### WHITE CASTLE HOSTS BOY SCOUT CHESS TOURNAMENTS

The Scotch Plains Baptist Church was the site for the latest Boy Scouts Chess Tournament sponsored by White Castle. The tournament was open to all registered Boy Scouts, Venturers and Explorers. This was the second annual tournament for the Watchung Mountain District.

Robert Mehorter of Scotch Plains won third place honors. Second place was won by Harrison Hahne-Lum of Springfield and first place went to Kevin Cavicchia of Summit, who won all four of his games.

White Castle purchased 20 sets, boards and clocks for the Boy Scouts and will continue to sponsor tournaments in all seven Boy Scout Districts in New Jersey.

The company covered expenses for running the tournament including trophies for the top three winners and ribbons for participants. They also supplied lunch for all players and spectators. White Castle will continue to support the Boy Scouts and the Chess program coordinated by Joe Renna of Renna Media.

Boys and girls who are Boy Scouts, Venturers and Explorers are invited to play in all districts. The next scheduled tournament will be in Cranford on Saturday, February 27, 2016.

## MERIT SCHOLARSHIP SEMIFINALISTS

Daniel Zheng (left) and Shona Jain (right) have been named Semifinalists in the 2016 National Merit Scholarship Competition. Officials of the National Merit Scholarship Corporation announced the names of approximately 16,000 Semifinalists in the 61st annual National Merit Scholarship Program. These academically talented high school seniors have an opportunity to continue in the competition for some 7,400 National Merit Scholarships worth more than \$32 million that will be offered next spring.

To be considered for a Merit Scholarship award, Semifinalist must fulfill several requirements to advance to the Finalists level of the competition. About 90 percent of the Semifinalists are expected to attain Finalist standing, and about half of the Finalists will win a National Merit Scholarship, earning the Merit Scholar title.

## SPF HIGH SCHOOL COMMENDED STUDENTS IN 2016 NAT'L MERIT SCHOLARSHIP PROGRAM

Scotch Plains-Fanwood High School Principal, Dr. David Heisey, announced today that thirteen Scotch Plains-Fanwood High School students have been named Commended Students in the 2016 National Merit Scholarship Corporation (NMSC) Program.

Approximately 34,000 commended students throughout the nation are being recognized for their exceptional academic promise. Commended students placed among the top five percent of more than 1.5 million students who entered the 2016 competition by taking the 2014 Preliminary SAT/National Merit Scholarship Qualifying Test

(PSAT/NMSQT).

“The young men and women being named Commended Students have demonstrated outstanding potential for academic success,” commented a spokesperson for NMSC. “These students represent a valuable national resource; recognizing their accomplishments, as well as the key role their schools play in their academic development, is vital to the advancement of educational excellence in our nation. We hope that this recognition will help broaden their educational opportunities and encourage them as they continue their pursuit of academic success.”

## SPFHS MARCHING BAND FINISHES SUCCESSFUL 2015 SEASON

The Scotch Plains-Fanwood High School Marching Band wrapped up the 2015 season with a November 7 performance at the USBands Open Class National Championships, held at MetLife Stadium in East Rutherford, NJ. The band achieved its highest score of the season, 93.900. SPF faced stiff competition in its category against six bands from New Jersey, Pennsylvania, Connecticut and Virginia, five of which received higher scores. The top score in the group was 97.200 received by Norwin Senior High School from North Huntingdon, PA.

For the 2015 season the 180-member SPF band was reassigned from USBands Group 6A to the more competitive Group 6-Open. In its first

season at this level, the band's scores increased steadily over six competitions. In the New Jersey State Championship on Oct. 31 the SPF band placed second in its group, received the award for Best Percussion, and won the Cadets Award of Excellence, presented to the band that best reflects overall effect, creativity and pursuit of excellence.

"This has been a phenomenal journey," said SPF band director Durand Thomas. "It's especially fulfilling to have the senior class lead as they have – they create the magic." Student drum majors for 2015 were Kaavya Krishna-Kumar, Mary Catherine Stovall and Melody Weigel. Band staff also includes assistant director

John Gillick and color guard director Jackie Tumolo.

The 2015 show was titled "Chance Love - Tales Beneath a Persian Moon" and featured music from Scheherazade by Nikolai Andreyevich Rimsky-Korsakov, Samson and Delilah by Camille Saint-Saëns, and Cleopatra by Alex North. Soloists were Shay Blechinger-Slocum on flute and Kevin Sonpar on baritone horn. In addition to USBands competitions the band performed at many Raiders football games.

USBands, a program of Youth Education in the Arts, is a competitive circuit for scholastic band programs nationwide and has a membership of more than 700 high school marching bands.

