COACH KATRINA POSKAY NETS 200TH CAREER WIN AS CRUSADER FIELD HOCKEY PREVAILS OVER WESTFIELD 2-1

On Thursday, September 11, 2014, the Arthur L. Johnson High School Field Hockey Team defeated rival Westfield by the final score of 2-1. Down 1-0 at halftime, the Crusaders scored two unanswered goals to seal the victory in the 2nd half.

Win the win, Head Coach Katrina Poskay achieved her 200th career win, which only adds to the impressive list of accomplishments that she has collected throughout her time as Head Coach of the Crusaders.

Some of Katrina Poskay's highlights included:

- Qualifying for the State Tournament play in each year she has been the head coach (13 years) and appearing in 9 straight Union County Finals.
- Mountain Valley Conference Champions in 2005 and Union County Champions in 2009.
- North Jersey Section II Group 2 Sectional Champions three times.
- Coached numerous Division I, II, and III athletes (including the MVP of last year's Division II NCAA tournament

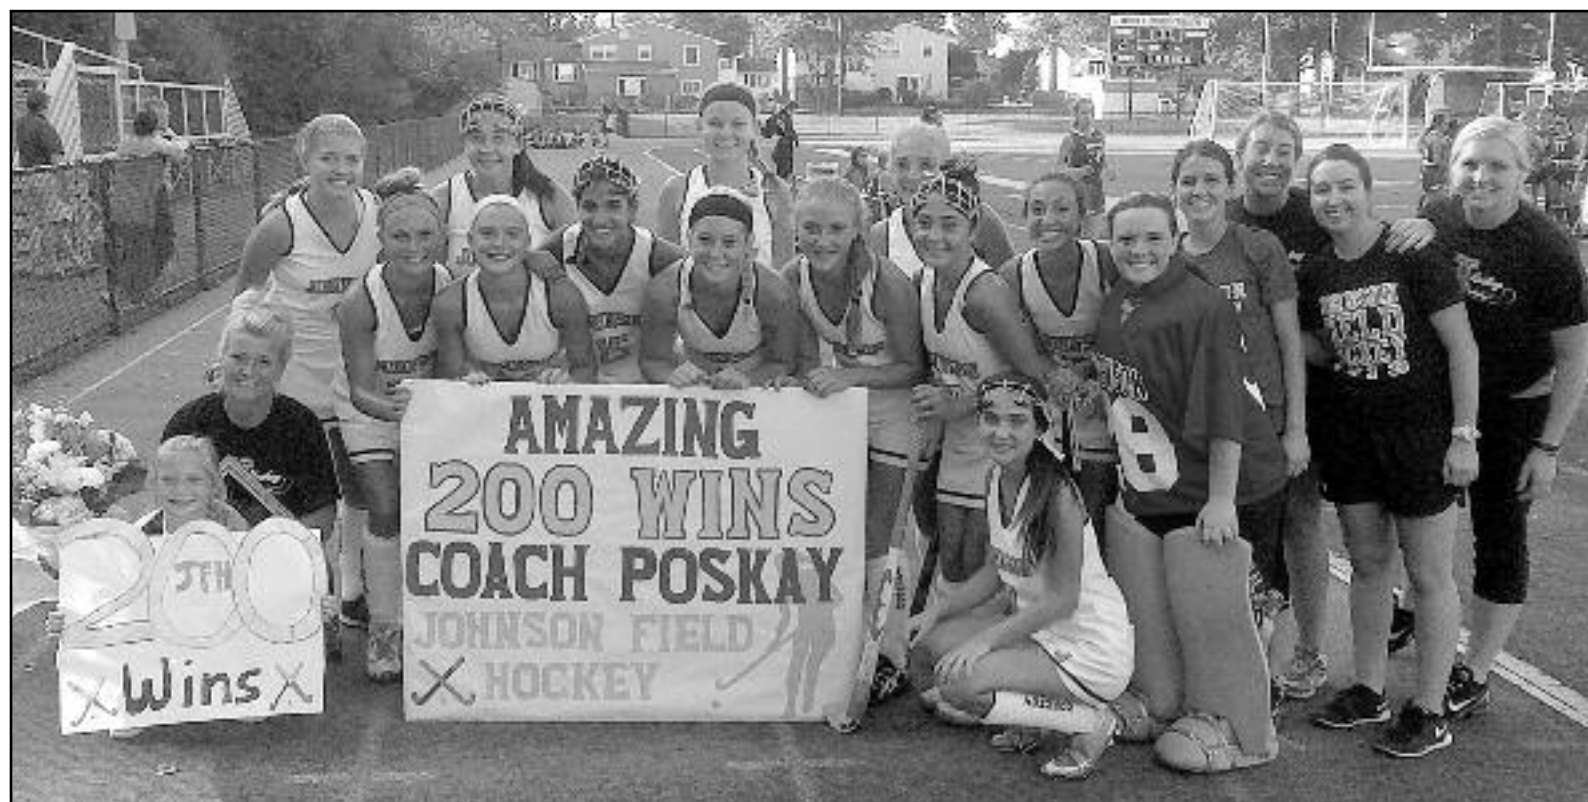

Shannon Syciarz).

