AMERICA'S 9/11 FOUNDATION STOPS IN LINDEN

America's 9/11 Foundation purpose is to support First Responders, and to "NEVER FORGET" the events of September 11, 2001. They sponsor an annual ride with a mission to remember the heroes, volunteers, and victims who lost their lives on September 11, 2001, and those who succumbed to illnesses afterwards, all caused by the acts of terrorism which occurred on that day.

The ride stops at each of the sites effected by the 9/11 terrorist attacks and also makes stops along the way. On August 22, 2015 the Memorial Ride stopped for refreshments at Airport Plaza in Linden. FMBA Locals 34 and 234 cooked and served hamburgers and hotdogs to the riders, provided by Applebee's. Mayor Armstead was in attendance to present the foundation with a proclamation from the Linden City Council. The Americas 9/11 Foundation presented Linden with a Check for \$3,000 for their participation in this year's motorcycle run; the money raised is donated to numerous charities.

According to their website each year the Foundation presented fifteen \$2,000 college scholarships to family members of active First Responders. To date the foundation has presented

scholarships to children of First Responders totaling \$300,000. Additionally they have donated more than \$500,000 to First Responders departments and their families. They have also presented 13 brand new police Harley-Davidson Motorcycles to escorting departments.

It's About Caring for those who put their lives on the line each day. For more information visit americas911foundation.org.

INFINEUM EMPLOYEES VOLUNTEER WITH HABITAT FOR HUMANITY

Various times per year, Infineum employees and their families volunteer their time to Habitat for Humanity to build homes for people in need. For decades, Infineum employees have been active with Habitat for Humanity, particularly within the Greater Plainfield & Middlesex County division. On July 11th, fourteen members of the Infineum team provided their time for the worthy cause.

Habitat for Humanity is an international program that works with low-income families to build affordable homes. The future homeowners agree to work at least 400 hours of "sweat equity" into the construction of their new home. When completed, the home is sold to the family at cost with a non-interest rate mortgage. Habitat for Humanity does not accept government funding to build homes; instead, it raises funds through the support of individuals, corporations and foundations. The organization allows families to escape from unsafe and unhealthy living conditions, and breaks the cycle of poverty to build long-term financial security.

Not only does Infineum help a family in need, but also participates in a wonderful team building activity. As Habitat

for Humanity stands by, it is about "Building Homes, Neighborhoods, and Hope in Your Community Together."

7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

Linden NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To order a FREE Special Report, visit www.njhomesellermistakes.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1000 .You can call any time, 24 hours a day, 7 days a week.

Photo by Linden ESL Summer Enrichment Program

(above) To enhance her students' awareness, understanding and appreciation for life in the marine environment, ESL teacher Mrs. Danie Orelie-Armstead had them build an aquarium. Students attending the ESL Summer Enrichment Program for the month of July at School# 9 had fun exploring and discovering how their lives are connected to the ocean. Students studied the natural habitat of ocean animals, the needs of living organisms in an aquatic environment, their dependency on each other for survival and the impact of human activities on marine life environment. At the end of the program, students designed and build their own aquarium. According to ESL teacher, Mrs. Danie Orelie Armstead, "Building their own aquarium allowed students to discover that other living organisms have basic needs just like human beings do. People have a responsibility to protect and keep the oceans healthy.

LINDEN FIRE DEPT RESPONSE TO TURNPIKE FIRE

On August 4, 2015 at 10:22 AM the Linden Fire Department received a call to respond to the New Jersey Turnpike, south bound, for a truck fire with possible entrapment.

Upon arrival fire crews found an overturned dump truck under the S. Wood Avenue Bridge, wedged between 2 bridge abutments fully engulfed in flame. Crews began an their attack to extinguish the fire but were quickly pushed back when the fire spread to the high voltage power lines running under the bridge causing them to explode and creating an electrical hazard. Hose line monitors were then set up in an attempt to extinguish the truck fire and cool down the

bridge. These second efforts were successful in extinguishing the fire and preventing any further damage to the bridge. After awaiting PSE&G's ok that all power lines were shut down, ensuring that there was no electrical hazard, the towing company was able to pull the truck out from between the abutment allowing Engine crew's access to assist in the recovery of the victim.

The fire caused The New Jersey Turnpike to be completely shut down for hours until the bridges could be inspected and the burned power lines could be removed from under the bridge. At this time the name of the victim has not been released.

BATTLE OF THE BADGES SET FOR SEPT 11TH

On Friday, September 11th, 2015, the Linden Police Athletic League will hold its 7th Annual Wanda A. Green Memorial "Battle of the Badges" fundraiser/event from 7 p.m. to 10 p.m. The event, named in honor of Linden resident and United Flight 93 flight attendant Wanda A. Green, is geared towards creating a safe atmosphere of fun for the whole family that culminates in a flag-football game between the Linden Police and Fire Departments.

