AMERICAN REPERTORY BALLET TO PERFORM NUTCRACKER AT UNION COUNTY ARTS CENTER

American Repertory Ballet, New Jersey's top professional ballet company, will return to Rahway, NJ this year with two performances of Nutcracker at Union County Performing Arts Center. To further connect with the Rahway community, American Repertory Ballet recently held auditions for local Rahway children in grades K-2 to perform alongside its professional dancers in Nutcracker on Saturday, November 21 and Sunday, November 22 at 2:00pm.

On Saturday, October 3, 2015, twelve children auditioned for the role of the mice in ARB's Nutcracker. The mice take part in the famous battle scene in the ballet, where the main character Clara dreams that tiny mice in her living room grow giant and take on the army of toy soldiers and the Nutcracker prince.

The six children that were selected to perform as this year's Nutcracker Community Mice are: Madison Ferreira (1st Grade) and Elisha Mena (2nd Grade) from Franklin School, Raquelle Reinoso (K) from Madison School, Kyra Jones (K) and Evan Martin (2nd Grade) from Roosevelt School, and Anastasia Rachinsky (1st Grade) from St. John Vianney.

The mission of American Repertory Ballet (ARB) is "to bring the joy, beauty, artistry and discipline of classical and contemporary dance to New Jersey and nationwide audiences through

public performances and to dance students through artistic and educational programs." This year's "Community Mice Initiative" aims at fulfilling this mission in an immersive way that will expose children to a professional environment and challenge them to achieve performance goals.

"We are thrilled to bring this opportunity to the children of Rahway," says Lisa Beth Vettoso, Director of Educational and Community Programming. "Rahway is an incredibly supportive and artistic community, and the 'Community Mice Initiative' offers local children not only an exciting performance opportunity, but also a wonderful, immersive learning experience with role models in the arts."

Rahway Community Mice rehearsals begin Saturday, October 10, 2015.

In a continuing effort to reach all types of audiences, ARB will also offer its first Sensory Friendly performance of Nutcracker on Sunday, November 22 at 1:00pm at UCPAC.

Eden Autism Services is pleased to partner with the American Repertory Ballet in its efforts to make the thrill of professional ballet and live dance accessible for individuals with autism.

For more information about Eden Autism Services visit www.edenautism.org or call 609.987.0099.

HOW TO AVOID COSTLY HOUSING MISTAKES BEFORE AND AFTER A DIVORCE

Westfield NJ - Divorce is rarely easy and often means a lot of difficult decisions. One of the most important decisions is what to do about the house.

In the midst of the heavy emotional and financial turmoil, what you need most is some nonemotional, straightforward, specific information and answers.

Once you know how a divorce affects your home, your mortgage and taxes, critical decisions are easier. Neutral, third party information can help you make logical, rather than emotional, decisions.

Probably the first decision is whether you want to continue living in the house. Will the familiar surroundings bring you comfort and emotional security, or unpleasant memories? Do you want to minimize change by staying where you are, or sell your home and move to a new place that offers a new start? Only you can answer those questions, but there will almost certainly be some financial repercussions to your decision process. What can you afford? Can you manage the old house on your new budget? Is refinancing possible? Or is it better to sell and buy? How much house can buy on your new budget? To help you know what questions you should ask and how to arrive at the right answer for your specific situation, a FREE special report has been prepared by industry experts entitled "Divorce: What You Need to Know About Your House, Your Mortgage and Taxes".

To order a FREE Special Report, visit www.divorcerealestatenj.info or to hear a brief recorded message about how to order your FREE copy of this report call tollfree 1-888-243-5861 and enter 1009.

You can call any time, 24 hours a day, 7 days a week. Get your free special report NOW to find out how to make this part of your current situation less stressful.

The Musical Club of Westfield, a non-for-profit organization which encourages the musical arts through performance and scholarship support, will present a Centennial Scholarship Concert on Sunday, November 22 3:00 PM at The First Baptist Church of Westfield, 170 Elm Street, Westfield NJ.

The program will feature past and recent scholarship recipients including Kathleen Bride, Jordan Hendy and Matt Sklar.

Matthew Sklar was encouraged by his music teacher at Edison Intermediate School, Kristine Smith-Morasso, to compose a song for eighth-grade graduation. He sent the song to the Mickey Mouse Club, which recorded it. He was active in Westfield High School music and drama, and the Westfield Summer Workshop. Matt graduated with honors from Juilliard's Pre-College Division in composition. His piece, Symphonics was premiered at Lincoln Center by the Juilliard Pre-College Orchestra under his baton. He graduated from New York University in 1995. Matt began work on Broadway at age eighteen. He has been a pianist, conductor, and dance music arranger for many productions including Shrek, 42nd Street, Miss Saigon, Les Misérables, Nine and Caroline, or Change. He was nominated for the 2006 Tony Award for Best Original Score for The Wedding Singer. He also composed the music for the hit musical Elf and for his own musicals. The Rhythm Club, Judas and Me and the Wicked City.

