OUR HOUSE ANNUAL PICNIC AT STIRLING ELKS

Submitted by Stirling Elks

On October 18, 2015 the Stirling Elks Lodge 2392 hosted a picnic for the Our House Residents living in local group homes and apartments. It was a sunny day and everyone enjoyed lots of good food, beautiful weather, music and dancing. The residents enjoyed visits from the Stirling and Millington Fire Companies and the Long Hill Township First Aid Squad.

The Stirling Elks Lodge is made up of men and women from Long Hill Township, Berkeley Heights and other surrounding towns who are citizens of the United States, at least 21 years old and who believe in God. Through Elks programs they benefit special needs children, scholarships, scouting, athletic teams, Veterans, youth activities and patriotic programs.

The Special Children's Committee sponsors several functions a year for special children and adults. The Stirling Elks hosts an annual picnic for Our House Residents and staff in Oct. They sponsor various events for the residents of Our House. Our House has group homes throughout Union, Essex, Somerset and Morris counties.

In October the lodge hosts a Children's Halloween party for special needs children and children of lodge members and friends. In December the Elks hosts an annual Holiday party for special needs children and children of lodge members and

friends. During the summer the Stirling Elks sends special needs campers to Camp Moore (New Jersey Elks State Project) at no cost to their families.

For further information on the Stirling Elks, the Special Children's Committee or other Elks committees and functions, please call Pat Mocarski at (908) 647-1537.

SENIOR HOUSING AVAILABLE IN BRIDGEWATER AND WARREN TOWNSHIP

Cooperative Housing Corporation Units Available Now for Low/Moderate Income Seniors

Cooperative Housing Corporation (CHC) has housing units available immediately for low-to-moderate income senior citizens in Somerset County. CHC housing includes private spacious rooms in single-level ranch homes for singles and couples, with fees for rent and services based on each individual's income and assets.

"The rapidly rising cost of supportive housing and long-term care for seniors puts a tremendous burden on both senior citizens and their families," said Angelo DiOrio, Executive Director, Cooperative Housing Corporation. "CHC is pleased to offer a services-based solution with available units that provide beautiful and affordable places to live, based on an individual's ability to pay."

While the term "long term care" (LTC) is most often associated with medical or health based care, such as Assisted Living or Nursing Homes, the reality is that for many seniors the "long" part begins well before the need for that kind of "care". Frequently, what is required is simply a housing arrangement that includes some supportive services, and not daily medical assistance. As the cost of nursing and assisted living settings continues to skyrocket, alternatives to defer their need for such care are critical to the average senior. CHC offers a senior housing option that extends a senior's ability to afford a longer period of self-budgeted LTC.

CHC offers two different types of housing for seniors age 62 and older, with income less than \$58,600: Independent living for seniors who are capable of managing their own needs, and Supportive housing for seniors who need some assistance with the activities of daily living. Fees for rent never exceed 40% of one's income while services are paid for on a sliding scale based on each individual's income and assets. One monthly combined fee includes all CHC expenses!

In CHC homes, residents have their own private suite with bedroom and full bathroom, and share the spacious common areas including living room, dining room, porch, den, spa and hobby room. This shared living model offers the best of both worlds: privacy in one's own space, yet companionship when desired.

"I enjoy living here because I have my own room and the company of my housemates at the same time," said Don Sayre, 83, Bridgewater. "I love having my own bathroom!"

Food preparation, housekeeping, even nursing oversight, are provided at a fraction of the cost of other housing alternatives, while Cooperative Housing actively promotes independent living, in a mutually supportive environment. Residents enjoy the comforts of sharing a ranch-style house rather than a large facility. To learn more, visit www.CHChousing.org or call 908-526-8130.
