ARTHUR MURRAY DANCE STUDIO CELEBRATES GRAND OPENING

Arthur Murray Dance Studio celebrated its grand opening on September 24, 2015. The AMK team moved from Kenilworth to the new Cranford location in June. The mayor of Cranford, Andis Kalnins, cut the ceremonial ribbon.

Danila and Nuria Kartashov, the franchisees of this branch stated "We're looking forward to celebrating a great many future years in this wonderful new location in downtown Cranford."

Arthur Murray is a name with a lot of history attached to it. With roots tracing back to 1912, Arthur Murray International has since expanded across the globe with well over two hundred studios open in over twenty countries.

The famous motto of Arthur Murray, 'Walk In & Dance Out', boasts of their confidence in being able to teach any student any ballroom style they'd like. The tried and true curriculum is exactly why, even today, that the Arthur Murray name is a household one when it comes to dance. Arthur Murray Cranford also has a team with its own impressive legacy.

Danila and Nuria Kartashov have both been dancing all their lives. Born in Russia, Danila began dancing at the age of five, and has been dancing ever since. Nuria, originally from Spain and with a background in ballet, met Danila in 1999 and they began their partnership soon after. They have won competitions in several countries, including the Manhattan Dancesport Championship, San Diego Open, Arthur Murray World Championships, etc.

They've been finalists in many more. Danila and Nuria eventually married and joined the Arthur Murray team together in 2001, and became franchisees of the Kenilworth Arthur Murray location in January of 2010.

The rest of the team comes from varied backgrounds with equally diverse dance histories, including ballet, modern, jazz, and all styles of ballroom dancing.

Danila and Nuria stated "We've created a rich learning environment that's sure to find something to offer for everyone. Our curriculum has any and all ballroom dance styles, allowing plenty of room to explore and experiment while learning anything a student would want; all of our lessons are tailored to exactly what a student would want to gain from them."

THE COMEDY BORN YESTERDAY TO OPEN CDC THEATRE'S 97TH SEASON

Rehearsals are underway at CDC Theatre, 78 Winans Ave. in Cranford, for the opening show of the theatre's 97th season, *Born Yesterday* by Garson Kanin. A Broadway triumph turned Academy Award nominated film, *Born Yesterday* is a deliciously witty screwball comedy about a corrupt businessman, Harry Brock, trying to get ahead in Washington. He hires a newspaperman, Paul Verall (played by Cranford resident Joe Leo) to tutor his brassy girlfriend, Billie Dawn, but gets more than he bargained for when he discovers a little bit of learning can be a dangerous thing.

Directed by Eric Walby, the cast is led by Joe Leo as Paul Verall, Julie Ann Nolan as Billie Dawn and Matt Lafargue as Harry Brock. Joel Redmount, seen on stage at CDC in last seasons *Aladdin* is Ed Devrey. The cast also features Barry Leonard and Maureen Muldoon as Senator and Mrs. Hedges, Susan Roberts as Helen, James Beckman as the Bellhop and Brittany Patterson as the Assistant Manager.

The director recently asked "Can a classic still be considered timely? This piece is about ruthless business' purchasing politicians to further their own interests at the cost of the general public. It's about the abused and powerless finding their voice through information and bravery. It's about genius' selling their souls through weakness and fear; because the themes of government corruption and the marginalization of women are just as relevant to a story line today as they were 70 years ago."

***Born Yesterday* opens October 16
and runs through October 24.**

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Cranford NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To order a FREE Special Report, visit www.njhomeinspectiontraps.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 3002.

You can call any time, 24 hours a day, 7 days a week. Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

COLLEGE WOMEN'S CLUB OF CRANFORD MEETING

The College Women's Club of Cranford will hold its first meeting of the 2015-2016 year on Monday, October 12, 2015. The College Club is beginning its eighty third year assisting Cranford's college bound seniors in financing their college education.

The topic of the October meeting, "Female Spies", will take you back in time to meet celebrated heroines of the past. You will be intrigued by the escapades of some of history's most memorable female spies. These brave, dedicated, and unique women risked life and limb for the causes in which they deeply believed, by aiding their governments as experts in espionage.

"Female Spies" is written and performed by Sharon Moran and Mary Ryzuk. Their authentic performance is a living documentary that both entertains and educates the audience. From Anna Strong's espionage during the Revolutionary War to Emma Edmonds and Belle Boyd's Civil War experiences to Julia Child, Marlena Dietrich and more from World War II up to the present-day, the adventures of these "Undercover Angels" come to life in an unforgettable presentation through stories, anecdotes, power point art, and dialogue.

Sharon Moran has performed at the Papermill

Playhouse, Centenary Stage Company, Westbeth Theatre NYC, and dinner and community theaters throughout New Jersey and New York. She has directed and produced at many of these theaters as well. Her television credits include Sopranos, Rescue Me, and West Wing. Film credits include Two Weeks Notice, Safe Men, Private Parts, Lethal Justice, and Hearth and Home. Sharon is the author of DAUGHTERS OF DESTINY and is a proud member of the Dramatists Guild of America. She founded the Traveling Stage Company in 1989.

