## 7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

Cranford NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market.

The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

## YOU CAN GO HOME AGAIN!

*Shannon Rasmussen*

Recently Cranford resident Shannon Rasmussen returned home and reminisced about experiences that were instrumental in shaping her future. Here are her recollections:

For the last seven years, I have been honored to be a member of an outstanding volunteer service organization known as the Cranford First Aid Squad. Seven years ago I walked into the Squad building for the first time and asked for an application to join an organization which, although I didn't know it at the time, would shape both my character and my career. To this day – even in my clinical practice – there are valuable lessons that I've learned during my time on the Cranford First Aid Squad that I continue to use and apply each and every day. I have always been fascinated with medicine and a strong desire to serve others. Given my serious interest in medicine

and a thirst for knowledge, I felt that the Squad would offer me an experience that no other community service could – a hands-on application in the medical field and an immersion into the world where compassion and composure were just as important as clinical competency.

It was through the constant support, mentoring and encouragement of the highly-skilled squad members, that I realized I wanted to practice medicine for the rest of my life. After investigating various options, I discovered the profession of Physician Assistants. I instantly fell in love with the skilled and compassionate way they interacted with and treated patients. It reminded me of the volunteers I had come to know at the First Aid Squad – truly selfless individuals who never hesitated to go that extra mile to care for the Cranford community and neighboring towns when called on in an emergency. As a direct result of becoming EMT certified and my experiences on the squad, I applied to a 5-year accelerated program at Philadelphia University, a program that would allow me to complete a BS in Health Sciences in three years and a MS in Physician Assistant Studies during the last two years. I wrote about my experiences as an EMT for my entrance

essay, and was accepted to the PA program.

During the rigorous final two years in the PA program, I worked diligently and spent many sleepless nights studying and serving as a Physician Assistant student at various hospitals in the Philadelphia/South Jersey area. However, I always thought about the Squad. I missed the camaraderie of this group who were so giving and caring of others; volunteering entire nights or weekends responding to emergencies; giving up hours of their free time to teach Cub Scout and Girl Scout troops, community organizations and others about first aid, and run free blood pressure screenings. I knew that if I could finish the program and secure a job near Cranford, I might one day be able to return and continue to serve the Squad that I have come to cherish.

The lessons that I have taken from serving the community as a member of the Cranford First Aid Squad have been absolutely invaluable. The time that all of the members – both past and present – have invested in me has been instrumental in my development as a competent and confident healthcare professional.

I graduated PA school and became certified as a PA-C in August 2014. I am now officially off of college leave and happy to be back with the Squad. It feels great to be back home again!

## TWELVE CRANFORD RESIDENTS REACH INCREDIBLE HEIGHTS AT PHILMONT SCOUT RANCH IN NEW MEXICO

This summer twelve Cranford residents stepped on a plane at Newark Liberty Airport to start their trip of a Boy Scout's lifetime to Philmont Scout Ranch in Cimarron New Mexico. Scouts and scouters for generations have headed west to Philmont for the ultimate high adventure experience. To date, over one million Scouts have visited Boy Scouting's ultimate destination. The 214 square mile ranch opened in 1938, a gift from oil man Waite Philips, is a piece of the real Wild West. Sitting at the foot of the Sangre de Christ Mountains, Philmont accepts over 25,000 Boy Scouts each year, making it the largest youth camp in the world.

The 14-day event started in Colorado Springs, Colorado for a 2-day altitude acclimation program where the scouts were treated to a trip to Pike's Peak elevation, 14,114 feet above sea level, a tour and hike in the beautiful red rock formation park at Garden of the Gods, a tour of The US Air Force Academy and concluded with

a whitewater rafting adventure in the Arkansas River.

Upon arrival at Philmont the crew 714 D-2 was introduced to their ranger, Dom F. that would conduct their final training and spend the first two days with them, teaching the scouts the ways of the trail, cooking, navigating, sanitation and first aid skills were some topics of this walking two day university of survival. Upon completion the ranger bid them farewell and the crew was on their own for the next 10 days. The high altitude and extreme thunder and lightning storms tested the training of the fit crew on several occasions during the trek. Starting at 6,000 feet above sea level they traveled to the top of Mt. Philip 11,110 ft. In total the crew travelled 75 miles with all supplies on their back totaling over 50 lbs. each.

