UNION HIGH SCHOOL PERFORMING ARTS COMPANY PRESENTS "A CHRISMTAS CAROL"

Join the Union High School Performing Arts Company in conjunction with the Encore Orchestra of New Jersey as they bring a little holiday spirit to Union Township with their production of A Christmas Carol: In Concert, on December 20th, 2014. The show will take place at 2pm and 7:30pm in the Theatre at Union High School located on 2350 North Third Street, Union, NJ. Regular tickets are \$15, for groups of 10 or more tickets are available for *\$10 (this rate applies to tickets sold prior to the performance you are attending). Tickets are available by visiting www.uhspac.com (Click on the A Christmas Carol tab) or can be purchased at the door the night of the show. It is recommended to purchase tickets online to avoid lines at the door. *Additional fees may apply.

The Charles Dickens classic, originally published in 1843, has been made into many different versions we have come to love to watch around the holiday season. In 1994, the story was adapted into a musical with music by Disney hit maker Alan Menken with lyrics by Lynn Ahrens; it was performed annually at Madison Square Garden from 1994-2003. To make this performance special, the show will be presented in a concert format accompanied by a forty piece orchestra featuring Union Township Elementary, Middle, and High School students. The performance will also feature appearances by UHS alumni and township employees.

UHS class of 2009 alumni and current Burnet Middle School Teacher Bridget Sloan had this to say regarding her experience "After 5 years, I am so excited to be back on the UHSPAC stage. It has been a rush to experience the process from this new perspective. I love the interactions between the students and the alumni. With the current students, alumni, and staff; we have an awesome cast, I cannot wait for people to come and see our finished product of this classic story!" The holidays are a special time of year, and uniting High School students past, present and future has been a rewarding experience for the members of the UHSPAC. "We really wanted to do something for the holidays and what better way to kick off the tradition then with A Christmas Carol. It's been wonderful working with students young and old, and of course the Encore Orchestra of NJ. We look forward to spreading holiday cheer with everyone!" said choreographer Jennifer Williams.

The Cast includes:

- Christopher Damas (UHS Alumni c/o 2013) as Bob Cratchit
- Marcel Smith (UHS Alumni c/o 2013) as Jacob Marley

22 Farmer's Market is proud to announce its Grand Opening at its freshly refurbished location at 1235 West Chestnut Street, Union, NJ 07083, just off of Route 22 West (immediately behind the shopping center) with plenty of free parking.

In addition to fulfilling a need for a centrally

located and well-stocked produce market in the Union area, the store will also offer shoppers the opportunity for significant savings through its highly competitive pricing.

Vegetables at the 22 Farmer's Market include a wide variety of lettuce, carrots, asparagus, cauliflower, celery, collard greens, corn, cucumbers, dandelions, arugula, avocado, string beans, beets, brussels sprouts, broccoli, red and green cabbage, eggplant, escarole, leeks, onions, shallots, scallions, spinach, Swiss chard, squash, okra, parsnips, snow peas, seven varieties of both peppers and potatoes, radishes, turnips, yams and watercress.

Shoppers will also find a large variety of fruit, like bananas, blueberries, strawberries, blackberries, raspberries, varieties of apples, pears, peaches, plums, papaya, honeydew melons, cantaloupe, watermelons, pomegranates, pineapples, oranges, tangelos, mangos, limes, lemons, varieties of grapes, grapefruit and kiwi.

Herbs and spices are available, including basil, cilantro, chicory, dill, ginger, garlic, mint and parsley. Additionally, the store will carry a variety of breads and an impressive fish and seafood section. The market plans to offer a variety of regional/international food items in the near future.

As part of the 22 Farmer's Market Grand Opening festivities, a FREE dozen of extra-large eggs will be given away to customers who spend \$20 or more, while supplies last.

7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

Union NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market.

The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 2003. You can call any time, 24 hours a day, 7 days a week.

STUDENTS HONOR VETERANS

(above) The students standing with their Veteran and presenting them with a rose to say thank you for serving the U.S. military.

On Tuesday, November 11th Ms Mason, a third grade teacher at Washington Elementary School, put together an assembly for the 3rd and 4th grade students to honor local veterans.

