ARMY VALUES AWARD PRESENTED AT LINDEN HIGH SCHOOL

A Linden High School NJROTC Cadet was awarded the Hoops Hysteria Tour "Student Athlete award" for displaying the seven core Army Values at Linden High School's basketball game on February 18th. Cadet Commander Geraldine Salazar (Senior), the regimental operations Officer, was honored as the recipient.

Many people know what the words Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage mean. But how often do you see someone actually live up to them?

Linden High School is fortunate to have two heroes that live up to these standards on a daily basis. Also at the Linden High School basketball game,

the Army and Linden-honored Major Kevin Thurston, a Vice Principal at Linden High School and Sergeant First Class Derrick Potts, a Linden High School History Teacher.

These Veterans of our country learned these values in detail during Basic Combat Training (BCT), and continue living them every day in all they do.

We thank them for their service and for being outstanding role models to our youth.

TOM NAPPA FUNDRAISER STUDENTS VS FACULTY BASKETBALL GAME

The Linden Public Schools Special Education Department and Linden High School will once again hold its annual fundraiser event to honor the memory of our former Director of Special Education, Mr. Thomas "Tom" A. Nappa. Tom was dedicated to helping students and staff members reach their highest potential. He had a special place in his heart for students with special needs, which was exhibited through his actions and kindness. His leadership has inspired the Special Education Department to continue his efforts through a scholarship for students who desire to continue their education.

Our fundraiser event will be a Students vs. Faculty Basketball Game held on April 21, 2016 at 4:30pm at Linden High School, to which you are cordially invited to attend.

In addition to your attendance, your presence can be recognized through donations to this very

worthy cause. EVERY dollar goes toward helping a student reach his or her goal. We are asking that you please consider helping us reach our fundraising goal of \$5,000. Together, we can continue to give hope to our youngsters!

There are many ways to donate: monetary contributions, food/beverage donations to sell at event, working event, or purchasing an ad for the program. Our program will reach hundreds of staff, students and families. All donors will be listed, and ads are available in full and half pages.

All checks should be made payable to Linden Board of Education with a notation in the memo for the Tom A. Nappa Scholarship Fund.

COAT AND NEW SOCK DRIVE

School Ten's Student Council held a gently used coat and new sock drive which concluded at the end of January.

The advisors Fran Czytek and Tracey Capalbo are happy to say that the Student Council

collected 63 coats and 19 packages of socks along with hats, gloves, and scarves. The students worked very hard making flyers and posters to advertise and it paid off. Linden School No. 10 are very proud of them.

The students hold up their collected coats, socks and such. Photo by Linden School No. 10

11 CRITICAL HOME INSPECTION TRAPS TO BE AWARE OF WEEKS BEFORE LISTING YOUR HOME FOR SALE

Linden NJ - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help homesellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

A DELICATE BALANCE

Students in Mrs. Downes' Science class in School Two are building mobiles as part of the Balancing & Weighing Science Unit.

Making mobiles offers students an opportunity to apply what they have discovered about the relationship between balance and weight. Students discover that they can design mobiles with various fulcrum points. They also discovered that they can change the balance of a mobile by adding slightly more weight or by shifting its position.

HOW TASTE OF SCHOOL NO. 2 BEGAN...

A SCHOOL IS MORE THAN A BUILDING, IT IS THE CENTER OF A COMMUNITY.

School No. 2 hosted their first annual "Taste of School No. 2" event.

This project started back in December when all of our School No. 2 students created "culture dolls". The 3-5th grade students used their Macbooks which was part of our One to One Technology to help appropriately decorate their dolls to resemble the clothing of their country and the flag from their country as well. The younger students worked on it with their teachers and/or their parents and they were all displayed the night of our "Taste of School No. 2" event.

In January, notices were sent home to faculty members and the families of School No. 2 asking everyone to please donate recipes from their country. In total 140 recipes were collected, in English and Spanish and were compiled in a "Taste of School No. 2" cookbook. Students were also able to participate in this endeavor because there was a competition held for the artwork that would go on the cover. 2-5th graders, with the direction and help of Ms. Inguaggiato, submitted their artwork and our fourth grade student, Leah Pooran won the competition. The majority of the artwork was included in the cookbook on different pages and all of the artwork was displayed the night of the event.