While in camps the crew were treated to the featured activity of that camp. Blacksmithing, real rock climbing, firing black powder rifles and shotguns, gold mining, tomahawk throwing

and horseback riding were just some of the activities. The staffed camps featured period reenactors of the mountain men that ran logging camps in the early days on the 20th century. A comedic musical show by the reenactors was the evening's entertainment for two nights on the trail. A special side trip lead the crew to the crash site of a world war II B-24 bomber. Parts of the plane still remain on the mountain. The trek wrapped up with a root beer reception at the home of Kit Carson and the Kit Carson museum.

In the spirit of giving back the crew served on a conservation project to repair trails for crews who will follow in years to come.

Although the trip was 12 days in length, many hours of conditioning and training were spent in preparation for the rigors of backpacking through the wilderness and climbing to such elevations in the thin aired environment of the 11,742 foot high mountain tops. The brotherhood that the crew created in the year of comradery will last for a lifetime.

(above, l-r) Atanding at the end of the trail are Tim Romero (Crew Leader), Kevin McCarthy (Chaplain's aid), Trevor Aschmies, Seam Flesher (Recorder), Jack Garcia, AJ Kornberger, Zach Kornberger, Jake Thompson and Roy J. Walton, Brian Thompson (lead Advisor) Roy F. Walton (Advisor) and John Aschmies (Advisor).

ArteVino Studio, New Jersey's premier paint & sip studio for BYOB art classes, private parties, corporate events, kids' painting classes and birthday parties is pleased to announce the opening of their newest studio in Cranford, NJ on November 13th, 2014. With the resounding success of ArteVino Hoboken, the company is set for expansion with a number of locations in the Tri-State area in the coming months, starting with Cranford.

The public is invited to attend a grand opening celebration on Saturday November 15th at 102A N. Union Ave in Cranford. Mayor Andis Kalnins will be unveiling the new store at 1 p.m. and there will be a fun-filled day of free painting for kids and adults. They believe artistic self-expression is a great way to decompress from the stress of daily life and their goal is to provide a friendly and affordable environment for anyone to experience this. All you have to do is sign up, show up, paint, create, socialize and unwind for a fun filled evening. No experience required! Talented artists will guide you through the creative process and help you complete a beautiful piece of artwork that you can take home with you! The unique studio is the perfect setting for birthdays, kids' parties, anniversary celebrations, baby showers, girls' night out, date nights, bachelorette and engagement parties as well as corporate events and fundraisers.

Owner Preeti Chawla had this to say "We are very excited to be welcomed into the Cranford

community and will be donating the proceeds of our very first class on November 13th to Cranford Family Care. Please help support this worthy organization by purchasing a ticket at [cranford.artevinostudio.com/calendar](http://cranford.artevinostudio.com/calendar)."

## FIGHTING HUNGER ONE MOVE AT A TIME

ERA Meeker Realty Company is proud to support MoveForHunger.org, a nationwide non-profit hunger relief organization. Together we are going to fight hunger in Union County.

As you may be aware, many people throw out a good deal of "stuff" when they move. Unfortunately, a lot of this "stuff" is food that could be delivered to a family in need rather than thrown away. That's where we come in ...Our network of movers offer to pick up the unwanted, non-perishable food items from those who are moving and deliver it to their local food bank. For the list of area movers visit [www.DonateMyFood.org](http://www.DonateMyFood.org).

Also ERA Meeker Realty will be accepting donations at their office during regular business hours. 9-5 weekdays and 9-12 weekends. ERA Meeker is located at 124 South Ave E. Cranford NJ. 908 272-2570.

# DICTIONARY PROJECT MAKES CRANFORD ROTARY “FEEL VERY GOOD INSIDE”

Students in the 3rd grade may be confused about the difference between Rotary and a rodeo, but there is no confusion about how much they like the dictionaries the Rotary Club of Cranford delivered to them in September.

For the 13th year in a row, members of Cranford Rotary distributed almost 400 dictionaries to 3rd graders at Cranford public schools, St Michaels and Garwood Lincoln School.

The Cranford Club participates in the nationwide project sponsored in part by Rotary International that provides personal dictionaries to 3rd grade students throughout the United States. The dictionaries are key to better reading, speech, and writing, and the young people like meeting adults in their community who care enough about them to purchase these

dictionaries and come to their school to present them personally.

The Rotary Club of Cranford was established in 1923 and serves the Cranford community through service projects, sponsorships and scholarships. Over \$250,000 in scholarship funds have been awarded over the last twenty years. Recent beneficiaries of other Rotary support include Cranford Family Care, Cranford First Aid Squad, Cranford PAL, Cerebral Palsy League and the Rotary International Foundation.