Kathleen Bride, a graduate of The Juilliard School, is a professor of harp at the Eastman School of Music in Rochester, New York, and visiting professor at the Royal Northern College of Music in Manchester, England. Prior to Eastman, she was chairman of the harp

department at Manhattan School of Music. She has been artist in residence at both the Universities of Puerto Rico and Hawaii. Kathy has been guest recitalist at the Cheltenham International Festival of Music, the Maria Korchinska International Harp Competition, Holland Harp Week, American Harp Society National Conference, and Lincoln Center Project. She has been soloist with Colonial Symphony, New Jersey Symphony, Ridgewood Chamber Orchestra, Wayne Chamber Orchestra, Scranton Philharmonic, and Korean Chamber Ensemble. As solo harpist on a European tour with the Juilliard Ensemble of Contemporary Music and composer Luciano Berio, Kathy recorded contemporary chamber music on the Philips and RCA Victor La.

Jordan Hendy is a sophomore at The Juilliard School, studying violin performance with Professor Li Lin. Previously, he attended Juilliard's Pre-College Division as a student of Stephen Clapp and I Hao Lee. His piano trio was the only pre-college group picked to perform at the Juilliard ChamberFest 2014. In spring 2015, he was selected to perform Le Nozze de Figaro with the Juilliard Orchestra and Opera; also he auditioned for, and won, a three year teacher's assistant job in Ear Training under Dr. Wayne Oquin. He maintains a home studio in violin and piano every Saturday. Jordan performs extensively to fund-raise for charities such as the World Youth Alliance, Wafaa Younis Violin Project for Israel, Autism Speaks, Mosquito Net Project for Ministry of Hope, and Hearts for Honduras. In his free time, he serves on the worship team in Meyersville Presbyterian Church in Gillette, and Evangel Church in Scotch Plains.

RESPECT OF THE LENAPE

Sherry Lange and Janet Murphy, 20-year veteran volunteers at the Miller-Cory House, Westfield, will discuss "The Lenape of New Jersey." The presentation will begin at 2:30 pm on Sunday, November 15, at the Caldwell Parsonage, 909 Caldwell Avenue, Union.

Ms. Lange and Ms. Murphy's program will highlight the lifestyle of the Lenape prior to the arrival of the European colonists in New Jersey. The women gained expertise in their topic by attending Pow Wows, meeting with Lenapes, and conducting research at the Great Swamp National Wildlife Refuge in Morris County and at the Trailside Nature Science Center in the Watchung Reservation in Mountainside.

Their program will be part of the meeting of the Union Township Historical Society, which will begin at 2 pm. Non-members are cordially invited to attend. Refreshments will be served. Admission is free; donations are greatly appreciated.

For more information, please visit the Society's website www.uniontwphistoricalsociety.webs.com or call Barbara La Mort at 908-687-0048.

2015 VETERANS DAY CELEBRATION NOV. 11TH AT 11AM

On Wednesday, November 11th, at 11 am we will be hosting a celebration of Veteran's Day. The celebration will begin with the gathering of participants in the parking lot of Lord and Taylor at 10:45. Any veteran who wishes to participate in the march from the parking lot to the monuments in the center of town, are welcome to join us. At approximately 10:55 we will depart the parking lot under police escort. The program at the monument will begin precisely at 11 o'clock and last about 20 minutes. There will be a few speakers and a presentation of wreaths.

Immediately following this service of acknowledgement to all of our veterans, our Post will be hosting a light luncheon that is open to all. The Martin Wallberg American Legion Post

#3 is located at 1003 North Ave West in Westfield. Please plan on attending both of these events, as it is, after all, a day to celebrate our efforts in defending the rights and freedoms that we cherish and live with on a daily basis. We should all be proud of those who have served and are presently serving our country.

Besides sharing in this celebration, it will give you an opportunity to see some of the improvements that we have completed and are in the process of actually doing at the American Legion. Due to the efforts of many of our active Legion, SAL, and Ladies Auxiliary members, these necessary improvements have taken place. It will also give you the opportunity to see and talk with some new and old friends and acquaintances.

