## WWII NAVY VETERAN WALTER WOYTOWICZ HONORED

On July 18, 2015 Garden State Ryderz Motorcycle Club held their Christmas in July fundraiser at the Indian Motorcycle dealership located in Union, New Jersey. Participants were asked to donate \$10 with a new toy, and \$20 without a toy. The money raised that day will be sent to the Garden State Ryderz MC fallen brother Manny Ruivo, wife and two children. Ruivo had passed away in November of a massive heart attack. Ruivo was honored during event.

This year's ride also honored WWII Navy Veteran, Walter Woytowicz. A Linden resident who served his country from 1944 -1946. Mr. Woytowicz passed away on February 3, 2015 and was not given a full military funeral because his official records were missing. After they were found, members of the club worked to give Woytowicz the honor he rightly deserved.

Walter was born in Elizabeth, N.J., lived in Linden and Colonia and resided in Point Pleasant since 1974. He was self-employed and was the owner of Woyts Tavern in Linden, and he also owned Woyt Trucking Co. in Linden.

The United States Navy sent a full Honor Guard, they traveled all the way from New London, Connecticut, to pay tribute to Walter Woytowicz, an American hero, and presented his family with the American Flag during a

ceremony.

The Garden State Ryderz is a non-profit family oriented motorcycle club that organizes fund raisers throughout the year to help those in need.

## 11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit [www.njhomeinspectiontraps.com](http://www.njhomeinspectiontraps.com) or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

## LINDEN RESIDENTS EARN NURSING DIPLOMAS

A class of 46 completed the co-operative nursing program offered through Trinitas School of Nursing and Union County College (UCC) this spring. The graduates now hold nursing diplomas and Associate in Science degrees granted at graduation. exercises held recently at the UCC campus in Cranford. Four men were among the graduates who hail from Cape May, Essex, Middlesex, Monmouth and Union Counties, as well as the Bronx, Brooklyn and Staten Island, New York. The following Linden residents graduated: Rudin C. Orellana, Adekunle Paul Oniwe, and Sabrina C. Simoes.

Trinitas School of Nursing currently holds full continuing accreditation from The National

League for Nursing (NLN) Accrediting Commission, Inc. through Fall 2020. The NLN's Board of Commissioners' extended accreditation is based on the School's designation as an NLN Center of Excellence; the length of employment of the faculty, all of whom hold certification as Certified Nurse Educators (CNE); the School's fostering of excellence among students with English as a second language; the School's nurturing environment for student support that encourages success among the entire student body, and the excellent relationships among the Trinitas Regional Medical Center nursing staff, clinical unit managers, faculty and students.

## FEMA GRANT MAKES RESCUE TRAINING OF FIRE DEPARTMENT POSSIBLE

The Linden Fire Department has recently completed the final stage of a four-part Technical Rescue Training class for 28 members of the department. The technical training consisted of three disciplines, High Angle Rope Rescue, Confined Space Rescue, and Trench Rescue. Each stage of the training was a one-week class held at the Linden Fire Department's training classroom and the Union County Fire Academy and taught by S.T.A.R.T. Rescue Training. This Technical Rescue Training was only made possible through a \$92,000 F.E.M.A. Assistance to Firefighters Grant. The 28 members that received the training are the newest members of the department, these members will not only keep Linden and Union County a safer place but ensure the development of the next generation of firefighters and fire service leaders.

The first discipline, High Angle Rope Rescue, was a 2-week class consisting of basic introduction to rope rescue the first week, a starting point in which they learned and became familiar with ropes, knots, equipment, repelling and safety. Then the second week was advanced rope rescue, learning proper techniques, advanced skills, team management, load factors and anchor systems. Confined space rescue was the third week of training. Using a lot of the rope skills they learned in the first 2 weeks along with their E.M.T. skills, they learned about hazard recognition, to manage rescue operations, and participate in various scenarios for team building. The fourth and final week was Trench Rescue, which teaches rescuers operational task functions

for trench excavation collapse, proper shoring techniques and hands on skill stations in real trenches.