Mary Ryzuk is a best selling author of true-crime novels and recently published her first work of fiction. She is an accomplished playwright, director, and vocalist.

The College Club meeting will be held at the First Presbyterian Church on Springfield Avenue in Cranford on Monday, October 12, 2015. The meeting will begin at 7 PM with refreshments followed by the presentation by Sharon Moran and Mary Ryzuk. The meeting is open to the public.

All Cranford women who have a degree from a four year college or university are invited to join the club. To become a member contact Arline McCloskey at 908-276-9298.

CRANE'S FORD DAR LOOKING FOR PROSPECTIVE MEMBERS

The Crane's Ford Chapter of the Daughters of the American Revolution, in Cranford, is conducting a membership drive as part of a nationwide celebration to commemorate the 125th anniversary of the founding of the National Society of the Daughters of the American Revolution. All women who can document descent from a Revolutionary War Patriot are encouraged to consider the many benefits of joining a vibrant service organization which has promoted historic preservation, education and patriotism since its formation in 1890.

"Our chapter, which was organized in 1944 carries out the important mission of the National Society here on the local level", said Chapter Regent Mary Leonard. "We are eager to welcome new members to our chapter, and we have volunteers available to help them research and complete their genealogy in order to apply for membership."

Due to the ability to exchange and obtain genealogical information over the internet, interest in joining the DAR is at an all-time high, with six of the highest years of application submittals occurring in the last decade. The Genealogical Research System (GRS), which is a free online resource provided by the DAR to aid general genealogical research and to assist with the DAR membership process, has made joining the DAR even more accessible to any women. Explore these resources at www.dar.org/grs.

"Truly, there has never been a more exciting time to join the DAR. We offer today's busy woman an opportunity to celebrate the joys of American citizenship in meaningful ways, and we are enthusiastic about the future of our

Society", said National Society DAR President General Lynn Forney Young, who noted that there are currently nearly 180,000 members of the DAR, serving in nearly 3,000 chapters across the nation, 47 chapters in New Jersey and in several foreign countries. "I extend a warm invitation to all eligible women to join us in a rewarding future of service to America".

Since its founding 125 years ago, more than 940,000 women have been inducted into membership. During the current three-year administration coinciding with the 125th anniversary celebration, the organization has issued a challenge to complete 10 million hours of service to America. Local DAR chapters nationwide are coordination service projects in honor of DAR's 125th anniversary throughout the year and members from coast to coast will participate in the National DAR Day of Service on October 11, 2015.

"From caring for veteran patients to assisting active duty service personnel, from preserving locations of historic significance to welcoming new citizens, there are thousands of ways that Daughters are proudly answering the call to service in their local communities", said Regent Mary Leonard. "Here in Cranford, the Crane's Ford Chapter, for example, serves by visiting veterans at Lyons Hospital in Basking Ridge and collecting school supplies for disadvantaged children. We are proud to carry out DAR's mission to celebrate our American way of life".

We invite women who are interested in membership to visit www.DAR.org and to contact the local Crane's Ford chapter at patushkat@aol.com to obtain more information.

"Meet the Author: Richard J. King"

Sunday, November 8, 2015

On Sunday, November 8, 2015 at the Crane-Phillips House Museum, Union resident, Richard J. King will discuss his books, "Just A Short Line, The Story of the Rahway Valley Railroad, Volume I: History of the Line 1897-1950 and Volume II: History of the Line 1951-2009" at the Crane-Phillips House Museum from 2:00-4:00 pm. Program begins at 2:15pm. Admission is free. Richard J. King, a lifelong resident of Union, has been aggressively researching the history of the Rahway Valley Railroad. This railroad was a small, locally-owned, and family-operated line that only extended for 11.8 miles between Roselle Park and Summit, with a branch into Maplewood. Headquartered in Kenilworth, the railroad was a catalyst for industrial development in Union County between the years 1897 and 1992. The railroad connected with the Central Railroad of New Jersey in Cranford.

In partnership with the Garbely Publishing Company of Pompton Plains, NJ, King has written two books about the Rahway Valley Railroad, which cover the railroad's history from 1897 to 2009. King will give a presentation of the railroad's history, and its impact on the Township of Cranford. All are welcome to attend and King's two books will be available for purchase after the presentation.

The Crane-Phillips House Museum

located at 124 North Union Avenue in Cranford is open September thru May on Sundays from 2:00-4:00pm or by appointment. Admission is free. Founded in 1927, the Cranford Historical Society's mission is to preserve and perpetuate the history of Cranford.

To see the rest of our schedule, please visit our website at www.cranfordhistoricalsociety.com or call our office at 908-276-0082.

VOLUNTEERS SOUGHT FOR AUXILIARY POLICE

The Cranford Auxiliary Police Department is seeking qualified candidates interested in becoming auxiliary police officers. The Cranford Auxiliary Police Department is a strictly volunteer organization that supplements the regular police department in times of emergency.

Auxiliary officers play a vital role in Cranford's response to major storms, floods, traffic emergencies and large public functions. Membership represents an excellent and rewarding way to donate time back to the community of Cranford.

