RELAY FOR LIFE OF KENILWORTH

More than five-hundred residents of Kenilworth and surrounding communities came together to honor and celebrate cancer survivors and their caregivers at the American Cancer Society's Relay For Life of Kenilworth, NJ, an overnight event held on June 13th and 14th at David Brearley Hgih School athletic field. According to their website 40 teams and 429 participants have raised

\$49,660.31, as of this writing. Tributes were paid to those who have lost their battle with cancer. Donations collected from this annual event support patient services, cancer prevention/education, advocacy and research to find a cure. The ultimate goal of the American Cancer Society is to eradicate cancer completely. This year's event theme is "When You Wish Upon A Cure".

MEMO FROM THE MAYOR

During the Council meeting held on June 10, 2015, we introduced for first reading a series of new comprehensive land use ordinances. This new set of ordinances consists of over 300 pages and is a combination of new ordinances and revision of the current ordinances. These new ordinances will be enacted most importantly with an eye towards identifying the current issues in our town, and putting our town in a position where it will be up to date with the ever changing community developments, with the goal of maintaining the family oriented character of our Borough.

The adoption of these ordinances are a necessary step following the adoption of the Master Plan by the Planning Board which took place a few years ago. For the most part, these ordinances are consistent with the Master Plan's recommendations. The only difference came as a result of the Mayor and Council's belief that there should be less multifamily dwellings and more single family dwellings in the new zoning map as we, as a Governing Body, believe that this is the direction our community should take going into the future. The proposed ordinances are on the Borough website and our residents are encouraged to review the ordinances and to provide any suggestion they have to the Mayor and Council by emailing the Borough Clerk's office at boroughclerk@kenilworthnj.org.

Also as some of you may have noticed, the grass pick-up in town is no longer being performed by an outside contractor, but rather by our Department of Public Works employees. The Borough on two separate occasions put this service out to bid but on both occasions not a single bid response was received at any price. As a result our Department of Public Works was left with this service for the time being. Also as a result some of you may have noticed that the grass pick-up may not have been occurring on the scheduled Tuesday, but rather not until a day or two later. This is as a result of the DPW unexpectedly having to undertake this task which becomes exacerbated during the summer vacation months. At this point in time the Borough is now considering the hiring of private companies outside of the bid process and it is hoped that we can find a responsible and qualified company to perform this task in the near future. In the meantime, I apologize for any inconvenience that may come as a result of the delays in grass pick-up.

Furthermore, at the Council meeting that took place on June 10, 2015 it was our pleasure to recognize and commend Kenilworth's Girl Scout Troop 40897 and Kenilworth's Boy Scout Troop 83 for their continued dedication to our community and local charities. Just to name a few contributions, these Scouts have assisted in the beautification of the Kenilworth Library, the planting of flowers in front of Borough Hall and alongside the Boulevard, organized efforts to donate prom dresses and Halloween costumes for the less fortunate, and worked at soup kitchens, nursing homes, and our local senior center. As you can see they are one of the most significant assets of our town.

Finally, I hope you have a happy and safe Fourth of July celebration..

Mayor Fred M. Pugliese, Esq.

P.S. I will be at the Senior Center to meet with the seniors and answer any questions or concerns on June 3 at 1:00 p.m.

SPECIAL HONORS TO TWO KENILWORTH VETS

A Memorial Day Service was held on May 25th at Kenilworth's Veterans Center. Special honors were presented to Kenilworth residents John Beninati and Robert Moldenhauer. Many people gave speeches thanking the veterans for their service and commending them for staying active at the center all these years.

John Beninati served in the Asiatic-Pacific Theater during World War II. He is past commander and founding member of the Kenilworth Veterans Center since 1948, and has stayed active ever since, attending all the meetings.

Robert Moldenhauer is a highly decorated World War II veteran. He served on the USS Hyman and survived two Kamikaze attacks off of Okinawa Japan. He moved to Kenilworth from Queens, NY in 1952 and joined the Kenilworth's Veterans Center and has stayed active. He also served as a past commander.

TWO TEACHERS DISCOVER OLD FREINDSHIP

Two teachers at St. Theresa School in Kenilworth had been co-workers for years. Mrs. Karen DeMaio is a 2nd grade teacher and lives in Kenilworth; and Mrs. Joanne Furlong is a PreK teacher and lives in Maplewood.

Their schedules basically kept them from socializing during school hours. One week they had a lunch schedule change and they ate their lunches together and talked about their childhood classes and the size of students in each class, etc. Before you knew it the teachers found out they were at each other's birthday parties and they were best friends when they were about 5 years old until one of them moved away.

"I can still hear the screams that day when everyone realized what had happened!" stated their co-worker Mrs. Doreen Sacco. Joanne Furlong even had an old (black and white no sound) video of a party the girls attended together and they gathered with their co-workers to watch it later that week after school.

The reunion was worked into a class lesson when Mrs. DeMaio read a story to her class called "Farfallina and Marcel" by Holly Keller. The story is about special friends not recognizing one another as they grew. A caterpillar and a duckling do not recognize each other after they morph into a butterfly and a goose.

SAL CANDARELLA APPOINTED TO TO FILL COUNCIL SEAT

On May 26, 2015 the Mayor and Council approved Sal Candarella, who was nominated among three people by the Kenilworth Republican Committee, to complete the term of Councilwoman Toni Giordano who resigned in June.

Councilman Candarella was elected in 2009 and 2010, and served as councilman for 5 years. He elected not to run for re-election at that time. Councilman Candarella said "It was an honor and privilege to serve the residents, and I am honored to be appointed to council today." Councilman Candarella has announced that he will seek election for a full 3-year-term in November.

Do you suffer from Knee Pain?

After only four visits, I have absolutely no pain!
—Quenton L.

We offer a safe, natural & effective procedure to relieve pain from knee osteoarthritis.

No drugs. No surgery. FDA approved.

Covered by most insurance, including Medicare.

What is it?

We use a combination of precisely targeted Hyalgan injections (a gel-like natural substance that mimics natural joint fluid) with diagnostic fluoroscopy to make sure the area that needs to be treated is the exact spot where the injection goes. This is the most advanced method of pain relieving treatment, with **95% accuracy** and a very high success rate.

In addition, we offer supportive care such as physical therapy, weight loss, nutritional counseling, corrective osteoarthritis bracing, and natural anti-inflammatory products to relieve knee pain naturally.