On March 17, 2016, over 10 vendors: Chevy's, Taco Bell, Applebees, Meson Tropica, Parkview restaurant and Pinho's to name a few, donated to this event. Many of our families and faculty members also brought main dishes, salads, appetizers and desserts from their culture. The

evening was filled with cuisine from all around the world and entertainment as well. There was a production put on by different language classes from the Linden High School, there were instruments from around the world, a henna station, a piñata room and of course the cookbooks were on sale for purchase. All in all it was an incredible evening and we were honored to have Mayor Armstead, Councilman Strano, Councilwoman Yamakaitis and Board Member Ms. Beviano as a few of our esteemed guests.

We want to once again thank the School No. 2 faculty, PTA, Linden Print Shop, and families and students for an incredible evening.

(above) Mayor Derek Armstead enjoyed learning about the diverse history of the countries. Educating the Mayor is Tiffanny Jerez who is a 5th grader at Sch. 2 and her brother Peter Jerez who is a 2nd grader.

EXPLORE SUMMER CAMP AT THE GATEWAY FAMILY YMCA OPEN HOUSE

Summer Camp keeps youth moving, learning and exploring

The Gateway Family YMCA is gearing up for a summer of fun and is inviting the public to learn more about summer camp at an open house this spring. Summer camp open house dates are scheduled for March 29 5-8pm, April 30 12-3pm and May 18 6-8pm. Summer day camp is available at the Elizabeth Branch, 135 Madison Avenue, Elizabeth, the Five Points Branch, 201 Tucker Avenue, Union and the Rahway Branch, 1564 Irving Street, Rahway.

The Gateway Family YMCA offers summer camp programs for preschool through grade 11. And, to ensure that all youth have the chance to experience camp, The Gateway Family YMCA offers financial assistance to those in need. Summer camp at the Y gives kids and teens an adventurous, active and healthy summer.

YMCA camp programs offer youth fun and unique experiences with an opportunity to explore the outdoors, meet new friends, discover new interests and create memories that last a lifetime. Attending an open house is a first step in selecting a summer camp experience that complements your child and their interests. Camp experiences include sports camps, arts camp, dance camp and swim camp along with traditional summer day camp.

Summer is the ideal time for kids to get up, get out and explore. But, for some kids summer means no access to recreational and educational activities to help them learn, grow and thrive during out-of-school time. As a result, some kids can experience learning loss and gain weight twice as fast than during the school year. Attending summer camp at The Gateway Family YMCA is a wonderful opportunity for kids to keep their minds and bodies active.

"YMCA summer camp supports the social-emotional, cognitive development and physical well-being of kids," says Krystal R. Canady, CEO of The Gateway Family YMCA. "In our

(above, l-r) Cadet Ensign Shanice Burgos Drill team commander receiving the 2nd place overall trophy.

day camp, kids are in a welcoming environment where they can belong, build relationships, develop character and achieve – discovering their potential. We really encourage parents to give their kids the gift of camp so that every child can benefit from the experience," added Melynda A. Mileski, EVP/COO.

A leading nonprofit committed to nurturing the potential of youth, the Y has been a leader in providing summer camp for nearly 130 years. The Gateway Family YMCA continues to give youth an enriching, safe experience with caring staff and volunteers who model positive values that help build their kids' character.

For more information, visit www.tgfyymca.org/day-camp or contact The Gateway Family YMCA Elizabeth Branch 908-355-9622, Five Points Branch 908-688-9622 or Rahway Branch 732-388-0057.

SCHOOL # 2 DIVERSITY

Kindergarten students at School #2 in Mrs. Colacitti, Ms. Castanheira and Mrs. Mercedes Fernandez's class united together to discuss diversity and take pride of their culture on February 17th. The children enjoyed listening to stories about different cultures and customs around the world and compared differences and similarities. Their classroom's bulletin board, "Diversity is the only thing we have in common," is composed of quotes directly from each student stating what they know about their culture! Students shared details of their heritage in English and in Spanish as part of their Social Studies diversity lesson.
