LINDEN BOY SCOUT HELPS TO SAVE DAD'S LIFE AND EARNS NATIONAL HONOR MEDAL

Linden resident Kyle Dziejczic rushed into action in getting his father, John, to the hospital in time for life saving treatment of a heart attack. Kyle, a Linden High School sophomore, received the Boy Scouts of America National Honor Medal. National awards for lifesaving and meritorious action are made only for outstanding and unusual acts that demonstrate unusual heroism, skill, or bravery.

On November 4, 2012, John Dziejczic was loading up gas cans to help friends in the aftermath of Super Storm Sandy. He was feeling fatigued and generally wasn't feeling right. Both neither John's wife or their adult son were home. He asked his son Kyle to take a ride with him. His intention was to drive himself to the hospital. Not to alarm Kyle, he told him they were going to run an errand. John's condition was getting worse and he blacked out before he could pull into the hospital driveway. Kyle stopped the car and ran to alert hospital security. Kyle then returned to his father and began administering CPR until help arrived.

John had suffered a heart attack. There were several factors that made those first few critical minutes very complicated and potentially fatal. If it wasn't for Kyle's cool and measured response, his dad would have been in greater jeopardy. Kyle displayed discipline, control and skill in helping his father, all traits that he learned from scouting. The Boy Scouts of America recognized his achievement at the

11 CRITICAL HOME INSPECTION TRAPS TO BEAWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.njhomeinspectiontraps.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

David P. Civile Foundation for Boating Safety Awareness

PADDLE SAFETY RULES

1. Take an on-water paddlesport class for safety, skill development and essential rescue skills before planning a trip.
2. Always wear your US Coast Guard approved life jacket! Attach a whistle or horn.
3. Dress for the weather conditions and be prepared for cold-water immersion. Hypothermia is a serious danger at any time of the year. Without a PFD in cold water, survival time can be reduced to minutes.
4. Plan Ahead: Know the water you are paddling. Be aware of tides and dangerous currents and have a float plan. Tell people where you are going and when you plan to return.
5. Have proper Safety Kit gear on board (alarm, light, paddle leash, etc).
6. Never paddle alone. A buddy can come to your aid if you get in trouble. New paddlers should paddle with someone more experienced.
7. Learn skills necessary to maneuver your boat. Practice how to get out of, hang on to, and re-enter if capsized. Don't overload and keep your balance.
8. Do not exceed your paddling ability. Know your limits.
9. Learn to recognize potential hazards and use good judgment to avoid them.
10. Check your equipment prior to each use for signs of wear or failure.

LINDEN RESIDENT TO WALK 39.3 MILES TO END BREAST CANCER

Linden Library Director Dennis Purves, a resident of Linden, NJ, will join thousands of women and men in the upcoming Avon Walk for Breast Cancer New York City, raising funds and awareness that will help defeat breast cancer and support those facing the disease. Dennis will participate in the non-competitive event, which offers the option of walking a marathon (26.2 miles) or a marathon and a half (39.3 miles) over the weekend of October 18th and 19th. This is his first time participating in the Avon Walk, and he is training hard and raising funds in preparation for the event.

Dennis was inspired to take part in the Avon Walk New York because his friend Aimee was diagnosed with breast cancer and recently beat it. She is also walking, and he is doing this both to support her and to help eventually beat this disease once and for all.

"Every year, thanks to thousands of participants like Aimee's Rack Pack, we are able to save lives by providing significant funds for vital breast cancer research as well as access to care, screening, support services and education," said Carol Kurzig, president of the Avon Foundation for Women, the public charity that produces the events. "For the past decade, tens of thousands of dedicated women and men took personal action to help others through the Avon Walk for Breast Cancer. We are truly inspired by our participants' passion and enthusiasm."

The Avon Walk New York City is one of eight weekend walks taking place in 2014. The

complete 2014 Avon Walk for Breast Cancer schedule includes: Houston (April 12-13), Washington, DC (May 3-4), Boston (May 17-18), Chicago (May 31 -June 1), San Francisco (July 12-13), Santa Barbara, Calif. (September 6-7), New York City, (October 18-19), and Charlotte, N.C. (October 25-26).

