WARREN TOWNSHIP 2014 VOLUNTEERS OF THE YEAR

The Recreation Volunteers of the Year Award is presented each year by the Recreation Commission to volunteers who have donated their time to help the Recreation Department fulfill its mission.

2014 ADULTS

Jim and Karen Zilinski – On Aug 10, 2006 Janet Zilinski was running laps at the ECP. She collapsed and went into cardiac arrest and died later that evening. October of that year the Janet Memorial Fund was started by her parents, family and friends. Their sole mission is to raise awareness for youth AED (Automated External Defibrillator)

readily accessible training in CPR. Their big accomplishment was passing the “Janet’s Law” which requires every school K-12 private and public to have onsite staff training and an Emergency Action Plan in an event of cardiac arrest. This went into effect September 1, 2014 and is credited with saving seven lives since. The Janet Zilinski Memorial Fund is the largest nonprofit donating defibulators in NJ. Over 200 AED’s were donated and over 3000 people have been trained in CPR. In 2008 Warren Township was the first to recognize Janet’s Law and have AED’s donated by the Fund for our playing fields. Jim & Karen Zilinski are commended for their tireless efforts through the years which have finally resulted in the passing of Janet’s Law.

Bruce Vitale – This year is the 30th anniversary of Warren Township’s fishing derby. It began by one person because of his love for fishing. Every year for 30 years Bruce Vitale orders the fish to stock the pond, picks up the bait plus gathers donations and prizes. He is very involved in helping the children and parents learn all about fishing on this day. Throughout the

day Bruce makes sure he walks around the pond helping the children and parents with tangled lines, adding hooks & bait or instructing the correct way to cast. He is truly dedicated to fishing and wants to make sure every child gets to enjoy the sport as he has for over 60 years.

2014 TEENS:

Alexander Overzat - (Playground camp with 103 hours)

Alex is currently a sophomore and honor student at WHRHS. He is an accomplished drummer who participates in the WHRHS Jazz Band and Wind Ensemble. His passion for music has played an important role in his volunteer work over the past year. He, along with his

band “T.A.N.K” has volunteered to provide entertainment for community events in Warren and various charity shows in NJ. Since last year, Alex has spent time helping the drum line at the middle school prepare for their annual march in the Memorial Day Parade. Alex showed he could handle responsibility with ease and has grown tremendously in his role as a counselor in training for the playground program. The campers look forward to seeing Alex every day.

Jordan Blitzer - (Playground and kindergarten camps with 119 hours)

Jordan is currently a sophomore at WHRHS. She provided the Playground Program with a memorable experience last summer. She has a natural ability to work with our youngest campers. Jordan's problem solving skills came in handy multiple times throughout the summer. Jordan also is an active

member of Grade Level Council and All School Council, the Action Against Hunger Club, Red Cross, B.E.L.I.E.V. and Interact Club. For the past two years, she has been an assistant coach with the Warren Youth Basketball Association. Her future aspiration is to pursue a career encompassing pediatrics.

2014 GROUP:

Warren Blue Ridge Sportsmen’s Club – For several years the Warren Blue Ridge Sportsmen’s Club have donated hundreds of hours volunteering for Recreation and other town functions. Without the Sportsmen’s Club, Recreation could not run such wonderful programs at no or little cost to the residents and Warren would not have clean, safe and beautiful trails to enjoy.

GET TO KNOW YOUR TRAILS HIKING SERIES

Want to learn more about the trails around the Warren Twp.area. Then come to Warren Twp Recreation's 3rd installment of Get to Know Your Trails Hiking Series on Saturday, October 3 from 9-11am.

There will be two choices of hikes to take. One is led by Naturalist & Recreation Commissioner Joe Filo who will lead a slower paced walk & talk hike about nature along the trails. And the other is led by Recreation Director & avid hiker, Eleanora Hermann who will lead a more brisk hike.

This hike is for adults, kids and families seeking an interest in improved health and enjoying a walk along Dealaman Pond and Stransky trails. Learn about the growing bird watching activity. Enjoy woods, plants, flowers, ponds, frogs, and turtles plus more.

Dealaman Pond is a 25 acre woodlot, wetland and pond/picnic area. It is named for George Dealaman, a long time Warren Public Servant and benefactor. It has been enhanced with a parking lot, wood-chipped trail loops, benches, and a restored dam holding a large shallow pond

use for the township fishing derby each May. A half-mile trail loop winds through a young hardwood grove to older groves along Cory's brook, marsh and pond; a small open field surrounds the dam location.

