During School Violence Prevention Week students at School # 10 along with social worker Alicia Dinis, did a great job working together using just their fingerprints to create a "dove." It was explained to students that the dove that they created was a symbol of peace and unity, which enhances the importance of acceptance,

teamwork and positive school climate. The accompanying quote with School 10's dove reads "Be the Change you Wish to See in the World, Ghandi." This was equally as important for students to learn as they, along with the staff members make a conscious effort to end bullying.

LINDEN HIGH SCHOOL FRENCH WEEK

Linden High School French honor society members offered a breakfast 'à la française' to LHS faculty and staff on November 10th as one of their activities marking French Week celebration. This is a week set aside by the American Association of Teachers of French (AATF) to enable francophones and other

francophiles to celebrate the French language and its culture. Among other activities, students visited the Morristown Museum where they took in an interactive French Reflections presentation by a French touring troupe. Students also did presentations on francophone arts, music and famous personalities.

SCHOOL 9 WALK TO SCHOOL DAY

On October 8th, Deerfield School No. 9 celebrated International Walk Your Child to School Day. It is a global event that involves communities from more than 40 countries walking on the same day. It began in 1997 as a one-day event. Over time it has become a part of a movement for year-round safe routes to school and a celebration with record breaking participation each October. It is meant to promote physical activity/fitness, to teach safe pedestrian skills to children, awareness of how walkable a community is, as well as to reduce traffic, pollution, and speed near schools. There were over 100 students that participated with their parent or guardian.

LITA THOMAS OF BOYS & GIRLS CLUBS OF UNION COUNTY HONORED AS CHAMPION FOR YOUTH

Lita Thomas, Club Director at Elizabeth, Roselle and Linden Clubs of Boys & Girls Clubs of Union County was recently recognized as a "Champion for Youth" by The Union County Youth Services Steering Committee. Mr. Roderick Spearman presented the award to Ms. Thomas on October 15th at the 2014 "Champions for Children" program presented by Family & Children Services at Kean University STEM Building. This award is given annually to professional leaders in youth services in Union County.

"We are so proud of Lita and the work she does in Elizabeth, Roselle and Linden," stated Russell Triolo, Chief Executive Officer with Boys & Girls Clubs of Union County. "She is most deserving of this award. Lita is dedicated to serving youth and has inspired and nurtured hundreds of youth during her tenure with Boys & Girls Clubs of Union County."

Ms. Thomas has been with Boys & Girls Clubs of Union County for 14 years; starting as a Program Director in the Elizabeth Club and then advancing to Club Director. Under her leadership, programs were expanded to Roselle, and Linden. Lita is truly an inspiration to the youth at our Elizabeth Club. She and her team work tirelessly with members who face challenging situations to instill in them the four senses of Boys & Girls Clubs of America programming: a sense of competence, a sense of

usefulness, a sense of belonging and a sense of power and influence. Her colleagues celebrated her award at a recent staff meeting. Boys & Girls Clubs of Union County offers programs in Plainfield, Elizabeth and Union Clubs, as well as after-school youth programs in Linden, Hillside and Roselle. Members participate in a number of character, leadership, career preparation and community service activities. For information please visit our website www.bgcuc.org or contact us 908-687-2697.

Boys & Girls Clubs of Union County seeks to inspire and enable young people, who need them most, to realize their full potential and have provided opportunity for youth since 1955. They are part of a national network of some 4,000 neighborhood-based facilities, Boys & Girls Clubs of America, which serves more than 4.6 million young people annually, in all 50 states and on U.S. military bases worldwide. Clubs provide guidance-oriented character development programs on a daily basis for children 5-18 years old, conducted by a full-time Professional staff. Key Boys & Girls Club programs emphasize leadership development, education and career exploration, financial literacy, health and life skills, the arts, sports, fitness and recreation, and family outreach. For more information on our mission and programs, please contact Lisa Sepetjian, Director of Development & Marketing at 908-687-7976.

