11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.njhomeinspectiontraps.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

BEES SHARE THEIR HONEY WITH LOCAL BUSINESSES

(above, l-r) Mayor of Linden Richard Grebounka & owner of Cox Printers Michael Kaufman.

(above, l-r) Visitors to the event were treated to a tour of the Cox Printers rooftop bee farm.

COX Printers in Linden New Jersey recently hosted its' Second Annual Honey Harvest. This year's event was expanded into a Cross Pollination Expo and Honey Harvest. It was an invigorating evening that included a number of business partners such as; Investors Bank, Grey Sky Films, Arctic Falls Water, Sound Board Consulting Group, Reliable Recycling, Pied Piper Liquors, and The Gateway Chamber. Each partner complimented one another as they presented their services to a host of friends and local businesses. The highlight of the event was Bee Bold Apiaries, as they demonstrated the

importance of the honeybee, and how their honey is harvested from a hive. In addition, the only mead maker in New Jersey, Sergio Moutela of Melovino, was present to speak about the many intricacies involved in the craft of making mead.

Why all the excitement about honeybees? With help from beekeepers Joe Lelinho and Eric Hanan of Bee Bold Apiaries, owner of COX Printers Michael Kaufman, started a bee farm on his rooftop a couple of years ago. Together, they are spreading the word about the importance of the honeybee and how their recent decline is a concern for us all. Honeybees are a valuable resource that benefits society as a whole. Without the honeybee, a majority of our food source would be a risk. Companies such as COX Printers and Bee Bold Apiaries realize this and are doing their part to make a difference.

In all it was an educational experience, as well as a great networking event in a relaxed environment shared by all. Each guest had a chance to meet a variety of local businesses, develop new relationships and share ideas. The Mayor of Linden, New Jersey, Richard Grebounka, stated in his presentation that it was great to see businesses growing, thriving, and sharing ideas. Special thanks again to all who participated and helping to create a successful event. Check in with COX Printers for future events, and learn how you too can make a difference. Visit www.COXPrinters.com or call (908) 928-1010 for more information.

Submitted by June Lazaro, co-chair of the Taste of Linden, Secretary of the Kiwanis Club

With at least 150 attendees, this year's Taste of Linden event held on October 20, 2014 raised over \$3,500 thru sponsorships, donations, and the 50/50 raffle. Majority of monies came from our sponsors - so a special shout out of thanks for their donations and time: Gold Sponsor - Infineum USA L.P., Northfield Bank, Linden Education Association, Silver Sponsors - Abigail's café Bronze Sponsors - Baker Tax and Accounting Services, Karen and Larry Lukenda, Phillips 66 Bayway Refinery, Chuck Florio Stella & Walter Tylicki and Unity Bank, The variety and atmosphere engaged our neighbors and all enjoyed the cuisine from some of our local restaurants: Beyond the C, Chevy's Fresh Mex, John Prince's Famous Bayway Diner, Linden House Diner, Medley's Jazz Restaurant, Meson Tropical, Park Avenue Deli, Primavera's Café & Restaurant, Robins' Nest Rhythm & Blues, Sam's Club and The Linwood. Our club members applaud them for sharing their time and plans to dine at their establishments. Each restaurant and sponsor, appropriately, received a certificate of appreciation.

If you missed this terrific event, you may soon be able to view it on your local Linden cable channel. Besides the three 50/50 recipients lucky winners took home door prizes ranging from restaurant gift cards to even a sonic care tooth brush kit. To enlighten our community

about Kiwanis, a slide show of pictures was projected showing past Halloween fundraiser walks with the K-Kids, our international bonds, pasta dinners, pancake breakfasts, and our first Taste of Linden. Our Kiwanian Lieutenant Governor of District 6 Rosemary Oarsley dined with us too, shared a few kind words and she will be inducting our new board members at III Amici Ristorante on October the 29th. Monies raised from our first Taste of Linden went to families in Linden most affected by Sandy. So glad to see that this year's the donations can go for scholarships for Linden residents and Kiwanis community projects.

The evening went smoothly due to the assistance of our members and the Linden High School Key Club members. Once again they shared their hands and hearts - from carrying supplies, preparing the tables and cleaning up afterward. Truly, their community service and leadership show the way to success. Their dedicated advisor Kathleen James even showed her support. Who knows maybe one of the Key club members will qualify to deserve a scholarship. Dr. Bill Osborn, a Kiwanian, was also present. He, along with Sam's Club, is being honored at our Oct. 29, 2014 installation dinner. For years Dr. Osborn has steered a Kiwanian committee who analyze applications, interview the candidates and then together they

decide on which candidates deserve the scholarships.

