LINDEN'S OUTSTANDING CITIZEN JACK SHEEHY

John "Jack" Sheehy was honored by the Linden Citizen's Association with the "Paul Werkmeister Outstanding Citizen Award". Named after the former Mayor of Linden who founded the association, the award is given to a member who has demonstrated exemplary dedication to the city. Sheehy is being recognized for his service.

Jack Sheehy has spent many years both working in local politics and volunteering his time to the community. He has spent his weekends volunteering with youth in the Multi-Purpose Center Masterpiece Program, mentoring teenagers through organized sports. Sheehy also supports community events with his time, having volunteered for many years for the Linden Halloween Parade, September to Remember, and the Mal Eckred's Soap Box Derby.

Politically, Sheehy became a Linden councilman at the age of 18. He later served two terms as the 7th Ward Councilman for the years 2008-2013.

Sheehy married Linda Hesse in 1985. They have four children, Jacklyn, Katelyn, Dayna, and John III.

The Linden Citizen's Association is pleased to recognize Jack Sheehy as their Outstanding Citizen this year for all of his hard work, and sends prayers for him now as he is in need of a kidney transplant.

ANISE MESADIEU, RECIPIENT OF THE 2015 UNION COUNTY SCHOOL BOARDS ASSOCIATION "UNSUNG HERO" AWARD

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.njhomeinspectiontraps.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

Congratulations to Anise Mesadieu, a Linden High School Senior and recipient of the 2015 Union County School Boards Association "Unsung Hero" Award. Her academic dedication, quiet spirit, sweet and positive personality and resilience is a true depiction of everything that makes Linden proud.

During her educational career at Linden High School Anise has challenged herself by taking rigorous academic courses while concurrently participating in many extra-curricular activities. After loosing her home and family members in the catastrophic earthquake in Haiti, Anise and her family moved to the US and she started Linden High School as an ESL student. Despite having to deal with the challenges of transitioning to a new country, culture, and learning a new language, she has excelled throughout her 4 years by taking college preparatory and honors classes. Her hard work has contributed to her earning a 93.6 GPA and she is ranked in the top 10% of her senior class.

In addition to Anise's outstanding academic achievements, she also devotes her time to various Linden High School clubs and activities. She is a member of our National Honor Society, French Honor Society, ESL Leadership Club, EMAP, French Club, Key Club and an active member of the International Club. Anise is also a member of our very selective Peer Leadership Program. Peer Leadership gives her the opportunity to serve as a role model amongst her peers and a support system for our 9th graders

who are transitioning from middle school to high school.

Anise plans on continuing her education at Fairleigh Dickinson University in the Fall. Anise is a very hardworking young lady who always does her absolute best and truly impacts the culture of Linden High School with her sweet and positive personality. Her quiet spirit and resilience is a true depiction of everything that makes Linden High School proud.

VILLANI SCHOOL BUS DRIVER VILMA MENDOZA & ATTENDANT MICHELLE MEDIEROS COMMENDED

On Thursday, April 16, 2015, Villani school bus driver Vilma Mendoza and Attendant Michelle Medieros were performing their morning school route when a student called out to Michelle and told her something was wrong with one of the other students.

Michelle immediately went to the student and saw the student was shaking and drooling. She recognized the student was seizing and told the driver they had a student who required medical attention. The driver pulled the bus over and got up to see that the student had passed out. Michelle called 911 while Vilma notified the dispatcher at base of the incident.

Michelle removed the students' scarf, opened the window and prevented the student from incurring any injuries while seizing while noting the times the seizure began and when it ended. The driver and attendant were able to keep the 12 other students calm as well. The ambulance arrived and took the student into the ambulance. The transportation department, school and parents were notified.

Villani Bus Company has just completed our "I'm Serious About Safety" training program and this is an outstanding example of a driver and bus attendant performing in the best possible way to keep their students safe. They acted calmly, quickly, efficiently, and effectively in a high pressure situation. We are proud of the safe practices and care our drivers and attendants show on a daily basis.

Villani Bus Company wants to commend Vilma and Michelle on a job well done!