LINDEN POLICE CONDUCT DISTRACTED DRIVING INTERDICTION

The Linden Police Department Traffic Bureau assisted by patrol officers conducted a distracted driving interdiction. Officers in plain clothes were stationed on the side of Route 1 & 9 in Linden looking for drivers doing anything but concentrating on driving.

LPD used funds from the NJ Safe Corridors Grant to bring in off-duty Officers especially for this detail. The Officers were paid for by the Safe Corridors Grant. The City of Linden has received this grant each year since 2009 with the

exception of 2010. Linden Traffic Bureau Commander Michael Babulski stated, "The Safe Corridor Grant is an excellent program and it is a vital part of traffic safety in Linden. We use the grant for everything from manpower, equipment, training and technology to educational material for traffic safety. Without the support of this grant Route 1 & 9 in Linden would be a lot more dangerous."

This is not the first nor the last distracted driving detail to be conducted in Linden. "You may or may not see us out there but the Linden Police Department will definitely be aggressively enforcing the distracted driving as well as the move over law in the near future. We may not issue us a summons, we may just educate you or hand you're a brochure explaining the laws but hopefully it will make our roads safer," Babulski further stated.

In October Linden was awarded \$122,528.07 from the Safe Corridor Grant. A slight decrease from last year's award.

About Safe Corridors The Safe Corridor grant program dates to 2003 and targets resources to 14 ten-mile segments along highways that have a history of high crash rates. Grants are supported by fines, which are doubled in designated Safe Corridors for a variety of moving violations, including speeding.

FY 14 Safe Corridors funding is being allocated based on crash data, with higher amounts of funding going to areas demonstrating the greatest need for continued enhanced enforcement measures. Segments of Route 1, Route 9, Route 22, Route 40, Route 46, Route 47, Route 73 and Route 206 are receiving FY 14 funding.

Grants can be used by municipalities to purchase enforcement equipment including police vehicles, radar equipment, computer hardware and software, and to pay salaries. Here is the complete list of grant recipients, amounts, and Safe Corridor segments (pdf 20k) for which grants are being awarded.

VETERANS COUNCIL ANNOUNCES, "2014 VETERAN OF THE YEAR"

Submitted By Ron Stefanowicz, Commander Linden Veteran Council

This year's LVC "Veteran of the Year," is Joseph "Joe" Wojick, Member of Post # 91, Polish Legion of American Veterans, Linden American Legion Post 102, Vietnam Veterans Chapter 669 and Veterans of Foreign Wars, Post # 1397.

Each Year the Linden Veterans Council select and honor a Veteran with fundamental qualities

of courage, pride, determination, selflessness, dedication to duty and integrity. Many veterans did not ask to leave their homes to fight on distant battlefields. Many did not even volunteer. They did not go to war because they loved fighting. They were called to be part of something bigger than themselves. They were ordinary people who responded in extraordinary ways in extreme times. They rose to the nation's call because they wanted to protect a nation, which has given them, and us, so much. The Linden veteran of the year, in addition to his committed service to his country, and his service to veteran's organizations, has served his community by participating in civic programs.

Joe "Pepper" Wojick had a distinguished US Army service record serving in the medical corp. Medics are those who serve the health needs for military service in peacetime and in war, providing lifesaving medical applications to US combat troops on the battlefield, saving lives.

Sergeant Wojick served in the National Guard from 1947 to 1951, activated to regular Army in 1951, and served in Germany from 1952 to 1953 as a medic with the 631st Armed Field Artillery. Between 1956 and 1958, he served as a Combat Medic with seventh Medical Battalion of the seventh Infantry Division. In 1960 to 1962, he served in France with the 19th field station hospital. Between 1963-1964, he was stationed at Fort Bragg, 519th Military Battalion, training

as a Vietnam interpreter. From 1964 to 1965 he served in Vietnam as combat veteran with the MACV as an advisor with operations against the Vietcong, and medical evacuation of the wounded. In 1966, he served with 19th psychological ops as an interrogator. In late 1966, he participated with the Marines landing in Mekong Delta, conducting operations against the Vietcong. From 1968 to 1969, he served with Eighth Psychological Operations as Sergeant of Operations Planning, working with Air Force 9th SOS dropping leaflets to Vietcong areas. He served in Fort Bragg from 1969 to 1973 as first Sergeant, Operations Sergeant for 13th Psychological Ops. Headquarters Co.

