CITY OF LINDEN LAUNCHES NEW MUNICIPAL WEBSITE AND SOCIAL MEDIA NETWORKS

Mayor Gerbounka and the Council of the City of Linden are pleased to announce the re-launch of their modernized, content driven municipal website www.linden-nj.org. The new site has dynamic content including daily news updates, extensive meeting schedules, individualized department pages, links to Council meeting videos and a community photo gallery just to name a few.

While the website has been designed with the community in mind, it is also NJ's Municipal Best Practices Checklist compliant providing a record of past ordinances, municipal budgets, public notices and other financial statements from up to the past three years; increasing government transparency.

The user friendly navigation allows members of the community easy access to agendas and meeting minutes as well as downloadable forms for permits and inspections, and more.

"Among the various features, the site includes contact information for elected officials and department heads, as well as schedules for all town services including recreation, public works, and public safety," stated Mayor Gerbounka.

"Communication pertinent to the City of Linden will originate through our website, and will be further distributed through our various social media channels, i.e. Facebook and Twitter. We encourage our community to take full advantage of this new website, and to 'Like' us on Facebook and follow us on Twitter," said Mayor Gebounka.

Linden Boxing Association President, Alfred A. Volpe has announced that the only fight night in Linden this year will be held on October 10, 2014 when the Linden Boxing Association, in conjunction with the Linden Public Property and Community Services Department presents the 81st Annual New Jersey State Finals of the Diamond Gloves Boxing Tournament.

The full night of championship boxing entertainment is being sponsored by the Phillips 66 Bayway Refinery and will be held at the Linden High School Gymnasium, located at 121 W. St. Georges Ave. The first fight is scheduled to begin at 8:00pm. Tickets can be purchased at the door for \$10.00 each. Doors open at 7:30pm.

According to Linden Boxing Association Founder, Tony Orlando, "This is the fifteenth consecutive year that we are hosting the Diamond Glove Tournament State Finals here in Linden and also the fifteenth consecutive year that our friends from the Phillips 66 Bayway

Refinery are sponsoring the event. Without their sponsorship, we wouldn't be able to have this successful night of amateur boxing that annually supports, through its proceeds, a varied amount of programs for our city's youth. Since our beginning, we have donated in excess of \$400,000.00 to the Linden Recreation Department for their youth programs."

Expecting to be in attendance at this year's championship bouts is, Bobby Czyz, Former World Light Heavyweight and Cruiserweight Champion. Additional world class boxers have been invited and the committee is awaiting word on who will be attending.

Tickets can also be purchased at the Community Center Building, 605 S. Wood Ave., Linden until October 9th. Don't forget to bring your autograph books. For further information on the Diamond Glove Finals, please call the Linden Department of Public Property and Community Services at 908-474-8600 and ask for event coordinator Gary Luciano.

SUICIDE PREVENTION HOTLINE TRAINING FOR VOLUNTEER LISTENERS BEGINNING WEDNESDAY, SEPTEMBER 10TH

Suicide prevention hotline and trainer CONTACT We Care will be offering its next round of training for volunteer listeners beginning Wednesday, Sept. 10, at 7:00 p.m. at the First Baptist Church of Westfield, 170 Elm Street. The training program meets once weekly for 12 weeks.

Volunteers undergo 50 hours of instruction in empathetic and nonjudgmental active listening and mental health issues and go through a two-day intensive session on suicide intervention called ASIST, or Applied Suicide Intervention Skills Training. There is a fee for materials of \$75 and volunteers are asked to commit to eight hours on the lines per month for a at least one year.

Anyone interested in becoming a volunteer listener or texter at CONTACT We Care and wanting to register for the training should contact Fasano at 908.301.1899 or sue.fasano@contactwecare.org.

CONTACT We Care serves Central and Northern New Jersey and is a primary responder to calls to the national suicide prevention line (1-800-273-TALK or 1-800-SUICIDE) that originate in New Jersey. Callers also reach CONTACT by dialing 908-232-2880 or texting "CWC" to 839863.

RAYMOND WOOD BAUER PROMENADE

Still time to see excellent professional shows, free of charge...