LINDEN HIGH SCHOOL TRICKY TRAY

(above) Tracey Williams and her family spend some quality time together at the Linden High School Tricky Tray and support the seniors of the high school.

Linden High School Parent Teacher Association held its annual Tricky Tray fundraising event on Saturday April 25, 2015. A Tricky Tray is a combination of a raffle and an auction with multiple prizes and baskets donated by the community and business of Linden. A special thank you to Chevy's of Linden who donated the food for this event.

The Linden High School PTA Tricky Tray was an engaging evening designed for the adults of the community to come together for a great cause. This program is innovative in that it

engages the community in fun-filled activities. The PTA of Linden High School works in partnership with a wide array of individuals and organizations that benefit the students of Linden High School directly through educational field trips, assemblies, and through scholarships to help further their education. The members of the Linden High School PTA and all of the PTA's of Linden Public Schools are dedicated to promoting children's health, well-being, and educational success through strong parent, family, School and community involvement.

(above) LHS PTA members are excited for the event to begin.

STEPHEN T. ZIELINSKI NAMED OUTSTANDING SENIOR CITIZEN OF THE YEAR

Stephen T. Zielinski, a lifelong resident of Linden has been chosen as Linden's 39th Annual Outstanding Senior Citizen of the Year. This award is bestowed annually by the Linden Department of

Public Property and Community Services Recreation Division upon the Senior Citizen who displayed the most exceptional service to the Community and his/her fellow seniors during the year.

Stephen T. Zielinski was born on December 2, 1936 in the City of Linden, New Jersey. He is a proud graduate of School #5, Soehl Junior High School and Linden High School, class of 1954.

Not long after graduation, Stephen heard the calling of his Country and joined the United States Army, where he served in Japan for 2 years as a radar analyst.

Returning home to Linden, Stephen married his sweetheart Mary Ann Urban and settled in town to raise a family. Stephen and Mary Ann are currently married 55 years and are the proud parents of two sons: Stephen N. and Kenneth J. and a grandson Stephen N. Jr. While his sons grew up, Stephen became involved with the Boy Scouts of America where for 11 years he served as Committee Chairman and Weblo Leader for Cub Pack #188 and then Scout Master of Troop #188 at Linden School #8. Additionally, Stephen along with Mary Ann served as advisors for the St. Theresa's CYO at meetings and religious retreats.

Stephen worked for the Airtron Division of Litton Industries for 44 years, retiring as an

Operations Manager. During this time, he took classes at California State University and later at Morris County College.

Stephen is currently the President of the Linden Chapter of AARP, and the President of the Linden Retired Men's Club. He's an active member of the American Management Association, the Linden Citizens Association, the Halloween Parade Committee, St. Theresa's Parish as an usher, and is the Senior Citizen Liaison for the Yellow Ribbon Campaign to Support U.S. Troops. In 2011, Stephen was honored as the "Historian of the Year" by the Linden Historical Society.

All Linden residents are invited to attend the celebration honoring Stephen Zielinski as Linden's Outstanding Senior Citizen of the Year. Please join us on Friday, May 8, 2015 at the JTG center, 330 Helen St., Linden, NJ at 1:00pm. Refreshments will be served.

MCMANUS MIDDLE SCHOOL NATIONAL DAY OF SILENCE

LINDEN HONORS 911 TELECOMMUNICATORS

The week of April 13-19 was National Public Safety Telecommunicators Week. It is a time where the Linden Police Department honors the men and women of their 9-1-1 Central Dispatch Center. These civilian employees often work under difficult, stressful conditions, and yet, are able to maintain compassion, understanding, and professionalism every day. Linden currently employs 16 full-time and part-time telecommunicators.

(above, l-r) 911 Telecommunicators Sandra Vasquez-Grunder and Rose Vazquez of the Linden Police Department.

On April 17th, 166 students at McManus Middle School participated in "National Day of Silence" which was founded in 1996 and has become the largest single student-led action towards creating safer schools for all. Participating students pledged to take a vow of

silence during the entire school day to bring attention to anti-GLBT name calling, bullying and harassment in schools. Pictured are students from the Alliance Club with Co-Advisors, Laura Pellettiere and Laura Golebiewski who hosted the event.

