## JOSEPH G. DOOLEY SWORN IN AS LINDEN'S 11TH FIRE CHIEF

On Friday, September 25th the Linden City Clerk, Joseph Bodek, administered the oath of office to Joseph G. Dooley as the Linden Fire Department's 11th Fire Chief. Chief Dooley started on the department in 1984, was promoted to Lieutenant in 1990, Captain in 1995, Deputy Chief in 2000 and Linden Fire Official in 2014. He has been instrumental in obtaining grants for the department totaling almost 5 million dollars.

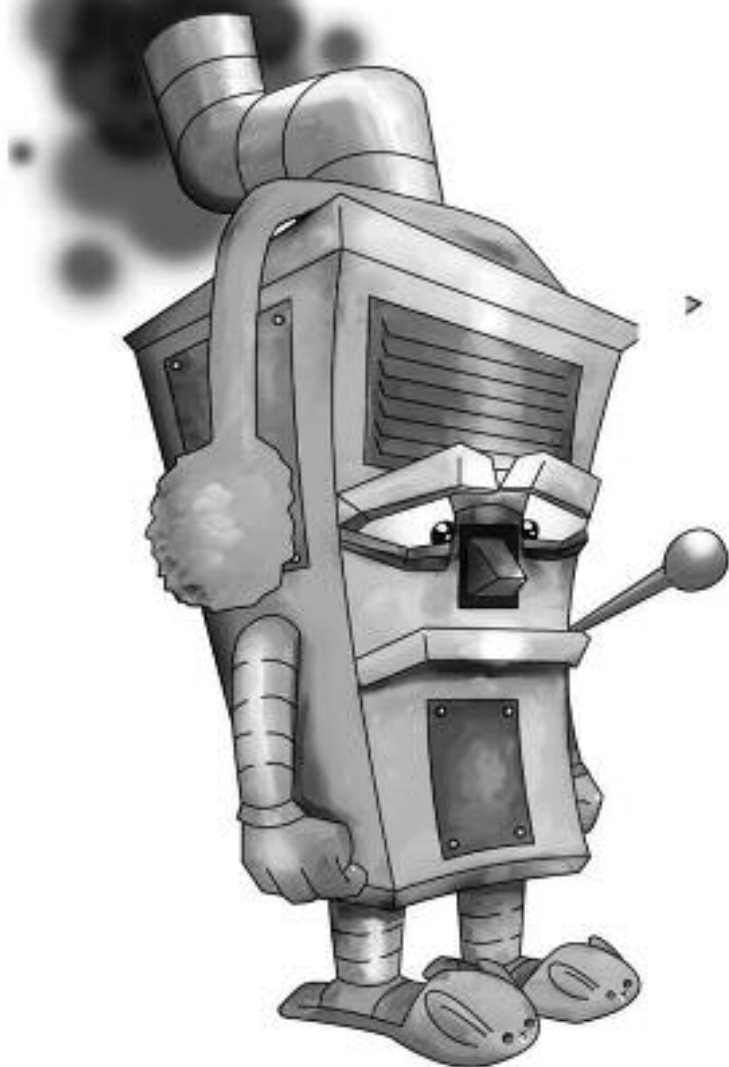

The Chief over his career has received numerous awards from The City of Linden, St. Barnabas Burn Center and NJ State F.M.B.A. Chief Dooley thanked his family and past and present department members in helping him obtain the rank of chief. Immediately following his swearing in Chief Dooley's first official duty was to promote firefighter Joseph Stanley to the rank of Lieutenant.

## LINDEN FIRE DEPARTMENT HOLDS FIRE PREVENTION NIGHT

On September 29th the Linden Fire Department held its annual Fire Prevention Night. Not even the inclement weather could dampen the fun had by all. The night is made possible by generous corporate donations by Nustar Energy and Phillips 66 Bayway Refinery. The night's activities consisted of smoke house trailer, an extrication demonstration, fire hose tryout, and a display of the department's apparatus. In addition to the fire departments free handouts and hot dogs, Linden 911 Dispatchers and Linden OEM were in attendance. At the end of the night 4 bicycles and gift cards, donated by Nustar Energy, Walmart, Applebee's and AMC Movie Theater were raffled off to the children that attended the fire prevention night. The bicycle winners were Armas Mikulenas, Juliet Marie Burnet and Hemi Petro.