The \$92,000 F.E.M.A. Assistance to Firefighters Grant made this training possible for

the Linden Fire Department. Linden Fire Chief Joseph Dooley stated "I truly believe that this training places the Linden Fire Department at a higher level of preparedness and we are better able to meet the challenges our profession faces".

# Do you suffer from Knee Pain?

*After only four  
visits, I have  
absolutely  
no pain!*  
—Quenton L.

We offer a safe, natural & effective procedure to relieve pain from knee osteoarthritis.

**No drugs. No surgery. FDA approved.**

Covered by most insurance, including Medicare.

### What is it?

We use a combination of precisely targeted Hyalgan injections (a gel-like natural substance that mimics natural joint fluid) with diagnostic fluoroscopy to make sure the area that needs to be treated is the exact spot where the injection goes. This is the most advanced method of pain relieving treatment, with **95% accuracy** and a very high success rate.

In addition, we offer supportive care such as physical therapy, weight loss, nutritional counseling, corrective osteoarthritis bracing, and natural anti-inflammatory products to relieve knee pain naturally.

## BEST COMMUNITIES AWARD FOR LINDEN PUBLIC SCHOOLS

*Submitted by The Linden Public Schools Fine & Performing Arts Department*

The Linden Public Schools Fine & Performing Arts Department is pleased to announce that it has been designated one of the "Best Communities for Music Education" in the United States. There are over 14,000 school districts in the country, we were one of 388 districts given this honor for 2015.

The NAMM Foundation (National Association of Music Merchants) has recognized our district for its outstanding commitment to music education with a Best Communities for Music Education (BCME) designation.

This designation confirms that our school district has demonstrated exceptional efforts toward maintaining music education as part of school's core curriculum. The BCME survey was sent to over 14,000 school districts across the country with more than 2,000 districts responding answering detailed questions about funding, graduation requirements, music class participation, instruction time, facilities, support for the music program, and community music-making programs. According to the National Association of Music Merchants, we have been recognized for the commitment of school administration and community leaders, teachers, and parents who believe in music education and are working to ensure that it is part of a complete education for all children.

In Linden, all elementary school students receive at least 30 minutes of music a week. At the middle and high school levels, there are over

ten different music courses offered daily for students. District wide, there are approximately 550 band members, 360 orchestra members, and 660 chorus members. As a department we are making a concerted effort to incorporate technology in music classes at all levels.

Throughout the year there are over 25 concerts and performances by our students at our schools and in our community.

We as a district and especially as a department are very proud of this recognition. As always, thank you for your support of the arts in Linden.

## LINDEN YOUTH SOCCER U12 TOURNAMENT CHAMPIONS

In late June Montclair welcomed youth soccer teams from all over the state and parts of New York for the first Match Fit Montclair United Summer Kick-off Tournament. The tournament featured teams between the ages of 8-14 playing at least three games each, with the U11-U14 age groups competing in a playoff following their three games.

The Linden U12 FC Premier Boys' Summer Soccer Team competed in the Boys U12 Gold division. On Saturday, they started off the day with a 7-0 win against United Internazionale. Then in the pouring rain, they defeated the Belleville Sharks with a final score of 2-4,

making them the leader in points for the day.

They continued the tournament on Sunday and earned their third win with a final score of 6-0 against the Hasbrouck Heights Aviators, which sealed the deal to put them in the championship game. The championship game was played in the late afternoon on Sunday against the Belleville Sharks. Linden was able to conquer them again with ending score of 2-1, leaving Linden undefeated for the tournament and earning them the title of Match Fit Academy / Montclair United Soccer Club Summer Kick-Off Tournament 2015 Champions for their division. Great job boys!

## HOUSES OF WORSHIP SECURITY AWARENESS SEMINAR PLANNED FOR AUGUST 19

The City of Linden will be sponsoring a "Houses of Worship Security Awareness Seminar" on August 19, 2015 from 6:30 pm to 8:00 pm at the JTG Recreation Center located at 330 Helen St. Linden. The seminar will open with a message from Mayor Derek Armstead, followed by a powerpoint presentation delivered by Captain Jonathan Parham describing the current threats facing houses of worship. A discussion on physical security measures for houses of worship will follow, along with

identifying several resources parishioners can utilize to conduct their own facility security audit, or utilize the services of a Crime Prevention Officer from the Linden Police Department. While the seminar is designed for faith based leaders whose facilities are located within the City of Linden, everyone is welcome! To register for the seminar, or if you have additional questions regarding the seminar, please contact Captain Jonathan Parham at [jparham@lpdnj.org](mailto:jparham@lpdnj.org) or call (908) 413-1998.

