CHILDREN'S SPECIALIZED FUNDRAISER - A LINDEN TRADITION

Children's Specialized Hospital (CSH) in Mountainside was presented with a check for \$2,250 from Linden Kiwanis after the successful conclusion of the Kiwanis Club of Linden's annual Walk-A-Thon Halloween Parade Project which was held jointly with all our K-Kids Clubs at the Linden elementary schools on October 30, 2015. Almost \$1000 was raised by the K-Kids Clubs, and the remainder was raised by the Kiwanis Club of Linden, inclusive of generous contributions received from Infineum USA LP and Dr. William Osborn. School #4 contributed over \$500.00 as part of their school family is receiving services from CHS. This year some schools used their donations for other causes – such as helping out a school family member who was sick. Special thanks to Danny Robertozzi, Superintendent of the Linden Public Schools and Chris Kolibas, our Kiwanis Club of Linden President, for attending our luncheon and their continual support of our programs. This fun fundraising event has become a Linden public schools / Kiwanis Club of Linden tradition.

Children's Specialized Hospital is the nation's leading provider of inpatient and outpatient care for children from birth to 21 years of age. The children who are treated at

Children's Specialized face special health challenges which range from chronic illnesses and complex physical disabilities like brain and spinal cord injuries, to developmental and behavioral issues like autism and mental health. At 13 different New Jersey locations, our pediatric specialists partner with families to make our many innovative therapies and medical treatments more personalized and effective...so children can achieve more of their goals.

Our Kiwanis Club of Linden was organized on November 7, 1946 and is looking to expand our membership. As this non-profit organization's population ages, regeneration is vital. Kiwanis is an international organization, and the mission is to change the world one community, one child at a time. So, let's continue to change Linden's future by continuing to teach children about serving others and community leadership. Kindly contact membership chair, June Lazaro, at Primerica, by calling (908) 687-9008 for further information about membership and/or attending our meetings. We dine at Primavera's Café & restaurant for lunch on Thursdays.

Special thanks to all of our community for the support of time and money throughout the years. Our success depends on our community. Thank you! Thank you!! Thank you!!!

7 THINGS YOU MUST KNOW BEFORE PUTTING YOUR HOME UP FOR SALE

Linden NJ - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To order a FREE Special Report, visit www.njhomesellermistakes.com or to hear a brief recorded message about how to order your FREE copy of this report call toll-free 1-888-243-5861 and enter 1000. You can call any time, 24 hours a day, 7 days a week.

Recognized as a Top Hospital by Castle Connolly, Ltd., Trinitas serves both the local community and every county in New Jersey through its 80 service locations. The medical center employs more than 2,800 employees and has a medical staff numbering more than 500 physicians. Trinitas also is a teaching hospital instructing more than 50 medical residents through a program affiliated with Seton Hall.

The Renaissance Newark Airport Hotel was honored as the Medium Company of the Year. The Renaissance is a three-star hotel catering to both business and social travelers. In addition to luxury rooms with marble bathrooms, the hotel features 17,000 square feet of event space, 24-hour business and fitness centers, an indoor pool and its signature restaurant, Ironbound.

MCMANUS GEOGRAPHY BEE

Thursday January 28th, 18 students from grades 6th-8th participated in the school Geography Bee held each year at Linden's McManus Middle School. Under the direction of Social Studies teacher Anthony Ventura, students prepared by studying review packets that covered all corners of the globe. After dozens of rounds and hundreds of questions, three finalists remained. These three finalists, Alexander Stapkowitz, Thomas Turon and Anna Pieta, all seventh graders, participated in a tie-breaker held on Feb. 3rd to determine a final winner. The topic being state and world capitals, the three finalists battled intensely as they conquered every capital of each North American, South American, European, Asian and African country. In the end,

the small islands that make up Oceania determined the final winner, 7th grader, Anna Pieta.