## LINDEN HIGH SCHOOL NJROTC HOLDS VETERANS DAY EVENT

The Linden High School Navy Junior Officer Reserve Training Corps (NJROTC) is honoring veterans, active duty soldiers, reserves, national guard forces and their families with a celebration open to the community on Wednesday, November 11, 2015 in the Linden High School (121 W. St. Georges Ave, Linden NJ 07036) gymnasium from 9:00 – 9:45 AM. The Linden High School Veterans Day event will include patriotic music, speakers, and the ceremonial Navy cutting of the cake.

The U.S. Navy was founded on Oct. 13, 1775 by an act of the Continental Congress. As the Navy has grown, it's created its own traditions, including one around its birthday. The Linden High School NJROTC birthday cake is cut by the most senior Veteran in attendance and the most junior cadet at the same time. The tradition is said to represent passing knowledge and experience from one generation to the next.

All are welcome, and those with uniforms, including military, police, firefighters, Scouts or veterans organizations, are encouraged to wear them.

Linden Public Schools would be honored if you joined the Linden High School NJROTC on Wednesday, November 11, 2015 as we conduct a ceremony to celebrate Veterans Day and the the Navy's 240th Birthday.

The unit was established in 1986 and originally had approximately 90 cadets in the first years of its establishment. Currently the Linden High School NJROTC has an impressive number of about 400 cadets enrolled in the program. All of the Linden Public Schools celebrate American pride by honoring our Veterans every day.

## ODE TO RECYCLING

Oh Recycling,  
Without you, Earth would be a giant landfill full of trash  
and as dark as night.  
I love how you save energy, reduce waste  
and protect wildlife.  
Without you, animals would vanish from the Earth due  
to waste, deforestation, and loss of habitat.  
I love how you reduce water pollution so fish can  
swim happily.  
I love how you provide recycled products  
like 1 ton of 100% recycled paper saves 17 trees  
and 7000 gallons of water.

Recycling—  
You may seem pointless to others,  
but what's really in your name  
is hope.  
Hope to help Earth.

# FRIENDS OF LINDEN LIBRARY NAMED FRIENDS GROUP OF THE YEAR 2015

LIFE in LINDEN • Page 17 • November 2015

At their annual reception on Tuesday, October 13, the Libraries of Union County Consortium honored the Friends of Linden Library as Friends Group of the Year. The Friends organization was recognized for their exemplary dedication, the amount of volunteer time, and the effort they have put into both promoting the library and supporting it financially through their fundraising efforts.

"Having an active Friends group has made such a difference in these challenging times. We're offering services that we wouldn't be able to without their help and our patrons are noticing, and appreciating. I was very happy to be able to get them honored like this," says Library Director, Dennis Purves.

Dawn Beviano, president of the Friends of Linden Library commented, "It's an honor for our Friends group to be recognized. The volunteers have been working hard to promote the library, bring in a variety of programs, and supplement the budget. We all love the library and we want the community to love it as well."

Libraries of Union County Consortium (LUCC) is made up of all 20 public libraries in the county along with Union County Community College. The purpose of the consortium is to

promote cooperative library activities among its members so that a higher quality of library services for residents within Union County can be provided, and to provide informational, recreational and educational programs at the local and county levels.

The Friends of Linden Library, Inc, is a non-profit organization who supports and cooperates with the Library in developing, maintaining, and enhancing facilities, resources, and services for the community.

To learn more about the Friends of Linden Library or to become a member, email Friends@Lindenpl.org or stop by the circulation desk at Linden Library.

## ENVIRONMENTAL SCIENCE AT SCHOOL 5

(above) School No. 5 students Marie Jean Pierre and Breonna Becton in Miss Nicole Ferrentino's 5th grade class are investigating how moisture affects isopod and beetle behavior to determine preferred environmental conditions. Fifth grade students using the Environments Science Kit constructed aluminum foil runways in order to conduct investigations of organisms' environmental preferences. Using the constructed runways, students conduct an investigation of how isopods and beetles respond to the environmental factor of water.