CONSTRUCTION UPDATE

Access to Staten Island-Bound Goethals Bridge via New Temporary Ramp

Temporary Detour and New Traffic Pattern

Beginning in early May 2015, motorists exiting the New Jersey Turnpike at Interchange 13 and motorists traveling on I-278 will be diverted to a new temporary ramp leading to the Staten Island-bound Goethals Bridge. Local traffic using the ramp at Cole Place in Elizabeth, N.J., will be detoured

westbound to I-278 and then follow a newly constructed U-turn connecting to I-278 eastbound and the new approach ramp (see map below for more detail).

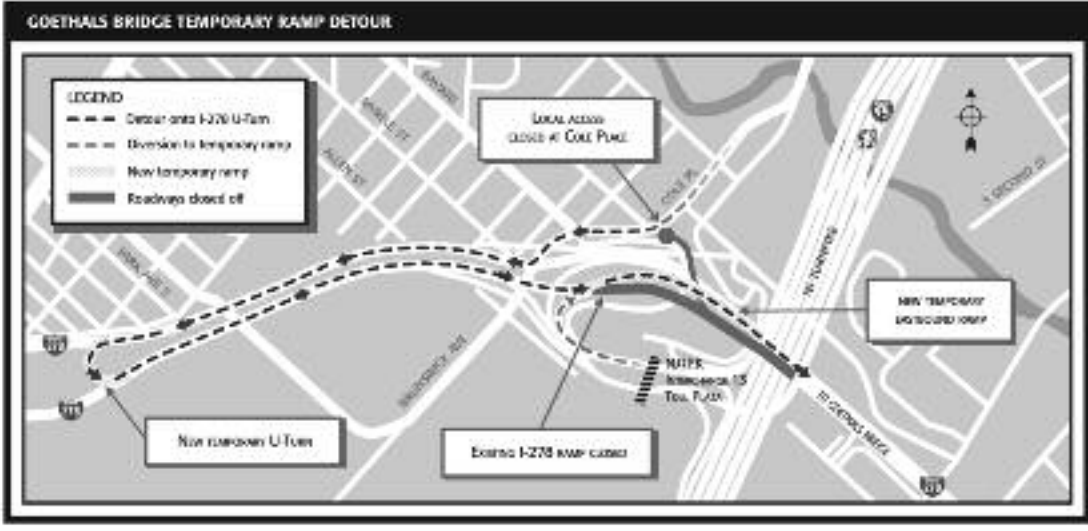

The temporary ramp and new traffic pattern for access to the New York-bound Goethals Bridge will permit significant construction to proceed on the Goethals Bridge Replacement Project. It will remain in place for approximately two years.

Project Background

The Goethals Bridge Replacement Project is a \$1.5 billion project whereby the Port Authority has entered into a public-private partnership arrangement with NYNJ Link Developer LLC to design, build, finance and maintain the replacement bridge. The new bridge will be capable of handling present-day traffic volume, commercial growth and modern standards.

Ways to Stay in Touch

- ▶ Sign up to receive email updates on the Goethals Bridge Replacement Project at www.panynj.gov/GoethalsBridge
- ▶ For a schedule of work that will affect traffic, visit www.panynj.gov/TrafficAdvisory

CAITLIN ELIZABETH RUSSELL FOUNDATION

When Buffalo Wild Wings held their soft opening at their location in Linden on December 7th, they offered to donate all proceeds from alcohol sales to a charity of Mayor Richard Gerbounka's choice. Mayor Gerbounka chose the Caitlin Elizabeth Russell Foundation Inc. Named in honor of his late first granddaughter, the funds gathered by the foundation go to the Neonatal Intensive Care Unit at Robert Wood

Johnson's Children's Hospital in New Brunswick, where Caitlin was cared for during her four months of life after a premature birth.

