## LINDEN POLICE DEPARTMENT RECEIVES \$200,000 GRANT TO FUND SAFE ROUTES TO SCHOOL PROGRAM

The Linden Police Department has received a \$200,000 Grant from the New Jersey Department of Transportation to fund the Safe Routes to School Program. This grant helps to provide education for our residents and will help implement programs that make walking and bicycling around our community and to and from our schools fun, easy, and safe for students and families alike.

Lt. Michael Babulski, Head of the Linden Traffic Division, worked tirelessly to be successful in being awarded this grant for the City of Linden. He had the full support of the Linden Police Department, and Mayor Armstead, who said, "I want to thank Lt. Babulski for his hard work in getting this grant, along with those who helped. Given this grant is highly competitive and out of 168 entries, we here in Linden were 1 of the 8 awarded, we could not be more proud and thankful. This can only make Linden a better and safer place to live for our residents and those that visit our great city."

Lt. Babulski said, "This was a two year process. I can't thank the Linden Board of Education, especially Principals, Atiya Perkins and Dona Preston enough for their assistance.

They opened their doors to the Linden Police Department and provided us with anything we asked to help make this grant possible. Program Coordinator, Meeta Patel and Assistant Coordinator, Chris Rodriguez, of Meadowlink a transportation management association, along with Janna Chernetz, Esq., Senior New Jersey Policy Analyst for Tri-State Transportation Campaign spent countless hours working with the Linden Police Department and at Linden's Schools #1 and #6 spreading the word for safe walking and biking to school. They were amazing!"

Through this initiative the Safe Routes to School will afford the Linden community funding for traffic and pedestrian improvements from Blancke Street to Gessner Street along the Wood Avenue corridor. This grant will work in conjunction with Linden's Transit Village Designation area which is from Blancke Street to Morris Avenue. This now links the two areas together from School # 1 to School #6. The Safe Routes to School Program will help build a safer Linden and will improve the quality of life for all residents in this area of our community.

## 11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

## LINDEN HIGH INTERNATIONAL WOMEN DAY

According to internationalwomensday.com, "International Women's Day has been observed since in the early 1900's, a time of great expansion and turbulence in the industrialized world that saw booming population growth and the rise of radical ideologies." On March 24th,

Linden High School students participated throughout the day in an International Women's Day celebration. Students made posters celebrating women in various fields. Classes from all grade levels participated in an educational scavenger hunt.

## Union County Historical Society SPECIAL NOTICE

The Society has made arrangements for our annual dinner/meeting to be held at the Garden Restaurant, 943 Magie Avenue, Union, near the Elizabeth/Union boundary line. This event will take place at 2:00 PM on April 12, 2015.

The menu will consist of a salad, the diner's choice of either chicken, fish, or pasta and dessert and beverage. The cost for each meal will be \$25.00, which is barely enough to cover our expenses. It is necessary that reservations must be made and paid in advance, by filling out and returning the order blank at the bottom of this page. The restaurant requires that we have at least thirty diners in order to retain this price and room, so please get your orders in early and relieve the mental load on the dinner committee members. An addressed envelope is enclosed for your convenience.

As this dinner is also our April Meeting, any necessary business action will be accomplished, but with as little inconvenience as possible. An interesting program will also be presented by Walter Boright, who will be our guest speaker.