If you haven't been to a concert yet this summer at the Raymond Wood Bauer Promenade you don't know what you've missed. The Recreation Division of the Department of Public Property and Community Services has scheduled a simply outstanding array of talent to appear on stage in Linden on Tuesday nights free of charge! So far this season, Tribute Shows have abounded with performances honoring the Rolling Stones, Fleetwood Mac, the incomparable Tina Turner, Neil Diamond and the many groups from the British Invasion. If you liked the doo wop sound, the Cameos were on stage. Local talents Joe Bonanno and the Godsons of Soul wowed their audience on National Night out against Crime; while the Vinny's pumped out cover hits on a special Friday night concert. National celebrity and 18 time Grammy Award winner Jimmy Sturr brought the Big Band Polka sound to or community and Epic Soul, a NYC top party Show Band packed the house and sent everyone home with a smile on their face. And that's not all, two of the very popular Dance Nights were held in July and August to the delight of those who wanted to spend a nite of dancing under the stars. And, according to Lindens Recreation Supervisor Gary Luciano you still have time to enjoy more programs at the Promenade in September with 3 more tribute shows planned. The Carpenters on Sept. 2, ABBA Girls on Sept. 23, and Tom Petty on Sept. 30, along with Fire Prevention Night. More Doo Wop from Park Avenue on Sept. 9 and old time Rock and Roll from the Kootz on Sept. 16.

The second Friday Night special is scheduled for Friday Sept. 26, a non-music concert starring Joe Fischer and National Comic/ventriloquist talent John Pizzi. Finally, the season closes with the final Dance Night on Friday Oct. 3, as the DJ's spin all Motown and R&B discs. All events at the Robert Wood Bauer Promenade are free and begin at 7:30 pm. Come on out and enjoy our beautiful outdoor amphitheater in downtown Linden

A Special thanks to our volunteers Judy, Sue, Cathy and Lacey, they look forward to serving you at the Concerts. For addition information call 908-474-8600.

THANKS FOR YOUR BENEVOLENCE

City of Linden Mayor Richard Gerbounka along with Public Property and Community Services Director Al MacDonald and Recreation Division Supervisor Gary Luciano would like to publicly thank the following Companies and organizations for their generosity in financially supporting the City of Lindens 2014 free concert series. Without their benevolence, the outstanding list of performances at the Promenade this year could not have been achieved. Good neighbors like this are to be congratulated and recognized for their benevolence. You are encouraged to thank them when you enter their businesses or participate in one of their organizations events.

The Linden Cultural Committee is excited to welcome everyone on Saturday, September 27th (rain date 28th), as they host September to Remember Street Fair & Classic Car & Motorcycle Show. This year is gearing up to be even better than last year with more attractions and additions to the venue.

Gretchen Hickey was nominated as president of the Linden Cultural Committee last year by Mayor Gerbounka. Gretchen was ready to bring new ideas and changes to the Mayor and committee for a successful, fun filled day for the community. Changing the date from Labor Day weekend to the last Saturday of September has made an enormous difference for the festival. It helped to pull in more participants, new sponsors, a beer tent, and performances which were well received by everyone and adding to the success of last year's festival and bringing popularity to this year's festival with many food and craft vendors signing up to participate.

The Classic Car & Motorcycle Show will be judged and trophies will be awarded. This year's festivities will include a band on Wood Avenue, a magician, kids crafts, artwork and other activities, a stilt walker/balloon artist, dance school performers, food eating contests, rides,

craft vendors, the famous dunk tank sponsored by the Linden Superior Officers Association, performance of "In the Heights" by the Mystic Vision Players, and our own City of Linden DJ Chuck Leonard saying hello to everyone he knows as they walk by. Raymond Wood Bauer Promenade will have bands performing through the day and evening.

The Linden Cultural Committee has also invited Linden's non-profit organizations, especially schools and sports teams, to come up with a plan to fundraise for the day, and get involved by sponsoring tables.

Gretchen Hickey had this to say "I would like to give a special thank you to Mayor Gerbounka and the committee for welcoming my changes, their support, ideas and dedication for what will culminate in an amazing day enjoyed by many. An additional thank you to our supportive Linden Sponsors, Phillips 66, Northfield Bank, Metro Liquors, Ill Amici's Restaurant, Linden Airport, DenVal Realty, Housing Authority City of Linden, Linden Housing Corp., Unity Bank, and Motion Credit Union. With a great committee and sponsors the City of Linden should have a great day on Saturday September 27th. See you then!!!"

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.njhomeinspectiontraps.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

AD HOC ANIMAL CONTROL COMMITTEE RELEASES PROGRESS UPDATE

The City of Linden's ad hoc Animal Control Committee is proposing to overhaul the City's Animal Control Facility and practices after a thorough and continuing review of same.

The review was undertaken after concerns regarding the facility were brought to the attention of the Mayor and Council. The City Council formally established the Committee in June, consisting of Chair and Councilwoman Michele Yamakaitis, Councilman Adam Kuczynski, and Councilman Armando Medina. The Committee also worked very closely with Linden Mayor Richard Gerbounka.