A ceremony was held at Buffalo Wild Wings and a check was presented to Caitlin's family on April 14th. To find out more about the Caitlin Russell Foundation, Caitlin's story, and how to contribute, please see their website at www.caitlinrussellfoundation.org.

LINDEN HIGH SCHOOL INTOXICATED DRIVING PREVENTION PROGRAM

The Linden High School Senior Class of 2015 participated in the Linden Intoxicated Driving Prevention Program on April 24th 2015. This program culminated with a drunk driving accident simulation coordinated by the Linden Police Department, and kicks off several weeks of activities focused on preventing underage drinking and drunk driving.

The activities began at Linden High School where every 15 minutes, students were pulled out of class and identified as "living dead" to represent a statistic of intoxicated driving fatalities. A police officer walked the Grim Reaper and made announcements that a member of the class 2015 was killed in (a simulated) an intoxicated driving accident and spoke of national statistics on drinking and driving. The program culminated at Tiger Stadium where an accident was simulated and student actors portrayed the wounded and dead. There were two cars involved in the simulated accident and with 3 injured student actors from the LHS Drama classes. Linden High School Seniors gathered at Tiger Stadium. A Pre-recorded police/fire/ambulance chatter will be broadcast for the remaining student body.

Linden Fire department and Office of Emergency Management responded to the

simulated accident, one ambulance and one medic unit. A helicopter was scheduled to land and take away a critically injured student. Prevention Links will work the Law and Government classes to enhance the story. The work will result in the development of a court case which will be presented to a senior assembly on June 2nd and ties the program together. Once all activities are complete, a professionally edited video will be created so that future classes may receive the same education for years to come.

With the Prom, Memorial Day weekend and graduation fast approaching, the students are going to be faced with peer pressure regarding drinking and driving. This program takes a proactive step in educating Linden high school students about making mature decisions when alcoholic beverages and drugs are involved.

This program is sponsored by the Linden Municipal Alliance with the collaboration of: Prevention Links: (a private, not-for-profit organization which takes a leadership role in the prevention of drugs, alcohol, and related issues), Linden Board of Education,

Linden Police Department, Linden Office of Emergency Management, Linden Fire Department, Rahway Medic 10.

LINDEN RECREATION DEPARTMENT

Presents

Summer S.T.E.M. Camps

(Science, Technology, Engineering and Mathematics)
At The Linden Multi-Purpose Center
1025 John Street
Linden, NJ 07036
All camps run daily 9am - 12pm
Weekly cost \$150.00

July 13 - July 17
Lego Robotics Mindstorms
Grades 3 - 5 and Grades 6 - 8
Students will learn to design, program, and control fully functional robotic models. They will use software to plan, test, and modify sequences of instructions for a variety of life-like robotic behaviors. They will also learn to collect and analyze data from the robot's sensors. This program will provide a series of real-life activities, covering topics within science, technology, engineering, and mathematics all using LEGO® Robotics.

July 27 - July 31
Aerospace Engineering
Grades 3 - 5 and Grades 6 - 8
Students will utilize the Engineering Design Process to create and build a variety of flying machines. Rocketry is one of the main components of this camp, and students will have the opportunity to construct their very own straw rockets and bottle rockets! Students will also get the chance to create their own colorful model hot air balloon and design parachutes for a toy jumper. Students will close the program by looking at different forms of air transportation and simulating a "unar landing with a marshmallow "astronaut" that must survive being dropped from space.

August 10 - August 14
Electronic Game Design - Invader Defense
Grades 3 - 5 and Grades 6 - 8
Students will use Multimedia Fusion 2® to create their own video game. Whether students wish to fire marshmallows or missiles, they build a complete video game from start to finish. They program characters to survive a wave of enemy attacks in order to reach the next level. They will create their own super hero, enemies, learn to work with graphics and create sound effects and music. At the end of the class, students take home a copy of the game they create which they can play on their own computers.

August 24 - August 28
Lego Robotics - Olympics
Grades 3 - 5 and Grades 6 - 8
During the LEGO® Robotics Olympics classes, students design and program robots to compete in simulated Olympic events such as a sprinting in a race, throwing a basketball, and shooting a puck into a hockey goal. Students use LEGO® Robotics and computers to learn principles of robotics, computer programming, and teamwork.