The "Battle of the Badges" has grown every year since its inception and brings together all Linden residents. Its growth has also allowed the P.A.L. to expand as an organization, both in terms of sports offered and in presence within the community.

The event will also showcase other events for a night of fun for the family, including music, food, and bouncy houses, to only name a few. Tickets are \$5 a piece, with all proceeds going to the Linden P.A.L.

"The support from the local community's businesses, the police and fire departments, and the city make this possible," Kuczynski added. "It's a beautiful thing, and while the game is important, it is nowhere as important as creating a community atmosphere for the City of Linden."

Kuczynski, who will captain the Police Department's team, pointed out that the LPD is currently ahead in the series, 4 wins to 2. Last year, the Linden Fire Department won 34-18.

"That won't happen again," Kuczynski said with a smile.

PAL COMMUNITY BASKETBALL CAMP

The Linden Police Athletic League's CommUNITY Basketball Camp hosted a number of city youngsters aged 5 to 12 years old. These young athletes learned the fundamentals of the game from mentors from the community.

"The focus with these camps, as always, doesn't stop with the sport," said PAL Director Daniel Kuczynski. "It is a full-scope approach to teach teamwork, discipline, motivation,

communication, and respect while utilizing basketball as the platform." Kuczynski also noted the community-building aspect of the camp. "The 'unity' in community is emphasized for a reason," he said. "Without these local Linden volunteers- Rooks Crawford, Desmond Wade, Andre Wheeler, L.J. McGhee, Mike Mayes, Darrel Lampley, Tony Wilson, and Andrea Montano- who come in here to teach these youth

how to succeed, and without the families who support these youth who want to see them succeed, and without a PAL or Police Department or city to provide these services to help them succeed...it just wouldn't happen. It is a total community effort focused on helping these youth succeed. The success of these youth, not only on the court or field, but in life is my goal as director. Always has, and always will be."

LINDEN PAL VOLLEYBALL

The Linden Police Athletic League completed a very successful girls' volleyball league in August. This inaugural league, in which girls from grades 8 to 12 participated, allowed for players to learn and compete in a safe atmosphere.

"The Linden PAL is always focused on helping all the children of the city, and this was a great opportunity to specifically help the girls of the city in a sport that is underrepresented on a recreational level," PAL Director Daniel Kuczynski said. "This league allows for the girls

to learn and practice the game before the actual program within the high school."

Kuczynski added that the league was a huge success, citing a large number of participants and a the dedication of all those involved.

"This league was a success because of the coaches, participants, and families. The passion and dedication they all showed was inspiring to see," Kuczynski said.

A CULTURE OF COLLABORATION: SHARING A RESPONSIBILITY FOR ESL STUDENTS

The Linden Public School K-12th grade ESL/Bilingual program has been recognized by the state of NJ as a model program for the past 8 years. Since Linden is extremely culturally diverse, the main goal of our ESL/ Bilingual Program is to cater to students of different backgrounds. Some of the languages spoken by our students are: Haitian Creole, Polish, Slovakian, Ukrainian, Arabic, Portuguese,

Spanish and many more. As of last year we had approximately 310 students enrolled in the ESL/ Bilingual program. Collaboration between the teachers, staff, parents and administrators, while educating, is imperative to help our students succeed.

The ESL Summer Enrichment program is a great way to help students enforce what they have learned in the past year and build a

foundation for the following school year. It is held in the month of July at School #6 and School #9 for the students at the elementary level.

The program is also held at the high school, where it serves our middle and high school students. Reading, writing and completing summer reading project are the main focus of the program.

YOUTH FELLOWSHIP PURCHASES A REFRIGERATOR FOR THE LINDEN FOOD BANK

The Youth Fellowship of the Reformed Church of Linden has raised funds to purchase a refrigerator for the Linden Food Bank. And it all started with a simple comment from the Food Bank's Director, Jay Dentinger.

The Youth Fellowship has been participating in the Souper Bowl of Caring for over ten years. The Souper Bowl of Caring is a national event in which groups are encouraged to collect soup and cash on Super Bowl Sunday and donate their contributions to their local food banks. Over the last ten years the Reformed Church of Linden has donated over \$3,000 and 800 cans of soup to the Food Bank.

This year was a little different though. When the youth delivered the soup and cash donation this year, they learned that the Food Bank needed a new refrigerator to store perishable items that are donated.

The girls who delivered the donations, Gianna Muschiatti of Rahway and Savannah Conrad of Linden, set right to work. They decided that their Youth Fellowship should raise the funds to purchase the refrigerator.

As part of the project, the youth put the word out to members of the congregation and set up a GoFundMe page. They also made signs and painted a refrigerator box to look like a refrigerator and used it as a visual representation of their "Food Bank Fridge Fund." They also presented facts about hunger to the congregation and held a cake sale. Thanks to the generosity of the members and friends of the congregation, in less than two months, they not only raised the \$500 needed for the refrigerator – they far exceeded their goal! The Youth Fellowship presented a check for \$1,300 to the Food Bank on July 21, 2015.

