WHITE CASTLE HOSTS BOY SCOUT CHESS TOURNAMENTS

The Scotch Plains Baptist Church was the site for the latest Boy Scouts Chess Tournament sponsored by White Castle. The tournament was open to all registered Boy Scouts, Venturers and Explorers. This was the second annual tournament for the Watchung Mountain District.

Robert Mehorter of Scotch Plains won third place honors. Second place was won by Harrison Hahne-Lum of Springfield and first place went to Kevin Cavicchia of Summit, who won all four of his games.

White Castle purchased 20 sets, boards and clocks for the Boy Scouts and will continue to sponsor tournaments in all seven Boy Scout Districts in New Jersey.

The company covered expenses for running the tournament including trophies for the top three winners and ribbons for participants. They also supplied lunch for all players and spectators. White Castle will continue to support the Boy Scouts and the Chess program. The Program is coordinated by Joe Renna of Renna Media, a Chess Merit Badge Counselor.

Boys and girls who are Boy Scouts, Venturers and Explorers are invited to play in all districts. The next scheduled tournament will be in Cranford on Saturday, February 27, 2016.

UNION POLICE GIVE BACK TO THE KIDS OF DERON SCHOOL

On November 20, 2015, the Union police officers under the direction of Sergeant Michael Boll, arrived as Super Heroes to Deron School in Union. Deron School is a special education elementary school that offers programs to children with special needs. It is a well-rounded program to learning disabled students, ages 5-14, which promotes academic achievement, interpersonal skills and social development. The super heroes program was developed by the Police department to show kids that the police care and help make kids feel a part of their community. Sergeant Boll, dressed as Batman, began by telling the kids that they went to the best school in the state and that the police were very proud of them. Kids love super heroes which was evident by the loud noises the kids made to invite the super heroes into the classroom. Kids had a chance to meet and greet all the super heroes who

came. The connection made the kids feel happy and proud. Like Sergeant Michael Boll said, "We are there for the kids and we want them to be happy for a long time. We want kids to know that the police are there for them." For those children who are troubled or unable to attend school due to illness, the police made special home visits to bring joy to those children. It was a dream of those housebound children to be able to see live super heroes which is how the program originally came to be. Imagine how happy a child would be to see a super hero at their doorstep. Lori Alter, Director of Deron School said, "It was a great experience for the children and it made them feel self-confident". The results proved to be super successful and will continue in future years. The Union Police department deserve to be commended for this worthwhile endeavor.