Kiwanis Club of Linden (501c4) organization started over 65 years ago and today still have long term members and solid relationships. Kiwanis is an international organization and together we achieve our mission: Changing the world one child and community at a time. Like us on face book and look for our upcoming events in the Life in Linden. Our current President Chuck Florio coordinated a monthly fundraiser already: 15% proceeds from anyone who dines at Wendy's on the 3rd Wednesday from 5 pm -8 pm will go to our club and no coupons are needed. Most certainly the "Taste of Linden" allowed us to support our community and our community indeed supported this event. The Kiwanis club of Linden supports and appreciates our community. Thank you!

VETERANS DAY WILL BE CELEBRATED ON TUESDAY, NOVEMBER 11, 2014

Submitted By Ron Stefanowicz, Commander Linden Veteran Council

Veterans Day is an official United States holiday that honors people who have served in the U.S. Armed Forces, also known as Veterans. It is a federal holiday that is observed on November 11. It coincides with other holidays such as Armistice Day and Remembrance Day, which are celebrated in other parts of the world and also mark the anniversary of the end of World War I. (Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect.)

Across this great country and throughout the world Americans will pause November 11th to honor our brave fighting men and women, who for more than 230 years have underwritten our freedom by their duty, honor and selfless-service. We recognize that all our veterans have given something of themselves to this country and some have given all- laying down their lives to defend the freedoms we hold so dear.

For Veterans, coming home was the beginning of another battle, the battle to recover. You fought to stand again and to walk again and to work again. You fought for each other and for the benefits and treatment you had earned. You became leaders in our communities, in our companies, and our country.

Veterans Day is a time to honor not just those who have fought for us in battle, but in fact, all of the outstanding men and women who served in our Armed Forces since our founding more than 237 years ago. Not all veterans have seen war, but a common bond that they share is an oath in which they expressed their willingness to die defending this nation.

Perhaps most significant in preserving our way of life are the battles that America does not have to fight because those who wish us harm slink away in fear of the Coast Guard cutter, the Navy aircraft carrier, the Air Force fighter squadron or the Army soldier on patrol. Or they

have heard the words that recently retired General James Mattes shared with his Marines: "Be polite. Be professional. But have a plan to annihilate the enemy."

Many of these veterans are women, such as Army Chief Warrant Officer Lori Hill. While piloting her helicopter over Iraq in 2006, she maneuvered her chopper to draw enemy gunfire away from another helicopter and provide suppressive fire for troops on the ground. Despite flying a damaged aircraft and suffering injuries, she landed the helicopter safely, saving her crew. For her actions, she became the first woman to receive the Distinguished Flying Cross.

Women are major contributors to our military presence in Afghanistan and many have given their lives in the War on Terrorism. The American Legion recently issued a report calling upon the VA to improve its response to the unique needs of women veterans. The VA and military health systems need to adequately treat breast and cervical cancer as well as trauma that resulted from domestic violence, sexual harassment and assault. America is home to more than 1.2 million women veterans and they deserve our support.

On Tuesday, November 11th at 11 O'clock take a few seconds to honor all Veterans who served our Country.

The placement of memorial wreaths ceremony on City of Linden Veterans Monuments will take place on Tuesday, November 11. All Veterans, LHS ROTC, and Linden residents will assemble at American Legion, Post 102, at 112 E. Elizabeth Ave.

The following time schedule could vary by a few minutes. Residents are invited to meet the veterans' entourage at any monument listed above, or to join the veterans' escorted entourage from its start point at the American Legion Hall.

All veterans are invited to join their fellow veterans in honoring those veterans who have made the ultimate sacrifice for their country. Call 908-862-0276, if you need additional Information.

SCHOOL NO. 4 RECORDER KARATE

Linden School No. 4's third graders are taking part in an exciting hands-on recorder pilot program. Students are studying basic notation, pitch, rhythm, dynamics and tempo. By following the recorder karate curriculum, students learn a series of songs on the recorder, therefore earning a colored belt for the mastery of each level.

The Recorder Karate program is a curriculum that is designed to teach students how to play the recorder. This method is a positive reward system in which students receive colored "karate belts" to hang from their recorders for each progressively more difficult tune they learn to play. The recorder has been around since the medieval times. It is a standard teaching tool,

and an integral part of the Orff-Schulwerk curriculum (a method of teaching music through singing, moving, speech and drama). It is an excellent hands on tool for teaching music education.

