Kalikas, Athletic Director at Arthur L. Johnson High School, had this to say about the event. "My hat is off to both Coach Mancino and the Lady Crusaders Softball team. Although

they continue to have a great season on the field, making the UCIAC and NJSIAA State Semifinals, and winning 20 games this season, by far their greatest accomplishment this year was putting together this wonderful event in honor of Nicole Marzano. Once again, I am extremely proud of Crusader Athletics and what they do for the community, and am grateful that the Crusader Softball team can contribute to a wonderful cause by donating to the Nicole Marzano Scholarship Fund."

## K-KIDS BAKE SALE AND CLOTHING DRIVE

The K-Kids Club at Frank K. Hehnly Elementary School held a bake sale in April as a fundraiser for the James Monroe School in Edison. Hehnly parents donated various baked goods that all the students and teachers were able to purchase after school. The total profit from the sale was \$656, which was used to purchase gift cards for teachers at the James Monroe School to help them replenish personal classroom loses. The remaining baked goods that were not sold were donated to the food pantry at Clark's St. John's the Apostle Church.

The K-Kids also held their second clothing drive of the year in April. 1,778 pounds of clothing were donated and the K-Kids received a check for \$335.60. The money will assist with the club activities throughout the year as well as making philanthropic donations which reflects what the Kiwanis represents. The Hehnly K-Kids are a service club as part of the Kiwanis organization, and are under the direction of Hehnly School Nurse, Mrs. Donna Kircher.

# ALJ STUDENTS LEARN ABOUT FAMILY CONNECTION BY NAVIANCE

This year at Arthur L. Johnson High School in Clark, a web-based online program is being used to serve the needs of students and their parents during the student's high school years. Family Connection is an interactive web-based resource used for self-discovery, career exploration, academic planning, college planning, and goal setting. Family Connection allows the Arthur L. Johnson High School Guidance Department to share information with students and parents about upcoming events both in school and out of school, local news, and other resources for college and career information. Each student obtains a Family Connection account during the registration process in 8th grade. Students learn more about this program at the beginning of their freshman year from their school counselor.

Meredith McCarthy, a school counselor at the high school, recently presented information to the junior students about the various tools on the Family Connection program. Each classroom guidance lesson lasted about 45 minutes in the

computer labs. Students were able to log on to their accounts as Ms. McCarthy helped them navigate the program. Major features of the program were highlighted, such as resume development, college and career searching, scholarship lists, summer enrichment opportunities, and completion of senior brag sheets. Students were encouraged to set positive and realistic goals, maintain academic success in all classes, explore different careers and college options, and to ask for help along the way in this process. As Walt Disney once said, "All our dreams can come true, if we have the courage to pursue them."

Students will continue to learn more about this online program in meetings with their respective school counselors. Ms. McCarthy will revisit the juniors at the end of the marking period to discuss how they can prepare for their senior year. Students may visit ALJ's Family Connection site by connecting to the following link: <http://connection.naviance.com/alj>

## VALLEY RD STUDENTS BECOME DETECTIVES

The Valley Road Elementary School PTA in conjunction with the Reading Committee led by parent volunteer Steven Donkersloot and VRS teacher Mrs. Peitz hosted "Mystery Night" for students in grades third, fourth and fifth. The students' task was to solve the case of the "Freidy Cat" using evidence they found in various classrooms and by hearing statements given from suspects in the case. Teachers played the roles of several characters in the skit and it was up to the students to play Sherlock Holmes. Teachers Miss Stafford, Mrs. Kelleher, Mrs. Spence, Mr. Caragher, Miss Emma, Miss Williamson, Miss Kane, Mr. Lowe, Miss Bartolomeo, and Mrs. Carrano enjoyed being a part of the event. The Valley Road School Principal, Mr. Joseph Beltramba was also in attendance and helping with snacks that were generously donated by parent volunteer Mrs. Cathy Donkersloot.

## VALLEY RD VARIETY SHOW

Submitted by: Alicia Scipioni, PTA Publicist

Valley Road Elementary School held its second annual Variety Show. Students ranging from Kindergarten to Fifth grade hula hooped, danced, sang, juggled, played guitar, and performed comedy routines. Some students also had the opportunity to help behind the scenes, working with lighting and sound checks. There were thirty-one amazing performances! The teachers, for the first time ever, created their very own music video to add to the show to demonstrate what teachers may do after the dismissal bell rings, which really entertained the crowd. A special thanks was made to the school's Principal, Mr. Beltramba, for his help and special contribution to the opening act performance as well as to Miss Stafford, Ms. Kelleher and Mrs. Baglieri for taking the time to make this production possible. What a fantastic way to show school spirit!

(right, l-r) John Baglieri and Sean McBride who performed to the song "Can You Feel It."