Stransky Farm is a 21 Acre farm and woodlot purchased in 1998 from the Stransky family. Behind this, the mowed trails loop around the large meadows in both open and shaded areas, connecting with blazed wooded trails along Cory's Brook. A wide variety of wildflowers, shrub and trees, aged and young line the level, generally smooth trails. A few large old farm equipment items add historical interest. A variety of species and settings, plus convenience and ease of walking, combines to make a popular outdoor retreat.

This is a free event, just show up and sign waiver when you arrive. Children under 18 must be accompanied by an adult.

WARREN TOWNSHIP'S UPCOMING 10TH ANNUAL CAR SHOW

Submitted by Ken Phillips

The Warren Township Volunteer Fire Department will be holding their 10th annual car show Sunday, September 13th (rain or shine) at the fields behind the Warren Township (Somerset County) municipal complex, located at 46 Mountain Blvd. The hours of the show are from 9am-3pm. Registration fee for show cars is \$15.00, if registration is received by August 28. Registration after August 28 and on-site registration will be \$25.00. Spectator admission and parking is free. However, donations are gratefully appreciated. The car show is an annual Warren Township Volunteer Fire Department fundraiser. Proceeds from the car show go towards the purchase of equipment for the fire department.

The car show is one of the largest in the state with over 400 entrants from the tri-state and surrounding areas participating. Antique, classic, muscle, modern muscle, foreign, hot rods, street rods, race cars, fire trucks, motorcycles and other vintage vehicles will be in attendance. There will

be a periodic starting of race car engines, sending a thunderous roar throughout the venue. Show cars will be judged by professional judges with many years of car show experience. Trophies will be awarded in 34 classes. This year a special interest class has been added. Judging takes place from 10am-1pm and the awards ceremony will begin at approximately 2:45 pm.

The day will be a nostalgic and fun filled one for families, car enthusiasts and those who just want to travel back in time to the days when life was simpler. Renowned radio disc jockey "Golden Gup" Gus Gascogne will be spinning tunes from the 50's and 60's throughout the day. Food vendors will be set up to sell hamburgers, hot dogs and other food and beverages.

There will also be a 50/50 drawing and various door prize drawings to benefit the fire department.

WARREN ARTIST FEATURED IN NEW ART GROUP INVITATIONAL

Submitted by WAC

The Watchung Arts Center will be showing the “2015 New Art Group Invitational: Artists and Their Friends,” an exhibition of new work by 12 artists, organized and installed by the New Art Group, an organization of visual artists with a 22 year history in north central New Jersey.

Running from Tuesday after Labor Day weekend through late September, with the opening reception on Sunday, September 13 from noon to 2:30pm, the 2015 New Art Group Invitational highlights key works from a variety of New Jersey based artists. Varying greatly in medium, visual approach and subject matter, the

exhibit is an opportunity to see the works of some members of the New Art Group members alongside the works of other artist friends whose artist endeavors they admire and respect.

Artists rely heavily on other artists for influence, support and for how others are executing in a medium or style that is similar to theirs, or even radically different from theirs. New Jersey is increasingly the home to a large number of artists who are experimenting with visual media in new ways. There are many examples of how artists worked stylistically with or off on one another, artists such as Pablo

Picasso and George Braque. This exhibit gives the viewers a chance to see how those influences can be obvious or subtle or sometimes not even apparent.

“As our second invitational, we wanted to bring to our audience artists they may not be familiar with,” says New Art Group founding member, Paul XO Pinkman. “Artists who are friends throughout our development are incredibly important to how we stay dedicated to our work and how we experience and develop new ideas that keep it vital.”

The artists whose works are represented in this show are Aliza Augustine of Jersey City, Francesca Azzara of Westfield, Alaine Becker of South Orange, Jane Caminos of Watchung, NJ, Pauline Chernichaw of Englewood Cliffs, Dorothy Kuehn of Maplewood, Nancy Ori of Berkeley Heights, Paul XO Pinkman of Plainfield, Madeleine Shaw of Shrewsbury, Heidi Sussman of West Orange, Eric Valosin of Warren, Gail Winbury of Westfield

In addition, we are trying something new this time, an opening brunch. As a way of offering a different viewing time and experience, we are having our opening earlier in the day and offering coffee, tea and brunch snacks.

