CRANFORD WAS ON THE GOAL LINE OF A PERFECT SEASON

In a fantastic finish of a fantastic championship game, the Cranford Cougars came within a few yards of completing a perfect season.

The Cougars were 11-0 going into the NJSIAA North Jersey, Section 2, Group 3 final against Parsippany Hills at MetLife Stadium.

The hard fought game featured great efforts by both teams who traded leads until the last minute when the Cougars had a chance to score once more and a chance to tie or win. The

confusing set of downs, that included a false start penalty, failed to convert. Parsippany Hills held on to a 20-13 victory. It would have been their second state title; the other was in 2011, also against Parsippany Hills.

The team was a source of pride for the community and an inspiration to younger student-athletes. The experience of playing in a professional stadium will be a great memory.

The entire Cranford community congratulates the team on an outstanding season.

The Township of Cranford has many unique attributions, one of which is its strong volunteer core. The Chamber of Commerce is a non-profit, volunteer organization, created as a working partnership of individuals and businesses.

The past years have marked major milestones for the Cranford Chamber of Commerce. Last year we celebrated our 70th Anniversary. Through greater visibility and a renewed enthusiasm from the community with our special events and programs, the Cranford Chamber also has earned itself a reputation as one of the most active Chambers of Commerce in the state of New Jersey. These events and programs include:

- Spring & Fall Festivals (Member Discounts)
- Monthly Networking Events
- Free Marketing Opportunities with Email and Direct Mail
- Golf Outing benefiting our Scholarship Program
- Holiday Events
- Classic Car Shows Downtown

The strength of the Chamber's many successes comes from its membership. As a Chamber of Commerce member, you make a vital contribution and a valuable investment in the betterment of the community. Remember, when you renew your membership in the Chamber of Commerce, you are renewing the investment you have made to preserve the quality of life in the Township of Cranford through actively supporting its business and

industry. In return, your Chamber of Commerce membership benefits you in the following ways:

Membership in the Chamber provides a vehicle by which a member can advertise his/her service/product to the community. The Chamber's vast advertising capabilities can help provide name recognition and affords the member the power of more advertising strength behind it, rather than if the individual member or member organization were to advertise and promote his or her business independently.

Membership in the Chamber serves as an excellent networking resource to help develop business contacts.

Chamber membership classifies the individual member's reputation in his or her respective profession or trade (similar to a Better Business Bureau "seal of approval").

If you wish to become part of our growing organization, please remit a check made payable to the Cranford Chamber of Commerce and mail to P.O. Box 165, 8 Springfield Avenue, Cranford, NJ 07016.

We hope that the above is informative and helpful. If we can be of any assistance or if you have any suggestions, please contact the Chamber office at 272-6114 or e-mail us at cranfordchamber@comcast.net. The Chamber, along with its officers and board of directors, looks forward to meeting you in the future.

Sincerely,
Kurt Petschow, Jr., President

"ELVIS" IS COMING TO KENILWORTH

Rockin' BBQ With "The King" to Benefit Nitschke House

On Sat., January 10, 2015, the Kenilworth Historical Society will present a Rockin' BBQ With "The King," a fun-filled evening of great live "Elvis" music and a barbecue-style dinner, at the Kenilworth Veterans Center (33 South 21st Street) from 6 p.m. to 11 p.m.

The event will feature award-winning "Elvis" tribute artist/singer-entertainer Jim Barone, who remarkably captures the voice, passion, style and appearance of the legendary Elvis Presley. Barone, who for many years has entertained fans throughout the United States and abroad, will present "A Tribute to Elvis Through the Years," a live performance of favorite "Elvis" songs from the 1950s-'70s, for listening and dancing pleasure. During the evening, a delicious three-course barbecue chicken and ribs dinner prepared by popular local chefs will be served.

Admission is \$50. Advance reservations (by December 27) are required. The event seating plan accommodates eight people per table. Early reservations are encouraged to ensure availability. For reservations/tickets, please call 908-709-0434 or 908-709-0391 or visit Especially Yours Florist (13 North 20th Street, Kenilworth), where tickets for the event also are being sold.