All applicants must be at least 18 years old and must either reside in Cranford or a municipality within 5 miles that does not have an auxiliary police unit. Applicants must be able to commit to training and attendance at the Academy, with mandatory attendance three times per week during the basic course.

Interested people can download an Auxiliary Police application from the Cranford Police Department website at cranford.com/police. The application can be found on the Forms page. All applications must be received prior to 4 pm on Nov 30th.

Questions may be directed to Detective Sgt. Richard Vitale at 908-272-8989.

RENNA MEDIA LAUNCHES SEVEN NEW NEWSPAPERS

Beginning in October 2015 Renna Media's family of monthly newspapers will grow from 12 to 18 publications. The towns of Westfield, Scotch Plains, Fanwood, Summit, New Providence, Berkeley Heights, and Mountainside will join Renna Media's existing newspapers and will deliver important information from the departments in town hall, along with news from the schools and libraries. Community service organizations are encouraged to promote their events and celebrate their accomplishments free of charge.

The goal of all our community newspapers is to have a positive influence on the economic development and overall well-being of the towns they serve.

Renna Media is a Cranford based business owned and operated by husband and wife team Joe and Tina Renna. Renna Media's family of 18 community newspapers are published in and around Union and Somerset counties with a total circulation of 100,000 newspapers mailed monthly. The publications are "hyper-local" in nature in that they contain information focused on each individual town and are direct mailed

within those towns.

The concept of being hyper-local is to give local businesses a venue to promote events and services. Reaching local customers gives you the highest return for your advertising dollars. The newspapers are designed (black ink on newsprint) to keep the cost of an advertisement to as low as \$60. Inserts are also available. Regional businesses can take advantage of one low rate for advertising in multi publications.

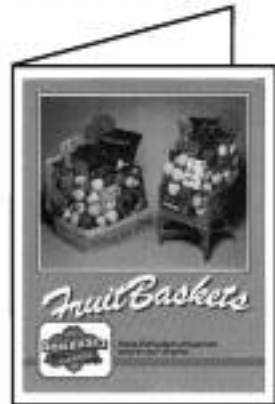

Joe and Tina Renna, owners of Renna Media, LLC, have been publishing community newspapers since 1998 with the launch of Around About Peterstown, a regional newspaper about the Italian-American neighborhood in Elizabeth, NJ.

Renna Media sought to fill what they saw as a void in other communities and created newspapers that would give a venue to town administrations and non-profit organizations to promote upcoming events as well as to showcase the accomplishments of local residents and businesses.

For more information about Renna Media publications, please call 908-418-5586 or email: info@rennamedia.com. Visit us on-line at RennaMedia.com.

CHIEF CZECH THANKS COMMUNITY FOR CONTINUED SUPPORT; PROMOTES FIRE PREVENTION WEEK

In April of this year, Captain Daniel Czech was promoted to Fire Chief to fill the vacancy created by the retirement of Chief Dolan. Since then, Chief Czech has undertaken some proactive projects within the agency through close cooperation with the Cranford Township Committee.

Some of these projects include the purchase of a new aerial ladder truck to replace the existing twenty-year-old truck. Grant funding has also been obtained to purchase personal emergency escape systems for fire personnel. In addition, several new IT-based systems were vetted and chosen to improve productivity and streamline processes. A proactive public relations and public education plan was developed to increase participation in community events. And several promotions and appointments were made by the Township Committee to fill vacancies within the Department. Chief Czech notes that none of these projects would be possible without the close support and cooperation of the Township Committee and Township Administration. "I

can't thank the Cranford Community enough for their support during my first three months as Fire Chief. The Cranford Township Committee continues to show strong support for public safety within the community." In addition, the Chief notes that support from residents and business owners have also been extensive. "We are committed to working closely with our community stakeholders so we can continue to deliver comprehensive, cost-effective emergency services in a manner which is tailored to Cranford's needs."

This week also marks Fire Prevention Week throughout the country. Fire Prevention Week was proclaimed in 1920 by President Woodrow Wilson to commemorate the Great Chicago Fire of 1871 which claimed hundreds of lives and destroyed over 17,000 structures. Chief Czech notes that this year's theme is "Hear the Beep Where you Sleep" and stresses the importance of having a working smoke detector in every bedroom. The Chief also stressed the importance of testing your home smoke alarms and replacing

those which are older than ten years. After that age, the sensitivity of the detector can be impaired, potentially delaying the alarm feature in the event of a fire. Residents should visit www.firepreventionweek.org for more information and fire safety tips.

In the coming days, the Fire Prevention Bureau will be visiting the Township Schools to conduct fire safety education programs for various age groups. Lieutenant Matthew Lubin, who directs fire prevention, risk reduction, and code enforcement, stresses the importance of proactive public education programs. "In Cranford, Fire Prevention is a year-round initiative across all age groups and risk populations." The Cranford Fire Prevention Bureau conducts programs from Kindergarten through High School and also has programs to help train employees and occupants of business, industrial, and special-hazard occupancies.

In addition to the school programs, the Fire Department will have a fire prevention display at the Downtown Street Fair on October 18th.