In early October, Ms. Mason sent out a letter to the 3rd graders asking them if they have any

veterans in their family that would like to come in to speak at the assembly. This year there were seven veterans including Vic Mason (Ms. Mason's father), James Collura, Scott Heaton, Captain Scott Winterton, Matthew Brady, Robert Paoello, and Michael Boll, that volunteered their time to tell their military stories to the students.

The assembly started off with the Pledge of Allegiance and the singing of "God Bless America". Several students from Ms. Mason's class got up to explain the meaning of Veterans Day and why we celebrate it. Two 4th grade students wrote letters to the veterans thanking them for their service and they read those letters aloud to the audience. After that, a very talented 1st grader, Ololade Falae, sang "The Star-Spangled Banner".

The veterans then spoke for about five minutes each sharing their wonderful stories. The presentation was finished off with all the third and fourth grade students singing "I'm Proud to be an American" and a question and answer session with the veterans.

The secretary, Mrs. Finnerty, provided bagels and coffee for the visitors.

UNION HIGH MARCHING BAND WINS GROUP 3A NATIONAL CHAMPIONSHIP

Nov. 8 was cold, crisp, and clear. A perfect day for marching band enthusiasts to sit back and enjoy a full slate of bands competing in the USBANDS Preview of Champions at Union High School. A perfect day to indulge in their favorite band comfort foods, portable “marching tacos”, chili, and burgers all washed down with hand warming hot chocolate. The Union High School marching band staff arrived at Harry Cooke Memorial Field at 8:00 am to begin preparations to host the competition. Their day would not end until well after midnight. A short time later band students and volunteer parents arrived and walkie-talkies crackled with instructions. The competing bands arrived; the judges were ready and everyone enjoyed a well-run competitive event.

But Union High School's day was just beginning. Band staff and parents then loaded the equipment bus and the band traveled to J. Birney Crum Stadium in Allentown, PA to compete that evening in the 2014 USBANDS A

Class National Championships. In their final competition of a very successful season Union High School took top honors and was crowned Group 3A National Champion for their visually exciting show titled “Soaring”. In addition to the National Championship title, the sixty-five member band led by Drum Major Patrick Phillips and Color Guard Captains Luciene Loyd and Leanne Laurino also earned the awards for Best Music, Best Color Guard, Best Visual Performance and the US Army Award of Excellence. This followed their first place finish two weeks ago in the 2014 USBANDS New Jersey State Championships.

Band director Laura Muller complimented the students on an amazing performance at the end of a very long and tiring day and for representing their school and their community with pride. Muller also recognized the outstanding work of the marching band design staff; Assistant Directors Carlos Esquivel and Michael Hamilton, designers of the competitive

show; Color Guard Designer and Instructor PJ Tankard; Percussion Arranger and Instructor Steve Myers; and Color Guard Instructor Shannon Marshall. “Thank you to the wonderful band staff who spent countless hours designing, planning and practicing. Their efforts moved the students to this level of performance,” said Muller.

The staff thanks the parents of the UHSPAC for their never ending support. They also thank Supervisor of Music, Ron Rago, for his guidance; Supervisor of Mathematics, Jason Mauriello, for filling in for band staff when they left for Allentown; and the administration, the members of the Board of Education, and the community for their support of the arts through the years.

USBands is a competitive circuit for scholastic band programs nationwide and has a membership of more than 700 high school marching bands. For more information on Union High School see uhs.twpunionschools.org/

KEAN UNIVERSITY CREATES EXCITEMENT FOR SCIENCE AT UNION LIBRARY

On Tuesday, November 4, two science teachers and six students from Kean University's Chemistry Club gave a hands-on science presentation for the children at the Union Public Library at 1980 Morris Avenue. The show was part of the Club's volunteer community outreach efforts to share the fun of science with children. The program began with a story read by Library

Assistant Director/Head of Children's Services Mary Pritting. The children were then treated to several hands-on science activities such as testing acidity with pH paper, making super snow, changing colors based on acid vs. base, and creating slime. The young children enjoyed learning from the university students.

If you have, then you know the joy when reading “clicks” with a person, and if you haven’t, this is something you want to experience! Please join Literacy New Jersey in our Winter Tutor Training class being held this coming January and help an adult student learn to read English.

Literacy New Jersey (LNJ), is a volunteer driven, non-profit organization dedicated to increasing the literacy of adults in Union County, and we are now registering for the Winter New Tutor Training Workshop.