The Committee reviewed claims relating to the Facility, including claims that were mere rumors, or duplicative. As one of its first measures, the Committee requested that the City of Elizabeth's Health Department examine and inspect the Facility to:

- 1) Make sure there were no signs of animal abuse or neglect; and
- 2) Evaluate the current structural housing and building.

The Committee also visited Woodbridge Township's Animal Control Facility to review their practices, to tour their building, and further the Committee met with professionals in various fields, including regional volunteers, to best understand the issues relating to animal control.

RECOMMENDATIONS

In response to the many findings, the Committee has determined both short-term plans and long-term goals:

Short-Term Plans

- 1) The Committee recommended that all euthanasia procedures stop on the Animal Control premises, with the exception of extremely injured or sick animals. Instead, any euthanasia procedures are to be performed at a local, contracted veterinary clinic.
- 2) The Committee recommended capital improvements be undertaken to the facility

to assume that the facilities remain viable as an animal control facility, including replacing doors, gates, lighting/electrical work, landscaping, ventilation work, and equipment maintenance, as necessary.

- 3) The Committee recommended the exploration and use of additional means to advise the public of animals within the facility, with regard to the animals' well-being and the owners' right to reclaim the animal, if lost. This includes posting photographs of the animals with the location, as soon as possible after collection.
- 4) The Committee recommended changes and upgrades to record-keeping, with short-term fixes including the installation of a copier, when feasible, to make copies of adopter identification and duplicate case files, with the eventual goal of upgrading to successful record-keeping strategies of other animal shelters, such as the Woodbridge Animal Shelter. In order to quickly establish this initiative, all individual adoptions will be handles through the Friends of the Linden Animal Shelter, adopting their procedures and protocol.
- 5) The Committee recommends the establishment of a "Wounded Animal Fund" to treat injured animals the Animal Control has found. This fund would be made up of volunteer donations.

Long Term Goals

- 1) The Committee recommends the demolition of the current Animal Control Facility and the building of a new facility that is tailored to the needs of the animals and those who wish to assist and volunteer. The Committee is projecting this facility to be mostly financed by donations and private funding through different channels, as available, rather than taxpayer dollars.
- 2) As such, the Committee recommends that the City of Linden's need for animal control

services be bid out and privatized for the coming year (2015), and until the new facility is constructed.

- 3) The Committee recommends notifying all regional municipalities that utilize Linden's Animal Control services of the coming change.
- 4) The Committee recommends a new strategy and partnership with an animal rescue group, as is done in other municipalities, to assist in the maintenance and adoption of the animals.

Most of the short-term suggestions were immediately implemented and are being performed as materials, financing, and ability became available. The long-term goals will require Council approval and are subject to the ability to find funding and volunteers.

Gerbounka pointed out that there was a delay in truly upgrading the facility on a grand scale due to the proposed Union County Animal Control Facility that was to serve all of Union County. However, that project stalled over the years and eventually failed.

"We immediately set out to either verify or debunk these claims as can be expected. We began to recognize that some of the claims had some validity, which we addressed as quickly as possible. But, we also began to see that many did not have merit, as it seems that they were propagated rumors, duplications, or misunderstandings which often occur in the social media realm. However, we felt it was important to examine every claim that we found," Yamakaitis said. "It is just unfortunate that the false information slowed down our efforts a bit."

Moving forward, the Committee plans to continue its focus on the long-term goals while following up on the short-term solutions at the current site.

The Committee plans to release more updates as progress continues.

LINDEN MOTOR UNIT ASSIST AND HOST AMERICA'S 9-1-1 RIDE

On August 14th, several officers from the Linden, Elizabeth, and Plainfield Police Departments hopped onto their police motorcycles and meet with a large contingent of motorcycles that participate in the annual America's 9-1-1 Ride honoring the victims from the 9/11 terrorist attacks.

The Ride departed Shanksville, Pa., on Friday morning (the scene of United Flight 93 crash) and headed to Washington, D.C., where they arrive at the Pentagon (scene of American Airlines crash).

On Saturday morning, they departed

Washington and headed for New York City. During the journey, the contingent of motorcycles stops at Aviation Plaza on Routes 1&9 in Linden where Applebees and the Linden Fire Department host a free barbecue for the riders. Food and drinks are offered to the riders and they are able take a rest from their long trek. The motorcyclists then continue their trip into New York City with a stop at Ground Zero.

Linden motorcycle officers escorting the group included Lt. Michael Babulski, Investigator Peter Hammer, Investigator Mark Kahana, and Officer Ian Conk.