The Watchung Arts Center, located at 18 Stirling Road in Watchung on the Watchung Circle, is a multi-disciplinary arts facility serving Watchung, the surrounding communities and the Tri-State Area.

The Gallery is open Tues.-Fri. noon-5pm and Sat. 10:00am-3:00pm. For more information go to watchungarts.org or call 908 753 0190.

WARREN TOWNSHIP SCHOOL DISTRICT MOURNS LOSS OF VALUED SCHOOL AIDE

Submitted by Warren Township Schools

School officials and staff members of Warren Township Schools were shocked and saddened by the news of the tragic death of Heidi Errickson on Sunday.

Warren Township police officials confirmed Monday afternoon that Ms. Errickson was one of the fatalities in the shooting incident.

"This senseless killing has left us all shaken," said Dr. Elizabeth Nastus, Interim Superintendent. "Ms. Errickson was a valued member of our school community. Our hearts go out to her family at this extremely difficult time."

Ms. Errickson joined Warren Township Schools in November 2002 as a part-time, multi-duty paraprofessional at Central School where she supervised children from kindergarten to fifth grade during lunches and recesses. Ms. Errickson also served as a kindergarten classroom aide.

"Whether providing a helping hand with a first grader at lunch or watching over a group of fourth graders on the playground, Heidi could always be counted on to be attentive and professional," said Central School principal Janet Milita. "She will be greatly missed."

Dr. Nastus said that crisis counseling was made available to district staff, parents and students today and tomorrow (Tuesday, August 18). Information on the scheduled sessions, along with resources for helping children to deal with traumatic events, can be found on the district website at www.warrentboe.org.

A moment of silence to remember Heidi Errickson and her brother, Frederick, was held at last night's Board of Education meeting after Board President James Sena read the following

statement:

Statement of Mr. James Sena, President
Warren Township Board of Education
August 25, 2015

I would like to take a few minutes to talk about the tragedy that took place in Warren a week ago yesterday. In that incident, Heidi Errickson and her brother Fred died in what can only be described as an act of senseless violence. Heidi was an employee of the Warren Township School District for 13 years. She worked at Central School where she was a multi-duty paraprofessional. She was a dedicated educator who loved children, and who, in turn, was loved by the students at Central. Heidi was a highly valued employee and she will be greatly missed. Words are inadequate at this time to express our deep sorrow, our sadness and our sincere condolences to Heidi's family. I know everyone joins with me in remembering Heidi and her family in our thoughts and prayers. It is in times like these that you get to see the heart of a community. Having lived here for over 20 years, I can say with certainty that Warren has a very big heart.

Our community has already come together and, with time, the wounds from this tragedy will heal and our pain will subside. Immediately following the shooting, the school district made counseling available to staff, students, and parents who may have had difficulty dealing with the enormity of this incident. In addition, guidance counselors at each of the schools will be on standby for all those who may need counseling at the start of school.

CELEBRATING REAL LOCAL HEROES AT WARREN TWP LIBRARY

Somerset County Library System of New Jersey's Warren Township Library branch celebrated real local heroes during Hero Week, August 3-8. On Tuesday, August 4, K-9 Officer Bryan Horst and his partner K-9 Onyx (both pictured) paid a visit to SCLSNJ's Warren Township Library branch to talk about all of the work they do together, including apprehending people of interest in a variety of cases, as well as locating

drugs and weapons.

On August 5, the Warren Township Fire Department visited the library to talk to children and families about fire safety. Warren Township Firefighter Anthony Bawarshi, dressed in full gear, demonstrating how to "stay low and go" in the event of a fire. Hero Week continued on August 8 with a visit from the Rescue Squad.