## CHEMISTRY OF LIFE AT LINDEN HS

On October 16th Students in Mr. Mark Pekosz's ninth grade biology class were investigating the effects of acid or base on the pH of water vs plant tissue (which is naturally buffered to prevent pH changes in living things). This is part of the Chemistry of Life unit. Students discovered on their own that the plant tissue homogenate resisted change in pH compared to distilled water. Next they learn about buffers and how the internal environments of living things are buffered to protect against pH change.

(right) Thomas Blahuta, Justin Diana and Jaysa Martinez predicted the pH changes that would occur in distilled water and in plant tissue homogenate if hydrochloric acid or sodium hydroxide (a base) were added in repeated increments.

## LINDEN PUBLIC LIBRARY

31 East Henry Street, Linden, N.J. 07036

Phone: 908-298-3830

### THROUGH THE LENS WITH THE DUFFY FAMILY

The Linden Public Library will be hosting "Thru the Lens with the Duffy Family". This is a photography exhibition featuring nature and wildlife. Linden Library assistant Carol Duffy and her family, Jim, Mike, and Maureen will showcase some of their photos. The exhibit will be from November 9 to December 14, 2015. There will be a reception on November 9 from 6 – 8 pm and on November 14 from 3 – 4 pm on the 3rd floor of the Linden Library. Through these photos the Duffys hope to bring a small piece of nature into the library and show you a glimpse into another world. Refreshments and a digital display will be presented along with the photographs on display.

### KEEP WALKING!

On October 7th, Deerfield School No. 9 celebrated International Walk to School Day. This global event involves communities from more than 40 countries walking to school on the same day. Although it began as a one-day event back in 1997, it has evolved into a movement for year-round safe routes to school with record breaking participation. Parents, students, and staff met on the school's blacktop to hear a message about safety, the health benefits of exercising, and to celebrate with music and fun. All 243 "student walkers" received a certificate of participation for this year.

### ATTENTION LINDEN RESIDENTS: FRAUD ALERT!

#### IRS Imposter Scam Voicemail

It has been reported that residents have received automated phone messages claiming to be from the Internal Revenue Service. The message given states:

"Hello, we have been trying to reach you. This call is an official and final notice from IRS, Internal Revenue Service. The reason for this call is to inform you that IRS is filing a lawsuit against you. To get more information about this case file please call immediately on our department number (phone number given) I repeat, (phone number given again). Thank you."

If you receive this call DO NOT CALL the number back. It is not the IRS. This is a fraud. Simply hang up the phone or delete the message. More information can be found at [www.consumer.ftc.gov/blog/irs-calling](http://www.consumer.ftc.gov/blog/irs-calling).

## LINDEN LIBRARY RECEIVES 20 COMPUTERS

Through a lot of fundraising events and donations from Friends of Linden Library members, the non-profit organization was able to purchase 10 computers for the library. Another 10 computers were donated by the City of Linden through a technology grant. 14 of these computers are located on the second floor of the library, for use by the community. The remaining 6 are being utilized throughout the building.

Friends President, Dawn Beviano, states, "This was only possible, because the patrons and Friends members came out to support all of our fundraisers. We had planned on purchasing all of the computers over the course of three or four years. Having City Council offer to assist us through their technology grant and donate 10 computers was an immense help and allowed us to finalize everything within a year".

To learn more about the Friends of the Linden Library, fundraisers, and programs, you can stop by the circulation desk or email [Friends@lindenpl.org](mailto:Friends@lindenpl.org)

## NJROTC ORIENTEERING

The Linden High School NJROTC Orienteering Team competed in their first competition of the year, which took place at the Hudson Highland State Park in Cornwall NY on Saturday September 26th, 2015.

Orienteering is a navigation race—often held in unfamiliar terrain—using a map and compass. It's easy to learn and a fun way to exercise your

body and mind as everyone enjoys the outdoors. It's a sport for everyone. The LHS team is gearing up for the annual area 4 championship which encompasses 54 other high school teams. This year's team commander Cadet Ensign Tyler Slivinski has high expectations of his returning team and looks forward to teaching a new group of candidates.
