## RESIDENT TO COMPETE IN WESTMINSTER DOG SHOW

Green Brook resident, Mrs. Marti Kalko and her Doberman will be competing in The 139th Annual Westminster Kennel Club All Breed Dog Show in New York City on Monday & Tuesday, February 16-17, 2015.

Mrs. Kalko and her Doberman, Grand Champion Ravenswood Morgan's Special Silver Dollar (called Morgan), will be among the more than 3,000 dogs competing in the events of Westminster Week, which includes the iconic all-breed dog show and its 2nd Annual Masters Agility Championship at Westminster.

Morgan obtained his Grand Championship at one and a half years old, he is currently two and a half. He has taken breed at the prestigious Florida show as well as in Philadelphia. Morgan is handled by well-known Jessy Sutton. In addition, he is ready to make his debut in the agility ring.

Breed competition in Westminster's world-famous dog show will be held during the day at Piers 92/94. The evening finals (Groups and Best In Show) will be held at Madison Square Garden and televised live from 8-11pm ET on CNBC, Monday, February 16 and on USA Network on Tuesday, February 17.

The dog show is preceded on Saturday, February 14, by the 2nd Annual Masters Agility trial at Westminster on Pier 94. For the first time, The Westminster Kennel Club

presents AKC Meet The Breeds brought to you by Purina Pro Plan on Pier 92 on Saturday as well, giving Westminster Week a full range of informational and fun dog-related activities.

For the full Westminster week schedule, please see [www.westminsterkennelclub.org](http://www.westminsterkennelclub.org)

## GREEN BROOK GIRL SCOUTS SHOW THEY CARE ABOUT ANIMALS

Green Brook Girl Scout Troop toured the Plainfield Area Humane Society on Jan 15. The scouts placed donation boxes within the community during the holiday season asking for much needed cat food, cat litter, dog food, cleaning supplies, guinea pig supplies and bedding. Many cats and dogs are in need of good homes. This is the troop's fourth animal shelter drive. The animal shelter is located at 75 Rock Avenue, Plainfield, NJ.

## PROMOTE YOUR COMMUNITY EVENT

Community service organizations and sports teams are encouraged to submit news of upcoming events or highlights and photos on recent events.

Organizations who are interested in submitting content can email Lynn Sjurset at [lynn@rennamedia.com](mailto:lynn@rennamedia.com).

## LILY YIP TABLE TENNIS CENTER'S TOURNAMENT

Lily Yip Table Tennis Center in Dunellen recently held their January 2015 School Championships. This tournament had two major categories. The first was the school division which was split into school teams and individuals. The top High School was West Windsor and the winner of the individuals was Adar Alguetti from Tenafly. LYTTC members Sean Gao and Joseph Baptista finished second and third respectively. The school tournament was sponsored by Savona Tile of Green Brook. The singles finals was an intense match between Sean Gao, who was coached by New Zealand's World Hopes Team Coach, Matt Hetherington and Adar Alguetti coached by his father Eyal. The winner of the Open Event was Ruichao Chen from China. Ruichao Chen is a young upcoming superstar and will be coming to train at the LYTTC this April 2015 and hopefully represent the US in the future.

On February 18 at 7:00PM there will be a Chinese New Year Pot Luck Party and free

training for our members at 8:00PM. This will also be an Open House for anyone and guests can play all night for only \$5.

## FUTURE LAWYERS AT WORK IN 4TH GRADE

This school year, Irene E. Feldkirchner (IEF) Elementary School is piloting the New Jersey Law Center's Mock Trial program. Mrs. Belcuore (4th Grade Teacher) and Ms. Silver (GATE Teacher) have brought this exciting venture to IEF School. Both teachers were formally trained by the Law Center in developing, organizing and implementing Mock Trial programming.

To date, there are twenty-four IEF School 4th grade students enrolled in the program. Their task is to formulate an original trial script and

assume roles of attorneys, prosecutors, jury, defendants, plaintiffs, etc. There are three Mock Trial teams; each will formulate and enact a different trial scenario. The Mock Trial Club meets once weekly with the teacher/advisors who consistently monitor the progress of each Mock Trial project. The final Mock Trial projects will be presented at the school in the spring.

The projects will be peer critiqued. Attention law firms: your future partners are right here at IEF School!