Dennis has set a fundraising goal of \$1,800. To support his fundraising campaign, donations can be sent to <http://goo.gl/aZ77PZ> or contact him at dpurves@gmail.com. Funds raised by Dennis and the thousands of other Avon Walk participants are awarded by the Avon Foundation for Women, a 501(c)(3) public charity, to help ensure anyone facing a breast cancer diagnosis gets the care they need regardless of their ability to pay, and to help fund breast cancer research. For a complete list of Avon Foundation for Women funding, visit www.avonwalk.org/see-your-impact/where-the-money-goes.html.

The Avon Walk series, the Avon Foundation's largest fund-raising event, comprises eight non-competitive weekend fund-raising walks for all fitness levels that require a significant commitment from participants. Each walker is required to raise at least \$1,800 in donations and to prepare physically for the event, which offers the option of walking a marathon (26.2 miles), or a marathon and a half (39.3 miles) over a weekend. Among the nearly 15,000 participants in 2013 were men and women of all ages, from nearly every state and several countries,

including more than 2,000 breast cancer survivors. This large, diverse group was united by their shared desire to eradicate breast cancer and help those touched by the disease.

Dennis will start his Walk weekend with an opening ceremony early Saturday morning, followed by walking up to a marathon that day. Both walkers and volunteer Crew spend the night at the "Wellness Village," a "tent city" featuring two-person sleeping tents, hot showers, prepared meals and support services. On Sunday, all walkers complete the final 13.1-mile leg of their journey, culminating in a moving closing ceremony during which the Avon Foundation presents local grants to leading breast cancer care and research organizations so funds immediately benefit the community. The Avon Foundation also awards hundreds of additional grants to breast cancer research and access programs across the country.

For more information or to register for an Avon Walk for Breast Cancer, visit www.avonwalk.org or call 888-541-WALK.

REMEMBER, EARLY DETECTION HELPS SAVE LIVES. Get a mammogram. Know your breasts and report any changes to your doctor. Talk to your doctor about your risk. And encourage women around you to do the same. Don't forget, men can get breast cancer, too.

For breast cancer information and resources, visit avonfoundation.org.

LADANSE SCHOOL OF PERFORMING ARTS BEGINS ITS 36TH SEASON OF QUALITY DANCE EDUCATION, ANNOUNCES SCHOLARSHIP

LaDanse School of Performing Arts begins its 36th season of quality dance education. "The time has just flown by," states director Tina Socci. "It seems like yesterday when I opened my first studio: a small one room facility". The studio has since grown into a 3 studio, fully air conditioned facility with state of the art equipment and fully qualified and professional teachers who come from all over the world. "My staff is one of my biggest assets," states Miss Tina. "They have so much to offer my students because they have performed on Broadway as well as in Europe, Asia and Australia. Recently one of our instructors performed in Istanbul as well. They have taught in the USA and Canada and have much to share and excite our students. Our Instructors also come from many diverse backgrounds, which is perfect for the diversity of our students.

La Danse students recently performed on the Royal Caribbean "Explorer of the Seas". It took nearly two years to prepare for this exciting opportunity. The students performed in the main theatre on the ship and were treated royally by all the staff and crew. They were made to feel like the most important people in the world and friends, family and many of the passengers on the ship saw the smiles on their faces. Over 170 members of the LaDanse family took part in the excitement. A sincere thank you goes out to all those in the community that helped make this dream a reality. Whether you were "flocked", bought a cupcake or came to our tricky tray auction, you made these students' dream of a life time come true. It takes a village to raise a child and it takes a community like ours to open up their hearts to children who might not have had an opportunity to participate in such an adventure.

As a thank you for all your support, I would like to offer a full scholarship to someone in our community, whom you feel is deserving and has the desire to learn how to dance but not the means. Please submit the name, age, address and phone number of a child in need and why they want to learn to dance. All entries must be in by September 1st. All recipients will be notified by September 6th.

Dance is an art form that can be enjoyed by everyone from the very beginner to the most advanced student. Boys as well as girls have enjoyed the many classes offered at La Danse. Curriculum includes: ballet, pointe, tap, jazz, lyrical, salsa, acro-gymnastics, modern, hip-hop, tot programs and combo classes. Travelling Troupe and competition teams are available to the more serious dancers.

Affordable tuition and multiple class discounts are available. It should not be out of anyone's reach to enjoy the thrill of learning how to move to

one's inner music.

Registration for fall classes begins August 26th & 27th 4-8pm, Aug. 30th 10am-2pm, Sept. 4th & 5th 4-8pm and Sept. 6th 10am-2pm at the studio located at 10 N. Wood Avenue, Linden. Classes begin Monday Sept. 8th. For further information call (908) 862-6887 or visit our website at ladanseschool.com. Like us on Facebook! See what others have to say about us and come join the LaDanse family.