The workshop will take place at the LNJ Union county office, located at 121-125 Chestnut Street in Roselle. Classes will be held January 20, 22, and 29th from 9a.m. to 1p.m. with a class observation on January 26th. Attendance is required at all sessions to become a certified tutor of both Basic Reading Skills and English as a Second Language.

There is a \$45 non-refundable registration fee to cover the cost of materials distributed to new volunteers at the workshop. Need based scholarships are available to cover the cost of registration to qualifying individuals.

RENNA MEDIA NAMED 2015 SMALL BUSINESS OF THE YEAR BY THE GATEWAY REGIONAL CHAMBER OF COMMERCE

The Gateway Regional Chamber of Commerce is the largest business association in the New York Metropolitan area with about 1,200 members. The group's long history dates back to 1911 when it was founded as the Elizabeth Chamber of Commerce by John D. Rockefeller and other New Jersey industrialists. Today the Gateway Chamber serves as an umbrella organization for a dozen regional and local chambers and networking groups.

Each year the Chamber selects three businesses as their large, medium and small businesses of the year. They have selected Renna Media as the small business of the year for 2015. The honor of large company of the year goes to Linden petroleum company Infineum USA L.P. and Summit investment firm R Seelaus & Co. was named as the medium company of the year. The Linden Chamber of Commerce was named the Chamber of the Year.

Joe and Tina Renna were nominated and selected not only for the success of their business but the community service aspect of their business plan. Renna Media publishes twelve community newspapers that are mailed free to 58,000 homes and businesses on a monthly basis. The focus of the newspapers is to support the community service organizations in the towns that they publish in. Non-profits can promote events at no charge. The publications also recognize individuals and businesses that perform community service. The newspapers also serve as a calendar of upcoming events for the towns, schools, and libraries.

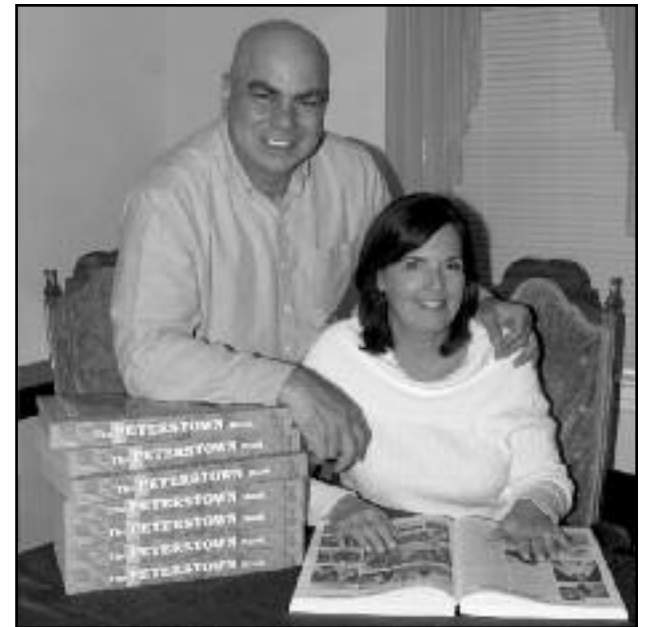

Renna Media launched their newest publication Cranford Monthly in January of 2014, it is mailed to every home and business in town. It joins other Union County publications in Clark, Linden, Rahway, Kenilworth, and Union, along with six newspapers in their western zone, Warren, Watchung, Long Hill, Green Brook, Dunellen, and North Plainfield.

Tina and Joe also publish Around About Peterstown on a bi-monthly basis. This publication is less of a business venture and more of a labor of love. The Peterstown Newspaper attempts to record the oral history of the Elizabeth neighborhood Joe grew up in. In September of 2013 they published The Peterstown Book, a one hundred year history of the Italian American Neighborhood.

The biggest benefit to being a Gateway Chamber member is networking. The smallest companies have access to the largest. The Chamber hosts approximately 180 networking events a year. Prospective members are invited to events also. If a business is a member of one group then they are automatically a member of all groups.

The groups include:

Linden Chamber of Commerce
Clark Chamber of Commerce
Kenilworth Chamber of Commerce
Warren Chamber of Commerce
Somerset Hills Business Network
Irish Business Association
Gateway Association of Business Women
Workforce Education Committee