- Coached three members of the 2011 National Championship Team (TCNJ) and currently has 17 Arthur L. Johnson graduates playing in college.
- Honored by the NJSIAA with a special award represents Coach Katrina Poskay's service in the field of interscholastic athletics and her dedication to the student athletes that she has coached throughout her career.

Athletic Director Gus Kalikas had this to say about the milestone: "Katrina is a model of what we want and expect from our coaches. Not only has she performed at a high level on the field year in and year out, but she expects her student athletes to be champions not only on the field, but in the classroom and throughout their lives. Without question, anyone who has passed through her program is better for it in countless ways. We are thrilled that we could share her 200th career victory with her and look forward to presenting her an award for her 300th career victory in a few years."

GIVE AND SHARE SEEKING DONATIONS FOR HOLIDAY BAG OF SIDES PROGRAM

The Clark Give and Share Program is again seeking donations of canned vegetables, canned gravy, cranberry sauce, boxed potatoes or boxed stuffing to be distributed through the St. John The Apostle Food Pantry to needy families during the holidays. Last year's program was a huge success with over 400 bags of sides being distributed.

Anyone wishing to donate to the program may drop off items Monday-Friday at the Clark Municipal Building, 430 Westfield Ave., room 18, between the hours of 8:30 a.m.-3:00 p.m.

Collections are ongoing and will continue through November 3, 2014 at which time Give and Share volunteers will begin to assemble the bags. Anyone with questions may call Nancy Raymond, Health Officer at 732-428-8405.

Morgan Favilla – Age 11, from Clark, NJ won 1st place in her age group playing in the 2014 Greater Newark Girls Golf Invitational, which was played at Galloping Hill Golf Course in Kenilworth, NJ in August. Morgan shot a 46 in 9 hole stroke play. “It’s a beautiful yet challenging course, you have to get your tee shot off good and stay in the fairway on that course” Morgan Says.

Characterized by its natural terrain of rolling hills and valleys, the course often referred to as “The Hill”, has a reputation as one of the most challenging courses in the area.

Morgan attends Kumpf middle school in Clark where she made the Principals List in the 4th quarter of the 2013 school year. She is currently in the 7th grade. Morgan was introduced to golf at age 6 by her father James Favilla who takes her out regularly. She then continued on with the First Tee Golf program, at West Nine in Plainfield, NJ. She attributes a lot of her success to starting at an early age in the First Tee program and having fun on the golf course. She now trains with her current coach

Bill Castner, the PGA Master Golf Professional at Plainfield West Nine. Morgan practices all year round and participates in the PGA Jr. Golf League at West Nine and other local events.

MAJESTIC WINDS TO PERFORM A CONCERT AT ZION LUTHERAN CHURCH

Majestic Winds, the professional wind band of the New Jersey Workshop for the Arts, will present a fall concert at the Zion Lutheran Church, 559 Raritan Road, Clark, NJ on Thursday, October 16, 2014 at 7:30 p.m. The ensemble will be directed by Howard Toplansky, an NJWA staff instrumental instructor. "Our musical offerings are geared to please a variety of musical tastes and range from Renaissance to

Ragtime favorites," stated Toplansky.

"Oberto" Overture by Giuseppe Verdi, Selections from "The Music Man" by Meredith Willson and "Concert Waltz" by Mark Strimovskiy will be the main selections on the first half of the concert. "The Third Man Theme" by Alex Karas will also be featured on this program. Hank D'Angelo, the featured saxophone soloist, will perform a virtuoso

rendition of "Over the Rainbow" by Harold Arlen. "Oberto" was Verdi's first opera and set the musical tone for his future works. Mark Strimovskiy played trumpet for 28 years in the Soviet Military Band in Kiev, Ukraine and is a current member of the Majestic Winds.

Several fine marches will also be performed on this program, which include "Gardes du Corps" by R. B. Hall and "Hall of Fame" by Joseph Olivadoti.