There was some added incentive this year as both McManus and Soehl Middle Schools are entered in the National Geography Bee competition. The following day, Anna took an online geography test administered through the National Geographic Society to determine if she will be eligible to participate in the state geography bee held in the spring. If she qualifies, she will represent the Linden Public Schools at the state level with a chance to move on to the National Geography Bee held in Washington D.C. Best of luck to Anna and a great job to all the students who participated.

MAYOR DEREK ARMSTEAD COLLABORATES WITH PGK IN THEIR “ADOPT-A-PROGRAM TO READ”

On Monday, February 8, 2016, Mayor Derek Armstead donated children’s Smart-books at the Linden Multi-Purpose Center. The books were presented in support of the “Adopt-A-Program to Read” initiative, which was hosted by Promiseland Global Kids (PGK), who provides quality educational products and entertainment.

“Education is a valuable asset and it is one of our key initiatives in Linden. A young mind can never absorb enough knowledge,” said Mayor Derek Armstead. “When we introduce reading to our children at a young age it provides them with the foundation needed to expand their knowledge and to inspire them in broadening their horizons. I want to thank Councilwoman Michele Yamakaitis in joining me in this effort.”

Promiseland Global Kids (PGK) was founded in 2006 by Law Cunningham and a team of talented and caring individuals in music, media and early childhood development. The company, which supports “strengthening our community through edu-tainment,” shared a vision in creating this groundbreaking children’s edu-tainment content. Their mission is to find corporations, small business owners, and City Officials, who will sponsor the purchase of the audio Smar-book for donation to a pre-school, daycare, after school program, youth organization, library and more.

“We pride ourselves on our ability to successfully assimilate Core-Curriculum requirements in math, grammar, history and languages, into our educational platform,” said CEO Law Cunningham. “In addition to academic skills, our leaning modules encourage children to explore their creative talents.”

This event was the first event to kick-start the Adopt-A-Program to Read campaign. Mayor Armstead donated a check in the amount of \$1040 to Shawn McClain of PGK for the Smart-books. PG the Kangaroo performed one of the

(above, l-r) Councilwoman Michele Yamakaitis, PG the Kangaroo, and Mayor Armstead.

songs off the audio CD for the children and Mayor Armstead signed the books for those in attendance.

“This is a wonderful campaign to promote reading in our youth, and I am happy to be a part of this initiative, said Councilwoman Michele Yamakaitis. “Our focus lies with our next generation. It is our responsibility to help our children prepare for the challenges in their future and these books will help them as they begin a journey to success.”

MINI BOWLING IS BIG HIT

Jersey Lanes Bowling Center opened the next big thing, mini-bowling, a mini-version of the regular game in a circus atmosphere. The private party room hosted its first kid's birthday party on February 21, 2016. But before the big day the lanes were tested by players from the Junior Bowling League.

The test went perfect and the teens enjoyed

the novelty of playing on the mini lanes designed to accommodate kids from preschool on up.

Jersey Lanes is located at 30 Park Avenue in Linden. Visit www.JerseyLanes.com for more information or connect with Jersey Lanes on Facebook. The party room can be reserved by calling 908-486-6300.

INFINEUM USA DONATES \$5,000 TO LINDEN FIRE DEPT OFFICERS

The Linden Fire Department Fire Officers FMBA Local 234 and Firefighters FMBA Local 34 received a generous donation of \$5000.00 from Infineum USA L.P. towards the purchase of fitness equipment for the Linden fire stations. Infineum's Plant Manager, Karl Van Driesen, and Infineum's Community Relations Coordinator, Lois Bass presented the donation at the quarterly meeting of the Bayway Complex Community Advisory Panel. Deputy Chief Kevin Brady and Lieutenant Mike Fernandes have been spearheading the development of a physical fitness program for the Linden Fire Department fire fighters so when Infineum became aware of the fitness program they quickly moved to assist.

Linden Fire Chief Joseph Dooley stated that "This is typical of our relationship with Infineum. Over the years when they hear about a project we are trying to implement they have stepped up to help. Infineum was instrumental in getting some of the first Automatic Defibrillators for the Linden Fire Department. To say they are a good neighbor is an understatement."