Barone's performances are based on a full repertoire of Elvis Presley music and embody the passion, playful swagger, humor and complete command of the audience that "Elvis" brought to the world of music. Barone began entertaining as a teenager who excelled in musical theatre. His career as an Elvis tribute

artist was launched by a simple request to perform at an Oldies Show. Through his award-winning performances worldwide, Barone has built lifelong friendships and a large fan base from a mutual love of Elvis' music.

Proceeds from the Rockin' BBQ With "The King" will benefit the Kenilworth Historical Society's Oswald J. Nitschke House (c. 1880) "living history" museum and cultural arts center by helping defray the cost of an elevator that makes all levels of the newly restored site fully accessible to everyone.

TRIP TO MOHEGAN SUN TO BENEFIT NITSCHKE HOUSE

The Kenilworth Historical Society will host a bus trip to Mohegan Sun Casino (Uncasville, Conn.) on Sat., Feb. 21, 2015.

The trip will depart Kenilworth (St. Theresa's School parking lot) at 8 a.m. and return to Kenilworth at approximately 9 p.m. Cost of \$52 includes motor coach transportation, an approximate six-hour visit to the casino, which additionally houses a wide range of distinctive shops and popular restaurants, a \$15 coupon for food and a \$10 coupon for free bets.

There will be complimentary door prizes on the bus. For further information and reservations, please call 908-709-0391 or 908-709-0434. As space is limited on this popular outing, it is suggested that reservations be made early to ensure availability. Gift certificates for the trip are available for purchase.

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Cranford NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.njhomeinspectiontraps.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 3002. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

WALNUT AVE SCHOOL GIVES BACK TO COMMUNITY

The giving spirit of the holidays arrived a little early at Walnut Avenue Elementary School in Cranford, NJ. During the month of November, the little Pre-K-Grade 2 school's classrooms competed in a Turkey Feather Contest that raised money for Cranford Family Care. The "feathers" cost twenty-five cents each. Students and families were challenged with purchasing as many as they could while competing against other classes in the school. Each class was represented by a giant paper "Turkey" posted on bulletin boards in the cafeteria. Each day PTA members filled the turkeys with the purchased feathers, representing the money that came pouring in. The children got a thrill out of competing against one another to bring victory to their classrooms, all the while learning about caring, compassion, and generosity. The competition was heated, but in the end, Kindergarten teacher Samantha Longo's two classes were the victors, resulting in Mrs. Longo receiving a \$50 Barnes & Noble gift card for her to fill her classroom library shelves with new

books. In total, the contest, sponsored by the Walnut Avenue School PTA, raised \$1000 for Cranford Family Care. Principal Angelo Paternoster recently presented the check to the director of the Cranford agency, Kathy Willis. Cranford Family Care assists families in times of need throughout the year.

CRANFORD POLICE RESCUE CHOKING DOG

Three Cranford police officers kept the holiday season from turning tragic for a local family on Friday night when they acted quickly to rescue a choking dog.

Shortly after 7:00pm on December 19th, Cranford Police received a frantic 9-1-1 call reporting a choking dog in the field adjacent to Walnut Avenue School.

During a game of catch, Leo, a Great Dane/Shepherd mix weighing over 140 pounds, began choking and couldn't breathe when a tennis ball became lodged in his throat. The first police unit to arrive was Officer Robert Jordan. Without hesitation, Officer Jordan encircled the dog with his arms and attempted to clear the dog's airway using abdominal thrusts. Officers John Rattigan and Brian Trotter arrived and assisted in the rescue.

When the ball was partially dislodged and the responding officers detected that the Leo was able to breathe, they immediately moved the canine to a waiting patrol car. Leo and his owner, Cranford resident Donna Stone, were transported to Westfield Animal Hospital by Officers Rattigan and Trotter, where waiting

staff performed an emergency procedure to completely remove the tennis ball.

Cranford Police Chief James Wozniak was elated at the positive outcome for Leo. "As an animal lover myself, I am well aware of the relationship that exists between dog and owner," he stated. "I'm glad we were able avert a heartbreaking incident for this family during the holidays."