Rounding out this concert will be "Zing Went the Strings of My Heart" by George Gershwin, "Gold Rush Rag" by Stephen Kent Goodman and "A Moment in Time" made famous by Whitney Houston.

This event is open to the public and, while there is no charge for admission, a freewill offering will be gratefully accepted. For additional information about NJWA or Majestic Winds, call 908-789-9696 or email njwaband@att.net.

CLARK CELEBRATES 150 YEARS

On March 23, 1864, an act of the State Legislature incorporated the Fifth Ward of Rahway as Clark Township.

The country was in the middle of the Civil War. The boundaries of Essex and Middlesex counties were changing. The southern part of Essex County became Union County. The upper section of Rahway known as Spanktown separated itself from Elizabethtown and the lower part of the area known as Bridgetown which was a part of Woodbridge Township, Middlesex County since the early days of Dr. William Robinson, joined Union County and became part of Rahway.

Later the Fifth Ward of Rahway, dissatisfied with paying taxes and not receiving any benefits, became Clark Township. Robert Russell was Clark Township's first mayor. He, along with William Bloodgood and William Enders lead the movement to Clark Township's independence. Although Abraham Clark, a signer of the Declaration of Independence, was not a resident of Clark Township, the leaders decided to honor his dedication to the people of this area and his patriotism in the fight for independence and freedom and Clark Township was named after him.

Join us on Sunday, October 19, 2014, during the Four Centuries weekend which is being held on October 18 & 19, 12-4 pm, and learn more about Clark and its residents during its infancy and celebrate Clark Township's 150th anniversary at the Dr. Wm. Robinson Plantation and Museum which is located at 593 Madison Hill Road in Clark, NJ. Free Admission www.DrRobinsonMuseum.org or find us on Facebook for more information.

CUB SCOUT PACK 145 OF CLARK OPEN REGISTRATION CONTINUES

The September 16th annual open registration night was a huge success with many new scouts being registered into the pack. Open registration continues -- If interested please contact the pack.

During our September Pack meeting - held on Sunday, September 28th at the Dr. William Robinson Museum, 593 Madison

Hill Road, Clark, many more boys showed up to register and enjoy a Marshmallow Roast. They were treated to a tour of the Dr. William Robinson Museum, too!

Scouting helps develop academic skills, self-confidence, ethics, leadership skills and citizenship skills. While various

activities and youth groups teach basic skills and promote teamwork, Scouting goes beyond that and encourages a

deeper appreciation for service to others in their community. Scouting promotes activities that lead to personal responsibility and high self-esteem. As a result, when hard decisions have to be made, peer pressure can be resisted and the right choices can be made.

Some of Pack 145 activities include field trips, community service projects, camping adventures, arts & crafts, sports, skits, story telling, hiking, archery and Pinewood derby races to name just a few.

Cub Scouts is open to all boys entering first through fifth grade that attend the Clark school system.

If you are interested in signing your son up for Cub Scouts please visit: www.cubpack145.info for more details or to ask any questions you may have.

In January 2014, the Fanwood-Scotch Plains YMCA received a grant through the New Jersey Partnership for Healthy Kids (NJPHK), a statewide program of the Robert Wood Johnson Foundation (RWJF), to implement childhood obesity prevention strategies in Clark. The goal of NJPHK is to convene, connect and empower community partnerships across the state to implement environment and policy changing strategies that prevent childhood obesity. This work supports the RWJF policy priorities for improving nutrition and increasing opportunities for physical activity – both of which are critical to reversing the childhood obesity epidemic.

The YMCA and Saint John the Apostle School have partnered together to implement new strategies towards childhood obesity prevention with a goal of increasing time, intensity, and duration of physical activity, as well as supporting healthy eating habits. The initial focus for physical activity will be on the preschool, kindergarten, and first grade classes, which is a critical timeframe for positive behaviors and habits to be developed. Healthy eating strategies will be evident throughout the school, as the YMCA and St. John's will work to provide students and their families with nutritional resources and guidelines. Whether it is lunch at school, snack time at home, or special celebrations, the goal is to provide the students and families with the knowledge and tools to

make the best food choices.

A highlight coming from the grant monies, is St. John's new Tower Garden. Tower Garden is a state-of-the-art, 5 foot tall, vertical, aeroponic growing system. It is solar powered and is growing 20 different vegetables and herbs. Among them are celery, basil, lettuce, soy beans, bok choy, cilantro, and eggplant. The Tower Garden will be used to teach the students about health and nutrition, plant life, solar energy, and pH levels.