LINDEN SUMMER ENRICHMENT PROGRAM

Another successful Summer School Enrichment Program at School # 9! Health and Nutrition was the theme this year. To celebrate the end of the Summer Program, students with the help of parents and teacher, Mrs. Orelie-Armstead and teacher assistant, Ingrid Gomez, organized a picnic focusing on healthy foods. Students had fun playing games using a food tree game they created in class to reinforce knowledge learned of healthy eating habits and nutritious food choices. According to Mrs. Orelie-Armstead, "It's never too early to educate students about the benefits of healthy eating. Research has shown, as they begin to grow, children develop and adopt healthy eating

habits they will have throughout their lifetime. Experts agree, this is the best strategy for combating obesity in America." "Moreover, the picnic was a fun way to demonstrate to students that eating healthy can be nutritious and delicious," Orelie-Armstead explained. Students enjoyed fresh fruits and vegetables. 100% wheat bread, reduced-fat mayonnaise, low sodium/low fat turkey and ham were used to make sandwiches. Fresh salad with low fat dressings, water instead of soda completed it all. Students were reminded in the end that healthy eating habits should be part of their everyday routine, just like bathing and brushing their teeth.

MEMORIAL SERVICE FOR WILLIAM MANHARDT AT DELAIRE NURSING AND REHAB CENTER

It is with a heavy heart that the Delaire Nursing and Rehab Center family informs you that Mr. William Manhardt passed away peacefully this morning surrounded by his Delaire family. The facility will be honoring Mr. William Manhardt with a Memorial Service at Delaire Nursing and Rehab Center - 400 West Stimpson Ave. Linden, NJ 07036 on Tuesday, September 23, 2014 at 2:00 PM in the 3 Main Dining Room. We welcome you to attend.

Bill was a member of the Knights of Columbus for over 50 years.

The announcement was made via email by Delaire Nursing and Rehab Center. Many kind words and remembrances were shared in thought the email exchange.

The following was written by Alex Riddick

"Bill was a person who faced adversity with the resolve to give meaning to his life and the life of others. The Bill Manhardt's music and film foundation at Delaire is a good example of this resolve. His love of country led him to initiate Patriotic programs for the residents, staff, and the Linden community at large. His outreach to friends both near and far was possible because Bill applied his computer and photographic skills to compile special "care packages" for those friends. Bill was a person whose belief in God was solid and firm. I am quite sure that our loving and compassionate God now embraces him with a peace which we on earth cannot describe so wondrous is its beauty and bliss. May Bill now rest in that bliss and peace forever!"

AFTER SCHOOL PROGRAM REGISTRATION OPEN AT BOYS & GIRLS CLUBS

Registration is open for after school programs at Boys & Girls Clubs of Union County! We are accepting registration for programs at our 6 locations: Linden, Union, Elizabeth, Plainfield, Roselle, and Hillside. Programs for ages 5-18 begin Monday September 8th and include Educational Enrichment, Performance Art, SMART Moves, Teen Leadership, Career Development, and Digital Arts and technology. Swim lessons, including water safety, are available at our Union Club Aquatics Center and our Tidal Wave Swim Team practice will begin September 15. Teen Programs for ages 12-16 include Career Education/Exploration, cooperative challenges, team-building exercises, community service projects and leadership training.

"Our After-School programs are diverse and educational, providing interactive learning and enrichment," said Russell Triolo, Chief Executive Officer. "For nearly 60 years, Boys & Girls Clubs of Union County has provided youth with a voice and open door to support, trained, professional mentors, and programs designed to develop young people into productive, well-rounded adults."

After-School programs are available Monday through Friday, from 2:30 PM - 6:30PM. Visit our website: www.bgcuc.org for information or call us: Linden 908-351-3344 x 0. We look forward to another exciting, educational and fun school year program with youth from Union County.

Boys & Girls Clubs of Union County are part of a national network of some 4,000 neighborhood-based facilities, Boys & Girls Clubs of America, which serves more than 4.6 million young people annually, in all 50 states and on U.S. military bases worldwide. Clubs provide guidance-oriented character development programs on a daily basis for children 6-18 years old, conducted by a full-time professional staff. Key Boys & Girls Club programs emphasize leadership development, education and career exploration, financial literacy, health and life skills, the arts, sports, fitness and recreation, and family outreach.

For more information on our mission and programs, please contact Lisa Sepetjian, Director of Development & Marketing at 908-687-7976 ext. 4.

AFTER-SCHOOL PROGRAM FOR LINDEN CHILDREN: ASSESSMENT SURVEY

Councilwoman Rhashonna Cosby-Hurling, in collaboration with several parent groups and local non-profits, is reaching out and asking for help from the Linden community.