## RUBIN HENRY ARMSTEAD

SEPT 12, 1930 - JUNE 6, 2015

On Saturday, June 13, 2015, we said farewell to a "special person"; a loving husband, dedicated father, grandfather, brother, uncle and friend. Although his loss has left a void in our hearts, it helps to know that we were truly blessed to have

had him in our lives. We sincerely thank all our relatives and friends who surrounded us with visits, love and care.

A special thank you to Rev. Dumas of First Baptist Church in Linden and all participating clergy for the beautiful "Going Home" celebration.

Also a special thank you to Buelah Clinton Woody and the staff of G.G. Woody's Funeral Home, for thoughtful professional guidance during this time.

We gratefully acknowledge the many expressions of sympathy through your visits, cards, calls, food and floral arrangements.

Please be assured your expressions of kindness have provided us with great strength and comfort and will always be remembered. For honoring Rubin's memory at this time, we thank you all.

Respectfully, Mrs. Anna L. Armstead & The Armstead Family.

## SELECTIVE SERVICE BOARD SEEKING MEMBERS

The Selective Service System wants to hear from men and women who might be willing to serve as members of local Selective Service boards.

Local board members are uncompensated volunteers closely connected with the nation's defense. If a military draft becomes necessary, approximately 2,000 local and appeal boards throughout America would decide which young men in each community receive deferments, postponements or exemptions from military service, based on federal guidelines.

A position is open for residents of Union County. Prospective board members must be U.S. citizens, at least 18, registered with Selective Service (if men), not be an employee of any law

enforcement occupation, not be an active or retired member of the armed forces and not have been convicted for any criminal offense. Once identified as qualified candidates for appointment, they are recommended by the governor and appointed by the director of the Selective Service, who acts on behalf of the president in making the appointments. New members receive five hours of initial training after appointment, followed by two hours of annual training for as long as they remain in the position. They may serve in board member positions up to a total of 20 years, if desired.

Prospective appointees should call (847) 688-4540 or go online to <http://www.sss.gov/BM.htm>

## LINDEN AUTHOR VISITS LIBRARY

On June 29, Linden's very own children's author/illustrator, Mark C. Kohut, held his first book signing event, at Linden Library. The Friends of Linden Library invited Mr. Kohut, who is an art teacher in the Linden school district, to read his book and do an art project with the children. The event was well attended and enjoyed by both adults and children. Red Yellow Blue Black Gray & White is a clever, poetic response to the many curious and imaginative children Mark C. Kohut has encountered

throughout his teaching career. Its content helps clarify color theory in art, examines the visible light spectrum in science, promotes philosophical thought of the universe and our existence, and supports the value of creativity and individualism.

If you would like to purchase a copy of the book (\$13.95), please contact Dawn Beviano @ 908-494-8656 or Friends@Lindenpl.org. A portion of the sale is donated to the Friends of Linden Library.

## IRISH BUSINESS ASSOCIATION HONORS 2015 AWARDS DINNER HONOREES

"Each year the Irish Business Association recognizes a broad slice of the New Jersey business community with Irish roots," said Thomas Farrell, a wealth advisor at PWM Advisory Group and IBA president. "There are 1.3 million New Jersey residents claiming Irish descent and Irish-Americans are found in every corner of commerce and community. This year's honorees reflect both the breadth of the Irish in our state and the widening footprint of the IBA. Congratulations to each of them."

The Irish Business Association is an

association of New Jersey business professionals and business owners launched in March 2008, committed to promoting business relationships and personal interaction within the Irish-American business community in New Jersey, based on a shared heritage. The IBA is part of the Gateway Regional Chamber of Commerce, the largest business association in the New York/Northern New Jersey Region, comprising 14 regional and local chambers. Visit us at <http://irishbusiness.org/> and via Twitter at @irishbusinessNJ.