C.E.R.T. PROGRAM REGISTRATION

The Township of Clark is planning on holding another Community Emergency Response Training (CERT) Program to be held in the Fall 2014/Winter 2015 time period, if we get enough people interested.

This program is a 24 hr. training program, which is given over a 9 week period, that provides information on a variety of topics. Participants will receive training in such areas as; CERT team organization and Incident Command System, identifying hazards most likely to affect their homes or community and general disaster preparedness, basic fire knowledge, basic 1st aid training, light search & rescue training, disaster psychology, and terrorism. This program is not intended to train people to be First Responders for Fire or First Aid purposes, but it is designed to train people to be better able to help themselves and their families, to possibly help their neighbors, and, if they choose, to help their community by assisting the various Township emergency services in a major emergency situation.

Anyone interested in participating in this program should contact the Office of Emergency Management at 732-388-3600 Ext. 3007 or go to our website at www.clarkcert.org. Applicants must be at least 18 years old.

ONCE UPON A TIME IN FOURTH GRADE

Fourth graders in Miss Adriann Cimino's class at Frank K. Hehnly School start the school year by indulging in fairy tales.

Students embarked on a new journey to "Neverland", as they began their unit on the literacy genre, fairy tales. The unit began with a discussion about well-known fairy tales to interest the students. With a focus on the elements of a fairy tale, students have been practicing identifying those elements within well-known fairy tales, as well as those unexplored previously.

Cimino was quoted saying, "The students truly enjoy reading fairy tales. This genre allows the students to use their imagination and visualize the texts as they come to life." Fairy tales are a great and exciting way to start off the new school year.

(above) Fourth graders in Clark display various fairy tales that they are eager to read. Alison Burkhard, Cooper Andrews, Ginger Juzefyk, and Jake Talarico.

ARTISTIC TALENTS ON DISPLAY

During the first week of school, students in Ms. Greenspan's 8th Grade Language Arts course, at Carl H. Kumpf Middle School in Clark, took a new approach to expressing their expectation for their 8th Grade Language Arts Class.

Instead of writing a paragraph about what they perceive Language Arts to be about, they were able to complete the following sentence: Language Arts is. Ms. Greenspan's students were allowed to express themselves using the synonyms of words that they used to use. For instance, one student replaced the word "interesting" with the word "informative," while another student replaced the word "great" with the word "exhilarating." Ms. Greenspan also felt that it was important for the students to be

honest. She knew that some of her student would write what she expected them to say, so she made sure to remind them that it is ok to write a word that truly expresses how they feel about Language Arts. Because of this, the students had a wide array of honest responses that ranges from "exhausting" to "sophisticated" and included everything in-between.

After the students finished thinking of their words, they creatively wrote, and decorated, their words on a 3"x12" piece of construction paper using crayons, colored pencils, and markers. These words will end up being a colorful poster version of a Wordle called "Language Arts is..." and will hang up in the class as reminder of what the class thinks about when they think about Language Arts.

(above) Ty Dobbins, Christopher Dragonas, Nicalina Delrosario, Ashley Demarco, Nicole Katz, and Robert Pydeski display their illustrations of their adjectives at Carl H. Kumpf Middle School.

SAM GUSKIND DEDICATES 9/11 EAGLE SCOUT PROJECT

On September 7, 2014 Samuel M. Guskind of Boy Scout Troop 145, Clark, NJ dedicated his Eagle Scout project. The project Sam choose to complete was to build a monument in front of the Clark Firehouse headquarters dedicated to the victims of the 9/11 tragedy. The project features a piece of steel from the World Trade Center. Sam's father, Jan Guskind, has been a Clark Firefighter for the past 28 years.

Sam's current rank is that of Life Scout and he is working to achieve Eagle Scout, the highest award available in scouting. One of the many requirements to achieve the rank of Eagle Scout is to organize and complete a community service project in which the scout demonstrates both his leadership and organizational skills.

Sam, with the help of one of his adult leaders from his troop, sent 3 U.S. flags to Capt. Mike Sogka, a Roselle police officer who is a member of the New Jersey National Guard. Capt. Sogka with help from his patrol, flew these flags over Camp Phoenix in Kabul Afghanistan. The flags were then returned to Sam and were used in the ceremony dedicating the monument and then given to the Clark Fire Department.

Sam gave a moving speech during the ceremony which was attended by family and Clark residents as well as the Clark Fire Department and firefighters from Elizabeth and Kenilworth, boy scouts from Sam's troop, Clark Mayor Sal Bonaccorso and Town Council members.