WESTFIELD HS TEACHER PRESENTED VOYA UNSUNG HEROES AWARD

Susan Marie Terra, a science teacher at Westfield High School (WHS), was presented Voya's Unsung Heroes Award by Douglas Peters (at left), the company's K-12 Regional Vice President. The presentation of the \$2000 grant took place on October 21 during the WHS Science Faculty meeting presided by Supervisor David Stoneback (at right). Terra will use the grant to purchase equipment for laboratory investigations in her Forensics Science classes. Her innovative teaching idea, "Sowing Forensic STEM* Seeds," is focused on teaching students how to separate, visualize and analyze DNA and how to collect real-time data. "These experiences will increase my students' achievements in science knowledge and skills in the use of technology," stated Terra. "They will sharpen their ability to work in teams, and above all, this project will encourage both STEM learning and career outcomes," she added. Selected from a group of nearly 1,000 applicants, Terra is one of only 100 winners across the country who will receive this award to help fund and bring her program to life. In addition she will now compete with other finalists for one of the top three prizes — an additional \$5,000, \$10,000 or \$25,000 from

Voya Financial. Voya awards grants to K-12 educators nationwide to honor their innovative teaching methods, creative educational projects, and their ability to positively influence the children they teach. (* STEM = Science, Technology, Engineering and Math)

4 WESTFIELD HIGH SCHOOL STUDENTS NAMED NATIONAL MERIT SEMI-FINALISTS

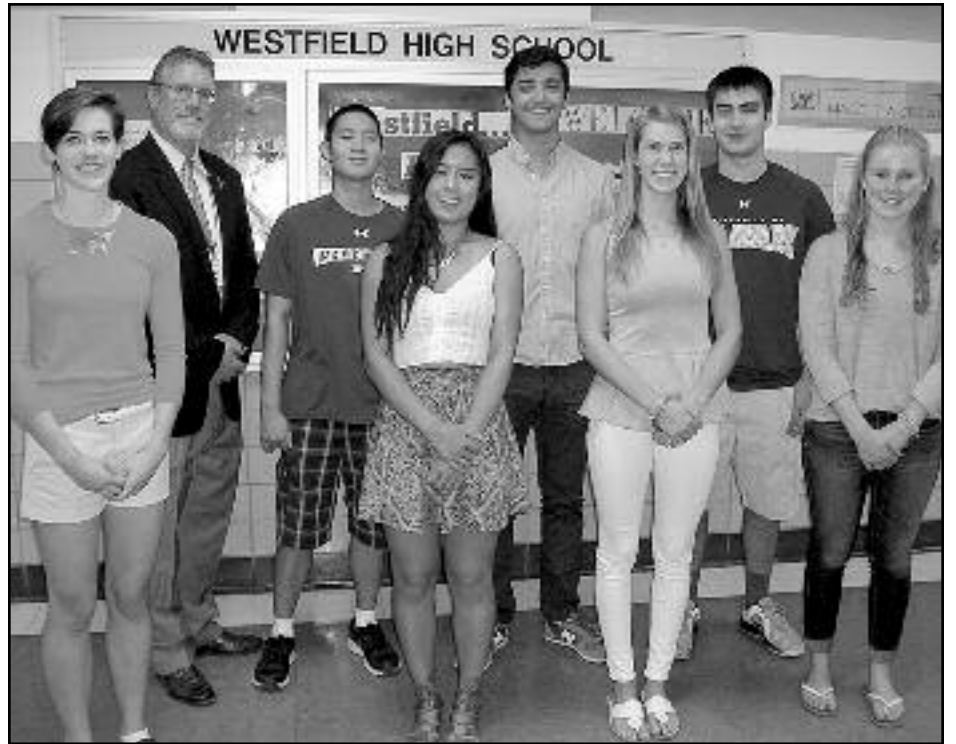

Four Westfield High School seniors were named 2016 National Merit Semi-Finalists. Westfield Board of Education President, Richard Mattessich, congratulated the students and presented certificates to (l-r) Albert Chen, Ryan Dang, Nova Qi, and Sarah Steiner on September 29, and cited their many academic and co-curricular accomplishments. Approximately 1.1 percent of students who take the Preliminary SAT test qualify as National Merit semi-finalists. They are the highest scoring entrants and are eligible to apply for National Merit scholarships. The program honors students who show exceptional academic ability and potential for success in rigorous college studies.

Westfield Board of Education President, Richard Mattessich, congratulated the students and presented certificates to (l-r) Albert Chen, Ryan Dang, Nova Qi, and Sarah Steiner

The Westfield High School marching band scored its biggest victory so far this year with a win over 16 other East Coast bands in Maryland this past weekend.