The Recorder Karate book includes each song necessary to complete the program as well as all of the musical theory concepts for students to learn along the way (note names, fingerings, rhythms, time signatures, key signatures, etc.) This program has a school to home communication connection. Parents are encouraged to have input on the progress their child is making on the recorder. The School No. 4 home school collaboration is encouraged through out the year.

LINDEN EMERGENCY RESPONSE SYSTEM

Since December of 1983, the City of Linden has administered the Linden Emergency Response System Program for the elderly, physically handicapped, medically disabled and the socially isolated of Linden. To date, more than 500 Linden recipients have taken advantage of the 24 hour monitoring service and we presently serve approximately one hundred-fifty area residents.

The LERS unit is an easy to use wireless transmitter which becomes a 24 hour companion and a direct link to safeguarding one's health and safety. One press of the button is all it takes to notify the central station that an emergency condition exists and within minutes, an ambulance and emergency personnel are at the scene. Besides having the transmitter and emergency help immediately, your medical profile is kept on file and is at the disposal of emergency personnel.

The City of Linden has purchased the emergency units for the subscriber. The subscriber in turn pays \$12.00 a month monitoring fee and charges for the installation of the unit.

The Linden Emergency Response System, administered through the Department of Public Property and Community Services, is an invaluable service available to the residents. If you know a friend, neighbor, or relative in Linden that you are concerned about and that could benefit from having their own LERS unit, please contact the John T. Gregorio Recreation Center at (908) 474-8627.

"SONS OF LIBERTY"

(above) The students in Mr. Dave Walker's U.S. History class at Linden High School participated in a historical simulation where they convened as members of the "Sons of Liberty", a group founded by Samuel Adams prior to the American Revolution. Students were given specific historical scenarios and were asked to work together in cooperative learning groups to develop solutions to various issues faced by the American colonists.

LINDEN HIGH SCHOOL OKTOBERFEST

Linden High School German students in Mr. Dakota Wallace's class learned and researched the tradition of Oktoberfest which started in Germany in 1810, when Prince Ludwig of Bavaria invited the general public to join in to celebrate his marriage. Since then Oktoberfest has grown and is celebrated worldwide.

The students also delved into Germany's culture by looking into the authentic German Traditional Foods. Traditional German food choices include the "Blaukraut" (a dish made from red cabbage and apple), potato salads or potato soup served with large pretzels and a plateful of cheese and bread.

The LHS German students held a Scavenger hunt to learn about the history and traditions of Oktoberfest. They listened to traditional and popular German music, made Lebkuchenherzen out of paper and had the opportunity to dress up.

The Friends of the Linden Library is hosting a Super 50/50 raffle. The proceeds of the raffle will benefit the Linden Public Library towards the purchase of new computers, for the public's use. The cost of the raffle ticket is \$10 per ticket. Winnings are based upon the number of tickets we sell. Currently we would like to sell all 1000 tickets, which would bring in \$5,000 for the library. The other winnings would be distributed to 3 winners at \$2,500, \$1,500, and \$1,000. (Actual winning will depend on the number of raffle tickets sold.) The drawing will be held on December 1, at 4pm, at the Linden Public Library. Please send a check, made payable to "The Friends of Linden Library", to Linden Public Library. Thank you in advance for your support of the Linden Public Library. Contact Theresa at 908-380-6966.