The Jersey Boys film tells the story of the musical group The Four Seasons. It is based on the Tony Award-winning musical of the same name. The film, directed by Clint Eastwood, was released on June 20, 2014 and stars Linden native Renee Marino. Marino was performing in the Broadway production of The Jersey Boys when Clint Eastwood spotted her and pursued her for the role of Mary Delgado, Frankie Valli's wife.

Renee travels between Los Angeles, CA and Linden, NJ where she still has family including her parents Ona and Frank Marnio, and her grandmother, Frances Campione.

Her cousins Erica Campione-Oliveira and Gina Campione-Robel are sisters and own Planet Dance of Roselle Park, NJ, formerly located in Linden. Gina also works for the Linden Police Department. Renee taught at Planet Dance in its early years, until she started getting tours. She still goes back to visit her former students, her most recent visit was in July.

Renee attended St. Elizabeth's grammar school and graduated from Linden High School

TRYOUTS FOR THE RAPIDS SWIM TEAM ANNOUNCED

The Gateway Family YMCA "Rapids" Swim Team is back for its third season. After a very successful 2013-2014 season the Rapids swim team is looking to keep on growing! We will have a Boys Team and a Girls Team this year and compete against other YMCAs that have a boy's team and a girl's team. Our team consists of 62 swimmers from all over the area; Avenel, Carteret, Colonia, Clark, Elizabeth, Port Reading, Union, Rahway, Roselle, Roselle Park, Sewaren, Winfield Park and Woodbridge.

Last season the Rapids Swim Team finished its dual meet season with 4 wins and 2 loses, but had another great championship meet season with 95% of the team getting their personal best times at the championship meets. We participated in 8/under Championships, Bronze YMCA Championships, YMCA Silver States Championships and YMCA State Championships.

Our swim season runs from September through March with dual meets starting in

October and the Championship meets starting in February. Our swim meets are on Saturdays and can be home at the Rahway Branch of the Gateway Family YMCA or at the site of the YMCA team we are competing against that week. We will be attending additional meets this year to give our swimmers more experience and more competitiveness.

Coach Ed Soder believes that the Rapids are more than just a swim team. He strives to help each team member be the best they can be in the pool and throughout their lives. Coach Ed believes that every swimmer has untapped potential that is waiting to come out. One of the Coach Ed's key quotes is "Personal Best, Leads to Success!" Meaning that if you improve one small aspect of your race each time you swim, it will lead you to more and more success in that event.

The Rahway branch of the Gateway Family YMCA will be holding a Summer Tune-up Clinic August 11 through August 21, 2014. The

clinic will meet on Mondays, Tuesdays, Wednesdays, and Thursdays from 6:00 – 7:00 PM. This clinic is a great way to get ready for the season as we will be working on endurance, starts and turns. Tryouts for the Rapids will be held August 25, 26, and 27 at the following times.

Monday August 25, 2014 – 5:30 -7:00 pm
for 10/under age groups

Tuesday August 26, 2014 – 5:30 -7:00 pm
for 11and older age groups

Wednesday August 27, 2014 – 5:30 – 7:00 pm
for all ages

Also, individual tryouts are available if a swimmer cannot make the dates above. Please call Ed Soder at 732-388-0057 to schedule a tryout.

The Rapids are looking to make some waves in 2014-2015 – so come be a part of something bigger-join the Rapids!

LINDEN SUMMER ESL PROGRAM

It has become a yearly tradition for third grade student, Victoria Szaro, to do what she does best, TEACH. Every year, Victoria collaborates with Mrs. Armstead, the ESL teacher at School 9 to teach a lesson to the ESL students.

This is something special the ESL students look forward to every year. This year's theme was, "All About Bees." According to Mrs. Armstead, this has been thus far the highlight of her career, "to motivate, inspire and create a new generation of future teachers."

LINDEN HIGH SCHOOL PROCESS TECHNOLOGY

Linden High School students studied the Process Technology curriculum, at the Linden Academy of Science & Technology. Recently

the students visited Phillips 66 Bayway Refinery to learn more about the refining industry. A tour enabled the students to see first-hand what they

learned in the classroom – how crude oil is processed into products, such as gasoline, diesel and jet fuels, and home heating oil.