BOOSTER CLUB "MEET THE FALL COACHES" & GUEST SPEAKER

The Arthur L. Johnson High School Crusader Athletic Booster Club held their first meeting of the year on September 9th. In attendance at the packed house were coaches, players, and parents who had the opportunity to meet the fall coaches and listen to them speak on behalf of their teams in addition to listening to a guest speaker who talked about maximizing your high school athletic experience.

The program continued with guest speaker John McCarthy of the Yogi Berra Museum and Leadership Academy which is located on the campus of Montclair State University. The Yogi Berra Museum is a classroom for all learners. It links the past to the present through the stories of baseball and Yogi Berra and other individuals who have distinguished themselves through their accomplishments and character. Yogi Berra is a shining example of someone who continues to inspire by example. The Museum's sports-based educational and public programs attract educators, students and intergenerational audiences. The Museum's Coaching Institute

also provides coaches, parents and students dynamic workshops related to today's hot-button issues in youth and scholastic sports. Among the programs available: Developing a Code of Conduct for Athletes and Parents; Team-building Techniques; Captains Workshop; Learning Sportsmanship; and Helping Athletes Reach Peak Performance.

Dancer Evan Ruggiero, a former musical theatre student at New Jersey's Montclair State University, was diagnosed with osteosarcoma and faced the amputation of his right leg at the age of 19. He graduated college, successfully completing his degree in Fine Arts and continuing to dance — with only one leg. He currently performs across the Country inspiring people with his love of both dance and life. Evan received a standing ovation from the audience after he performed his dance, along with singing two songs. At the end of the performance Evan spoke on the topic of overcoming adversity and graciously took pictures with student athletes, parents, and coaches.

FIRST GRADE VALLEY ROAD STUDENTS TRAVEL TO OUTER SPACE

(above, back row, l-r) Colin Pitta, Jordanna Tarentino, Grant Stisi, Anna Marie Rocco, Jason Lamendola, Billy McCann, Jake Szarszewski, Adison Marinez. (middle row, l-r) Sydney Papica, Justin Zdeb, Brayden Lukas, Nicholas Donofrio, Chase Polak, Ms. Freeman, Joaquin Nikolic. (front row, l-r) Julia Troncone, Carly Lechner, Alisia Hamm, Yazmin Yoplac.

Miss Kathryn Freeman, a first grade teacher at Valley Road School in Clark helped her students travel to outer space during a series of reading and science lessons she taught recently about space by discussing the sky. Students discussed things that they know are able to fly, and how far away they thought planets and the stars are. Then, pairs of students discussed things they'd like to see if they were astronauts, and what they thought they'd see if they were able to travel in a rocket ship. After this, Freeman made a list of what students knew about outer space, and what they wanted to learn by the end of the lesson.

The class then read a poem called "Zoom!" which is from the Reading Wonders program. The poem is about a boy that travels to the stars in his rocket ship, and is accompanied by illustrations of a rocket, the view of Earth from the moon, and a child zooming around in a space suit. The children connected with the child's desire to travel to outer space, and the class discussed if they would be nervous to travel that far from home, and if they would be excited or scared if they were astronauts. Many students stated that they would love the opportunity to walk on the moon, touch the stars, and see a rocket ship in person. The majority of the class said that they would love to travel to outer space or become an astronaut in the future.

Later in the day, students watched child friendly videos made by NASA and Story Bots about the stars and planets. The children were then given the opportunity to write sentences about what they would want to see if they could travel to space. Finally, Freeman asked students what they had learned, and added to the chart the class started earlier in the day. Children said that the videos, and poem helped space to "come alive" in their classroom. One child stated that, "reading and watching videos about space helped me to imagine what I'd see if I really did travel to space!"

CZEŚĆ, HOLA, HALLO, HELLO AND WELCOME!

Clark's English as a Second Language (ESL) teacher, Ms. Melissa Gabriele, welcomed parents at Arthur L. Johnson High School, Carl H. Kumpf Middle School and Valley Road School's Back to School Nights this week. During the evening events parents learned about the program and its goals. Ms. Gabriele was quoted as saying, "The main goal of the program is to educate English Language Learner (ELL) students to the same standard of excellence as all students in the school district." The ESL Program provides ELLs with an opportunity to acquire proficiency in listening, speaking, reading and writing English with an emphasis on comprehension and quality production in both social and academic settings, highlighting academic rich language. Ms. Gabriele enjoys meeting the parents of her ELL students at Frank K. Hehny's Back to School Night.