FALL FUN AT THE LIBRARY

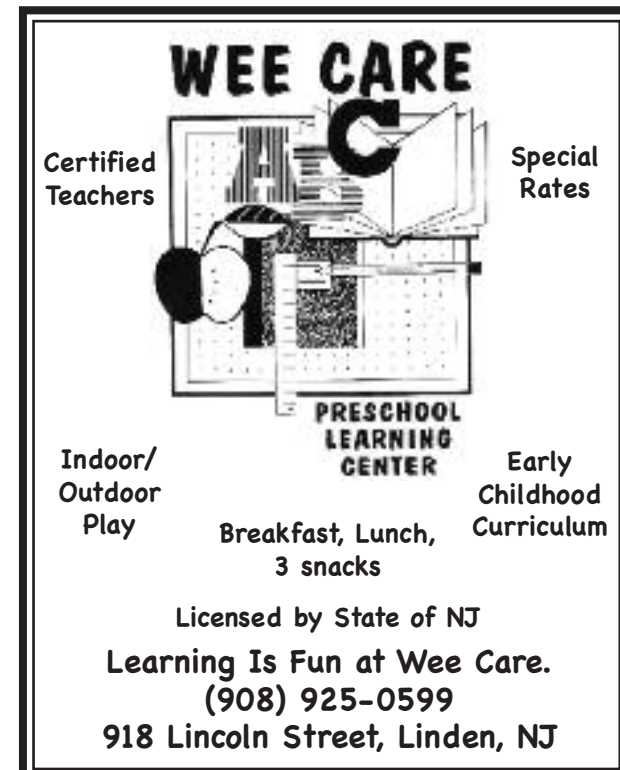

The Linden Public Library has weekly groups for babies and toddlers, ages six months through four years of age. These Terrific Toddler groups meet on Tuesday, Wednesday, and Thursday mornings from 10:30 to 11:15 a.m. During the groups, we read two stories, and have seven or eight activity songs, and rhymes. You may register for the groups at your first class. All groups meet on the third floor of the library.

We have a special music concert coming for Linden children. On Wednesday, November 5, the Linden Public Schools are closed. That morning we will be presenting one of our favorite singers, Louie Miranda at 10:30 a.m. Louie has performed in many famous venues in New York City. Tickets to the concert are free, but you must sign up in advance.

LINDEN POLICE & FIRE DEPARTMENT GET NEW CHAPLAIN

The Linden Police and Fire Departments recently announced the appointment of the Reverend Miroslaw K. Krol as their new chaplain. Reverend Krol is currently the pastor of St. Theresa's Church in Linden.

He was born on August 18, 1970 in Gorlice, Poland and grew up in the small village of Stawisza. He attended high school in Gdansk, Poland before emigrating to the United States and continued his college studies in Michigan where he attained a degree in philosophy in 1993. He was ordained a deacon for the Archdiocese of Newark in 1996 after completing studies at the Immaculate Conception Seminary at Seton Hall University.

Before serving as pastor for St. Theresa's, Father Krol served assignments as pastor for St. Elizabeth's Parish in Wyckoff, NJ, and Our Lady of Czestochowa in Harrison, NJ. In 2013, St. Theresa's Church was dedicated the Newark Archdiocese Shrine of Blessed John Paul II.

Father Krol is also an Honorary Canon of St. Florian and the Blessed John Paul II Chapter in Krakow, Poland. He was appointed to this position by Cardinal Stanislaw Dziwisz, the pope's former personal secretary.

Father Krol has already attended and presided over several ceremonies where police officers have been newly-appointed or promoted.

LINDEN OFFICERS HONORED FOR DWI ARRESTS IN 2013

On October 18, 2014 three Linden police officers were honored by the Health and Wellness Coalition of Union County (HAWC) for compiling the most DWI arrests for the year 2013 in their department. The outdoor ceremony was held at Nomahegan Park in Cranford. Linden Police Chief James M. Schulhafer was in attendance to congratulate his officers.

The HAWC coordinates initiatives aimed at reducing substance abuse and alcohol misuse among people of all ages in Union County. The coalition partners with the New Jersey chapter of M.A.D.D. and the Union County Prosecutor's Office during its annual Red Ribbon Drug Awareness Week.

ANONYMOUS DONOR GIVES LINDEN CRIME VICTIM CHECK FOR \$3,000

A presentation was made on October 1st at Linden City Hall to a 91-year-old crime victim who lost \$6 K in a diversion burglary which occurred on September 11th.

On that date, "John", the victim, answered his front door and was lured out of his house by a man who wanted to show him a fence being repaired in the backyard. During this time, a second individual apparently entered the house and went to his bedroom stealing \$6,000 in cash which he had stored in a box. The first man received a call on his cell phone and abruptly

left the area. No other suspect was ever observed. The victim later discovered the money missing when he went to check his bedroom.

"John" later told his story to Eyewitness News on the evening broadcast. Unknown to him, a viewer felt bad for him and contacted Nina Pineda, a reporter at the TV station, and offered to give "John" some of the money back as a donation as long as he or she, the donor, remains anonymous.

Arrangements were made to surprise "John" on camera for a future 7 On Your Side broadcast

with reporter Nina Pineda. The check for \$3,000 was made out to John and presented to him by Pineda and Linden Mayor Richard J. Gerbounka.

The reporter also read "John" a letter from the donor saying how he was "touched" by John's gentle personality and kindness.

Detective Kevin Mikolajczyk, the case detective, said the burglary remains an active investigation.