The Linden Food Bank is managed by the Linden Interfaith Network of Community Services (LINCS). It has over 20 volunteers who work faithfully to serve over 200 local families every week. Monetary and food donations and personal care items are always accepted.

For more information about LINCS Food Bank call 908-925-2523. For more information about the Reformed Church of Linden call 908-486-3714.

LAST DAY TO SUBMIT HURRICANE SANDY CLAIMS FOR REVIEW IS SEPTEMBER 15TH

The Federal Emergency Management Agency (FEMA) is reminding National Flood Insurance Program (NFIP) policyholders who filed a claim as a result of Hurricane Sandy that there are four weeks remaining to request a review if they believe their claims were underpaid for any reason. FEMA set a Sept. 15, 2015 deadline for policyholders to request a review.

FEMA sent letters to approximately 142,000 NFIP policyholders who filed claims resulting from Hurricane Sandy, offering them an opportunity to have their files reviewed. To date, more than 10,000 policyholders have entered the process. Additional payments will be made to policyholders when warranted.

To be eligible for the review, policyholders must have experienced flood damage between Oct. 27, 2012 and Nov. 6, 2012 as a result of Hurricane Sandy. Policyholders can call the NFIP's Hurricane Sandy claims center at 866-337-4262 to request a review.

Alternately, policyholders can go online to www.fema.gov/hurricane-sandy-nfip-claims to download a form requesting a review. The downloaded form may be filled out and emailed to FEMA-sandyclaimsreview@fema.dhs.gov to start the review process.

For individuals who are deaf, hard of hearing, or have a speech disability and use 711 or VRS, please call 866-337-4262 to facilitate the filing of their claim review. For individuals using a TTY, please call 800-462-7585 to begin the review process.

Before contacting the claims center, policyholders are asked to have the policyholder's name, their flood insurance carrier

name, policy number that was in effect at the time of the loss, and the address of the damaged property. For security purposes, you will be asked to provide some information to verify your identity. Policyholders will be asked a series of questions to determine whether they qualify for review. Once qualified, they will be called by an adjuster to begin the review. The timing of this call may be affected by the volume of requests for review. Most reviews can be concluded within 90 days.

Files will be assigned to an NFIP-certified adjuster who will review the claim file. Adjusters will contact policyholders to guide them through the review process. Policyholders who have already requested their review can call 866-337-4262 if they have questions or need more information.

Establishing this review is just one step in the plan to ensure that the NFIP is customer-focused and helps policyholders recover from flooding in a fair, transparent and expeditious way. The Sandy claims review process is intended to be simple for the policyholder and does not require paid legal assistance. Additionally, there are several nonprofit service providers ready to offer free advice and answer questions policyholders may have. A list of these advocacy groups can be found on the claims review website at www.fema.gov/advocacy-groups-and-services-referral-list.

FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.

RENNA MEDIA LAUNCHES SEVEN NEW NEWSPAPERS

Beginning in October 2015 Renna Media's family of monthly newspapers will grow from 12 to 18 publications. The towns of Westfield, Scotch Plains, Fanwood, Summit, New Providence, Berkeley Heights, and Mountainside will join Renna Media's existing newspapers and will deliver important information from the departments in town hall, along with news from the schools and libraries. Community service organizations are encouraged to promote their events and celebrate their accomplishments free of charge.

The goal of all our community newspapers is to have a positive influence on the economic development and overall well-being of the towns they serve.

Renna Media is a Cranford based business owned and operated by husband and wife team Joe and Tina Renna. Renna Media's family of 18 community newspapers are published in and around Union and Somerset counties with a total circulation of 100,000 newspapers mailed monthly. The publications are "hyper-local" in nature in that they contain information focused on each individual town and are direct mailed

within those towns.

The concept of being hyper-local is to give local businesses a venue to promote events and services. Reaching local customers gives you the highest return for your advertising dollars. The newspapers are designed (black ink on newsprint) to keep the cost of an advertisement to as low as \$60. Inserts are also available. Regional businesses can take advantage of one low rate for advertising in multi publications.

Joe and Tina Renna, owners of Renna Media, LLC, have been publishing community newspapers since 1998 with the launch of Around About Peterstown, a regional newspaper about the Italian-American neighborhood in Elizabeth, NJ.

Renna Media sought to fill what they saw as a void in other communities and created newspapers that would give a venue to town administrations and non-profit organizations to promote upcoming events as well as to showcase the accomplishments of local residents and businesses.

For more information about Renna Media publications, please call 908-418-5586 or email: info@rennamedia.com. Visit us on-line at RennaMedia.com.