Marching bands had travelled from towns ranging from Connecticut to Virginia to compete in the US Bands' Marching Music Series at Towson University.

But it was the Westfield Marching Blue Devils who were named 2015 Music in Motion Northeast A-Class Champions.

The band's 2015 show, The Caged Bird Sings, features WHS Principal Peter Renwick reading excerpts from Caged Bird by Maya Angelou against a background of music from The Beatles and Edvard Grieg as well as the iconic Freebird by Lynyrd Skynyrd.

In addition to winning the overall championship, the band also won the awards for Best Color Guard and Best Visual Effect.

Band Directors Christopher Vitale and Trevor Sindorf said they were "extremely proud" of the band's performance.

"The students have been working very hard in rehearsals and gave two very strong performances in Towson on Saturday. They represented their town, school and our band in a very positive way," said Mr Vitale.

"Our student leaders and drum majors have demonstrated the type of leadership that breeds success and which is now starting to come to fruition in an important stretch of our competitive season as we prepare for the upcoming New

Jersey State and National competitions."

The band will next be performing their show at the WHS home football game on Saturday at Kehler Stadium before they travel to East Brunswick to compete against other local bands.

WESTFIELD AREA Y KINDERGARTENERS LEARN ABOUT FIRE SAFETY

October was Fire Prevention Month and as a part of their lesson on fire safety, the Westfield Area Y's students from Mrs. Hahn's and Mrs. Sanchez's full day Kindergarten classes visited the Westfield Fire House.

The children were so excited to see the firemen and the big fire trucks! They put on their red fire hats, listened and learned all about Fire Safety and what to do in the event of a fire.

Thanks to the Annual Support Campaign for

strong kids, families and seniors, at the Westfield Area Y no one who is experiencing a bona fide financial hardship is denied the opportunity to participate.

In 2014, we provided \$423,604 in direct financial assistance to 271 individuals, primarily for child care and summer camp services.

When you give to the Y, your gift has a meaningful, enduring impact right here in our community.

SENIOR HOUSING AVAILABLE IN BRIDGEWATER AND WARREN TOWNSHIP

Cooperative Housing Corporation Units Available Now for Low/Moderate Income Seniors

Cooperative Housing Corporation (CHC) has housing units available immediately for low-to-moderate income senior citizens in Somerset County. CHC housing includes private spacious rooms in single-level ranch homes for singles and couples, with fees for rent and services based on each individual's income and assets.

"The rapidly rising cost of supportive housing and long-term care for seniors puts a tremendous burden on both senior citizens and their families," said Angelo DiOrio, Executive Director, Cooperative Housing Corporation. "CHC is pleased to offer a services-based solution with available units that provide beautiful and affordable places to live, based on an individual's ability to pay."

While the term "long term care" (LTC) is most often associated with medical or health based care, such as Assisted Living or Nursing Homes, the reality is that for many seniors the "long" part begins well before the need for that kind of "care". Frequently, what is required is simply a housing arrangement that includes some supportive services, and not daily medical assistance. As the cost of nursing and assisted living settings continues to skyrocket, alternatives to defer their need for such care are critical to the average senior. CHC offers a senior housing option that extends a senior's ability to afford a longer period of self-budgeted LTC.

CHC offers two different types of housing for seniors age 62 and older, with income less than \$58,600: Independent living for seniors who are capable of managing their own needs, and

Supportive housing for seniors who need some assistance with the activities of daily living. Fees for rent never exceed 40% of one's income while services are paid for on a sliding scale based on each individual's income and assets. One monthly combined fee includes all CHC expenses!

In CHC homes, residents have their own private suite with bedroom and full bathroom, and share the spacious common areas including living room, dining room, porch, den, spa and hobby room. This shared living model offers the best of both worlds: privacy in one's own space, yet companionship when desired.

"I enjoy living here because I have my own room and the company of my housemates at the same time," said Don Sayre, 83, Bridgewater. "I love having my own bathroom!"

Food preparation, housekeeping, even nursing oversight, are provided at a fraction of the cost of other housing alternatives, while Cooperative Housing actively promotes independent living, in a mutually supportive environment. Residents enjoy the comforts of sharing a ranch-style house rather than a large facility. To learn more, visit www.CHChousing.org or call 908-526-8130.

ABOUT COOPERATIVE HOUSING CORPORATION

Cooperative Housing Corporation (CHC) provides affordable, quality housing and services to low/moderate income senior citizens. Through a unique model of shared living, Cooperative Housing offers a cost-effective housing alternative with single-level ranch homes that are handicap accessible and senior-friendly.
