LINDEN FOOTBALL "FAMILY" WINS STATES CROWN

Comments by Coach Candia at Parade of Champions Rally celebrating Linden High School defeat of Elizabeth 27-20 in the North II, Group 5 2014 NJSIAA football state finals at MetLife Stadium, December 7, 2014

Football is big a commitment. Our student-athletes and coaches are committed to Linden Football. It requires a lot of determination and sacrifice. Our philosophy embraces the value of "family first". The coaches and players view the Linden Football team as not just a team but also a family. A strong family, that sticks together through the good times and the bad times. Our philosophy is to also play "Linden Football." Linden Football means – play fast, play hard, and play physical. On game days our motto is "our family versus your team".

We try and do many things together to build the family bond. We take our players to Rutgers games and Jets games. Each Thursday night, before a game, our booster club (which consists of the family members of players) provides a team meal. All the players sit and eat dinner together. In addition, our booster club provides a Thanksgiving dinner.

Preparing for the championship game against a great Elizabeth team was a huge task. We played them a month earlier, and the outcome wasn't what we'd hoped for. In addition, we lost a tough game in Union on Thanksgiving in the snow. However, this year's team was extremely resilient. They knew what they were up against; they knew the magnitude of the situation. Many people outside of Linden did not think Linden had a chance to beat Elizabeth. We used that as motivation in every practice. Our players and coaches were very focused each day, and we knew if we played with passion and toughness, if we believed in each family member we would come out with a win.

What they achieved was a moment that they will never forget. It is one of the many bonds created during the season. This memory they will all have for their rest of their lives. We told them to embrace and enjoy the moment. Many of our athletes are involved in basketball, wrestling, track,

and swimming, and they have to begin to prepare themselves physically and mentally for their winter sports. Our kids believed in themselves all along, and they knew if they worked hard, they would win.

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.njhomeinspectiontraps.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

LINDEN POLICE CAPTAIN JONATHAN PARHAM GRADUATES FROM PRESTIGIOUS CLASS

Linden Police Captain Jonathan Parham recently graduated from the 46th Session of the New Jersey State Association of Chiefs of Police (NJSACOP) "Command and Leadership" Academy.

The 14-week training course originated in 1993 when NJSACOP officials partnered with the U.S. Military Academy at West Point to adopt a command and leadership model for law enforcement. Candidates with the greatest leadership potential are selected for this highly competitive program from all areas of the state.

Linden Police Chief James M. Schulhafer attended the graduation ceremony and congratulated the captain on his achievement.

Captain Parham, a 23-year veteran of the department, was promoted to his present rank in July, 2014. He is the first African-American to achieve the rank of captain in the Linden Police Department.

He is presently assigned as the commander of the Support Services Division, which includes responsibility and oversight of the Records and Evidence Units, and the 9-1-1 Central Dispatch Unit.

LINDEN HIGH NJROTC DONATION TO MEMORIAL SLOAN KETTERING

The Linden High School NJROTC Navy Ball court recently traveled to Memorial Sloan Kettering Cancer Center (MSKCC) in New York on December 3, 2014 to donate \$5,000 on behalf of the entire NJROTC cadets. The students held

various events such as bake sales, and carwashes to raised funds for those who are fighting cancer. The cadets have family members that are battling cancer and this generous donation will help in the research efforts to find a cure.

LINDEN POLICE SUPERIOR OFFICERS ASSOC. DONATES WINTER COATS TO NEEDY RESIDENTS

The Linden Police Superior Officers Association (LPSOA) hoped to spread some holiday spirit by visiting several area residents and surprising them with some winter essentials. LPSOA President, Lt. Michael Babulski, assisted by Vice-President Sgt. Airan Fernandez and Treasurer Lt. Nancy Petroski purchased several coats for families who were having a difficult holiday season. The families' names were given to the LPSOA by St. Theresa's and White Rock Baptist Churches in Linden.

"Many of the families had several children where the parent had lost a job; the holidays are a special time of the year, and we at the LPSOA are proud to provide a little joy to families that are struggling," said President Babulski.

"Each family was provided with a winter coat for each member of the family as well as a gift card for ShopRite. I can't thank the Napp-Grecco Company enough for their generous donation. We used those funds to provide these coats and gift cards. They have been such a big supporter for the residents of Linden who are in

need."

"I can't thank the LPSOA enough for their assistance, so many families need help and every little bit helps," said Janice Brown.

Linden Public Schools held two sessions for parents on the new Journey program implemented in September. On December 16th, In the morning session Mrs. Vickie Wean and Mrs. Tracey Lepore, district reading coaches, spoke about the new reading program. In the evening session district reading coaches Reina Irizarry-Clark and Viviana Olarte held another informative session. Having reading coaches serve as workshop leaders provides parents with an opportunity to meet and interact with them, while simultaneously encouraging district educators to support parental involvement in their schools.

(above, l-r) Carmela Appierto-Hunter, Director of English and Social Studies explains the various components of the program to Ms. Tichina Smith, and how The Journeys program provides students with the skills they need to succeed, preparing them ultimately for the high literacy demands of college and the workplace.

Journeys is a comprehensive program which includes reading, writing, word study, vocabulary, spelling and grammar. It focuses on the 5 Big ideas in Reading: phonemic awareness, phonics, fluency, vocabulary, comprehension (National Reading Panel, 2000). All teachers have received three training sessions on the program. Parents viewed and learned about the new resources and were introduced to the Think-Central portal for accessing the student edition as well as student resources. All participants had the opportunity to view and become more comfortable with Think-Central and with detailed step by step instructions on how to access the portal from home. Linden Public Schools encourages parents to become more involved in school and to take the initial step in helping our students to become proficient readers. If parents/guardians have any further questions please email Mrs. Carmela Appierto at cappiorto@lindenps.org or call 908-486-2800.

LINDEN HIGH SCHOOL YOUTH FOR UNITED WAY

Linden High School's, "Youth for United Way," in its 24th year of service, embraced the holiday spirit by continuing their commitment to serve the homeless populations of Union County. On December 18th, the United Way and Learn and Serve students donated and distributed warm winter clothing and coats, food, detergent, personal care items, and new toys to Madison House shelter for women and children, the Domestic Violence shelter of Union County, and the county shelter for families located in the Plainfield YMCA. To learn about the needs of the homeless in Union County, the last stop is always the Plainfield YMCA. A representative from the shelter concludes the learning experience by providing the students with a tour of the shelter followed by a discussion on the plight and needs of the homeless community. Accompanying the students were Mrs. Paden, club advisor and teacher, Ms. Kirby.