The Cranford Rotary Club meets every Thursday morning at 7:45 am at the Cranford Community Center. Any business or professional, active or retired, is cordially invited to attend our meeting. For additional information, please contact Membership Chair Mike Flynn at 908 272-2827.

## AMATEUR ASTRONOMERS INVITED EVERY FRIDAY EVENING

Amateur Astronomers, Inc. (AAI), with its home on the Cranford campus of Union County College since 1967, is one of the largest astronomy clubs in the U.S. The William Miller Sperry Observatory, located on the campus, holds two of the largest telescopes available to the public in the Northeast. The East Dome of the observatory holds a 10-inch f/15 refractor built by AAI members and donated to the college in 1972. The West Dome holds a 24-inch f/11 Cassegrain reflector purchased and owned by AAI and installed in 1974. AAI hosts a Qualified Observers course for members only where they learn to operate the 24-inch and 10-inch telescopes. Members can also learn astrophotography and telescope making. For information contact [membership@asterism.org](mailto:membership@asterism.org).

Open free to the public every Friday evening from 7:30 to 10:30 in all weather (although the domes will be closed on cloudy nights), AAI hosts a public Astronomy talk at 8:30 pm. Earlier programs for younger audiences, such as

scout groups and school children, must be scheduled in advance by emailing [info@asterism.org](mailto:info@asterism.org). These programs are tailored to the particular group and consist of such topics as the Constellations, the Solar System, and how to use binoculars and star wheels. The public is invited to look through the huge 10-inch and 24-inch dome telescopes and AAI members' telescopes set up outside the observatory. Admission is always free and there is plenty of free parking! In addition, AAI holds Star Parties at Trailside Nature & Science Center, in Mountainside, and at Sandy Hook State Park.

From September through May, on the third Friday of the month, AAI holds its monthly membership meeting in the Nomehegan building on the UCC campus. Each month a professional guest speaker from prominent universities such as Columbia, Rutgers, and Princeton as well as NASA, give a presentation relating to Astronomy. These meetings are also free and open to the public.

Please be advised that Sperry is an Observatory and not a planetarium. The temperature inside the domes is the same as outside, and viewing of the night sky is done in cramped quarters in almost total darkness. Such conditions may not be suitable for very young children.

Please visit our website at [www.asterism.org](http://www.asterism.org) for more information or contact AAI at the following address: Amateur Astronomers, Inc.; PO Box 111; Garwood, NJ 07027-0111.

## CHASING RAINBOWS: THE SONGS OF JUDY GARLAND FEATURING VOCALIST KAREN LUSCHAR

Karen Luschar

The Friends of the Cranford Public Library are very pleased to present "Chasing Rainbows: The Songs of Judy Garland," featuring vocalist Karen Luschar. The program will take place on Wednesday, November 5, at 7:30 p.m. in the Cranford Community Center,

which is located at 220 Walnut Avenue. Ms. Luschar's background encompasses Broadway, Off-Broadway, Lincoln Center, national tours, performing arts venues, Japan, Canada, Las Vegas, regional and stock theater, cruise ships, commercials, cast albums, television, film, cabarets, benefits, and conferences, as well as the Winter Olympics at Lake Placid and an

appearance at the U.S. Capitol. Her theatre credits include Phantom of the Opera, Brigadoon, Oklahoma, Carousel, Cabaret, West Side Story, Baby, My Fair Lady, and The Student Prince. She spent three years performing with Sandy Duncan in Peter Pan and three years in Camelot with Richard Harris and, later, Robert Goulet. She has also shared the stage with many other show business luminaries, including Christopher Hewitt, Frank Gorshin, Hal Linden, and Jack Gilford. The marks Ms. Luschar's second visit to Cranford, where she presented a program entitled "Broadway in My Heart" earlier this year. Admission to the program is free and all are welcome. For information about other upcoming programs, visit the library page at [cranford.com/library](http://cranford.com/library) and click on the Events & Programs tab at the top of the page. ## PETER STROTZ OF CRANFORD BOY SCOUT TROOP #75 EARNED HIS EAGLE SCOUT AWARD

On June 21, 2014, Peter Strotz of Boy Scout Troop #75 in Cranford received his Eagle Scout Award at a ceremony held in the Cranford United Methodist Church. Peter earned 27 merit badges in topics ranging from Wood Carving to Camping. During his scouting career he served as both Patrol Leader and Senior Patrol Leader for his troop, and was a member of the Order of the Arrow. Peter's Eagle Scout project was to design and build a lighted interactive map of Cranford to help the members of the Cranford First Aid Squad quickly locate any of the more than 270 streets scattered throughout the town. After completing the design phase of the project he led a team of Scouts and adult volunteers to assemble the frame, drill the holes for each light and switch, mount the bulbs and switches, connect all the wires, label each of the switches, and test each light prior to installation at the First Aid Squad building on Centennial Avenue.