## No Drugs No Surgery No Pain

### Regenerative Medicine used by professional athletes now available in New Jersey

#### Has your physician recommended surgery for the following?

- Meniscus injury of the knee
- Osteoarthritis of the hip, knee, ankle or shoulder
- Rotator cuff tendonitis/partial tear
- Labral tear of shoulder
- Chronic tendonitis
- Tennis/golfers elbow
- Plantar fasciitis

Chances are Regenerative Medicine may be the solution to your problem. Call today to find out if this new treatment is right for you.

#### What makes Performance Rehabilitation's approach so different?

- No long wait times before seeing a physician and no unnecessary office visits.
- Physician and staff use the patient treatment model of shared decision-making in an integrated care setting.
- Receive timely treatment from the most appropriate specialists.
- All treatments performed by a medical physician, board-certified in physical medicine and rehabilitation and sports medicine, as well as fellowship-trained in pain management and regenerative therapy.
- Effective treatment options that address the root cause of many orthopedic conditions instead of managing patients' symptoms using medications or devices.
- Enjoy a quick, easy referral process if indicated.
- For patient convenience, all treatments and diagnosis performed on site.

#### What is Regenerative Medicine?

Regenerative Medicine is an exciting new branch of non-surgical orthopedic medicine, which uses science to enhance the body's natural healing ability. The *Regenerative Medicine Center* at **Performance Rehabilitation & Integrated Medicine** uses an emerging non-surgical orthopedic procedure called Platelet Rich Plasma Therapy (PRP) to rejuvenate and repair damaged tendons, ligaments, and cartilage.

#### What is Platelet Rich Plasma Therapy (PRP)?

Simply stated, when you are injured in an acute sports trauma or as the result of the aging process your body will automatically send growth factors and stem cells to the injured site to repair damaged tissue.

At **Performance Rehabilitation & Integrated Medicine**, we enhance that process. We draw blood from the patient and process it, to separate the healing power of platelets from blood plasma. The doctor then takes the concentrated healing components of the patient's own blood and re-introduces them or "grafts" them into a specific injured site to regenerate tissue and speed the healing process. The grafting is done with precise accuracy under Ultrasound or X-ray imaging and the patient leaves the office in under an hour. The research shows we can deliver 500% more growth factor and bioactive proteins to the injured area with a PRP application than would occur naturally.

#### Is Treatment Covered by Most Major Health Insurance Plans, Including Medicare?

YES, most major insurances and Medicare will pay for some if not all of **Performance Rehabilitation & Integrated Medicine's** services.

# GREEN BROOK GEOGRAPHY BEE CHAMP AIMS FOR STATE FINALS

For the 27th year, the National Geographic Society is holding the National Geographic Bee, commonly known as the Geography Bee, for students in the fourth through eighth grades in thousands of schools across the United States and in the five U.S. territories. As the name suggests, the competition questions are centered on student knowledge of geography; however, knowledge of history, current events, and even science plays a role in answering questions in the many different rounds. The champion of the Green Brook Middle School National Geography Bee will advance to the next level of competition, a written examination to determine state competitors. All school champions are eligible to win the national championship and its first prize, a \$50,000 college scholarship, at the

national championship May 11-13, 2015 in Washington, D.C.

After holding the preliminary competition in each social studies class at the middle school, the following students were in the 2014-2015 Geography Bee finals: Leo Affouf, Elliot DeGuilo, Jack Meyers, Alli Minetti, Tyler Wu, and Tim Zhang. The championship round to determine our school champion took place on Thursday, January 22. Elliot DeGuilo and Jack

Meyers emerged as the final two students. After a hard fought championship round... Jack Meyers was victorious at the GBMS 2014-2015 Geography Bee Championship. Jack hopes to represent Green Brook Middle School in the state finals. Jack will take a written test supplied by the National Geographic Society and based on his score he may be asked to participate in the state finals, to be held at Rowan University, on March 27. Congratulations and good luck, Jack!

## TRACK SIDE TAXI & LIMO NOW AVAILABLE IN GREEN BROOK

Well-known local business man, George Athanasopoulos of Track Side Taxi & Limousine, has now expanded his taxi and limo service to include the Borough of Dunellen, Warren and Green Brook. You may know George from George's Train Station restaurant formerly located at the Bound Brook Train Station. Mr. Athanasopoulos has 25 years experience in the taxi and limousine industry. Track Side's taxis can respond to calls within 2 to 3 minutes in his new areas of service. Track Side has sedans, seven passenger mini-vans, fourteen passenger vans and stretch limos. All chauffeur's are thoroughly screened, including drug testing and background checks and wear formal attire.