Sergeant Wojick retired in 1973 after 25 years of patriotic service to his country. Sergeant Wojick earned the following military decorations: Combat Medic Badge, Vietnam Service Medal, Bronze Star, Air Medal and South Korea Service Medal.

Sergeant Wojick is a lifetime member of Polish Legion of American Veterans, Post 91; Vietnam Vets Chapter 779; Veterans of Foreign Wars, Post 1397; Linden American Legion, Post #102; he is also the Hospital Chairperson at Menlo Park and Lyons Veteran Hospitals.

The following is the article that appeared in the Elizabeth Journal that chronicles the effort of Sgt. Wojick, who reached out to Americans to help those children and old people who were victims of the war.

"Elizabeth Soldier on Leave from Viet Nam Keeps Rounding Up Clothes for Refugees"

A brief respite from hostilities in South Vietnam has not relieved Spec.5 Joseph E. Wojick of the deep concern he feels for the refugees he left behind.

The Elizabeth man, who lives at 530 Fulton Street, started a one-man campaign last winter that resulted in the shipment of some 1,500 pounds of clothing for the destitute survivors of bombed out villages in the Tuy On district of Vietnam. His fellow members of Post 91, Polish Legion of American Veterans, collected the clothing and sent it abroad in response to a plea that he directed to Leo Eska, Post Commander.

Specialist Wojick will return on Saturday, following a 10-Day leave, assured that the clothing needs of the children that he had befriended will continue to be met for some time to come. On a visit to the post home 648 Fulton St., Specialist Wojick saw 40 more boxes of clothing ready to be shipped to Saigon and forwarded from there to his station. "The need will continue because the children now in the orphanages are growing bigger and more and more refugees are being brought in as hostilities increase," Specialist Wojick stated.

A member of Advisory team 28 stationed in Tuy On, Vietnam, Specialist Wojick job is to visit villages, hamlets, hospitals and orphanages in the district with members of his team and administer medical to the people. Specialist

Wojick said his teammates regularly contribute money to supplement the clothing donated. They buy the materials and pay tailors in the villages to make garments, which then are distributed to orphanages operated by Buddhist and Catholic nuns and priests.

There appears to be no further religious animosity, as Buddhists and Catholics are working together peaceably to care for their homeless brethren, Specialist Wojick noted. The religious communities are caring for the elderly and ill, as well as children, he said. Clothing

including shoes of all sizes, may be sent to Post #91 headquarters, where it will be processed for shipment to Vietnam. For those who may wish to send clothing or donations direct, Specialist Wojick address is: RA51149214, Advisory Team 28, and APO San Francisco, Calif., 96295. "

~
End Note: Specialists Joe Wojick request for assistance to cloth Vietnam Children and Old was received by caring charitable Americans who responded with generosity and charity for the war victims.

LINDEN EMERGENCY RESPONSE SYSTEM

Since December of 1983, the City of Linden has administered the Linden Emergency Response System Program for the elderly, physically handicapped, medically disabled and the socially isolated of Linden. To date more than 335 Linden recipients have taken advantage of the 24 hour monitoring service and we presently serve approximately one hundred-fifty area residents.

The LERS unit is an easy to use wireless transmitter which becomes a 24 hour companion and a direct link to safeguarding one's health and safety. One press of the button is all it takes to notify the central station that an emergency condition exists and within minutes, an ambulance and emergency personnel are at the scene. Besides having the transmitter and emergency help immediately, your medical profile is kept on file and is at the disposal of emergency personnel.

The City of Linden has purchased the emergency units for the subscriber. The subscriber in turn pays \$12.00 a month monitoring fee and charges for the installation of the unit.