RENNA MEDIA LAUNCHES SEVEN NEW NEWSPAPERS

Beginning in October 2015 Renna Media’s family of monthly newspapers will grow from 12 to 18 publications. The towns of Westfield, Scotch Plains, Fanwood, Summit, New Providence, Berkeley Heights, and Mountainside will join Renna Media’s existing newspapers and will deliver important information from the departments in town hall, along with news from the schools and libraries. Community service organizations are encouraged to promote their events and celebrate their accomplishments free of charge. The goal of all our community newspapers is to have a positive influence on the economic

ROTARY CLUB HOSTS SCHOLARSHIP AWARDEES

The Dunellen-Green Brook Rotary Club hosted a gathering of past scholarship awardees at a recent meeting of our club at the Dunellen Hotel. Club Treasurer and Youth Outreach Coordinator thought it would be a great idea to ask the students to come for a festive dinner, to learn a little more about Rotary International, and to bring the club up-to-date on what they have been doing since we last saw most of them. Seven students came, some recent college graduates, some still in the midst of their studies. Everyone had a great time as we learned that the Club’s scholarship donations were being put to productive use, mostly to pay for text books. In the past twenty years, the Dunellen-Green Brook Club has gifted more than \$200,000 to hundreds of worthy graduates of Dunellen High School and Watchung Regional High School (where the Green Brook students attend). For more information about Rotary International, the local club, or if you wish to see what it is all about by attending a meeting, call Jesse at 908-578-1167.

development and overall well-being of the towns they serve.

Renna Media is a Cranford based business owned and operated by husband and wife team Joe and Tina Renna. Renna Media’s family of 18 community newspapers are published in and around Union and Somerset counties with a total circulation of 100,000 newspapers mailed monthly. The publications are “hyper-local” in nature in that they contain information focused on each individual town and are direct mailed within those towns.

The concept of being hyper-local is to give local businesses a venue to promote events and services. Reaching local customers gives you the highest return for your advertising dollars. The newspapers are designed (black ink on newsprint) to keep the cost of an advertisement to as low as \$60. Inserts are also available.

Regional businesses can take advantage of one low rate for advertising in multi publications.

Joe and Tina Renna, owners of Renna Media, LLC, have been publishing community newspapers since 1998 with the launch of Around About Peterstown, a regional newspaper about the Italian-American neighborhood in Elizabeth, NJ.

Renna Media sought to fill what they saw as a void in other communities and created newspapers that would give a venue to town administrations and non-profit organizations to promote upcoming events as well as to showcase the accomplishments of local residents and businesses.

ARBORETUM GARDEN GLOWS IN THE MOONLIGHT

WARREN MONTHLY • Page 11 • September 2015

The moon is nearly full, the wind is blowing, and you hear a distant howl of a coyote on these crisp October evenings. Is that a ghostly face, a dancing skeleton, or a friendly smiley face carved into a pumpkin? Is that a real or recorded howl? It must be time for Wagner Farm Arboretum's Brite Nites 2015.

Returning for a fifth year, this Halloween-themed event brings a spectacular display of intricately and creatively hand-carved and lighted pumpkins. As you walk the path that winds around the Arboretum gardens you will come across large and impressive sculptures as well as fun and surprising images. The pumpkin carvings tell many stories, bring you back in time, or show a recognizable face – it's all amazing. Mt Rushmore is so realistic, it's like you're there. The Garden scene is a place of beauty with a life-sized peacock intricately carved from pumpkins. Sit on a bench with famous people – at least their carved images! There are lots of pumpkin carvings to see. Then at the end of the Path, go through the arbor to the Haunted Garden, if you dare. In the darkness, behind the shrubs and trees lurks a scary surprise or two. You've never seen the Arboretum garden this way before. If you don't like the scary, pop over to the Black Hat Café for seasonal refreshments like cider, hot cocoa, fabulous cupcakes or cookies. Wandering entertainers like a magician, musicians, or dancers will keep you entertained on this night the whole family will remember.

About Wagner Farm Arboretum: Established in 2004 as non-profit organization, the Arboretum seeks to enrich, educate and inspire the community by increasing environmental awareness and recreational opportunities. Brite Nites is our annual fundraiser event which was inspired by Trustees Carol Senff and Suzanne Smith who love Halloween. All the pumpkins are carved by Arboretum volunteers. Fundraising events like this provide essential support for the Arboretum's programs such as the Giving Gardens Project and educational programs like the Growing to Give program. With funds raised from Brite Nites 2015, the Arboretum Trustees envision an expansion of formal gardens and pathways, as well as installation of a native plants garden around the new building.

The Arboretum welcomes Sponsorship for this event, giving your company important visibility and community recognition while helping support the Arboretum's programs.

Brite Nites 2015 Dates: October 16, 17, 18 and October 23, 24, 25. Entry times are from 6:45 PM to 8:00 PM. At Wagner Farm Arboretum 197 Mountain Ave. Warrant Twp, NJ 07059.
