KENILWORTH GIRL SCOUT CADETTE'S TAKE ACTION

Submitted by Victoria Devlin

Four of Kenilworth's Cadettes from Troop #40139 paid a visit to St Theresa's on St. Patrick's Day to present their take action project. The girls from Daisy Troop 40635 presented "A Girl Can Be Anything They Want To Be!"

The four girls Grace Devlin, Theresa Klemm, Gabriella Lauer and Tiffany McCray spoke about careers in marine

biology, education, medical and culinary arts fields. This coincided wonderfully with the daisies work on their courageous and strong petal. The girls got a big kick out of the culinary fun facts that Miss McCray told them. Their favorite was the record for the most amount of cupcakes eaten in six minutes (72 cupcakes).

SPREAD THE KINDNESS

When Mrs. Sue Aronowitz the 7th grade teacher at St. Theresa School in Kenilworth asked her students "What could you do to spread the kindness?" The response was to feed the less fortunate. Some of the students stayed after school and prepared close to 70 sandwiches and delivered them to St. Joseph's in Elizabeth. 7th grade is spreading the love and kindness one sandwich at a time.

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Kenilworth NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 3004. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

THE WORLD'S GREATEST DOG

(above) Bjorn and his master Scott Klinder.

(above) Bjorn greets the Library staff.

Submitted by Urszula Klinder

One sunny Labor Day afternoon, Scott Klinder ventured to the Old Bridge Animal Shelter and was disappointed to find that the dog he had chosen had already been selected by someone else. He hadn't planned to look for a different one when a friend's daughter, Abigail pointed to the sad-looking, thin, hairy dog and commented, "Look at this one, Uncle Scott." That's all it took and an hour later, they were driving home with a brand new dog.

His name was Bjorn and Scott expected from him what we all do from dogs: love, friendship, and loyalty. What he did not expect, however was that he was bringing home the World's Greatest Dog who would stand by his side for over ten years. Bjorn accompanied Scott in his campaign for the City Council and paraded with him during the Little League Parade when Scott became Mayor. One year, he pressed the button to light up the Christmas tree by the Borough Hall. However, his favorite and most important duty was to entertain the children of Kenilworth.

Bjorn became the official Library Mascot and a huge part of the yearly Library Fest, where he patiently sat through petting, cuddling, and numerous photos, loving every minute of it. When off duty, he could also be found there,

picking a book or two.

Sadly, Bjorn will not be joining the Library Fest this year as he moved to a Doggy Paradise on March 1st, surrounded by his favorite children: Annabelle, Dylan and Ally and his beloved master, Scott. He left his mark on this town and in my children's hearts, always remembered as the kindest, smartest, and most loving friend, simply: The World's Greatest Dog.

How can one move on when a friend goes away

How could one get up and greet a new day

Without pain in the heart that's heavy as a rock

How can one go on and smile or talk

How to fill the emptiness and how to feel whole

When the loved one is gone with part of your soul

Why the world can't stop for one last breath of goodbye

Last breeze through the hair, last look at the sky

Who can answer questions of deepest unknown

And choose to turn your pain to diamond, not stone

With hope that someday we'll be close again

And the time we have shared did not go in vain

Like wind that flies through skies,

you were not mine to own

And with a broken heart, I have to let you go

So run through clouds and dreams, you are forever free

Maybe when it's my turn, you'll stop and wait for me

ELEGANT TEA AND 'TUNES FOR TEA' PROGRAM

On Saturday, April 30, the Kenilworth Historical Society will present "Tunes for Tea," an elegant afternoon Tea and musical program featuring a selection of popular, nostalgic 1920s-1940s era tunes sung a cappella, in four-part, barbershop-style harmony. The enlightening and entertaining program will be presented by the Shore to Please Quartet, a group of four female singers from the award-winning Heart of New Jersey Chorus, a chapter of Sweet Adelines International. In addition to their musical performance, members of the quartet will review the fascinating history of barbershop-style music and will demonstrate the composition and essential balance of its four-part harmony.

The Tea will begin at noon at the Kenilworth Gospel Chapel hall, 557 Newark Avenue, Kenilworth, where the ambience of a lovely tearoom and charming old-fashioned sweet shop is being created for the event. In addition to offering an array of assorted teas, tea sandwiches, scones and desserts, the event will include a gift auction and door prizes. Admission is \$28. Advance reservations (by April 22) are required, as seating is limited. For reservations/tickets, please call 908-709-0434 or 908-709-0391 or visit Especially Yours Florist at 13 North 20th Street, Kenilworth.

Proceeds from the April 30th Tea will benefit the Kenilworth Historical Society's Oswald J. Nitschke House (c. 1880) "living history" museum and cultural arts center by helping defray the cost of an elevator that makes all levels of the newly restored and furnished site fully accessible to everyone.

The Shore to Please Quartet comprises Tricia Zichello (bass), Vicki Warnock (lead), Chesla Wechsler (baritone) and Karen Pearson (tenor), all of whom are accomplished vocalists and long-standing members of the Heart of New Jersey Chorus, based in Millstone Township, N.J. The Shore to Please Quartet is officially registered with Sweet Adelines International and has performed extensively throughout New Jersey since its public debut in 2012.

barbershop style; i.e., four-part harmony sung a cappella (without instrumental accompaniment). The chorus is a chapter of Sweet Adelines International, a highly respected worldwide, independent, non-profit organization of women singers committed to advancing the musical art form of barbershop harmony through education, competition and performance. Founded in 1945, Sweet Adelines International is among the world's largest singing organizations for women, boasting nearly 24,000 members. Barbershop music, which developed in the late 19th century, is a style of a cappella singing based on four-part harmony achieved by a lead, tenor, bass and baritone.

The Kenilworth Gospel Chapel is an independent community Bible church with a congregation of approximately 165 adults and children. The chapel was constructed in 1936 by a number of chapel members, including the family of local pioneer James Arthur, who built many homes in the area in the late 19th/early 20th centuries and founded the New Orange Park project.