THE 80TH ANNUAL MEETING OF THE LINDEN INDUSTRIAL ASSOCIATION

The 80th Annual Meeting of the Linden Industrial Association was held on April 27th, in Amici III Restaurant in Linden. Guest speakers included Mayor Derek Armstead and Sy Mayerson, E-Map Director, Linden Public Schools.

The purposes of the LIA are to promote the mutual interests of industries located or having interests in the City of Linden or surrounding municipalities and for such other beneficial purposes as may from time to time be

recommended by the Board of Trustees. The LIA has also been known to take a stand on issues in support of its membership and has often aligned itself with the views of the New Jersey State Chamber of Commerce and the New Jersey Business and Industry Association, especially on environmental issues. The organization has retained a steady and active membership since its formation in 1935. The most important aspect of the LIA is the mutual cooperation between the member businesses and

the City of Linden. The membership understands that in order for them to obtain the respect of the governing officials, they must be good corporate citizens. They, of course, seek an open and responsible exchange with the City.

Mayor Derek Armstead had this to say when he addressed the membership "You represent Linden moving forward. You are the lifeline of this city, I look forward to working with you all." He spoke of several development projects around the City and stated "Everywhere you turn there is something good happening in Linden."

BRAVEST OF THE BRAVE HONORED

On Saturday, April 25th the NJ State FMBA honored the bravest of the brave at their Annual Valor Awards Banquet at the Pines Manor in Edison. Members of the Linden Fire Department were in attendance along with Mayor Derek Armstead, Councilwoman Michele Yamakaitis and Councilman Bob Sadowski to witness the department receiving multiple awards.

The Night started off with the Linden Fire Department Color Guard presenting the colors to the over 750 in attendance. The awards ceremony started with Linden FMBA Firefighter's Local 34 and Fire Officer's Local 234 being honored as "2015 FMBA Local of the Year" for their numerous charity and FMBA involvements. The Linden Fire Department also

received "2015 Group Effort Award-Medical" for their efforts on December 17th 2014 at a motor vehicle accident on the NJ Turnpike involving a NJ Transit bus and a tractor trailer with multiple victims.

The award recipients were Chief J. Dooley, DC. W. Hasko, Capt. W. Hanns, Capt. L. Kolesa, Capt. B. Krakovsky, Lt. T. Felter, Lt. J. Iozzi, FF. A. Crespo, FF. T. Dos Santos, FF. R. Gergich, FF. J. Jackson, FF. D. Principato, FF. J. Smigelsky, FF. S. Solski, FF. T. Weldon, FF. G. Wronski, and FF. S. Yashay. The final award was a Special Recognition Award for "Group Effort Medical", the award recipients were DC. G. Kuhn, Capt. F. Cassel, Lt. T. Felter, FF. M. Berlinski, FF. M. Callahan, FF. R. Johns and FF. D. Kolesa.

SCHOOL 5 CELEBRATES EARTH DAY

To celebrate Earth Day on April 22, School No. 5, third grade students in Mrs. Rokhsana Suggs' class worked together to collect as many water bottles as they could. Students reused the plastic water bottles by turning the bottles into

flowers. This project allowed students to apply what they learned about helping our environment. They recycled and reused the plastic bottles, which reduced the amount of trash on our planet.

BLOOD BUS MOTHERS DAY AT LUN WAH

This Mother's Day, May 10th from 2pm to 8pm; at Lun Wah Restaurant and Tiki Bar; Mom Eats FREE up to \$20 when YOU donate blood! Donors will receive a certificate for one free entree up to \$20 when donating blood. Certificate will be valid for 60 days. Located in the Roselle Shopping Center on the border of Cranford, Linden and Roselle; Roselle, NJ

New Jersey Blood Services (NJBS), a division of the New York Blood Center (NYBC) calls upon the community to please donate blood Mother's Day, May 10th from 2pm til 8pm. Blood drive cancellations, coupled with unusually high demands from regional hospitals, have impacted the blood supply.