Over the past several years, Councilwoman Cosby-Hurling has been working closely with parents and community leaders in pushing for the creation of a After-School Program for the children of Linden. They are asking the community to fill out a 10 Question Needs Assessment Survey in order to establish the need for an After-School Program.

"I believe the right after-school programs keeps kids safe, improves academic performance, promotes student well-being, and helps communities," said Councilwoman Rhashonna Cosby-Hurling.

Last year Councilwoman Cosby-Hurling held a focus group, where several members of the community, business community and non-profit community were present, and showed support for more structured after-school programming.

"This year we made small strides by enhancing our game room at the Linden Multi-Purpose center," said Councilwoman Cosby-Hurling. "As the Chairperson of Public Property and Recreation, I am committed to seeing that the City of Linden maximizes the use of the many recreation facilities throughout the city."

As this summer season is coming to a close, the concern for many parents now shifts back to "what will my youngsters do after school?" The intent of this survey is to get feedback from the community-at-large and move in the direction of the majority.

This survey is for parents, educators and any adult in the community with an interest to participate. There is no expiration date for this survey, however, the community is asked to submit it as soon as possible. The hope is for the data to be reviewed in 90 days, so - if possible - the city can create a program and initiate it by January 2015.

Anyone wishing to participate in the survey can email Councilwoman Cosby-Hurling at rcosbyhurling@linden-nj.org, and a copy will be sent to them. You may also fill out the survey online by visiting

www.surveymonkey.com/r/GZW9MKX

LINDEN POLICE SEEK SCAM ARTIST

An 87 year old Linden woman was victimized twice in the same month by a scam artist while shopping at the Aviation Plaza on W. Edgar Road. The woman told police that earlier this month, she went to Shop-Rite and when she returned to put her groceries in the car, she was approached by a white male, 40-45 years old, 5'10", dark hair and "clean-cut". He was accompanied by a female in a dark-colored SUV.

The man told her that there was a problem with her car door and he could "fix" it because he had the part. He then told her to step on her brakes while he removed a black toolbox from her car. When she got out of the car, he told her the car was "fixed" and he left the area.

On August 24th at approximately 1:30 p.m., she went shopping again at Shop-Rite when she was approached by the same man. He told her

she still had a problem with her door and he could "fix" it for \$60.00. The woman stated she didn't have the money and the man convinced her to drive to her home with him to get the money.

Once at the house, the man asked to use the bathroom, which was located near the ground floor garage door. When she got the money and went into her kitchen, she was surprised to see the man there. He then told her she had a nice house and he demanded more money. She refused and gave him the \$60.00 and he left the house. The woman did not find anything else missing.

Anyone who may have seen this individual at the Aviation Plaza shopping mall or have any other information on this incident is asked to contact the Detective Bureau at 908-474-8537.

PHILLIPS 66 AND NEED HOST AN ENERGY EDUCATION WORKSHOP

Phillips 66 [NYSE: PSX] and the National Energy Education Development (NEED) Project will host an energy education workshop at the Bayway Refinery, in Linden, New Jersey, on October 8, 2014. Up to 40 New Jersey area primary and secondary level teachers are expected to attend.

At the workshop, a NEED energy education trainer will explain the science of energy using experiments and research and analysis activities that make learning about energy fun and relevant for K-12 students. The curriculum emphasizes all sources of energy and explains the importance of using energy wisely. Each educator receives a class-set of NEED-developed, state-correlated curriculum that expands and increases students' energy knowledge. Participants also receive a Science

of Energy kit with hands-on experiments that explore the forms of energy and energy transformations.

"Phillips 66's generous investment in energy education will help address educators' growing demands for quality energy curriculum and training for tomorrow's workforce," said Mary Spruill, executive director of the NEED Project. "We consider an energy-literate public the pathway to overcoming the energy challenges of the future."

Phillips 66's sponsorship of the NEED Project aims to improve energy knowledge in America's communities and schools. This upcoming workshop supports New Jersey area teachers with the training and curriculum materials needed to lead their students in innovative thinking and creative dialogue about energy.

Since 2008, Phillips 66 and NEED have educated more than 5,000 educators through this sponsorship. This year, Phillips 66 will host 21 workshops across 12 states for more than 800 teachers.

ABOUT PHILLIPS 66

Phillips 66 is a growing energy manufacturing and logistics company with high-performing Midstream, Chemicals, Refining, and Marketing and Specialties businesses. For more information, visit www.phillips66.com or follow us on Twitter @Phillips66Co.

ABOUT THE NEED PROJECT

The mission of the NEED Project is to promote an energy conscious and educated society by creating effective networks of students, educators, business, government and community leaders to design and deliver objective, multi-sided energy education programs. For more information, visit www.need.org.