The Scotch Plains-Fanwood chapter of UNICO National together with the Italian American Club of Scotch Plains and the Knights of Columbus Council #5730 held a Columbus Day ceremony on 10/10/15 at the town hall plaza in Scotch Plains. After a great welcome by emcee Sal Perillo, the invocation was given by Deacon John Lynch of Immaculate Heart of Mary RCC. Local Columbus monument historian Tom Donatelli gave the pledge to the flag. The American National Anthem was played and the Italian National Anthem was also played once again sang by Romano Del Roio, a past President of the Italian American Club of Scotch Plains. Knights of Columbus Grand Knight Seth McQuillan spoke on the knights and Father Michael McGivney, and Chapter President Paul Raphael spoke on the importance of Columbus Day traditions. The chapter had two essay winners, both 7th grade students at St. Bartholomew Academy. They were Meghan Mahaffey and Giovanni-Young Annunizato. They each were given an award for their efforts. Kevin Glover, Mayor of Scotch Plains spoke on

the many accomplishments of the Italian-Americans that settled in Scotch Plains after coming from the town of Montazzoli in the Abruzzi region of Italy. He also read a proclamation adding the name of Montazzoli Plaza to the street where the Italian American club hall is located. The Scotch Plains-Fanwood chapter was very much honored to have as our main speaker the President of UNICO National, Dr. Ann Walko. Her very timely and inspiring words were well received by all in the audience. A floral wreath was presented at the monument and the benediction was given by Deacon Lynch. Member Sal Perillo introduced the Westfield Community Band Brass Ensemble who entertained everyone with Italian music selection under the direction of Ed Rommel. The Italian American Club provided sandwiches and water and UNICO provided coffee and donuts for all to enjoy. Emcee Sal thanked everyone in attendance and those that helped make the event a success. The program was organized by chapter members Carmen Ponzio (Chairman of the event) and Jeff Blanck.

## BOOK CLUB APPROACHING 100TH BOOK READ

Our Book Club, Books Unite Friends, was founded in October 2006 at the Roselle Golf Club. It consists of nine golfers, mainly teachers, nurses, and businesswomen! Each member recommends one book for the calendar year. It is highly suggested that this person first read the book to eliminate "word of mouth" or rely on the opinions of Best Sellers Lists! After a lively respectable group discussion each person then rates the book from 1 to 5 as well as share their final comments and insights! It should be also noted that monthly meetings are conducted in a restaurant which eliminates all household and dining pressures for a hostess!

After reading 86 books, East of Eden by John Steinbeck received our highest rating of a perfect 5.0! Our holiday meeting in December encourages each member to bring a mystery gift that related to the previous year's literature!!! Over the past nine years this fun challenge has truly reflected the intellectual creativity of the group. We are anxiously approaching our 100th book and are considering several ways to celebrate our extremely accomplished endeavor. Our bonded group is always on the search for that one special "WOW" book!!!! Therefore, we always look forward to other Book Club inputs and suggestions!!!

## MODEH ANI

Third-grade students at Congregation Beth Israel's Religious School in Scotch Plains participated in a family education program about Thanksgiving on Sunday, November 15. Along with their parents, the children decorated blackboards on which they wrote what they were

thankful for daily. Students also pasted the Hebrew words Modeh Ani (translated as "I am thankful") onto their blackboards so that they could draw connections between the Thanksgiving holiday and the Modeh Ani prayer that Jews recite each morning.

Congregation Beth Israel third-graders show off their blackboards.

## STUDENTS ATTEND CONGRESS OF FUTURE SCIENCE AND TECHNOLOGY LEADERS

Sean Meisch and Matthew Garber, both senior students at Scotch Plains-Fanwood High School, were selected as Delegates to the Congress of Future Science and Technology Leaders in Lowell, MA from June 28th to June 30th, 2015.

The Congress is an honors only program for high school students who are passionate about science, technology, engineering or mathematics (STEM). The purpose of this event is to honor, inspire, motivate and direct the top students in the country who aspire to be scientists and technologists, to stay true to their dream and, after the event, to provide a path, plan and resources to help them reach their goal.

American hero and astronaut Buzz Aldrin, Science Director of the National Academy of Future Scientists, nominated both Sean Meisch and Matthew Garber to represent Scotch Plains-Fanwood High school based on their academic achievement, leadership potential and passion for science and technology.

During the three-day congress, Sean and Matthew joined students from across the country

and heard Nobel Laureates and National Medal of Science winners talk about leading scientific research. They were given advice from deans of the world's top tech universities and they were inspired by fellow teen science prodigies. They also learned about cutting-edge advances and the future of science and technology.

Richard Rossi, Executive Director, National Academy of Future Scientists and Technologists said, "Focused, bright and determined students like Sean Meisch and Matthew Garber, are our future and they deserve all the mentoring and guidance we can give them."