In particular, there is an on-going need for donors with O-negative blood, who are known as "universal donors" because their blood can be transfused into anyone. Type O-negative blood is found in just 6 percent of the population, but is used more often by patients with other blood types, especially in emergency rooms and

trauma situations. It is also used in exchange transfusions for newborn babies and pregnant women, and for premature babies in intensive care units.

The need for blood is constant. Hospital use of blood products remains high -- due to surgeries, emergencies and care of cancer patients. About one in seven people entering a hospital needs blood.

Everyday in the U.S. approximately 39,000 units of blood are required in hospitals and emergency treatment facilities. Nationwide, 60% of the population is eligible to donate blood to meet these needs, yet in New Jersey only 2% actually give. Healthy people of all blood types are encouraged to donate immediately.

To donate blood, please call: Toll Free: 1-800-933-2566 or Visit: www.nybloodcenter.org

Any company, community organization, place of worship, or individual may host a blood drive. NYBC also offers special community service scholarships for students who organize

community blood drives during the winter holiday and summer periods. Blood donors receive free mini-medical exams on site including information about their temperature, pulse rate, blood pressure and hemoglobin level. Eligible donors include those people at least age 16 (with parental permission or consent), who weigh a minimum of 110 pounds, are in good health and meet all Food & Drug Administration and NY or NJ State Department of Health donor criteria. People age 76 and over may donate with a doctor's note.

PHILLIPS 66 LEADS MULTIPLE BENEFACTORS TO HELP TRINITAS BOLSTER ITS PATIENT TRANSPORT CAPABILITIES

Trinitas Regional Medical Center has introduced a new, high-tech specialty ambulance thanks to combined funding support led by the Phillips 66 Bayway Refinery. The new vehicle will serve as the medical center's first Specialty Transport Care Unit (SCTU). Designed to augment Trinitas' current transport capabilities, the SCTU will provide a higher level of transport for patients who need to be accompanied by a Registered Nurse, who is also a paramedic.

As Gary S. Horan, FACHE, President and CEO of Trinitas explains, "The SCTU will be used for critical care patients who are being transferred to the Trinitas Cardiac Cauterization Lab from neighboring hospitals, or for dialysis patients who may need a ventilator while they are being transported for treatments. When paramedics and registered nurses are not committed to specialty transport activities, they can be effectively deployed to respond to 911

calls in Elizabeth, and function as a Mobile Intensive Care Unit (MICU) response team. The SCTU complements and strengthens our existing MICU as a vital new service for our community."

Wakefern Food Corporation (ShopRite), the Gertrude L. Hirsch Charitable Trust, and the Paragano Family Foundation, were additional benefactors who made the purchase of the new vehicle possible. The Phillips 66 Bayway Refinery received Trinitas Health Foundation's Celebrating Philanthropy Award at the Foundation's 2014 Gala. "Phillips 66 Bayway Refinery recognizes the importance of safety and community preparedness," states Darren

Cunningham, Refinery Manager. "This specialized ambulance is an example of taking action to be prepared for emergency situations. We are proud to be able to support its purchase, and we are very pleased to hear it is already in service and helping those in our surrounding communities."

Nadine Brechner, Vice President Trinitas Health Foundation and Chief Development Officer, salutes those who provided this grant funding. "This is an excellent example of how we simply couldn't do it without the help of generous benefactors. They help us continually enhance our ability to respond to the healthcare needs of our community."

(above, l-r) Kathleen Shevlin, Trinitas Health Foundation; Rod Muench, Trinitas Regional Medical Center; Nancy Sadlon, Bayway Refinery Public Affairs Manager; Darren Cunningham, Bayway Refinery Manager; Gary Horan, FACHE, President & Chief Executive Officer, Trinitas Regional Medical Center; Nadine Brechner, Chief Development Officer & Vice President, Trinitas Health Foundation; Mary Phillips, Bayway Refinery Community Relations Coordinator; Brant Maslowski, Bryan Garret, and Joseph McTernan, Trinitas Regional Medical Center.