The Linden Emergency Response System, administered through the Department of Recreation and Community Services, is an invaluable service available to the residents. If you know a friend, neighbor, or relative in Linden that you are concerned about and that could benefit from having their own LERS unit, please contact the JTG Recreation Center at (908) 474-8627.

RENNA MEDIA NAMED 2015 SMALL BUSINESS OF THE YEAR BY THE GATEWAY REGIONAL CHAMBER OF COMMERCE

The Gateway Regional Chamber of Commerce is the largest business association in the New York Metropolitan area with about 1,200 members. The group's long history dates back to 1911 when it was founded as the Elizabeth Chamber of Commerce by John D. Rockefeller and other New Jersey industrialists. Today the Gateway Chamber serves as an umbrella organization for a dozen regional and local chambers and networking groups.

Each year the Chamber selects three businesses as their large, medium and small businesses of the year. They have selected Renna Media as the small business of the year for 2015. The honor of large company of the year goes to Linden petroleum company Infineum USA L.P. and Summit investment firm R Sealaus & Co. was named as the medium company of the year. The Linden Chamber of Commerce was named the Chamber of the Year.

Joe and Tina Renna were nominated and selected not only for the success of their business but the community service aspect of their business plan. Renna Media publishes twelve community newspapers that are mailed free to 58,000 homes and businesses on a monthly basis. The focus of the newspapers is to support the community service organizations in the towns that they publish in. Non-profits can promote events at no charge. The publications also recognize individuals and businesses that perform community service. The newspapers also serve as a calendar of upcoming events for the towns, schools, and libraries.

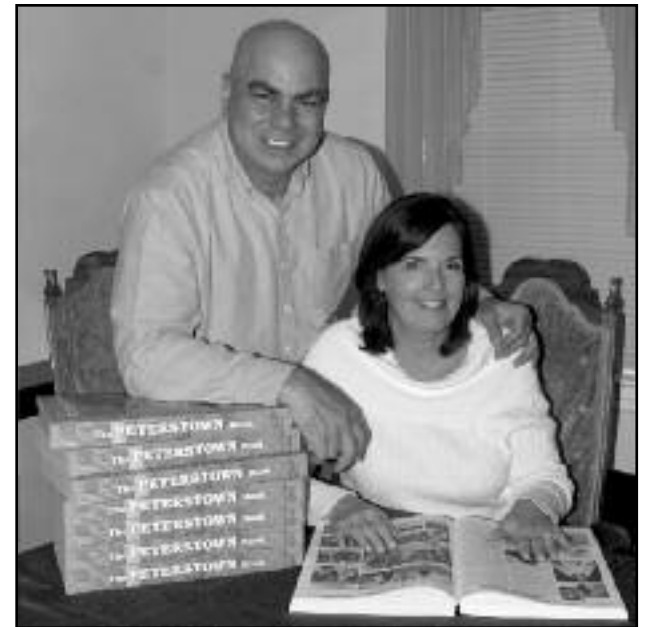

Renna Media launched their newest publication Cranford Monthly in January of 2014, it is mailed to every home and business in town. It joins other Union County publications in Clark, Linden, Rahway, Kenilworth, and Union, along with six newspapers in their western zone, Warren, Watchung, Long Hill, Green Brook, Dunellen, and North Plainfield.

Tina and Joe also publish Around About Peterstown on a bi-monthly basis. This publication is less of a business venture and more of a labor of love. The Peterstown Newspaper attempts to record the oral history of the Elizabeth neighborhood Joe grew up in. In September of 2013 they published The Peterstown Book, a one hundred year history of the Italian American Neighborhood.

The biggest benefit to being a Gateway Chamber member is networking. The smallest companies have access to the largest. The Chamber hosts approximately 180 networking events a year. Prospective members are invited to events also. If a business is a member of one group then they are automatically a member of all groups.

The groups include:

- Linden Chamber of Commerce
- Clark Chamber of Commerce
- Kenilworth Chamber of Commerce
- Warren Chamber of Commerce
- Somerset Hills Business Network
- Irish Business Association
- Gateway Association of Business Women
- Workforce Education Committee