# 2014 KENILWORTH SILER CARD ANNUAL DINNER

CRANFORD MONTHLY • Page 25 • November 2014

The Kenilworth PBA #135 held their annual Silver Card Association dinner on October 9, 2014 at the Garlic Rose Bistro, Cranford.

This annual dinner is the group's main fund raising event and helps to underwrite the various charitable organizations that they support. In the last year they were able to help Hurricane Sandy victims, disabled veterans, local youth groups, church food drives and several needy area families.

The dinner honors supporters of the PBA. The 2014 Silver Card recipients were Valerie Smith, John Weaver and Robert "Bobby" Durana.

Valerie Smith has been a Kenilworth Police officer for 13 years. She is the first female police officer in the history of the Kenilworth Police Department. She has been married for twelve years to her husband Mike, a Roselle Park police

officer, and they have a beautiful seven year old daughter named Audrey.

John Weaver is the owner of Weaver Printing and Digital Copies which is located in Cranford. The company has been family owned and operated for over 40 years. John was born and raised in Cranford and for the last 20 plus years has served on the Board of Directors of the Cranford Chamber of Commerce. ### FIGHTING HUNGER ONE MOVE AT A TIME

ERA Meeker Realty Co is proud to support MoveForHunger.org, a nationwide non-profit hunger relief organization. Together we are going to fight hunger in Union County.

As you may be aware, many people throw out a good deal of "stuff" when they move. Unfortunately, a lot of this "stuff" is food that could be delivered to a family in need rather than thrown away. That's where we come in ...Our network of movers offer to pick up the unwanted, non-perishable food items from those who are moving and deliver it to their local food bank. For the list of area movers visit [www.DonateMyFood.org](http://www.DonateMyFood.org)

Also ERA Meeker Realty will be accepting donations at their office during regular business hours 9-5 weekdays and 9-12 weekends.

### SELLING

Deciding to sell your home is a big decision. The process of selling your home can be challenging and time-consuming. ERA Meeker Realty agents know your market and can provide a comprehensive marketing strategy from determining a list price, to staging tips and negotiating offers with innovative selling tools to help every step of the way.

## CRANFORD HISTORICAL SOCIETY TO PRESENT "FREDERIC CARDER AND STEUBEN GLASS"

The Cranford Historical Society presents "Frederic Carder and Steuben Glass" with Vic Bary on Sunday, November 16, 2014 at the Crane-Phillips House Museum from 2:00-4:00pm. Program begins at 2:15pm. The Crane-Phillips House Museum is located at 124 North Union Avenue, Cranford.

"While many recognize the name Louis Comfort Tiffany and associate it with turn of the century art glass creations, far fewer may recognize the name Frederic Carder. Carder, the founder of Steuben Glass, was a contemporary of Tiffany, who considered him his most important competitor (even bringing an unsuccessful lawsuit against him for theft of intellectual property). While similar to Tiffany in being a "Renaissance Man" in his breadth of skills, Carder distinguished himself from the former by actually blowing some of the creations he designed—something Tiffany never did.

Cranford Historical Society Trustee and art glass collector Vic Bary will speak about Frederic Carder and Steuben Glass. The presentation will include many visuals as well as some examples of Carder's Art Nouveau glass. Mr. Bary has previously presented on the Art Glass of Louis Tiffany, as well as competitors Quezal and Durand on behalf of the Cranford Historical Society previously this year.

Admission is free. Space is limited so reservations are required. Program is not recommended for children. To reserve your seat, please call the Historical Society's office at 908-276-0082 or email us at [cranfordhistoricalsociety@verizon.net](mailto:cranfordhistoricalsociety@verizon.net). Established in 1927, the Cranford Historical Society, a non-profit organization, has been dedicated to the preservation and perpetuation of Cranford's history.
