SO MANY EGGS - SO LITTLE TIME

On Saturday March 19th, 2016 the Mountainside Rescue Squad held their annual Easter Egg Hunt. Not only was the Easter Egg Hunt a huge success but the Mountainside Boy Scouts and Girl Scouts raised money for the American Cancer Society. The members of the Rescue Squad hid almost 1000 eggs with one golden egg being found by a lucky individual for

a prized chocolate bunny. The Mountainside Rescue Squad has been holding the Easter Egg Hunt for over two decades. They are always in need of members, if you are interested in joining or have any questions please contact them at 908-233-6338 or visit their new website www.ems22.com

CRAIG'S LIST'S CRAIG NEWMARK FUNDS MOUNTAINSIDE DONORS CHOOSE PROJECTS

On March 10th Deerfield 5th Grade teacher, Lenore Kline, received a surprising email from Donors Choose, a crowd funding organization specifically geared to fund classroom projects.

Hi Lenore, As you now know, Craig Newmark completed your project in honor of #BestSchoolDay. We're so proud to see the widespread support for teachers today. You deserve it. Happy #BestSchoolDay! The DonorsChoose.org Team.

Newmark donated \$375 to fully fund Kline's project, "Remarkable Readers Need Remarkable Books." Mrs. Kline is one of nine teachers in Mountainside who received the same email. Newmark's donations to Mountainside that day totaled over \$1,600.

#BestSchoolDay was created by Donors Choose as a call to action for people across America to support classrooms in need. Newmark appeared, along with many other celebrities on The Late Show with Stephen Colbert. These celebrities announced the states where they completed the funding for every

single classroom request posted on the Donors Choose site as of March 10th. According to Newmark, "I'm personally funding all of New Jersey ...I grew up in Morristown."

But March 10th is not the only day that Donors Choose has provided books and supplies for Mountainside students. The Mountainside School District has received over \$35,000 in grants for classroom projects. As part of a district wide initiative, this is the third year every classroom teacher in Mountainside has written Donors Choose grants. It began as a way to get more books into each classroom for the new Language Arts program, and as a way for the community to get more involved. But support has expanded. Teachers have received donations from across the country. In addition, the Donors Choose organization provides matching money to early submissions.

Newmark feels strongly about giving back in New Jersey, "Having the supplies to teach should be a fundamental right. It's our job to give back to those educating generation after generation."

(above) Students in Mrs. Kline's class enjoy their books obtained through a Donors Choose grant.

A 19 FOOT REPLICA OF THE EARTH

A wonderful geography day was had by Deerfield School's 4th grade students at the tail end of January.

Here is how our lead teacher, Mrs. Botkin, described the event.

The Earth Dome, by Mobile Ed Productions, visited over a hundred eager fourth grade students at Deerfield School on January 29th. This 19 foot replica of the earth was an amazing opportunity for students to have a hands on approach to learning about different landforms, plate tectonics, geology and so much more. Students were enthralled to see their curriculum come to life! What a great learning experience!

BUY A BRICK TO HELP VETS MEMORIAL PARK

The Mountainside Veterans of Foreign Wars (VFW) has initiated a project which will create the "Mountainside Veterans Memorial Park at Constitution Plaza." The newly designed Veterans Memorial Park will provide for an enlarged assembly area for veteran's ceremonies, a dignified park to reflect upon Mountainside's appreciation for our community veterans as well as enhance the focal point of the area in conjunction with the Hetfield and Levi Cory houses. The Mountainside Veterans Memorial Park will reside next to the Levi Cory house with access from the library parking lot providing easier access for our veterans and enhancing the local community.

The Mountainside VFW is initiating a 'buy a brick' fundraising program to support the project. This program will provide all Borough residents and businesses with an opportunity to take part in the project with the purchase of a personalized brick to honor a former or current veteran or simply to express personal support for

Mountainside's past and present veterans. Personalized bricks will be set in the assembly area for all to see and enjoy. We need your practical support so please participate in our 'buy-a-brick' program!

Bricks can currently be purchased on-line at: <http://polarengraving.com/VFW10136>.

Fundraising brochures are scheduled to be mailed to all Mountainside residents and businesses in the first week of March providing an opportunity to also purchase bricks using the mail service.

Mountainside VFW Post 10136 is a 501(C)19 and a NJ non-profit entity. Order summary receipts of your purchase can be printed once you complete your purchase.

Additional donations are gladly accepted and appreciated via check.

As a result, they earned a spot in the national championship tournament in Hoboken.

The event comprised of competing in three age group games, ending in a final between the top two teams. The Galaxy team played a Montgomery JAGS team twice (once in the prelim round and again in the championship) and as well as the Cougars and Scotch Plains. The girls played hard and worked through adversity with five of the seven girls suffering various injuries during the event. They were undefeated in the tournament. Congrats to the girls!

MOUNTAINSIDE FOUNDERS' FESTIVAL AND SPRING CLEANING SWAP MEET

The first MOUNTAINSIDE FOUNDERS' FESTIVAL AND SPRING CLEANING SWAP MEET will take place on Sunday, May 1, 2016 from 11am-4pm and will be held on Constitution Plaza in Mountainside. This festive event will feature fun for all including historic games of chance, amusements, chicken plop bingo, entertainment, food, refreshments and much more. GOVERNOR LIVINGSTON HIGH SCHOOL SENIOR PREPARES TO SET SAIL

Recently, high school senior Kelly McLoughlin visited her former teacher, Ms. Naftalis, at Thomas P. Hughes Elementary School and gave a very special environmental presentation to her class. Kelly's lesson was on ecological health, ocean currents, and satellite tracking. While these topics do not normally grab the attention of young scholars, these students were all ears. This was due to the exciting visual Kelly brought with her, an Ocean Drifter.

The Ocean Drifter, which Kelly built, is a device that tracks offshore currents and sends back GPS data for analysis. Since the beginning of the school year, Kelly has been working on this project in her Environmental Science class. With the help of her teacher, Lara Mendenhall, she conducted original research on the topics and developed a grant proposal for the materials. With the support of the Berkeley Heights Educational Foundation and several teachers throughout the district, Kelly was able to purchase the necessary material she needed and construct the Drifter.

Kelly not only educated the students at Hughes School, but actually had them help complete the project. The Drifter includes four sail-like canvas fins that help capture the currents and propel the device forward. Kelly had Ms. Naftalis' students decorate these canvas fins, thereby incorporating art into the STEM-base project. Kelly plans to launch the Ocean Drifter in April after she presents at the March 31st Board of Education Meeting.
